## MOTIONS, RESOLUTIONS AND NOTICES.

Ald. Dymond moved that the following resolution be taken from the table.  
By Ald. Doughty—

Whereas the city of Lansing has ordered a re-pavement of East Michigan ave.; and

Whereas, the said city deems it necessary for business purposes and increased traffic to broaden said pavement on a portion of the said street from what it has been heretofore; and

Whereas there are several trees growing in the street within the lines where the street will be graded and paved; and

Whereas it will be necessary to destroy and remove said trees in order to grade and pave said street; and

Whereas, it would be impossible to carry on said work properly and leave said trees standing, and by reason of the same they are a nuisance;

Therefore, be it resolved, that the city engineer be and is hereby directed to remove said trees or so many of them as may be necessary that come within the lines of the street where the same is to be graded and paved.

Carried.

The resolution was adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Doughty, Dymond, Eddy, Fowler, Howe, Klock, Main, McClellan, Trager.—12.  
Nays—None.

## PUBLIC IMPROVEMENT I.

By Ald. Britten:

Resolved by the city council of the city of Lansing:

That it is a public necessity, and it is hereby determined to construct a curb

and gutter in north side of Lenawee st. from Pine st. to Chestnut st.

That the city engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the city council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Eddy, Fowler, Howe, Klock, Main, McClellan, Trager.—11.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Fowler—

It is the opinion of the city council of the city of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in Shiawassee st. from Pine st. to Chestnut st. as petitioned for, is desirable, therefore, be it resolved:

That the city engineer be and hereby is instructed to prepare plans for a sewer in said street above mentioned, in the sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Eddy, Fowler, Howe, Klock, Main, McClellan, Trager.—11.

Nays—None.

#### ORDINANCES.

By Ald. Howe—

That the city council resolve itself into a committee of the whole to consider ordinances.

Carried.

The mayor called Ald. Britten to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An Ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupation of buildings, parts of buildings and structures of every nature whatsoever in the city of Lansing, Michigan, providing for condemning and

stopping the use thereof, wrecking of the same, and creating the offices of commissioner of buildings and city electrician and repealing certain ordinances," with amendments and recommended that the same be passed.

Council then resumed regular session.

By Ald. McClellan—

That rule No. 23 be suspended and the ordinance just considered in the committee of the whole and recommended for passage be now read a third time:

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Doughty, Dymond, Eddy, Fowler, Howe, Klock, Main, McClellan, Trager.—12.

Nays—None.

The ordinance was then read a third time.

By Ald. McClellan—

That the ordinance entitled "An Ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupation of buildings parts of buildings and structures of every nature whatsoever in the city of Lansing, Michigan, providing for condemning and stopping the use thereof, wrecking of the same, and creating the offices of commissioner of buildings and city electrician and repealing certain ordinances," be now passed.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Doughty, Dymond, Eddy, Fowler, Howe, Klock, Main, McClellan, Trager.—12.

Nays—None.

By Ald. McClellan—

That the building code ordinance be not published in the proceedings of the council—but that it be printed in pamphlet form and a copy of same be posted and attached on each of the bulletin boards of the city.

Carried.

By Ald. McClellan—

That the assistant city attorney prepare an index to and for the building code ordinance.

Carried.

By Ald. McClellan—

That the city clerk secure bids for the printing and binding of the building code ordinance to the amount of 1,024 copies. Printing and binding to be substantially the same as the South Bend code. Twenty-four copies of the same to be ready on or before the 16th day of May, 1921.

Carried.

Council adjourned.

## THE CITY COUNCIL

### OFFICIAL PROCEEDINGS

City Council Rooms

Lansing, May 2, 1921.

The city council met in regular session and was called to order by Mayor B. A. Kyes.

Roll call—Present—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley—16.

Absent—None.

To Your Honorable Body,  
The City Council:

The first year of my administration has passed, and it was my aim at the beginning to conduct a business administration. Just how successful I have been along that line I shall leave to the people to determine.

As the presiding officer during the past year I have appreciated very much the courtesy shown me by every member of the city council. Our work together has been very pleasant to me.

New members will occupy seats in the council this year and knowing them as I do, I am looking forward to another year of administering city affairs that will not only be a credit to the members of the city council but profitably to the city of Lansing.

I can assure each member of this honorable body that I stand ready to co-operate with you at any time, inviting your counsel and good judgment on all questions that are for the betterment of our city.

We have several important and perplexing problems to settle that have been before not only this council but previous councils for many years. We have disposed of many of them, but there are several more confronting the new council that will require the most careful thought and attention in the solving of the same.

#### Parks.

The city of Lansing has been very fortunate during the past year to receive as a gift from Wm. C. Durant, the park now known as Durant Park one of the gifts to the city that we can justly be proud of.

Mr. Durant not only cleaned up one of the unsightly spots of the city, but transformed it into a beautiful park and from the kindness of his heart gave it to the city without even a request as to the name or how it should be cared for.

I believe I voice the sentiments of every citizen of Lansing when I say our appreciation for this splendid gift is unlimited.

It is our duty as citizens to see that this park is kept as beautiful and as attractive in the years to come as it was when given to the city. This park added to the parks we now already have, not only make the city more beautiful but adds to the comfort and pleasure of the citizens as well.

The benefits we derive from our recreations in the parks of the city are very valuable to the citizens of Lansing and should be appreciated by all.

The board of cemetery and public park commissioners are rendering very efficient services to the city and should be commended for their untiring efforts in making our parks beauty spots in the capital city of our state.

#### Street Car Situation.

The street car situation has been one of our trying problems. The employees of the road were compelled during the past, to work for a low wage and the company claiming the receipts of the road would not warrant a raise unless the fare was increased.

In order that the men might receive a living wage and the city still have control over the street car situation in the city, we temporarily allowed the increase with the understanding that just as soon as conditions would warrant, the fare would be lowered. The company was requested to make certain improvements and during the past year the agreements for improvements promised the city were fulfilled; namely the belt line around by the Olds factory and double tracking on Michigan ave., from the old to the new city limits.

With the improvements promised this

year, the paving of E. Michigan and other improvements will not only add to the general condition of the road but should further improve the service.

In talking the matter over with the company relative to the lowering of the fares, I am greatly encouraged with the prospects that in the near future the fare will be lowered.

The citizens of Lansing have been very patient and loyal in co-operating with the company helping to tide them over these abnormal times. Now that conditions are gradually becoming normal, I believe the lowering of fares even though wages for their employees remain where they are would increase receipts.

#### Garbage.

The question of the collection and disposal of garbage is a problem that causes all cities more or less trouble. Several methods have been devised to solve the question as to the best method of handling it, but no system has yet been devised without fault.

Some cities dispose of it by incineration which is not only an expensive proposition to construct the plant, but an enormous waste, both in the fuel necessary to burn it and in the by products that can be obtained from garbage through other methods of disposal. As our system of disposal is by feeding to hogs, I am convinced more than ever that if it can be done by sanitary methods, it is the proper way to dispose of it.

The city recently acquired a farm for the purpose of feeding hogs and disposing of its garbage by this method. I am very anxious and I believe that every alderman is that this hog farm be conducted in a most sanitary way.

The question of feeding garbage to hogs in the locality where the farm is located has been before the courts, and the city of Lansing has been given the chance to try it out along sanitary lines and now it is up to the city to make good. If this is done, we are fulfilling a promise made to those who live in close proximity to this farm and also to the court who gave us a chance to make good our promise.

If it cannot be done in a sanitary way and the proper authorities so determine, then we should immediately abandon the system of disposing of garbage by feeding it to hogs and resort to some other method.

I would recommend that before any hogs are placed on the farm that proper authorities be consulted as to the best method of conducting the farm not only from the standpoint of good business methods, but from the standpoint of sanitation and health.

It should not be our aim entirely to see how much money we can make, but to conduct it in such a way that it will be looked upon as being a model hog farm.

#### Electric Light and Water

Our electric light and water plant, like all other utilities, is passing through

a reconstruction period that requires the most careful thought of good business minds in its operation.

The improvements made during the last year has added greatly to the production of the plants.

The increase in the supply of water by the installation of air lift pumps, will be ample to take care of our needs until the growth of the city requires an increase in the supply of water which undoubtedly will be several years.

The capacity of our electric light plant is somewhat limited, but is taking care of the needs of the city very well at present.

But should our industrial institutions require of the city power to operate their plants to capacity, the city would be greatly handicapped in furnishing the electricity they would require, and unless they installed their own plants steps would have to be taken at once to take care of their needs.

#### Police Department.

During the past year it has been my privilege to be in close touch with our police department and I have no hesitancy in saying, they are rendering very efficient service to the city of Lansing.

While crime has been very evident in cities surrounding Lansing, we have been very fortunate to be as free from it as we have, and we must attribute it to the very efficient and well organized police department.

As mayor and city council, we shall be ready at all times to co-operate with the board of police and fire commissioners, for it is through this department the public is safeguarded.

#### Health.

Our health department, I believe is rendering very efficient service to the city.

It is through this department that the public health of the city is safeguarded against communicable diseases.

The department cannot accomplish this work alone, but needs the united support of every citizen of Lansing in their effort to make Lansing a better and more healthy place to live.

Our detention hospital will be completed in a short time, which will add greatly to the relief of those suffering with contagious diseases. By the completion of this hospital the horror of being placed in a pest house will be eliminated, as every convenience will be provided for the comfort of those placed in this institution.

The health board should be commended for the way in which they proceeded in the construction of this hospital as it will all come within the appropriation given the board for the erection of the building.

In carrying out this work, I have the same request to make I made one year ago.

I urge the most efficient service

given with the strictest economy.

#### City Comptroller..

Reviewing the activities for the past year in the office of the City Comptroller, discloses the fact that the budget system is becoming a more important factor each year in determining accurately the cost of our municipal government besides assisting the several department heads to improve methods of administration, secure greater efficiency, reduce expenditures and to allocate their appropriations in such a manner that activities in their respective departments would be kept at a uniform pace throughout the year.

On account of conditions arising subsequent to the time the 1920-21 budget was adopted, it has been necessary to supplement the appropriations of the ward highways, poor department, election and general paving to the extent of \$34,573.43 up to April 15th, 1921. This has been done by transfers from contingent funds which has had an ample credit balance to take care of these transfers. The deficit referred to above will be included in the 1921-22 budgets of those departments creating same and will revert to contingent fund during the ensuing year.

#### Bonded Indebtedness.

The total bonded indebtedness of the city at the present time, including \$350,000 paving, and sewerage bonds which will be sold on May 9th, is \$2,558,000, which is classified as follows:

Paving bonds .....	\$615,900.00
Sewer bonds .....	313,800.00
Water bonds .....	580,000.00
Electric light .....	615,000.00
Miscellaneous .....	333,300.00

It is reasonable to expect that the water and electric light bonds, while the direct obligation of the city as a whole, will not have to be paid by taxation, but will be retired by the water and electric light department from their earnings. Omitting these two items amounting to \$1,095,000.00, we have a bonded indebtedness of \$1,263,000. Of the amount \$754,220.00 will be spread on special assessment rolls and will be collected from property owners directly benefited. This leaves \$508,780.00 which is a direct obligation upon the city at large or a per capita debt of \$8.87; 42-100 of one per cent of our assessed valuation or approximately a debt per \$1,000 valuation of \$4.25.

Included in the amount under paving and sewer bonds is \$350,000 which will be set aside for constructions, requirements as follows:

- Paving Michigan ave. from M. C. R. R. tracks to city limits.
- Paving Pine st., St. Joseph st to Isaac.
- Paving Walnut st., Isaac st to Robert.
- Paving Center st., Saginaw st. to Beaver st.
- Paving Grand ave., Shiawassee st. to Saginaw st.
- Sewers, extension and repairs.

Work on the above construction has just been started.

During the season of 1920 we completed 21,319 feet of paving or a fraction over four miles at an average cost per foot frontage of \$4.87.

Total curb and gutter construction was 15,108 feet or an average cost per foot frontage of 94c.

Total of graveled streets was 5,880 feet or an average cost of 44c per foot.

Total of grade and graveled streets was 7,366 feet or an average cost of 70c per foot.

The people of Lansing have, by ballot, placed in our hands thousands of dollars for public improvement. In doing so they have expressed themselves as placing the utmost confidence in us for the expenditure of this money. May those appropriations entrusted to our care be economically and judiciously spent, so we will not betray the confidence they have placed in us.

By so doing we must as city officials be ever on our guard seeing that the city gets 100 per cent in return for every dollar expended.

I would further recommend in the construction of all public improvements that the work be given to citizens of Lansing to relieve so far as possible the great industrial depression. The question of wages should be given the most careful consideration, while the cost of living has lowered along some lines, rents, fuel and many other necessities are still high.

Men have been out of employment for several months, in a great many instances rents are unpaid and grocery bills have accumulated, so great care and judgment should be exercised in considering the wage question with our city employes.

It is my judgment that if wages are lowered they should be lowered to conform with living conditions as they exist, and not to the extent that will add to the hardship already existing in the city.

In closing I wish to say let it be our aim in all committee work to be prompt in investigating and reporting back to the council all propositions referred, for we should carry on the business of the city without delay and without waste.

Questions arise that cause men to differ in opinion and it is right and proper that men should differ to reach a proper solution of problems, but I ask it be done in a businesslike way, not to create a hatred between fellow councilmen for this invariably delays public improvements.

I would earnestly request that the different departments make up their budget for the coming year and deliver the same to the city comptroller that it may be in the hands of the ways and means committee as early as possible.

I would also urge the committee on salaries to make their report at an early date that the report of the ways and means committee may not be delayed.

Again let me say that we should re-

der the citizens of Lansing the very best service possible, keeping in mind at all times that we are their servants.

As your presiding officer I promise to give each member of this council fair and impartial treatment and in return I ask your hearty co-operation in making this year a most profitable one to the citizens of Lansing.

#### REPORTS OF CITY OFFICERS.

Social Center, expenditures, May, 1920, to May, 1921, and budget May, 1921, to May, 1922, was received and placed on file.

To the Hon. Mayor and Members of the City Council, Lansing, Mich.

Gentlemen:

As I have heretofore notified you, judgment was rendered against the city in favor of Charles J. Davis on account of Holmes street paving in the sum of \$350.65, and costs taxed at \$42.30, interest \$8.75, total \$401.70. I would recommend that the same be paid.

Very respectfully,

D. G. F. WARNER,  
City Attorney.

Received and placed on file.

To the Hon. Mayor and Members of the City Council, Lansing, Mich.

Gentlemen:

On January 24th, 1920, a judgment was rendered against the city of Lansing in favor of Frances Wilmot Shaw, for injuries she received by reason of a broken sidewalk. The amount of the verdict was \$800. I was not informed of this until I had been in office for some months, when I learned it was in the court and a motion for a new trial pending. Sometime ago I took up the matter and argued the motion, which was decided against the city. I have

examined the record very carefully and I am certain there would be no beneficial use of appealing this case or contesting it further, and therefore recommend that the same be paid. The amount of the judgment is \$800, costs \$45.

Very respectfully,

D. G. F. WARNER,  
City Attorney.

Received and placed on file.

Hon. Mayor and City Council, City.  
Gentlemen:

It has come to my knowledge that there is some question as to the amounts collected in the Venereal Clinic at the Health Center and the amount turned over to the city treasurer.

As my integrity is under suspicion I would respectfully request your Honorable Body to refer the matter to the health committee of the council for a thorough investigation.

Respectfully submitted,  
JAMES A. HUMPHREY, M. D.,  
Health Officer.

Referred to committee on health.

Hon. Mayor and City Council, City.  
Gentlemen:

In compliance with your order of April 27th, the investigation was made concerning the so-called city piggery on West Willow st. and the conditions found were practically those complained of by the township board of health.

However, the order is practically all confined to the portions used for feeding pen but a pile of garbage may prove a menace to health as soon as the weather becomes warmer and flies begin to breed. Would advise a removal of same at earliest possible convenience.

Respectfully submitted,

JASON E. NICHOLS,  
Pres. Board of Health.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

I herewith present you with plans and estimate of cost of curb and gutter in Lenawee st. from Logan st. to Old City Limits. Estimated cost, \$2,860.00.

Respectfully submitted,

O. E. ECKERT,  
City Engineer.

Received and placed on file.

## PUBLIC IMPROVEMENT II.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted May 2, 1921, for constructing a curb and gutter in Lenawee street from Legan street to old west city limits are hereby adopted.

That the portion of the city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Lenawee street within the west line of Logan and the west line of old city limits and extending back from said Lenawee a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$2,860.

That the expense of such improvement in public street and alley intersections

is \$608.20 which shall be paid by the city out of the general paving fund.

That 80 of the remainder of said estimated expense, to-wit, the sum of \$1,801.44 shall be defrayed by special assessment upon the taxable land and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement and the remainder of such expense, to-wit, \$460.36, shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—In designing a bridge to cross the Cedar river it is desirable that we know definitely whether Pennsylvania ave. is to be improved as a boulevard or as an ordinary street, and what provision if any should be made for a future possible extension of the street car line on Pennsylvania avenue.

I have some suggestions to make which I would be glad to do before the entire council or such committee to whom you may refer this matter.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Referred to committee on bridges  
5th and 6th ward aldermen and committee on streets.

To the honorable mayor and city council:

Gentlemen—The following resolution was adopted by the board of cemetery and public park commissioners at a meeting held on May 6, 1921:

"By Com. Beck,

It is the opinion of the Board of Park and Cemetery commissioners that Pennsylvania ave. from Main st. south to the city limits should be boulevarded and the board would greatly appreciate any action of the council tending to make this improvement possible, and that a copy of this resolution be sent to the council."

J. A. PARSONS, City Clerk.

Received and placed on file.

To the honorable mayor and city council:

Gentlemen—As directed by your honorable body I deposited the check of the Sinclair Refining Co. in the city treasury but the city treasurer reports that the check has been returned with a statement that payment on the check had been stopped by the Sinclair Refining Co.

J. A. PARSONS, City Clerk.

By Ald. Main—

Whereas the city of Lansing, by and through its proper officers, has ordered the repaving of E. Michigan avenue, and the bonds with which to raise the money have been voted and all steps taken preparatory to doing the work; and

Whereas heretofore to wit on the 28th day of February, 1921, the city council, by resolution, ordered that the city engineer be instructed to pave said street; and

Whereas said work is now in progress between the Michigan Central Railway tracks and the old city limits; and

Whereas the city is now ready to commence work upon that portion of East Michigan avenue between the old city limits and the new city limits; and

Whereas that portion of the street last described is paved upon the north side thereof, but by reason of its condition is necessary to resurface the same, and according to the plans now on file in the office of the city engineer the same is to be surfaced by three inches of asphalt, thereby raising the grade of the street three inches higher than it is at the present time, and that portion of the street upon the south side will be paved to correspond in height with that upon the north side, thereby leaving the Electric Railway which traverses said street out of grade; and

Whereas the said Electric Railway now operating along and over said street has not paved between its rails and eighteen inches each side thereof, but has filled the same with gravel and crushed stone, using the same as a base for its railroad ties and tracks;

Therefore, be it resolved, that the said Electric Railway company operating along and over said street be required to immediately take steps and push the same to a completion, within a reasonable time, of putting a proper base under its ties and railroad bed and pave the same between its tracks and eighteen inches each side thereof, in accordance with and in keeping with the plans and specifications on file in the office of the city engineer of the city of Lansing, and to lay its railroad in accordance with the new grade, as will be made by the paving and repaving of said portion of said Michigan avenue.

Be it further resolved, that the city clerk be and is hereby directed to serve a copy of this notice upon the said Electric Railway company, now operating over and along said street.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler,

Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager—15.

Nays—None.

#### PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted for grading Ayers st. from Ionia st. to Ottawa st. are hereby adopted.

That the portion of the city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Ayers st. within the north line of Ottawa st. and the south line of Ionia st. and extending back from said Ayers st. a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys, and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$160.00.

That the expense of such improvement in public street and alley intersections is \$5.00, which shall be paid by the city out of the 2nd ward highway fund.

That all of the remainder of said estimated expense, to-wit, the sum of \$155.00 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

To the Honorable Mayor and Members of the City Council:  
Gentlemen—

In accordance with a resolution adopted by the city council on March 6th, which resolution was to the effect that a committee be appointed to take action along the line of doing something to commemorate the memory and show our appreciation of our soldiers during the wars in which our country has been engaged, on the 13th day of March the Honorable Mayor appointed said committee, which committee begs leave to submit the following report.

We have had several meetings and expended a great deal of time and given a great deal of consideration to this matter, and your committee is now of the opinion that one of the most suitable propositions that can be put across is that a memorial hall or building be erected in the city, which may be used to the advantage of the soldiers and citizens of our commonwealth. We therefore recommend that a building, in accordance with the plans drawn and submitted by J. N. Churchill, be

erected upon the property now owned by the city of Lansing at the corner of Grand avenue and Shiawassee street. The said plans and specifications so prepared by Mr. Churchill are made a part of this report.

We further recommend that the question of bonding the city in an amount sufficient to defray the expenses incident to the erection of said building be submitted to the voters of the city at a special election to be held at an early date, to the end that the building may be pushed to completion as soon as it reasonably can be.

Respectfully submitted,  
ARTHUR H. LEONARD,  
ALTON J. HAGER,  
E. B. RAMSEY,  
NELLE W. GRAHAM,  
MRS. ROBERT BRIGGS,  
ELMER CLAPHAM,  
FRANCES G. COOPER.

By Alderman Burgess—

Moved that the city attorney be directed to prepare the proper resolution for voting the bonds to build the memorial building and to prepare notice for a special election and do all things necessary to properly submit this matter to the people of this city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Avery—

That all present with the council give a rising vote of thanks to Architect Churchill for the work he has done for the committee and all. Carried.

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale,

Templeton, Trager, Watley.—15.

Nays—None.

To the honorable mayor and members of the city council:

Gentlemen—Recently I was called upon by three gentlemen, viz. Mr. Ed. Bentley, Mr. Alonzo Kitchen and Mr. Louis Krepps, in relation to the sidewalk in front of their properties. It is reported by them that the sidewalk was practically ruined by the Westside Dairy company driving along and over the same, and using the same for highway purposes. They informed me that the same was used as a highway by the said West-Side Dairy company for a period of two or three days and occasionally for a period of two weeks.

In conversation with one of the Westside Dairy company, he informed me that they were forced to drive there by reason of the street being torn up so that it made it impossible for them to get back and forth to their property, and further that they received permission to drive over said sidewalk and that the city gave them an outlet over an adjacent lot, until the street could be put into condition for travel.

It is certain that the sidewalk should be replaced, if it was destroyed in front of these properties, and I think it advisable that this matter be taken up by some committee to determine the rights in the matter. We have an ordinance, being Ordinance No. 7, Section 3, which provides that no person shall drive upon any sidewalk with a wheeled vehicle, and if so is subject to a fine or imprisonment. It may be advisable that this be taken up with a view of considering either a replacement of the sidewalk or an ordinance enforcement.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

Whereas the city of Lansing, by and through its proper officers, has ordered the repaving of East Michigan avenue, and the bonds with which to raise the money have been voted, and all steps taken preparatory to doing said work, and the work has been progressing for some time on that portion of the said street between the Michigan Central railroad tracks and the old city limits; and

Whereas the city is now ready to go forward with the work between the old city limits and the new city limits; and

Whereas said portion of said street is traversed by the Electric Railway Company, which operates and does business in the city of Lansing; and

Whereas the council, heretofore to-wit, on the 16th day of May, 1921, passed a resolution notifying the said Electric Railway Company of the fact that it was about to commence operations on that portion of E. Michigan ave. between the old and the new city limits, and requesting the said Electric Railway Company to immediately take steps to prepare for the building of said pavement, by putting a proper base under its ties and railroad bed, and paving between and on eighteen inches each side of the tracks, in accordance with the plans and specifications in the office of the city engineer; and

Whereas the said Electric Railway

Company appears to ignore the said notice;

Therefore, be it resolved, That the city engineer be and is hereby directed and instructed in the pavement of the said street to construct a concrete base where the said street railway lines run and properly put the grout between the ties and tracks and do all things necessary to properly pave said street, and especially along the railway tracks, in complete and proper manner.

Received and placed on file.

To the honorable mayor and city council:

Gentlemen—Your board of water and electric light commissioners beg leave to ask your honorable body to take the necessary steps to provide by bonding, the sum of \$1,650,000 for the purpose of building and equipping a new electric light and power plant with necessary

electrical distribution system. The board as usual, will set aside from its earnings the necessary funds from time to time for the prompt payment of both principal and interest when due.

Thanking you for a careful and prompt consideration of the above, we remain,

Yours very truly,  
BOARD OF WATER AND ELECTRIC  
LIGHT COMMISSIONERS.

Otto Ziegler, President.

By Ald. Britten—

That the communication be referred to committee on public lighting.

Carried.

Mr. O. C. Howe,  
Chairman of the Committee on Streets.

Dear Sir—In answer to your inquiry as to the extent the sidewalk might be used for business or display purposes, I have made the following deductions.

Ordinance No. 7, Section 4, provides that merchants and other business persons may use the sidewalk next to their places of business "for a distance of six feet, for the purpose of displaying or moving their goods or wares or the moving across any sidewalk of any fuel for the use of families or others."

I first considered the question as to whether the council could legally grant such a privilege and whether or not the ordinance was a legal one, and I have come to the conclusion that it is. That the power is rested in the council. Of course this might be qualified to this extent, that if an ordinance was so far inconsistent with conditions as to cause a nuisance the same would be declared void, as for instance, if there was an eight foot walk and six feet were allowed for display purposes, it would be unreasonable and unenforceable, but where the ordinance is reasonable, taking into consideration the width of the walks, the population of the city, etc., there is no question but it is legal and enforceable.

I want to state further in this regard, although it is not at present under consideration, that should a person use the walk for display purposes and a person, while using the walks, should come in contact with the same in such a manner as to cause injury, I am inclined to think that the city would be held liable for the injury, by reason of the fact that it permitted the same to be used.

The principal question involved here is, can a person under this section of the ordinance use the same for other purposes than what might be called display his goods, and the immediate matter under consideration I believe where it is claimed that a corn popper was upon the sidewalk. This is a cold matter of judgment. One man's opinion would be practically as good as another, but I am inclined to the view that because the instrumentality that was used for display purposes, as long as it was practical and used along in a business connection, was a corn popper would make no difference, it would come within the ordinance, as a corn popper or a peanut roasting machine and the like would be no more of an obstacle to the sidewalk than a frame of fruit and

vegetables, and either is a matter of display. So, I am going to give it as my opinion that it would come under the same class.

Very truly yours,  
D. G. F. WARNER,  
City Attorney.

#### OPENING OF BIDS.

The following bids were received for publishing council proceedings, printing, proceedings in pamphlet form and publishing legal notices and advertisements:

Bid of State Journal, 60c per inch.  
Bid of Lansing Capital News 37½c per inch.

By Ald. Britten—

That the bids be referred to committee on bonds and contracts.

Carried.

#### REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures for the week ending May 28, 1921, was received and placed on file.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—I respectfully call your attention to the desirability of considering the necessity for grade separation on Pennsylvania avenue south where the same crosses the Pere Marquette railroad tracks. This portion of the street has been ordered paved. In order to cross the tracks at grade it is necessary to have the grade of the street somewhat above the adjoining property. The grades could be separated and the street taken below the railroad tracks better now than any time later on. I would respectfully recommend that provision be made to separate the grades before paving is done.

Respectfully,  
O. E. ECKERT,

City Engineer.

Referred to committee on streets.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—Two communications have been addressed to me by the Lansing Fuel & Gas company regarding the installation of service stubs on Michigan avenue between the M. C. R. R. tracks and on north Larch street between Shiawassee street and Saginaw street. If all stubs are not put in now before the paving is done it is certain that requests will be made to cut holes in new pavements, soon after they are constructed.

Respectfully submitted,

O. E. ECKERT,  
City Engineer.

Referred to committee on streets.

Hon. Mayor and City Council:

Gentlemen—I herewith submit to your honorable body the special assessment roll for repaving of Michigan avenue from the west line of section fifteen to the east line of section fifteen.

Also the supplementary special assessment roll for paving of Pennsylvania

avenue from Michigan avenue to Saginaw street as corrected to actual cost.

Respectfully submitted,  
WM. C. HINMAN,  
Assessor.

Received and placed on file.

#### REPORT OF COMMITTEE.

The committee on sewers to whom was referred the petition for a sewer in the street to be opened east of the Durant motor plant begs leave to report as follows:

We recommend that the request be granted.

The committee on sidewalks to whom was referred the petition for sidewalk on Washington ave., south, Greencroft subdivision, on Lots 57, 58, 59, 60, 61, 62, 69, 70, 71, begs leave to report as follows:

We recommend that the request be granted.

E. D. KLOCK,  
H. S. FOWLER,  
Committee on sidewalks.

By Ald. Klock—

That report of the committee be adopted.

Carried.

The committee on streets to whom was referred the communication of Frank L. Dodge relative to grading certain streets in the Frank L. Dodge subdivision begs leave to report as follows:

We recommend that the plat be adopted on the condition that the owner gives the city of Lansing a surety bond in the sum of \$1,000.00 that the streets in the subdivision be properly graded on or before June 1, 1922.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on streets.

By Ald. Howe—

That report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Britten Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

The committee on streets to whom was referred the matter of purchasing a roller for the scarifier begs leave to report as follows:

That owing to the depression in business matters and also inasmuch as the streets upon which there is a large amount of traffic are rapidly being paved we recommend that the roller be not purchased at this time.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND.

By Ald. Howe—

That report of the committee be adopted.

Lost.

Yeas.—Ald. Dymond, Heeb, Howe, Phillips, Templeton, Trager, Watley.—7.

Nays.—Ald. Avery, Britten Clapham, Fowler, Klock, Main, McKale, Mayor.—8.

The committee on streets to whom was referred the communication relative to the proposition of paving S. Pennsylvania ave. as a boulevard instead of a street, begs leave to report as follows:

We recommend that the street be paved as a boulevard and further recommend that the question of expense for damages be referred to some committee of the city council.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on streets.

By Ald. Howe—

That the report of the committee be adopted.

By Ald. Avery—

That the matter be laid on the table.

Carried.

The committee on streets to whom was referred the matter of pop-corn stands and other stands on the streets in this city, begs leave to report as follows:

Inasmuch as merchants are allowed six feet in front of their place of business for the display of goods, we recommend that corn popping and peanut roasting machines be allowed six feet in front of a store upon which to do business provided there is no objection by the owner of the store.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Ald. Templeton moved as a substitute that the matter be re-referred to the committee on streets.

Carried.

The committee on streets to whom was referred the petition for paving Isaac st., from Logan st. to Birch st., begs leave to report as follows:

That the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on streets.

By Ald. Howe—

That report of the committee be adopted.  
Carried.

The committee on streets to whom was referred the matter of hastening the paving on Moore's River Drive, begs leave to report as follows:

At the present time paving is being pushed on Michigan ave. and other streets for which bonds were voted last year. Until this work is near completion little will be done on the streets in the way of paving for which bonds were voted this year. Should nothing out of the ordinary happen, it is possible that Moore's River Drive might be paved this fall. However, should it be necessary to change the program for any good and sufficient reason, it would be impossible to tell just when this street will be paved. Unless something unusual occurs the program arranged for early in the year will be followed.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on streets.

By Ald. Howe—

That report of the committee be adopted.

By Ald. Avery—

That the report be laid on the table.  
Carried.

The committee on streets to whom was referred the resolution directing the committee on streets to ascertain and determine the expense of obtaining right of way for a street over and along the following described premises: Starting at the north line of Espanore plat, running thence southerly along the west line of Espanore plat, continuing and extending to Michigan ave., begs leave to report as follows:

The street committees requested that the appraisal committee of the Lansing Real Estate Board make an appraisal of the lots needed for this street. This was done and their report is made a part of the report of the committee on

streets. We feel, however, that there is a little variation in these lots and some owners should receive more money than others for them but we think that the aggregate cost of the nine lots should not greatly exceed the figures named in the appraisal.

In regard to the damage to the building on lot 20, block 5, we are unable to fix the amount until a survey is made to exactly determine what part of the building is on the lot in question.

General paving fund ..... 676.00

To be assessed ..... \$2,312.00

Respectfully submitted,  
O. E. ECKERT,  
City Engineer.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing:  
Gentlemen—Herewith is a report of the actual cost of paving the following named street:

B-364,  
Holmes street, Michigan avenue to Main street.  
Cost of intersections ..... \$7,642.18  
20% of remainder ..... 5,092.36

To be paid by the city ..... \$12,734.54

To be assessed to property benefited ..... 20,869.40

Total cost ..... \$33,104.00

Respectfully,  
O. E. ECKERT,  
City Engineer.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—I herewith report that during the year ending April 30, 1921, the hogs sold from the city piggery amounted to \$28,628.66. Deducting freight, commission, vaccination, etc., leaves \$27,843.64 that has been deposited with the city treasurer and credited to garbage disposal.

The hogs that have been bought, with freight, extra feed for small pigs, vaccinating those bought in local market, my expenses to Detroit, and small miscellaneous items make a total of \$16,547.96. We had 643 hogs on hand April 30 at an average weight of 200 pounds, at \$9.00 per hundred.

During the year \$7,663.50 was received for the rental of garbage cans.

I asked to have this work taken away from the department of public works because it was too much, when added to the regular work of the department was put under my charge in the 1

part of the year ending April 30, 1920, and I leave it in the best condition possible under the circumstances, as the ground used for the pigery not being of sufficient size, and the city's unfortunate experiment with the American Bi-Product company, interfered with the progress of this work.

Respectfully,

A. WINEGAR,  
Supt. of Public Works.

Received and placed on file.

To the city council:

Gentlemen—I hereby make the following appointments to the Board of Health.

1st ward, Danied D. Lewis in place of Mrs. Nellie L. Cady, resigned.

3rd ward, William T. Bishop, in place of G. O. Fuller, resigned.

4th ward, C. F. Stabler, for full term.

7th ward, F. W. Redfern, in place of Mary E. Glikley.

B. A. KYES, Mayor.

By Ald. Avery—

That appointments be confirmed.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—16

#### REPORTS OF COMMITTEES.

The committee on streets to whom was referred the communication of the city engineer relative to grade separation on Pennsylvania avenue south where same crosses the Pere Marquette tracks begs leave to report as follows:

We recommend that this question be not taken into consideration at this time in connection with paving Pennsylvania avenue south.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on streets.

By Ald. Howe—

That the report of the committee be adopted.

Carried.

The committee on streets to whom was referred the matter of securing options on land to be used for opening a street just east of the Durant Motors corporation, begs leave to report as follows:

That they have obtained verbal options on the following lots at the price set opposite the description.

Owner.

Lot No. 20, block 5, O. A. Jenison, \$950.00

Lot No. 19, block 5, O. A. Jenison, \$950.00

Lot No. 17, block 7, John A. Ross, \$950.00

Lot No. 12, block 8, John A. Ross, \$950.00

Lot No. 16, block 7, Banker &

Phalen ..... \$950.00

Lot No. 14, block 6, Banker &

Phalen ..... \$950.00

For these six lots we recommend that

the council provide for the purchase of the same.

In regard to the other three lots we report that we have been unable to get into communication with the owner of lot 13, block 6, he lives outside of the city and we ask for more time in which to get the desired information.

Mr. Beitler owns lot 12, block 4, and asks \$1,000 for the same. We recommend that the city attorney be instructed to begin condemnation proceedings in case Mr. Beitler does not agree to accept \$950 for his lot.

Lot 13, block 8, is owned by Mrs. T. A. Hinehine who asks \$1,300 for the same. We recommend that \$1,250 be paid for this lot. In event it is not acceptable to the owner, we recommend that the city proceed to condemn it.

In regard to damages to the building on lot 20, block 5, we ask for more time in order to determine grade of street, etc.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Whereas the Electric Railway Company now operating in the city of Lansing has made a tentative proposition to the city of Lansing as follows:

That the said Electric Railway company will put its tracks and roadbed in shape for paving between the old and new city limits on Michigan avenue east and will do the same at a time and in a manner so as not to hinder the city in its work along said street, and that the said Electric Railway will do the necessary paving between its tracks and on each side thereof on St. Joseph street west and remove its tracks on Center street between East Franklin avenue and Saginaw street and will pave between and along its tracks on Center street, north of Franklin avenue to the P. M. bridge, all during the season of 1921, at its own expense; provided, the city of Lansing, through its council and proper officers, will extend the terms of the agreement for one year, as set forth in the communication to the council by the railway company dated June 4th, 1920. The said work in paving along and over the tracks by the said Electric Railway company to be

in keeping and in accordance with the contract ordinance under which the said Electric Railway company now operates; and further provided, that the cost of paving between the tracks on Michigan avenue east shall be borne in the first instance by the city of Lansing, but to be paid to the city of Lansing by the said Electric Railway company, its successors and assigns, in five annual payments, in the same manner as Michigan avenue east to the old city limits. That said amount for paving, when expended, by the city, shall be a lien upon the property of the Electric Railway company, as provided for in the contract ordinance between the railway company and the city of Lansing;

Therefore, be it resolved, that the above and foregoing be adopted and that the same shall be considered as binding between the city and the said Electric Railway company, upon the said Electric Railway company filing their approval of the same with the clerk of the city of Lansing, which approval is to be made upon the serving of a copy of this notice upon the Electric Railway company, or within a reasonable time thereafter.

Be it further resolved that the clerk of the city of Lansing be and is hereby directed to serve a copy of this resolution upon the said Electric Railway company.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing;

Gentlemen—The ways and means committee has asked me to file an opinion in relation to the question: "Can the city tax or assess property for private enterprises, or, in other words, can it render assistance from the public funds to private enterprises not directly connected with the municipal affairs?" This question being of much importance, I herewith submit my findings and determination in relation thereto to this council.

We will first determine what is meant by taxation, and for that purpose I will quote from

37 Cyc. 706:

"A tax is a rate or sum of money assessed on the person or property of a citizen by government for the use of the nation or state."

Another definition that is given is: "It is the enforced proportionate contribution of persons and property, levied by the authority of the state for the support of government and for all public needs."

Another essential element that is laid down in the same work is that the tax when raised must be used for public or governmental uses and not as payment of any special privilege or services rendered. In the case of People vs. Salem Township, 20 Michigan 542, it says:

"The exercise by a municipal corporation of the power to pledge its credit is an incipient step in the exercise of the power of taxation and unless the object to be promoted be such as may be provided for by taxation the power to make the pledge does not exist and the legislature cannot confer it. It is essential to a valid exercise of the power of taxation that it be for a public purpose, that it be exercised according to some rule of apportionment throughout the state, if it be for a state purpose, or throughout the municipal subdivision interested or to be affected, if it be local."

It will be seen by the last case cited that taxation must first be for a public purpose, and it must be exercised according to some rule of apportionment throughout the municipal subdivision. In other words, if this council should undertake to give benefits to any particular organization or body, it must first find the same is for a public purpose and the apportionment must be along the line that it would apportion other organizations or bodies of like nature.

But this is not all. Public purposes, as used in this connection and as construed by text writers, means for governmental purposes and by governmental purposes is meant for those purposes which are necessary and incident to the carrying on of the local government. This question of taxation is fully taken care of by the constitution or our state.

Article 8, section 25:

"No city or village shall have power to abridge the right of elective franchise, to loan its credit, nor to assess,

levy, or collect any tax or assessment for other than a public purpose."

Article 10, section 12:

"The credit of the state shall not be granted to nor in aid of any person, association or corporation, public or private."

This article of our constitution has been construed by our supreme court in language which cannot be misunderstood, in the case of:

Detroit Museum of Arts vs. Engel, 187 Michigan 432.

This case was brought by Engel to require the city to pay a voucher for a salary that he had earned acting as director for the said Detroit Museum of Art. It appears that in 1885 several residents of the city of Detroit contributed money and organized what was known as the Detroit Museum of Art, in accordance with the Public Acts of this state. The legislature of the State of Michigan, in the year 1899, passed a local act known as Act No. 429, which empowered the council to appropriate money each year for the support of the Detroit Museum of Art, to an amount not to exceed \$20,000 a year. A little later the City of Detroit amended its charter in accordance with said act, thereby taking on the Detroit Museum of Art as one of its liabilities. After this was done the city purchased the building in which it was kept, and donated the same for this purpose, and also by the terms of the charter under which the museum was being operated, it was to be open to the citizens and public free, and also the City of Detroit had the privilege to and did appoint a part of the directors of the organization. These conditions continued until 1914, when some person objected to the city making further appropriations and the city comptrollers refused to pay the orders issued, and the mandamus was brought to compel payment. The supreme court in this state in summing up the law on the question, said:

"Act No. 489 of the local Acts of '99 empowering the City of Detroit to appropriate public funds for the support and maintenance of the Detroit Museum of Art, a private corporation, is in conflict with Article 8, Section 25, and Article 10, Section 12, of the state constitution, in appropriating public money for a private purpose, and the facts that said Museum of Art has a public purpose, that the city has a title to its property, and that the city has a minority of representatives on its board of directors, are not sufficient to change its nature from a private corporation to a municipal agency, and the action of the circuit judge in granting a writ of mandamus to enforce the provisions of the act is reversed."

As a deduction we must hold that no tax can be levied or collected for any purpose but municipal purposes, and the municipal purpose must be one that is one of the governmental agencies of the municipality and must be one which is under the entire control of the municipality, for a tax for

any other purpose is unlawful and void. In this regard, I would further cite:

Attorney General vs. Supervisors of Bay County, 34 Michigan 46, where the court made the following summary:

"Taxes and loans when authorized to be raised by any public body must be raised under the implied condition that they are to be applied to the public uses under the control and care of that body. They cannot be raised for purposes or uses of others unless such power is plainly given, and such a power cannot be given for all purposes."

#### DONATIONS.

Having passed the question of taxation and the right to raise money for private purposes, or for purposes other than those strictly public and belonging to the municipality, we come to the question of donations, and I will here say that it would hardly appear necessary to say that the city has no authority to make donations of public funds, when the donations could not be legally raised by taxation, and in this regard, I will cite:

McQuillan on Municipal Corporations, Vol. 5, Sec. 2169:

"It has been held that donations cannot be made to a mere private institution not under the control of the municipality."

I am well aware of the fact there are certain institutions in this city which are supported by the laudable undertakings of many worthy citizens and entitled to the support and assistance of the public and most of us would be pleased to assist them from the public funds if the same could be done legally, but however righteous their claims may be, whether the same be on the grounds and standards of moral or equitable claims, they must come under the provisions of the law, as it has been laid down to us by the lawmakers of the land, and I have undertaken to point this out as best I could.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

The committee on bridges to whom was referred the bids for Pennsylvania-av. bridge begs leave to report as follows:

A collaborative project of the City of Lansing and Forest Park Library and Archives - Capital Area District Libraries

After a careful analysis of bids presented we find that the bid of \$51,700 would require the payment of sufficient sums for extras to bring the cost of the bridge up to \$76,963, viz:

Bid .....	\$51,700.00
Extra filling .....	1,800.00
Extra concrete to get foundations to elevations bid by other bidders .....	7,170.00
Extra excavation .....	1,475.00
Extra sheeting .....	224.00
Extra piling .....	13,350.00
Paving base .....	1,244.00

Total .....\$76,963.00

The above bridge has less waterway than the city design but has the arch constructed ready to receive the street railway.

The low bid on the city design was \$72,814 and we recommend that this bid be accepted and contract awarded to Hanneman Brothers.

Respectfully submitted,

ELMER CLAPHAM,

By Ald. Watley—

Whereas, heretofore to wit on the 19th day of October, 1914, a contract was duly made and entered into between W. K. Prudden and Jennie W. Prudden, his wife, of Lansing, Mich., of the first part, and the city of Lansing, of the second part, wherein the said W. K. Prudden and wife agreed to deed to the city of Lansing the property now known as the Prudden auditorium; and

Whereas by the terms and conditions of said contract, after the completion of the auditorium the same remained in the control and custody of the Chamber of Commerce until such time as the purchase price of the said land was fully paid and a deed made and delivered; and

Whereas the said city of Lansing has fully paid the amount stipulated in said contract and received a deed to said property on the 1st day of September, 1917; and

Whereas there is no record in any of the offices of the city of Lansing indicating that said Chamber of Commerce has surrendered possession of the said property to the city of Lansing and apparently nothing to show as to the receipts coming into the hands of the city from the proceeds of rental of said property on different occasions;

Therefore, be it resolved, that the mayor appoint a committee of three members of this council to investigate this matter and report with their recommendations in relation to the same to this council at an early date.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

Mayor appointed as such committee Ald. Watley, McKale and Klock.

By Ald. Howe—

Whereas an agreement has been reached between the city of Lansing, represented by its board of water and electric light commissioners, and the Reo Motor Car company, in relation to a certain driveway or private alley in block 98 of the said city of Lansing, described as beginning at a point on the east line of Grand-av. 248 5-6 feet north of the north line of Ottawa-st., thence north 20 feet, thence east to the bank of the river, thence southerly along said bank about 20 feet to a point due east of a point 248 5-6 feet north of the north

line of Ottawa-st.; and

Whereas said agreement is now reduced to writing and has been filed and executed by the Reo Motor Car company and other parties interested therein, and is ready for execution on the part of the city;

Therefore, be it resolved, that the mayor and city clerk be and are hereby directed to sign and execute said agreement for and in behalf of the city of Lansing, Mich.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

The mayor appointed the following committee to arrange for Fourth of July ceremonies: Aldermen Chapman and Dymond, George Allen, Guy Downing, William Cameron, Merle H. Hopper, Del Vandervoort, John S. Bersey and A. H. Leonard.

By Ald. Howe—

Whereas heretofore to-wit on May 23, 1921, the city council declared it to be a public necessity and a necessary public improvement to lay a street, starting at the north line of Espanore plat, running thence southerly along the west line of Espanore plat, continuing and extending to Michigan-av. That said street be laid out 80 feet wide, 40 feet on either side of the said line of Espanore plat as aforesaid; and

Whereas the matter of obtaining the right of way along and over said property for said public highway was referred to the committee on streets, and said committee having reported that the right of way has been ob-

tained or an agreement for the same: Therefore, be it resolved, that said street be named, known and designated as Ver Linden-av., and that the same when completed shall be recorded as such.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Burgess—

Whereas the Electric Railway company now operating in the city of Lansing has made a tentative proposition to the city of Lansing as follows:

That the said Electric Railway will put its tracks and roadbed in shape for paving between the old and new city limits on Michigan-av. east and will do the same at a time and in a manner so as not to hinder the city in its work along said street, and that the said Electric Railway will do the necessary paving between its tracks and on each side thereof on St. Joseph-st. west and remove its tracks on Center-st. between E. Franklin av. and Saginaw-st. and will pave between and along its tracks on Center-st., north of Franklin-av. to the Pere Marquette bridge, all during the season of 1921, at its own expense: Provided, the city of Lansing, through its council and proper officers will extend the terms of the agreement for one year, as set forth in the communication to the council by the railway company dated June 4, 1920. The said work in paving along and over the tracks by the said Electric Railway company to be in keeping and in accordance with the contract ordinance under which the said Electric Railway company now operates; and further provided that the cost of paving between the tracks on Michigan-av. east shall be borne the first instance by the city of Lansing, but to be paid to the city of Lansing by the said Electric Railway company, its successors and assigns, in five annual payments, in the same manner as Michigan-av. east to the old city limits. That said amount for paving, when expended by the city, shall be a lien upon the property of the Electric Railway company, as provided for in the contract ordinance between the railway company and the city of Lansing:

Therefore, be it resolved, that the above and foregoing be adopted and that the same shall be considered as binding between the city and the said Electric Railway company, upon the said Electric Railway company filing their approval of the same with the clerk of the city of Lansing, which approval is to be made upon the serving of a copy of this notice upon the Electric Railway company, or within a reasonable time thereafter. It being understood, however, that this resolution does not affect the clause in the proposal of June 4, 1920, in reference to fares to be charged by the said Electric Railway company and in no way to bear upon the

question of fares.

Be it further resolved that the clerk of the city of Lansing be and is hereby directed to serve a copy of this resolution upon the said Electric Railway company.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Watley—

Resolved by the city council of the city of Lansing:

That the city engineer employ double shifts on Michigan-av. east of seven hours each, 5 a. m. to 12 m. and 12 m. to 7 p. m., thereby giving employment to many more men. In this way it will help the industrial situation. Besides, he will be accommodating the people of Lansing and particularly the business men of the east side along Michigan-av. east and the automobilists. The people will appreciate any extra endeavor the officer in charge may make to hurry along the work. The days are long enough with plenty of daylight for the two shifts to work.

By Ald. Avery—

That the resolution be referred to the city engineer and committee on streets.

Carried.

The committee on streets to whom was referred the bids for constructing curb and gutter, begs leave to report as follows:

We recommend that Charles Huntley be given a contract for 1,000 lineal feet of curb and gutter at the bid price. If satisfactory work is done we recommend that the contract be awarded to him for the season.

Lansing, June 14, 1921.

The city council met in adjourned regular session and was called to order by Mayor B. A. Kyes.

Present—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—16.

Absent—None.

The resignation of F. W. Redfern as a member of the board of health, 7th ward, was received.

On motion of Ald. Burgess, the resignation was accepted with regrets.

#### PETITIONS AND COMMUNICATIONS.

Hon. Mayor and City Council:

Gentlemen—Rebuilding permit, issued to Alvah R. Mary by Building Inspector Chas. Fox, for wood construction of garage at 119 Larch-st. N., and referred to chief of the fire department, begs leave to report as follows:

The said Alvah R. Mary owns brick house at 117 N. Larch-st. In the rear on back yard are 24 single garages, 90 per cent more or less of wood construction. These are in close proximity to some of the business places on Michigan-av. E., north side, between Cedar and Larch-sts. These garages are a great fire hazard without question.

Now the said Alvah R. Mary proposes to build a wood construction garage 80 by 60 for the purpose of repairing automobiles, on the vacant lot directly north of residence, 121 N. Larch-st. There will be about four feet space between the house and garage. Larch-st. school will be the next door neighbor to this proposed garage.

Summing up my recommendations, is that the permit issued be rescinded unless built absolutely of fireproof construction, for the following rea-

sons: A garage, at this point, for school children, is positively dangerous to life and limb. A fire menace endangering much surrounding property, insurance rates will of necessity be raised on account of the fire danger to adjacent property.

Respectfully yours,

HUGO R. DELPHS,

Chief, Fire Department.

By Ald. Avery—

That report of the chief be adopted.

Carried.

#### REPORT OF COMMITTEES.

The committee on streets, to whom was referred the communication of the city engineer relative to the matter of stub service installation by the Lansing Fuel & Gas company on E. Michigan-av. and on N. Larch-st., begs leave to report as follows: Inasmuch as we assume that the Lansing Fuel & Gas company deems it inadvisable to place these service stubs in the streets named and inasmuch as we understand that this council cannot order the work done at the expense of the city or at the expense of the Lansing Fuel & Gas company, we are unable to recommend any course to pursue that will relieve the situation.

O. C. HOWE,

M. A. TEMPLETON,

Committee on streets.

By Ald. Howe—

That the report be referred to the city attorney.

Carried.

The committee on jitneys, to whom was referred the communication of the Duplex Truck Company to operate a motor bus in the city, begs leave to report as follows:

That we have examined the motor bus and find everything first class as to motor car and care of the public while in transit.

We therefore recommend that permission be given them to operate for

a period of 30 days, as requested by the Duplex company. The rate of fares to be left to the council to determine.

J. H. CHAPMAN.

S. S. MAIN.

E. L. HEEB,

Committee on jitneys.

By Ald. Chapman—

That report of the committee be adopted with recommendation that the fare be 5 cents.

Carried.

#### MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Howe—

Whereas, there are certain streets in the city of Lansing that are about to be paved with new asphalt pavement, in which service stubs have not been installed for gas connections.

Therefore, be it resolved, that after the completion of all asphalt pavements no permit shall be granted to cut into the pavement in order to make connections with any sewer, water or gas pipe, and the city clerk is hereby authorized to notify all city officials having anything to do with this matter, of the action taken at this time.

Adopted by the following vote:  
Yeas—Ald. Avery, Britten, Burgess, Clapham, Fowler, Heeb, Howe, Klock, Templeton, Trager.—10.  
Nays—None.

On motion of Ald. Howe the council resolved itself into a committee of the whole to consider the budget submitted by the committee on ways and means.

After some time spent in the committee of the whole the committee arose and reported progress.

Council then resumed regular session.

By Ald. Britten—

Then when we adjourn it be to next Friday evening at 7 o'clock.

Carried.

Discussion was had and various departments were passed by unanimous vote—other departments to be acted upon at a future meeting.

Council adjourned until next Friday evening at 7 o'clock.

JUDSON A. PARSONS,  
City Clerk.

Lansing, June 14, 1921.

## City Council Rooms.

Lansing, June 17, 1921.

The city council met in adjourned session and was called to order by Mayor E. A. Kyes.

Present—Ald. Britten, Chapman, Clapham, Dymond, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—13.

Absent—Ald. Avery, Burgess, Fowler.—3.

## PETITIONS AND COMMUNICATIONS.

A petition was received from the baseball association to erect a canopy across East Michigan av.  
Referred to committee on streets.

A communication was received from John H. Bloem, attorney for H. L. Duff, in regard to damages received to his car when he ran into overhanging wires on West Washtenaw st.  
Referred to committee on streets.

A communication was received from W. H. Gingrich, presenting claim for damages to his wife's health because of the location of the piggery west of the city near his home.  
Referred to committee on garbage.

A petition was received from residents of Ludwig Park Addition concerning the paving of certain streets, Eureka, Prospect, Virginia and Rosamond.  
Referred to the committee on streets.

The resignation of Jason E. Nichols, as member of the board of health from the Sixth ward was received.

On motion of Ald. Phillips, the resignation was accepted.

The mayor thereupon appointed Mrs. C. L. Barber to fill the unexpired term of J. E. Nichols.

On motion of Ald. Templeton the appointment was confirmed by unanimous vote on roll call.

To the Honorable Mayor and Members of the City Council:

Gentlemen—At the meeting of the council June 14th, the question was propounded to me: "Does the board of police and fire commissioners have the authority to fix the salaries of the police officers and firemen, or should the same be done by the council?"

I have spent considerable time and study upon this proposition, not only to determine as to who should fix the salaries, but as to other matters that were very certain to be brought in in connection with the same, viz. as to the provision of funds for the support of the same.

In the first instance, we have to look to our charter for our authority. By the charter the board of police and fire commissioners is created and made a part of the governmental body of this city. It is as much a

part of the city government, as far as the charter makes them, as any body can be. Its duties are defined, as well as its authority, and they are given sole and absolute control over the police force and the fire department, except as to the chief of police, who shall be subject to the direction of the city council and the board of police and fire commissioners each. Among the authorities that are conferred upon the board is one found in section 218 of the charter, which reads as follows:

"Said board of police and fire commissioners shall have the power to fix the salaries or compensation of the officers and men of the police and officers and men of the fire department, and to pay such salaries from the funds so placed to the credit of said police and fire departments respectively, as provided for in the annual budget or estimate and approval and adopted by the city council."

It is very plain from the foregoing that the authority to fix the salaries is placed in the board of police and fire commissioners, and as I am informed it has provided the city authorities with its annual budget or estimate, and in that regard they have complied with the requirements of the charter. There is a limitation, however, placed upon the board (section 211 of the charter):

"The said board of police and fire commissioners shall have power to appoint a chief of police, a captain of police, and such other officers and policemen with pay, and such number of policemen without pay, as the said board shall deem expedient; provided, no greater number of policemen with pay shall be appointed than shall be authorized by the city council, and the expenses therefor provided."

It will be observed that the board of police and fire commissioners has the sole right and authority to appoint all policemen, but it will also be noted in the provision that the number of policemen shall be authorized by the city council. In other words, the council first has to designate the number of policemen that may be appointed. After designating the number of policemen to be appointed, it then becomes the duty of the council to provide the expenses therefor. A similar clause appears in the same section in relation to firemen, so what would apply to policemen would apply to firemen.

I would next call the attention of the council to section 129 of the charter, which is as follows:

"The city council shall annually determine the salary or compensation to be paid the several officers of the city not otherwise provided for in this charter. The salary or rate of compensation of any officer elected or appointed by authority of this charter shall not be increased or diminished during the year."

It will be observed by this section of the charter that it becomes the duty of the city council to determine

the salary or compensation of the several officers, except those not otherwise provided for in the charter. This exception unquestionably was placed in this section of the charter for the purpose of meeting the provision of the charter under consideration, and it also makes an exception as to the salary or compensation leaving that part and portion to the board of commissioners, under whom the parties are serving, and who have been given authority to determine their salary.

Again, the fiscal year begins the first of May, and it is noted here that the salary of any officer shall not be increased or diminished during the year, so I am forced to the conclusion that the officers serving on the first of May, and especially after the board of police and fire commissioners has made out its annual budget providing for the salaries for the different officers, that the same would constitute a contract. And this is especially so since salaries have been paid thereunder, after the same had been fixed by the commission. This last matter is incidental to the main question, but I thought it proper at this time to call it to the attention of this council, and particularly so for the reason that the council has the controlling power as to the number of policemen who shall be appointed by the board, and might reduce the police force in its discretion, but under the holdings of the court in relation to this matter, and especially this charter, the reduction of policemen would have to be made by an action of the council before the commencement of the fiscal year.

There are not many authorities in support of the position I have taken, for the very reason that the same appears to be so plain and obvious on its face. However, I will call attention to a couple of authorities:

McQuillan on Municipal Corporations, Section 2419, under the head of, "Who may appoint policemen and firemen."

"This is purely a matter of local concern."

And it further holds that it shall be governed entirely by the charter once fixed the authority that said authority cannot be delegated, and again (same authority, section 2421) it holds that no special rules can be laid down as to the same, that it depends upon the charter.

A similar case has been before the supreme court of this state, which is:

Fountain vs. Mayor of Jackson, 50 Michigan 15.

The charter of the city of Jackson read as follows:

"The compensation of the superintendent of public works shall be fixed by the board of public works and approved by the common council."

This was a case in which the superintendent of public works had been drawing a salary of \$1,200 per year. The council of the city of Jackson undertook to cut the salary to \$1,000

per year, and after the performance of the work by the superintendent of public works it refused to pay him at the rate of \$1,200, but only at the rate of \$1,000 per year. The plaintiff sued the city for the back salary in the circuit court for the county of Jackson and obtained judgment. The defendant appealed to the supreme court, where the judgment was affirmed, and the court held that the council alone could not reduce the salary, that it remained for the board of public works to do so, subject to the approval of the council.

In our charter, as we have seen, the board of police and fire commissioners have the authority to appoint and the authority to fix the salaries, without condition. I wish to say that this is the only case that has ever gone from this state bearing upon the question, and in conclusion I am compelled to state that the board of police and fire commissioners have the sole right and authority to hire policemen and firemen, and they have the sole right and authority to fix the salaries of the same, and the limitation or power of the council over this body as to limitations, is found in its authority to limit the number of policemen, as heretofore stated.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

#### REPORTS OF COMMITTEES.

The committee on streets to whom was referred the plan of the plat of West Lawn addition, begs leave to report as follows:

We recommend that the plan of the plat of West Lawn addition be approved.

O. C. HOWE,

M. A. TEMPLETON,

Committee on streets.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The committee on streets and city engineer, to whom was referred the resolution of Ald. Watley, in regard to working two shifts on the paving on Michigan-av. East, begs leave to report as follows:

We have had the matter under consideration and as a result have a day and night shift working at the present time. We recommend that the practice be continued whenever possible.

O. C. HOWE,

M. A. TEMPLETON,

Committee on streets.

O. E. ECKERT,

City engineer.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The committee on Fourth of July celebration again begs leave to report as follows:

That we met this afternoon to consider the financing of same. Inasmuch as such a celebration has not been held in some years, we feel that the Capital City should put on a demonstration which would bring people from all nearby cities and that an appropriation of

will be needed to properly finance the same. Because of the late hour at which this committee was appointed, we have not been able to have the proper funds included in the budget. We are therefore asking that the same be taken up at this time, that your committee may give to the people a celebration commensurate with public expectation.

J. H. CHAPMAN,  
A. H. LEONARD,  
A. D. VAN DERVOORT,  
WM. CAMERON,  
F. H. BAKER,  
A. E. DYMOND,  
Committee on Fourth of July  
Celebration.

By Ald. Britten—

That the matter of the Fourth of July celebration be laid on the table until next Monday evening.

Carried.

At this point the report of the ways and means committee was taken up and each department considered separately, and adopted as follows:

To the honorable mayor and city council:

Gentlemen—Since making the addition to our boiler plant at Ottawa-st. station we have sufficient steam capacity so that we could easily supply the city hall with steam heat and would suggest that you consider the advisability of using steam heat from our central station to heat the city hall building.

Whatever you decide to do we would recommend that steam heat service be installed for emergency purposes if nothing else.

Yours truly,

BOARD OF WATER AND ELECTRIC LIGHT COMMISSIONERS.

Oscar E. Bulkeley, Superintendent.

Referred to committee on public buildings.

By Ald. Britten—  
Whereas the city of Lansing, by and through the city council and its proper officers, duly and regularly submitted for sale its bonds, which had been legally voted by a three-fifths majority of the electors of the said city at a special election, in the sum of \$350,000; and

Whereas Halsey, Stuart & Company and W. R. Compton & Company were the highest bidders, offering the highest prices for the same; and

Whereas on the 9th day of May the committee on city affairs, to whom was referred the bids of the several parties, decided that the said parties heretofore named as being the highest bidders, were the highest bidders and recommended that the bonds be sold to them and the report of the said committee was unanimously adopted by the council on the said 9th day of May, 1921;

Therefore, be it resolved, that the city council does hereby ratify and confirm all matters heretofore done and passed in relation to the sale of said bonds, and does order and declare that the said Halsey, Stuart & Company and W. R. Compton & Company are the highest bidders and to be sold said bonds, and the mayor and city clerk are authorized as heretofore authorized, to enter into a contract with said parties and to execute the bonds in accordance with said bid and the resolutions heretofore passed by said council.

Be it further resolved, that the bonds when issued be issued in denominations as follows: Four \$500 pieces and the balance in \$1,000 pieces, and that the place of payment of said bonds and interest thereon be the Guaranty Trust company of New York city.

By Ald. Templeton—

Whereas, Charles, Huntley is the lowest bidder on the proposition of building curb and gutters in this city, his bid being 24½ cents per lineal foot.

Therefore, be it resolved, that contract to build the curb and gutters in the city of Lansing during the coming year be awarded to the said Charles Huntley, the work to be done and performed subject to the approval of the city, engineer, and to be

done in an expeditious manner and not delay the work.

The above resolution was placed on file for one week in the office of the city clerk in accordance with section 92 of the city charter.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 29th day of July, 1920, by resolution duly adopted, declare and determine that for better sanitation, public convenience and general drainage purposes, it is a necessary public improvement to extend the sewerage and repair the present sewerage of the city of Lansing, and this council being advised by the city engineer that the city of Lansing will incur an estimated indebtedness of \$100,000 in the construction of said sewers and the repairing of the present sewerage in the city of Lansing; and

Whereas this council heretofore, to-wit, on the 31st day of August, 1920, did submit the question of said sewers and the repairing of the present sewerage, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$100,000 for the purpose of defraying the expense of the construction of said sewers and the repairing of the present sewerage, to a vote of the qualified electors of the city of Lansing; and

Whereas the qualified electors of said city, by a three-fifth vote of those voting thereon at a special election held in said city on the 31st day of August, 1920, determined and approved the issuance of the bonds of said city in the sum of \$100,000 for the purpose of constructing said sewers and repairing the present sewerage, and that said bonds should be issued as proposed in said resolution.

Whereas this council on the 28th day of March, 1921, duly passed and adopted a resolution in substance and form the same as this, but by inadvertence the same was not allowed to remain on file with the city clerk for public inspection one week before its final passage and adoption, as appears from the record thereof;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Sewerage Bonds" in the sum of \$100,000, for the purpose of defraying the expense of the construction of said sewers and repairing the present sewerage of the city, be issued by said city; that such bonds shall be in denominations of \$500.00, and \$1,000.00, as may be designated by the purchaser, and be dated June 1st, 1921, and be due and payable as follows: \$20,000 on June 1st of each year from 1922 to 1926, inclusive. Said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of December and the 1st day of June, in each year beginning the

1st day of December, 1921, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust Co., of New York City.

Resolved further that the form of said bonds and interest coupons attached thereto shall be substantially as follows:

UNITED STATES OF AMERICA,

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 29th day of July, 1920, by resolution duly adopted, determine and declare that it is a necessary public improvement to extend the pavement of streets and repair the payment of the streets of the city of Lansing as follows: Michigan-av. east from M. C. R. R. tracks to city limits. Pine-st. from St. Joseph-st. to Isaac-st. Walnut-st. from Isaac-st. to Robert-st. Center-st. from Saginaw-st. to Beaver-st. Grand-av. north from Shiawassee-st. to Saginaw-st.; and this council being advised by the city engineer, and which appears to the satisfaction of this council, that the city of Lansing will incur an estimated indebtedness of \$250,000 in paving the aforesaid streets; and

Whereas, this council did heretofore, to-wit on the 31st day of August, 1920, submit the question of the construction of said pavement and public improvements and the issuance of the bonds of the city of Lansing in the amount of \$250,000 for the purpose of defraying the expense of the construction of said pavement and said public improvements to a vote of the qualified electors of said city; and

Whereas the qualified electors of said city by a three-fifths vote of those voting thereon, at a special election held in said city on the 31st day of August, 1920, determined and approved the issuance of the bonds of said city in the sum of \$250,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution;

Whereas this council on the 28th day of March, 1921, duly passed and adopted a resolution in substance and

with the same as this, but by inadvertence the same was not allowed to remain on file with the city clerk for public inspection one week before its final passage and adoption, as appears from the record thereof;

Now, therefore, be it resolved by this council that the bonds of the city of Lansing, to be designated "City of Lansing Paving Bonds," in the sum of \$250,000, for the purpose of defraying in part the expense of the construction of said pavement and said improvements herein referred to, be issued by said city. That said bonds shall bear interest at the rate \$500.00, and \$1,000.00, as may be designated by the purchaser, and shall be dated June 1st, 1921, and become due and payable as follows: \$50,000 on June 1st of each year from 1922 to 1926, inclusive, said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of December and the 1st day of June, each year beginning the 1st day of December, 1921, until all of said bonds are fully paid, both interest and principal payable at The Guaranty Trust Co., of New York city.

Resolved further that the form and substance of said bonds and interest coupons attached thereto shall be as follows:

#### UNITED STATES OF AMERICA.

State of Michigan,  
County of Ingham.

#### CITY OF LANSING PAVING BOND.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer the sum of \$.... lawful money of the United States of America, on the 1st day of June, 19.... at The Guaranty Trust Co., of New York city, with interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of December and the 1st day of June, of each and every year beginning the 1st day of December, 1921, at the Guaranty Trust Co. of New York city, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and the prompt payment of this bond and the interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged.

This bond is one of a series of .... except as to date of maturity, aggregating the sum of \$250,000, issued under and in pursuance of the provisions of the charter of the city of Lansing and by authority of the laws of the state of Michigan and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 11st day of August, 1920. This issue of bonds is for the purpose of defraying the expenses of paving Michigan-

av. east from M. C. R. R. tracks to city limits, Pine-st. from St. Joseph-st. to Isaac-st., Walnut-st. from Isaac-st. to Robert-st., Center-st. from Saginaw-st. to Beaver-st., Grand-av. north from Shiawassee-st. to Saginaw-st.; as described in a certain resolution of the city council adopted on the 29th day of July, 1920. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

In witness whereof, the mayor and clerk of said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing officially hereunto subscribed the corporate name of the said city of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date June 1st, 1921, by order of said council.

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 29th day of July, 1920, by resolution duly adopted, declare and determine that for better sanitation, public convenience and general drainage purposes, it is a necessary public improvement to extend the sewerage and repair the present sewerage of the city of Lansing, and this council being advised by the city engineer that the city of Lansing will incur an estimated indebtedness of \$100,000 in the construction of said sewers and the repairing of the present sewerage in the city of Lansing; and

Whereas this council heretofore, to-wit, on the 31st day of August, 1920, did submit the question of said sewers and the repairing of the present sewerage, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$100,000 for the purpose of defraying the expense of the construction of said sewers and the repairing of the present sewerage, to a vote of the qualified electors of the city of Lansing; and

Whereas the qualified electors of said city, by a three-fifth vote of those voting thereon, at a special election held in said city on the 31st day of August, 1920, determined and approved the issuance of the bonds of said city in the sum of \$100,000 for the purpose of constructing said sewers and repairing the present sewerage, and that said bonds should be issued as proposed in said resolution.

Whereas this council on the 28th day of March, 1921, duly passed and adopted a resolution in substance and form the same as this, but by inadvertence the same was not allowed to remain on file with the city clerk for public inspection one week before its final passage and adoption, as appears from the record thereof;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Sewerage Bonds" in the sum of \$100,000, for the purpose of defraying the expense of the construction of said sewers and repairing the present sewerage of the city, be issued by said city; that such bonds shall be in denominations of \$500.00, and \$1,000.00, as may be designated by the purchaser, and be dated June 1st, 1921, and be due and payable as follows: \$20,000 on June 1st of each year from 1922 to 1926, inclusive. Said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of December and the 1st day of June, in each year beginning the 1st day of December, 1921, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust Co. of New York city.

Resolved further that the form of said bonds and interest coupons attached thereto shall be substantially as follows:

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 29th day of July, 1920, by resolution duly adopted, determine and declare that it is a necessary public improvement to extend the pavement of streets and repair the pavement of the streets of the city of Lansing as follows: Michigan-av. east from M. C. R. R. tracks to city limits. Pine-st. from St. Joseph-st. to Isaac-st. Walnut-st. from Isaac-st. to Robert-st. Center-st. from Saginaw-st. to Beaver-st. Grand-av. north from Shiawassee-st. to Saginaw-st.; and this council being advised by the city engineer, and which appears to the satisfaction of this council, that the city of Lansing will incur an estimated indebtedness of \$250,000 in paving the aforesaid streets; and

Whereas, this council did heretofore, to-wit on the 31st day of August, 1920, submit the question of the construction of said pavement and public improvements and the issuance of the bonds of the city of Lansing in the amount of \$250,000 for the purpose of defraying the expense of the construction of said pavement and said public improvements to a vote of the qualified electors of said city; and

Whereas the qualified electors of said city by a three-fifths vote of those voting thereon, at a special election held in said city on the 31st day of August, 1920, determined and approved the issuance of the bonds of said city in the sum of \$250,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution;

By Ald. Britten—

Whereas the mayor, by order of the city council, appointed a committee heretofore to-wit on the 13th day of March, 1921, for the purpose of determining on an action to be taken in commemorating the memory of the soldiers of our country during the past wars in which the United States has been engaged or taken a part; and

Whereas the said committee made its report to the council of the city of Lansing on the 23rd day of May, 1921; and

Whereas said committee recommended that a building be erected; and

Whereas said committee adopted plans for the same, which were drawn by J. N. Churchill, an architect of the city of Lansing, and are now on file in the office of the said J. N. Churchill; and

Whereas said committee recommended that the question of bonding the city in the amount sufficient to defray the expenses incident to the erection of said building be submitted, to the voters of the city of Lansing at a special election to be held at an early date; and

Whereas it has been ascertained that the cost and expense of erecting said building would be \$200,000; and

Whereas the plans prepared by the said J. N. Churchill, which were adopted and recommended by said committee, are in keeping with a building, which, if erected, is much needed in the city for municipal purposes, by way of providing offices for different members of the city management and an assembly room, for people in the case of gatherings and for other purposes incident to the necessities of a city, as well as a place suitable for the meetings and caring for the ex-soldiers of our country; and

Whereas by reason of the aforesaid and the conditions that exist the same is determined to be a public necessity and a necessary public improvement for the needs of the inhabitants of the city of Lansing and an honorary tribute to the soldiers who have served us so well and faithfully in the past wars in which our nation has taken a part;

Therefore be it resolved, that the city council submit to the citizens of the city of Lansing an opportunity to vote upon the question of bonding the city in the sum of \$200,000 for the purpose of the erection, and expenses incident thereto, of the said building aforesaid.

Be it further resolved that it is determined to be a public necessity and a necessary public improvement for the safety and needs of the inhabitants of the city of Lansing and an honorary tribute to our soldiers who have served their country in the wars in which the United States has been engaged that a building be erected in accordance with the plans and specifications now on file in the office of J. N. Churchill, architect of the city of Lansing, in addition to the buildings now owned by the said city, and that the same is necessary to supply additional office room, storage and a place for the assembly of the citizens of the city of Lansing, as well as offices, halls and places of meeting for the ex-soldiers of our country, and this council being advised that the sum of \$200,000 is needed to build and equip said building, this council determines that the said sum of \$200,000 is needed to build and equip said building.

Resolved further that the building and equipment of the same be made under the direction and supervision of the city council of the city of Lansing, in accordance with the plans now on file with the said J. N. Churchill, or as near as may be thereto, in accordance with the judgment of the said city council, and that the question of borrowing the sum of \$200,000 upon the faith and credit of the city of Lansing, and the issuance of bonds of the said city for the purpose of defraying the cost of building the same be submitted to a vote of the qualified electors of the city of Lansing, at a special election to be held in the city of Lansing on the 15th day of August, 1921.

Resolved further that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required by the laws of this state and the charter of the city of Lansing, shall be designated "City of Lansing Auditorium and Soldiers' Memorial Building Bonds" and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for a public improvement; said bonds to be issued in such denominations, to be dated at such time or times, as shall be prescribed by the city council, and to become due and payable, not to exceed thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed 5 per cent per annum, payable annually or semi-annually, as the council, by resolution, may prescribe, both principal and interest to be payable at the office of the city treasurer of the city of Lansing, or at such other places as the council, by resolution, may prescribe.

Resolved further that the city clerk be and is hereby directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$200,000 for the purpose of building and equipping a public auditorium and soldiers' memorial building in the city of Lansing, as prescribed in a certain resolution of the city council, passed on the 5th day of July, 1921, be issued?

Yes (     )                      No (     )

Resolved further that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she shall desire to vote.

Resolved further that the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election as prescribed by the charter of the city of Lansing and the laws of the state of Michigan and that the polls be open at 7 o'clock in the morning and remain open until 8 o'clock in the evening of said day.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in the office of the city clerk in accordance with section 92 of the city charter.

Referred to the committee on sewers.

To the Mayor and city council, Gentlemen:

In response to your request at your meeting of June 27, 1921, I herewith submit my views and recommendations on the subject of garbage collection and transportation.

It should be clearly understood at the outset that garbage collection and disposal is carried on primarily of waste materials is a community problem affecting all the citizens for the purpose of civic neatness and convenience as well as for the benefit of the public health. The removal alike and for this reason it is essential that the expense be borne by the general public and not by the individual served. With this in mind the people of Lansing voted for "free" collection several years ago. The so-called "free" collection is a misnomer because nothing of this kind is actually "free". The expense must be met in some manner. The word "free" is used in this connection to mean that the service is offered to every household on an equal basis and that no special charge is made to those who take it. Such free service we have never had. For some time after it was voted the city officials contended that there was not sufficient money available with which to pay for collection and disposal. Later on provisions was made in the budget for this expense but since then the city has continued to charge each household served the sum of one dollar a year and has required application to be made at the city hall. This charge, in view of the result of the election, is undoubtedly illegal. Should any resident care to contest the matter in court I am sure the fee could not be collected. It makes no difference whether this is called a charge for the maintenance of a can or not. At the time of the election the people were promised a no-charge collection.

To those of us who take the service it makes little difference whether we pay one dollar at the city hall for this specific work or whether we pay an extra dollar in our tax. The principle involved however has a much more far-reaching effect which is distinctly detrimental to the civic neatness and general attractiveness of our city. There are many people undoubtedly who regard this small charge as an excuse for not taking the service. If what general advantage is it if one or two neat families in a neighborhood take the service if the others refuse and scatter garbage, ashes, and rubbish far and wide! Instead of trying to curtail the amount of garbage handled the city

should use every possible means to induce every family to take the service, thereby removing the greatest possible proportion of all the garbage that is produced in the city. Efforts for civic cleanliness should be extended even farther than this. An inspector should be appointed to interview delinquent householders to learn the reason why the service is not taken and urge the people to avail themselves of the privilege. Such an inspector should also investigate complaints and enforce separation of rubbish from garbage.

### COLLECTION

Ever since I have known anything about the garbage system of Lansing, which includes the past eight years, we have had the can system of collection. When the people voted for free collection they undoubtedly believed that this system was to be continued, which undoubtedly influenced a favorable vote. To change to the tank-wagon system now would be, in my judgment, a grave mistake for the following reasons:

1. The people expect the present system to be continued.

2. The furnishing of a clean can every time the garbage is removed constitutes a real service to the housewife who will bitterly oppose being obliged to furnish a can and keep it clean.

3. In many instances cans will not be frequently nor thoroughly cleaned and local nuisances will result.

4. When the city ceases to furnish cans the householder will use any kind of receptacle that is convenient such as boxes, barrels, tubs, pails, baskets, and the like. This has been the experience of cities which do not furnish cans. Under such conditions local nuisances are inevitable.

5. The use of boxes and miscellaneous receptacles without handles or too large to lift easily delays handling and causes complaints from collectors.

6. Garbage taken from receptacles furnished by the householder is far inferior in quality to that taken from city-owned cans because storage in clean covered cans retards decomposition and prevents access of flies. Visits of flies to garbage means maggots in warm weather and putrid material unfit to be fed to hogs.

7. The tank wagon system of collection does not insure the wagon being any cleaner than the can collection wagon and if cleaning is neglected the tank wagon will be more objectionable than the can wagon.

8. There is no assurance that a tank wagon will be any less a nuisance on the streets than the can wagon and if allowed to leak it will be more of a nuisance.

9. Mr. Haggerty, garbage collector at Steubenville, Ohio, told me in 1914 that he considered it cheaper to collect the cans than to empty them into a tank wagon.

10. Better cans at a lower price may be purchased by the city in

quantity than singly by the individual.

11. The housewife can be more easily persuaded to separate rubbish from garbage if a clean covered can is furnished by the city.

It is undoubtedly true that there is some saving in cost by using tank wagons over that of the can system for two reasons:

1. The upkeep of the supply of cans costs more than that of tank wagons.

2. In transporting garbage in cans empty space is carried thus reducing the weight of the load and increasing the cost of haul.

By upkeep of cans is meant interest on their cost, depreciation and the cost of washing above that of cleaning tank wagons. It should be recognized that the public pays these costs ultimately either in taxes entirely or, on the other hand, in purchasing a can from the store and taking care of it by paying servants wages or by personal effort in cleaning it. When all of this is considered it would seem cheaper and far more satisfactory for the citizen to meet these expenses in a slightly increased tax and be free from all the annoyances incident to the home-owned can.

By a proper system of supplemental transportation most of the loss due to hauling empty space in and around cans can be eliminated and the vast convenience to the householder of the can system preserved.

### TRANSPORTATION

Much has been said and written about the economy of horse-drawn wagons as compared with motor trucks. It is a self-evident fact that a motor truck does its most economical work when loaded to capacity and moving. Therefore, it must load quickly, make short stops, and as few as possible. Horing and Greeley in their excellent book on "collection and disposal of municipal refuse", just published, say that "in selecting the size of truck, it should be remembered that a 6-ton vehicle costs no more in labor to run it, than one of 4-ton capacity, and less time per ton is used at each end of the journey in getting into position, and also in loading and unloading". From the same authorities we learn that an analysis of Chicago conditions showed that 1.96 miles difference between the haul from the loading station and the disposal point is the economical limit for teams.

Mr. R. T. Dana, member of the American society of civil engineers, in studying the cost of hauling, road-building materials found one mile to be the economic limit of horse-drawn haul and that the saving by the use of motors on two miles would be 4 per cent, 3 miles 11.2 per cent, 4 miles 12 per cent, 5 miles 12.3 per cent, and so on up to 10 miles 14.7 per cent. These figures would not apply exactly to garbage collection

where frequent stops are necessary but certainly give some idea of the relative costs.

These statements agree in general with the experience of Worcester, Mass., and other cities that have studied the problem and come to the conclusion that horse-drawn equipment should be used to make the collections and the loads transferred at a central station to some more economical vehicle for transportation to the point of final disposal. Steam and electric railroads, boats, tractors and motor trucks are used for this purpose depending on the length and the motor truck need be considered for Lansing.

Several of the larger cities now maintain such central loading stations of the haul. Of these, only a few are to be found in small places because it is cheaper to haul directly to the disposal point by teams. I believe such a station is feasible for Lansing because it would economize on the haul to the new pig-farm which is about five miles from the center of town and also because it would enable the present system of can collection to be maintained. If care is taken in selecting, and if it is kept as clean as the new pig-farm is at present, no one could possibly have a just complaint against it as a nuisance. The objections that have been raised against such stations in the other cities have been due to neglect, which is never excusable in any case.

The building should be located as centrally as possible in order to equalize the collection-wagon haul. It should be of the closed type and not just a shed as some cities use. It should be so built as to retain the odors so that they can be handled by a well-designed ventilating system. It should have an ample sewer connection so that the interior can be washed at frequent intervals. It should have a concrete floor and cement walls smooth as far up as they will need washing. It should be so arranged that the incoming loads will be on a higher level than the out-going trucks so that the transfer of garbage can be made without lifting. Ample space and appliances should be provided for washing cans, collection wagons and trucks as well as for cleaning the interior of the building. Provision should be made for draining the surplus water from the garbage within the building, thereby lightening the loads of the trucks and reducing the liability of nuisance at the pig-farm.

Everything connected with garbage transfer and the washing operations should be done inside and no storage of cans or other materials outside of the building should be allowed. With such a building and equipment the wagons now used for can collection could be given the frequent cleanings they so badly need and their unsightliness would be greatly improved. The building and equipment need not be very large nor expensive and I am

sure the added convenience and economy would result in the most satisfactory system possible for Lansing.

In order to conduct the business of garbage collection and disposal in a systematic and economical way careful records of all details should be kept and studied for the purpose of improving methods. All of the garbage should be weighed. Records should be kept on the man-hour basis and ton-mile basis. Short daily reports should be required of the collectors giving the route, number of houses visited, the kind of material found, and any violation of the rules noted. Violations and complaints should be followed up promptly and adjusted and separation of rubbish from garbage should be enforced.

As a citizen and taxpayer in Lansing, and believing that I express the sentiments of a vast majority of householders, I wish to submit for your consideration the following:

#### RECOMMENDATIONS

1. That the can system that has proved so satisfactory be continued.
2. That the necessary economy in collection be accomplished by improving the methods of transporting garbage from the city to the pig farm.
3. That a central station for reloading and for cleaning cans, wagons and trucks and for storage purposes, be built at some suitable central point.
4. That motor trucks of economical size be used to deliver garbage to the hog farm.
5. That proper arrangements be made for keeping systematic records of all details of the business for the purpose of promoting efficiency and for comparison with results in other places.

Respectfully submitted.

Received and placed on file.

Hon. Mayor and city council,  
Gentlemen:

Agreeable to your order I herewith submit special assessment roll 440 feet sewer in Washington—Franklin-av. to Willow-st.

Respectfully,  
JOHN S. BENNETT,  
Assessor.

Received and placed on file.

To the Hon. Mayor and city council,  
Gentlemen:

Regarding the purchase of a truck for the garbage dept. I wish to state that whatever truck is bought I will endeavor to run same to the best of my ability.

At this time I desire to give a few reasons why I believe that a 2 1-2 ton truck is best adapted and will produce better results for the garbage dept. than a lighter truck.

In the first place it will cost less than 10 per cent more to operate a 2 1-2 ton truck than a 1 1-2 ton truck.

Second, the 2 1-2 ton truck which the committee has had under consideration costs fully equipped—\$2600 against \$2775 for the 1 1-2 ton truck which would be adapted for this work.

Third, the 2 1-2 ton truck, on account of being operated on pavement and gravel road with exception of about 1-2 mile, will produce 1 1-2 times the work that a 1 1-2 ton truck will perform.

In conclusion I wish to state that if the lighter truck is bought and at some later date it should be shown conclusively that operating costs were too high in a measure to our trucks being too light, I desire to have the responsibility for such a condition rest on those parties who advocated the light truck.

Respectfully yours,  
GEO. A. CANFIELD,  
Superintendent garbage dept.

To the Hon. Mayor and city council,  
Gentlemen:

In the matter of the resolution of June 13, 1921, passed by the city council in regard to the location of a memorial building, the following resolution was adopted by the board of cemetery and park commissioners

at a regular meeting held July 1, 1921.

By Com. Gibbs—

Resolved that this board go on record as not favoring the location of any building on any of the city parks except where such a building is to be used exclusively for park purposes.

J. A. PARSONS,  
City Clerk.

Received and placed on file.

To the Hon. Mayor and city council,  
Gentlemen:

The following communication was presented by the board of cemetery and public park commissioners:

"The board of cemetery and public park commissioners sent a communication to the council on November 8, 1920, asking that steps be taken to remove the telephone poles in the center of the boulevard on north Pennsylvania-av. which communication was referred to the street committee at that time.

We call your attention to the fact that these poles are very old and are getting dangerous and it would seem the proper time to take the necessary steps to have them removed in order that the boulevard may be planted and beautified."

By board of cemetery and public park commissioners.

J. A. PARSONS,  
City Clerk.

Received and placed on file.

Whereas the people of the city of Lansing desire a return to normalcy of certain costs other than food costs, and whereas many laboring men of Lansing consider that on account of the present labor situation, a fee of \$5.00 for a night visit of a physician, and a fee of \$25.00 to \$35.00 for normal obstetrical cases, and also a charge of \$7.00 per day, with room, board and laundry for the services

of a nurse are excessive fees and charges and very burdensome to those without employment but requiring these professional services for themselves or dependents. \*And, Whereas it appears that nearly 90 per cent of the cost of electricity is contained in the coal consumed and that coal has decreased in cost to nearly pre-war prices and that many citizens of the city of Lansing agree that the cost of electricity to the consumer should be lowered:

Therefore, Be it resolved by the city council of the city of Lansing, that the committee appointed by the Mayor and known as the profit-losing committee be instructed by the Mayor to confer also with the Ingham County Medical society meeting Thursdays at the health center; also with the proper officials of the nurses registration bureau on west Madison-st.; and also with the City Electric and Water Board relative to reducing the costs of the above named services to the people of the city of Lansing.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

Ald. Avery moved that Ald. Watley be added to the committee already appointed.

Carried.

By Ald. Fowler—

That Ald. McKale also be added to that committee.

Carried.

By Ald. McKale—

Resolved by the city council of the city of Lansing:

The Lansing Forge Co. discontinue the practice of dumping oil in the Grand river and that the chief of police serve a notice on the superintendent of said plant to that effect.

Ald. Heeb offered as a substitute motion that the company be interviewed and asked if a trap could not be installed for the waste.

Carried.

By Ald. Templeton—

Whereas this council on May 23 directed all of the steam railroads entering this city to have all of their street crossings put in good condition within 30 days and

Whereas this work has not been done as directed

Therefore be it resolved, that the superintendent of public works be and he is hereby directed to proceed with his work at once and that the same be charged to the proper railroads.

Whereas there are several matters of importance to be submitted to the voters of the city of Lansing; and

Whereas it is necessary that the same be submitted before the next annual election, especially those matters relating to voting upon bonds for the electric light works, sewerage, paving bonds and soldiers memorial and auditorium bonds;

Therefore be it resolved, that a special election for the city of Lansing be held on Tuesday, August 30th, for the purpose of submitting to the people the question of voting electric light bonds, sewerage bonds, paving bonds and soldiers memorial and auditorium bonds and such other matters as may be legally submitted to the voters at such election. That said election be held in accordance with the charter of the city and the provisions in relation thereto for holding elections and be governed according to the general election law as laid down.

Be it further resolved, that the clerk be and is hereby instructed to give notice of such election as required by the charter of the city of Lansing and the laws of this state.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

It is hereby determined to be a public necessity and a necessary public improvement for the protection of the health, safety and the needs of the inhabitants of the city of Lansing that a 12 inch main be laid to the Durant Motor Plant and, retaining wall be built west of reservoirs at Cedar-st. station and other improvements and extensions to the water works system of the city of Lansing be made, this council having been heretofore advised by the board of water and electric light commissioners that the sum of \$100,000.00 is needed for said purposes.

Resolved further that the said water works improvements be made under the direction and supervision of the board of water and electric light commissioners of the city of Lansing, and that the question of borrowing the sum of \$100,000.00 upon the faith and credit of the city of Lansing, and the issuance of the bonds of said city, for the purpose of defraying the necessary expense of said water works improvements be submitted to a vote of the qualified electors of the city of Lansing, at a special election to be held in the city of Lansing on the 30th day of August, 1921.

Resolved further that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the

charter of the city of Lansing, shall be designated, "city of Lansing water works extension bonds," and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for public utilities; said bonds to be issued in such denominations, to be dated at such time or times, as shall be prescribed by the city council, and to become due and payable not exceeding thirty years from the date of issue, at such time or times as the city council shall by resolution, prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council by resolution, may prescribe, both principal and interest may be made payable at the office of the city treasurer of the city of Lansing, or at such other place or places as the council may, by resolution, prescribe.

Resolved further that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT

Shall bonds of the city of Lansing in the sum of \$100,000.00 for the purpose of constructing a 12 inch water main to the Durant Motor Plant, building retaining wall west of reservoirs at Cedar-st. station and making other improvements and extensions to the water works system of the city of Lansing as prescribed in a certain resolution of the city council dated the 11th day of July, 1921, be issued?

Yes ( )

No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, That the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, That the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in office of city clerk, in accordance with section 92 of city charter.

By Ald. Phillips—

Resolved by the city council of the city of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant together with the necessary distribution system be built and equipped, in addition to the plants now owned by the city, so as to supply the necessary electric energy for lighting, power and domestic purposes in said city; there being great additional need for electric energy for both public and commercial uses in said city beyond the capacity of the present plants to supply; and this council being advised, by the board of water and electric light commissioners, of the city of Lansing, that the sum of \$1,650,000.00 is needed to build and equip said plant together with the necessary distribution system, therefore this council determines that the said sum of \$1,650,000.00 is needed to build and equip said plant and distribution system.

Resolved further, that the building and equipping of said electric light and power plant together with the necessary distribution system be made under the direction and supervision of the board of water and electric light commissioners of the city of Lansing, and that the question of borrowing the sum of \$1,650,000.00 upon the faith and credit of the city of Lansing, and the issuance of the bonds of said city for the purpose of defraying the cost of building and equipping said plant and its distribution system be submitted to a vote of the qualified electors of the city of Lansing at the special election to be held in the city of Lansing, on the 30th day of August.

Resolved further, That said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "city of Lansing, lighting and power bonds," and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for public utilities; said bonds to be issued in such denominations, to be dated at such time or times, as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council shall by resolution, prescribe; said bonds to bear interest at rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, may prescribe; both principal and interest to be payable at the office of the city treasurer of the city of Lansing, or at such other places as the council, by resolution, shall prescribe.

Resolved further, That the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT

Shall bonds of the city of Lansing in the sum of \$1,650,000.00 for the purpose of building and equipping an electric light and power plant in the city of Lansing with its necessary distribution system as prescribed in a certain resolution of the city council passed on the 11th day of July, 1921, be issued?

Yes ( )

No ( )

Resolved further, That each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, That the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, That the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

Whereas the mayor, by order of the city council, appointed a committee heretofore to-wit on the 13th day of March, 1921, for the purpose of determining on an action to be taken in commemorating the memory of the soldiers of our country during the past wars in which the United States has been engaged or taken a part; and

Whereas the said committee made its report to the council of the city of Lansing on the 23rd day of May, 1921; and

Whereas said committee recommended that a building be erected; and

Whereas said committee adopted plans for the same, which were drawn by J. N. Churchill, an architect of the city of Lansing, and are now on file in the office of the said J. N. Churchill; and

Whereas said committee recommended that the question of bonding the city in the amount sufficient to defray the expenses incident to the erection of said building be submitted, to the voters of the city of Lansing at a special election to be held at an early date; and

Whereas it has been ascertained that the cost and expense of erecting said building would be \$200,000; and

Whereas the plans prepared by the said J. N. Churchill, which were adopted and recommended by said committee, are in keeping with a building, which, if erected, is much needed in the city for municipal purposes, by way of providing offices for different members of the city management and an assembly room for people in the case of gatherings and for other purposes incident to the necessities of a city, as well as a place suitable for the meetings and caring for the ex-soldiers of our country; and

Whereas by reason of the aforesaid and the conditions that exist the same is determined to be a public necessity and a necessary public improvement for the needs of the inhabitants of the city of Lansing and an honorary tribute to the soldiers who have served us so well and faithfully in the past wars in which our nation has taken a part;

Therefore be it resolved, that the city council submit to the citizens of the city of Lansing an opportunity to vote upon the question of bonding the city in the sum of \$200,000 for the purpose of the erection, and expenses incident thereto, of the said building aforesaid.

Be it further resolved that it is determined to be a public necessity and a necessary public improvement for the safety and needs of the inhabitants of the city of Lansing and an honorary tribute to our soldiers who have served their country in the wars in which the United States has been engaged that a building be erected in accordance with the plans and specifications now on file in the office of J. N. Churchill, architect of the city of Lansing, in addition to the buildings now owned by the said city, and that the same is necessary to supply additional office room, storage and a place for the assembly of the citizens of the city of Lansing, as well as offices, halls and places of meeting for the ex-soldiers of our country, and this council being advised that the sum of \$200,000 is needed to build and equip said building.

Resolved further that the building and equipment of the same be made under the direction and supervision of the city council of the city of Lansing, in accordance with the plans now on file with the said J. N. Churchill, or as near as may be thereto, in accordance with the judgment of the said city council, and that the question of borrowing the sum of \$200,000 upon the faith and credit of the city of Lansing, and the issuance of bonds of the said city for the purpose of defraying the cost of building the same be submitted to a vote of the qualified electors of the city of Lansing, at a special

election to be held in the city of Lansing on the 30th day of August, 1921.

Resolved further that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required by the laws of this state and the charter of the city of Lansing, shall be designated "City of Lansing Auditorium and Soldiers' Memorial Building Bonds" and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for a public improvement; said bonds to be issued in such denominations, to be dated at such time or times, as shall be prescribed by the city council, and to become due and payable, not to exceed thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed 5 per cent per annum, payable annually or semi-annually, as the council, by resolution, may prescribe, both principal and interest to be payable at the office of the city treasurer of the city of Lansing, or at such other places as the council, by resolution, may prescribe.

Resolved further that the city clerk be and is hereby directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$200,000 for the purpose of building and equipping a public auditorium and soldiers' memorial building in the city of Lansing, as prescribed in a certain resolution of the city council, passed on the 5th day of July, 1921, be issued?

Yes (     )     No (     )

Resolved further that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she shall desire to vote.

Resolved further that the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election as prescribed by the charter of the city of Lansing and the laws of the state of Michigan and that the polls be open at 7 o'clock in the morning and remain open until 8 o'clock in the evening of said day.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

Adopted by the following vote:

By Ald. Fowler—

Resolved by the council of the city of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement and need in the city of Lansing, Michigan, that the sewerage in said city be extended and that a considerable amount of the present sewerage needs repairing; and the council having been heretofore advised by the committee on sewers of the city of Lansing that the sum of \$200,000 is needed for said purpose for said public improvement.

Resolved further, That the extension of said sewerage and the repairing of such sewerage as may be needed should be made under and by direction of the city council of the city of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$200,000 upon the faith and credit of the city of Lansing the issuance of the bonds of the city of Lansing for the purpose of defraying the necessary expenses thereof be submitted to a vote of the qualified electors of the city of Lansing at a special municipal election to be held in said city on the 30th day of August, 1921.

Resolved further, That said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing, be designated "city of Lansing sewerage bonds", and shall be issued and sold by the city of Lansing in accordance with the city charter relative to the issuance and sale of bonds for public improvement; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the city of Lansing, or at such other place or places as the council, by resolution, may prescribe.

Resolved further, that the city clerk be and he is hereby directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$200,000 for the purpose of extending the sewerage and repairing the present sewerage of the

said city of Lansing, as prescribed in a certain resolution of the city council, dated the 5th day of July, 1921, be issued?

Yes ( )                      No ( )

Resolved further, That each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No", as he or she shall desire to vote.

Resolved further, That the votes cast upon such question shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, That the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the city of Lansing as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended, and that a considerable amount of the present paving needs repairing, and the council having heretofore advised by the committee on streets of the city of Lansing that the sum of \$400,000 is needed for said purpose for said public improvement.

Resolved further, That the paving of such streets and the repaving of such streets as are necessary should be made under and by direction of the city council of the city of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$400,000 upon the faith and credit of the city of Lansing, and the issuance of bonds of the said city of Lansing for the purpose of defraying the necessary expenses thereof, be submitted to a vote of the qualified electors of the city of Lansing at a special election to be held in said city on the 30th day of August, 1921.

Resolved further, That said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "city of Lansing paving bonds" and shall be issued and sold by the city of Lansing in accordance with the city charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the city of Lansing, or at such other place or places as the council, by resolution, shall prescribe.

Resolved further, that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$400,000 for the purpose of extending the pavement of streets and repaving the streets of the said city of Lansing, as prescribed in a certain resolution of the city council dated the 5th day of July, 1921, be issued?

Yes ( ) No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she shall desire to vote.

Resolved further, that the votes cast upon said proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 22 of city charter.

#### CHARTER AMENDMENTS.

By Ald. Howe—

Resolved by the city council, of the city of Lansing:

That this council by a three-fifths vote of the members-elect propose that section 148 of chapter 8 and section 340 of chapter 21 of the charter of the city of Lansing be amended so that said section 148, chapter 8, shall read as follows:

"Section 148. For the purpose of paving, construction of sewers, public buildings, bridges and public improvements of any kind the city council may borrow, on the credit of the city, such sum or sums of money as it may deem necessary, not exceeding such limitations as may be fixed by law, for a term not exceeding thirty years, at a rate of interest not exceeding five per centum (5%) per annum, and may issue the bonds of the city therefor, said bonds to be signed by the mayor and countersigned by the city clerk and be in such form and denominations as the city council shall direct. Said bonds may be sold and disposed of under the direction of the city council for the sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds thereof shall be applied to the use for which said bonds were issued and for no other purposes. Provided, however, that no bonds, except bonds for emergency purposes as authorized in clause b, section 4, of Act 279 of the Public Acts of 1909, shall be issued by the city council, unless the amount of such bond issue shall first be determined and approved by a three-fifths vote of the qualified electors voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections. All premiums received from the sale of bonds shall be credited to the contingent fund of the city."

And that section 340 of chapter 21 be amended so that the same shall read as follows:

"Section 340. To acquire, construct, own, operate, repair or maintain any such public utilities as authorized in this chapter, the city may borrow money upon the credit of the city and issue its bonds therefor in such amounts as may be permitted by law. The city may also issue its mortgage bonds therefor on the property of the utility beyond the general limit of its bonded indebtedness. All of said bonds shall be signed by the mayor and countersigned by the city clerk and be in such form and denominations as the city council shall direct, and to draw interest at a rate not exceeding five per cent per annum, payable annually or semi-annually, as the council shall prescribe, and may be sold or disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the

highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds shall be applied to the use for which said bonds were issued and for no other purpose. Provided, however, that no such bonds shall be issued unless the amount of such bond issue shall have first been determined and approved by a three-fifths vote of the qualified electors of said city voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections, and the proposition of the amount of such bond issue may be submitted to the people for their approval at the same time that the proposition to acquire, purchase or construct any such public utility is submitted, as prescribed in sections three hundred and thirty-eight and three hundred thirty-nine of this charter."

Resolved further, that the foregoing amendment to the city charter be submitted to the qualified electors of the said city at the city election to be held in the city of Lansing on the 30th day of August, 1921.

Resolved further, that such amendment when submitted shall be printed upon a ballot which shall be prepared in substance in the following manner:

#### OFFICIAL BALLOT.

Shall section 148, chapter 8, and section 340 of chapter 21 of the city charter relative to the borrowing of moneys and the issuance of bonds therefor be amended so that the same shall read as follows:

"Section 148. For the purpose of paving, construction of sewers, public buildings, bridges and public improvements of any kind the city council may borrow, on the credit of the city, such sum or sums of money as it may deem necessary not exceeding such limitations as may be fixed by law, for a term not exceeding thirty years, at a rate of interest not exceeding five per centum (5%) per annum, and may issue the bonds of the city therefor, said bonds to be signed by the mayor and countersigned by the city clerk and be in such form and denominations as the city council shall direct. Said bonds

may be sold and disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds thereof shall be applied to the use for which said bonds were issued and for no other purpose. Provided, however, that no bonds, except bonds for emergency purposes as authorized in clause b, section 4, of Act 279 of the Public Acts of 1909, shall be issued by the city council, unless the amount of such bond issue shall first be determined and approved by a three-fifths vote of the qualified electors voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections. All premiums received from the sale of bonds shall be credited to the contingent fund of the city."

"Section 340. To acquire, construct, own, operate, repair or maintain any such public utilities as authorized in this chapter, the city may borrow money upon the credit of the city and issue its bonds therefor in such amounts as may be permitted by law. The city may also issue its mortgage bonds therefor on the property of the utility beyond the general limit of its bonded indebtedness. All of said bonds shall be signed by the mayor and countersigned by the city clerk, and be in such form and denominations as the city council shall direct, and to draw interest at a rate not exceeding five per cent per annum, payable annually or semi-annually, as the council shall prescribe, and may be sold or disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter twelve of this charter pertaining to the sale of bonds. The avails and proceeds shall be applied to the use for which said bonds were issued and for no other purpose. Provided, however, that no such bonds shall be issued unless the amount of such bond issue shall have first been determined and approved by a three-fifths vote of the qualified electors of

said city voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections, and the proposition of the amount of such bond issue may be submitted to the people for their approval at the same time that the proposition to acquire, purchase or construct any such public utility is submitted, as prescribed in sections three hundred thirty-eight and three hundred thirty-nine of this chapter?"

Yes ( ) No ( )

Resolved further, that such elector on voting on said amendment shall indicate his vote by placing a cross in the square after the word "Yes" or "No," according as he shall desire to vote.

Resolved further, that the votes upon said proposed amendment shall be counted, returned and canvassed in like manner as prescribed by the city charter for general municipal elections.

Whereas, a recent circuit court decision permanently restrains the city of Lansing from collecting money in taxes for the support of certain Lansing institutions, namely: the Social Center, the Michigan Children's home and Civil and World war veterans hall rent; and whereas, the support of these institutions is a public necessity and a public duty;

Therefore, be it resolved by the city council of the city of Lansing, that the mayor appoint a committee, composed of three city officials and five citizens of the city of Lansing, namely: the mayor, city clerk, city comptroller and Judge Collingwood, Mr. W. K. Prudden, Mr. R. E. Olds, Mr. Platt and Mr. J. E. Roe, to meet and to confer relative to the matter of finding ways and means to financially support the above named institutions and their activities.

### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 875 feet of sewer in Foster-av. from Fernwood-st. to Saginaw-st. in the Toll Gate sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 18th day of April, A. D. 1921, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, That the

portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specially described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 16th day of May, A. D. 1921, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$1,171.50, of which one-sixth, or \$195.26, shall be paid from the general sewer fund and the remainder, or \$976.25, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Main, McKale, Phillips, Templeton, Trager.—13.

Nays—None.

### ORDINANCE.

Ald. Main introduced the following ordinance, which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend section 657 of an ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or addition to, remodeling, use or occupation of buildings, parts of buildings and structures of every nature whatsoever in the city of Lansing, providing for condemning and stopping the use thereof, wrecking the same and creating the offices of commissioner of buildings and city electrician and repealing certain ordinances," as adopted April 27, 1921.

The city of Lansing ordains:

Section 1. Section 657 of an ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupation of buildings, parts of buildings and structures of every nature whatsoever in the city of Lansing, providing for condemning and stopping the use thereof, wrecking the same and creating the offices of commissioner of buildings and city electrician and repealing certain ordinances," as adopted April 27, 1921, is hereby amended as follows:

Private Garages, Construction, Sec. 657. Private garages hereafter built

altered or converted for such purposes within the fireproof limits shall be of fireproof construction; within the fire limits they must be of incombustible construction, and have no living quarters above them, unless fireproof as described for public garages.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the honorable mayor and members of the city council.

Gentlemen—Recently your honorable body directed me to commence suit in behalf of the city against Mr. Frank Thoman, in relation to the house and property on Magnolia-st., since which time I have had some conversation with Mr. Thoman in relation to the same, and he appears willing to do what is right in the matter. I would, therefore, recommend and ask that the mayor appoint a committee of three members of the council, by and with the consent of the council, to confer with Mr. Thoman in relation to the said matter and report their doings to this council.

Respectfully,

D. G. F. WARNER,

City Attorney.

On motion of Ald. Fowler, mayor appointed as such committee Ald. Avery, Templeton and Chapman.

To the city council,

Gentlemen—I hereby appoint O. C. Howe, a member of the house committee of the social service center to fill the vacancy of F. W. Redfern, as he is no longer a member of the council.

B. A. KYES,

Mayor.

By Ald Klock—

That the appointment be confirmed.  
Carried.

#### REPORTS OF COMMITTEES.

The committee on sewers to whom was referred the communication of R. B. McPherson, petitioning for sewers in Inverness subdivision begs leave to report as follows:

We recommend that the sewers be built before grading of streets is done.

Respectfully submitted,

H. S. FOWLER,

E. L. HEEB,

ELMER CHAPMAN,

Committee on sewers.

By Ald. Fowler—

That report of the committee be adopted.

Carried.

The committee on bonds and contracts to whom was referred the petition for pool room license of J. J. Daly, 219 E. Shiawassee begs leave to report as follows:

That the license be granted.

S. S. MAIN,

M. A. TEMPLETON,

A. H. PHILLIPS,

Committee.

By Ald. Main—

That report of the committee be adopted.

Carried.

The committee on the special committee and the garbage committee to whom was referred the matter of purchasing trucks for the garbage department begs leave to report, as follows:

We recommend that two Reo speed-wagons and one Duplex Limited, be purchased.

O. C. HOWE,

W. T. BRITTEN,

M. A. TEMPLETON,

Committee on garbage.

S. S. MAIN,

A. H. PHILLIPS,

E. L. HEEB,

Received and placed on file.

The committee on streets to whom was referred the communication from the state administrative board asking when curb is to be put in in front of the state office building on South Walnut-st. begs leave to report as follows:

We recommend that the city clerk be authorized to write to the state administrative board stating that the curb and gutter will be put in on South Walnut-st. in front of the state office building as soon as the underground work is completed by the city water department and by the Lansing Fuel and Gas Co., which will probably be within 60 days.

O. C. HOWE,

M. A. TEMPLETON,

A. E. DYMOND,

Committee on streets

By Ald. Howe—

That report of the committee be adopted.

#### PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council for constructing a curb and gutter on Clark-st. from Sheridan-st. to Franklin-av. are hereby adopted.

That the portion of city deemed to be specially benefited by such improvements is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Clark-st. within the north line of Sheridan-st. and the south line of Franklin-av. and extending back from said Clark st. a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$2,028.00.

That the expense of such improvement in public street and alley intersections is \$50.40, which shall be paid by the city out of the general paving fund.

That \$80.00 of the remainder of said estimated expense, to-wit, the sum of \$1,582.08 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage

which shall acquire by the making of such improvement, and the remainder of such expense, to-wit, \$395.52 shall be paid by the city out of the contingent fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

By Ald. Britten—

Whereas the mayor, by order of the city council, appointed a committee heretofore to-wit on the 13th day of March, 1921, for the purpose of determining on an action to be taken in commemorating the memory of the soldiers of our country during the past wars in which the United States has been engaged or taken a part; and

Whereas the said committee made its report to the council of the city of Lansing on the 23d day of May, 1921; and

Whereas said committee recommended that a building be erected; and

Whereas said committee adopted plans for the same, which were drawn by J. N. Churchill, an architect of the city of Lansing, and are now on file in the office of the said J. N. Churchill; and

Whereas said committee recommended that the question of bonding the city in the amount sufficient to defray the expenses incident to the erection of said building be submitted to the voters of the city of Lansing at a special election to be held at an early date; and

Whereas it has been ascertained that the cost and expense of erecting said building would be \$200,000; and

Whereas the plans prepared by the said J. N. Churchill, which were adopted and recommended by said

committee are in keeping with a building, which, if erected, is much needed in the city for municipal purposes, by way of providing offices for different members of the city management and an assembly room for people in the case of gatherings and for other purposes incident to the necessities of a city, as well as a place suitable for the meetings and caring for the ex-soldiers of our country; and

Whereas by reason of the aforesaid and the conditions that exists the same is determined to be a public necessity and a necessary public improvement for the needs of the inhabitants of the city of Lansing and an honorary tribute to the soldiers who have served us so well and faithfully in the past wars in which our nation has taken a part;

Therefore, be it resolved, that the city council submit to the citizens of the city of Lansing an opportunity to vote upon the question of bonding the city in the sum of \$200,000, for the purpose of the erection, and expenses incident thereto, of the said building aforesaid.

Be it further resolved that it is determined to be a public necessity and a necessary public improvement for the safety and needs of the inhabitants of the city of Lansing and in honorary tribute to our soldiers who have served their country in the wars in which the United States has been engaged that a building be erected in accordance with the plans and specifications now on file in the office of J. N. Churchill, architect, of the city of Lansing, in addition to the building now owned by the said city, and that the same is necessary to supply additional office room, storage and a place for the assembly of the citizens of the city of Lansing, as well as offices, halls and places of meeting for the ex-soldiers of our country, and this council being advised that the sum of \$200,000 is needed to build and equip said building.

Resolved further that the building and equipment of the same be made under the direction and supervision of the city council of the city of Lansing, in accordance with the plans now on file with the said J. N. Churchill, or as near as may be thereto, in accordance with the judgment of the said city council, and that the question of borrowing the sum of \$200,000 upon the faith and credit of the city of Lansing, and the issuance of bonds of the said city for the purpose of defraying the cost of building the same be submitted to a vote of the qualified electors of the city of Lansing, at a special election to be held in the city of Lansing on the 30th day of August, 1921.

Resolved further that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required by the laws of this state and the charter of the city of Lansing, shall be desig-

nated "City of Lansing Auditorium and Soldiers' Memorial Building Bonds" and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for a public improvement; said bonds to be issued in such denominations, to be dated at such time or times, as shall be prescribed by the city council, and to become due and payable, not to exceed thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed 5 per cent per annum, payable annually or semi-annually, as the council, by resolution, may prescribe, both principal and interest to be payable at the office of the city treasurer of the city of Lansing, or at such other places as the council, by resolution, may prescribe.

Resolved further that the city clerk be and is hereby directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$200,000 for the purpose of building and equipping a public auditorium and soldiers' memorial building in the city of Lansing, as prescribed in a certain resolution of the city council passed on the 25th day of July, 1921, be issued?

Yes (     )                      No (     )

Resolved further that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she shall desire to vote.

#### CHARTER AMENDMENTS.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That this council by a three-fifths vote of the members-elect propose that section 148 of chapter 8 and sec-

tion 340 of chapter 21 of the charter of the city of Lansing be amended so that said section 148, chapter 8, shall read as follows:

"Section 148. For the purpose of paving, construction of sewers, public buildings, bridges and public improvements of any kind the city council may borrow, on the credit of the city, such sum or sums of money as it may deem necessary, not exceeding such limitations as may be fixed by law, for a term not exceeding thirty years, at a rate of interest not exceeding five per centum (5%) per annum, and may issue the bonds of the city therefor, said bonds to be signed by the mayor and countersigned by the city clerk and be in such form and denominations as the city council shall direct. Said bonds may be sold and disposed of under the direction of the city council for the sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds thereof shall be applied to the use for which said bonds were issued and for no other purposes. Provided, however, that no bonds, except bonds for emergency purposes as authorized in clause b, section 4, of Act 279 of the Public Acts of 1909, shall be issued by the city council, unless the amount of such bond issue shall first be determined and approved by a three-fifths vote of the qualified electors voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections. All premiums received from the sale of bonds shall be credited to the contingent fund of the city."

And that section 340 of chapter 21 be amended so that the same shall read as follows:

"Section 340. To acquire, construct, own, operate, repair or maintain any such public utilities as authorized in this chapter, the city may borrow money upon the credit of the city and issue its bonds therefor in such amounts as may be permitted by law. The city may also issue its mortgage bonds therefor on the property of the utility beyond the general limit of its bonded indebtedness. All of said bonds shall be signed by the mayor and countersigned by the city clerk, and be in such form and denominations as the city council shall direct, and to draw interest at a rate not exceeding five per cent per annum, payable annually or semi-annually, as the council shall prescribe, and may be sold or disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds shall be applied to the use for which said bonds were issued and

for no other purpose. Provided, however, that no such bonds shall be issued unless the amount of such bond issue shall have first been determined and approved by a three-fifths vote of the qualified electors of said city voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections, and the proposition of the amount of such bond issue may be submitted to the people for their approval at the same time that the proposition to acquire, purchase or construct any such public utility is submitted, as prescribed in sections three hundred and thirty-eight and three hundred thirty-nine of this charter."

Resolved further, that the foregoing amendment to the city charter be submitted to the qualified electors of the said city at the city election to be held in the city of Lansing on the 30th day of August, 1921.

Resolved further, that such amendment when submitted shall be printed upon a ballot which shall be prepared in substance in the following manner:

#### OFFICIAL BALLOT.

Shall section 148, chapter 8, and section 340 of chapter 21 of the city charter relative to the borrowing of moneys and the issuance of bonds therefor be amended so that the same shall read as follows:

"Section 148. For the purpose of paving, construction of sewers, public buildings, bridges and public improvements of any kind the city council may borrow, on the credit of the city, such sum or sums of money as it may deem necessary not exceeding such limitations as may be fixed by law, for a term not exceeding thirty years, at a rate of interest not exceeding five per centum (5%) per annum, and may issue the bonds of the city therefor, said bonds to be signed by the mayor and countersigned by the city clerk and be in such form and denominations as the city council shall direct. Said bonds may be sold and disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter 12 of this charter pertaining to the sale of bonds. The avails and proceeds thereof shall be applied to the use for which said bonds were issued and for no other purpose. Provided, however, that no bonds, except bonds for emergency purposes as authorized in clause b, section 4, of Act 279 of the Public Acts of 1909, shall be issued by the city council, unless the amount of such bond issue shall first be determined and approved by a three-fifths vote of the qualified electors voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter

for holding municipal elections. All premiums received from the sale of bonds shall be credited to the contingent fund of the city."

"Section 340. To acquire, construct, own, operate, repair or maintain any such public utilities as authorized in this chapter, the city may borrow money upon the credit of the city and issue its bonds therefor in such amounts as may be permitted by law. The city may also issue its mortgage bonds therefor on the property of the utility beyond the general limit of its bonded indebtedness. All of said bonds shall be signed by the mayor and countersigned by the city and be in such form and denominations as the city council shall direct, and to draw interest at a rate not exceeding five per cent per annum, payable annually or semi-annually, as the council shall prescribe, and may be sold or disposed of under the direction of the city council for a sum not less than their par value, unless the same shall be sold to the highest bidder, as prescribed in chapter twelve of this charter pertaining to the sale of bonds. The avails and proceeds shall be applied to the use for which said bonds were issued and for no other purpose. Provided, however, that no such bonds shall be issued unless the amount of such bond issue shall have first been determined and approved by a three-fifths vote of the qualified electors of said city voting thereon at an election, either general or special, to be held at such time, place and manner as provided in this charter for holding municipal elections, and proposition of the amount of such bond issue may be submitted to the people for their approval at the same time that the proposition to acquire, purchase or construct any such public utility is submitted, as prescribed in sections three hundred thirty-eight and three hundred thirty-nine of this charter?"

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted, declare and determine that it is a necessary public improvement and need in the city of Lansing the paving of streets in said city extended, and that a considerable amount of the present paving needs repairing, to-wit: Michigan-av. from

the old to the new city limits; Pennsylvania-av. from Sheridan-st. to Franklin-av.; Pennsylvania-av. from Kalamazoo to Main-st.; Prospect-st. from Holmes-st. to Clifford-st.; Eureka-st. from Holmes-st. to Clifford-st.; Virginia-st. from Eureka-st. to Prospect-st.; Rosamond-st. from Eureka-st. to Prospect-st.; Bancroft-court from Butler-st. east; Walnut-st. from Washtenaw-st. to Main-st.; Larch-st. from Sheridan-st. to Franklin-av.; Larch-st. from Shiawassee-st. to Saginaw-st.; Moores River drive from Logan-st. to the west city limits; Pine-st. from Allegan-st. to Saginaw-st., and such other streets as petitions are filed for or may be hereafter filed for, and as the city council may deem necessary, and the council having been heretofore advised by the committee on streets of the city of Lansing that the sum of \$300,000 is needed for said purpose for said improvement; and

Whereas, this council did heretofore, to-wit, on the 4th day of April, 1921, submit the question of the construction of said pavement and public improvements and the issuance of the bonds of the city of Lansing in the amount of \$300,000, for the purpose of defraying the expense of the construction of said pavement and said public improvements to a vote of the qualified electors of said city; and

Whereas, the qualified electors of said city by a three-fifths vote of those voting thereon, at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$300,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Paving Bonds" in the sum of \$200,000 being a part of the bonds heretofore voted, for the purpose of defraying in part the expense of the construction of said pavement and said improvements herein referred to, be issued by said city. That said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 15th day of January and the 15th day of June, in each year beginning the 15th day of January, 1922, until all of said bonds are fully paid. Said bonds shall be in denominations of \$100.00, \$500.00 and \$1,000.00, as may be designated by the purchaser, and be dated July 15, 1921, and be due and payable as follows: \$20,000 on July 15th of each year from 1923 to 1932, inclusive. Interest and principal on said bonds to be payable at the Guarantee Trust Company of New York City.

Resolved further, that the form of said bonds and interest coupons attached thereto shall be substantially

as follows, and be further resolved, that the fac-simile signature of mayor and city clerk of the city of Lansing shall be used on the interest coupon.

#### MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted, declare and determine that the Shiawassee-st. bridge across Grand river was unsafe for present-day traffic, and that it recommended

that the same be replaced by a permanent concrete structure; and

Whereas, the wooden bridge across the Cedar river on S. Pennsylvania was weak and in a dangerous condition, and recommended that the bridge be also replaced by a permanent concrete structure; and this council being advised by the bridge committee that the city of Lansing will incur an estimated indebtedness of \$300,000 in the construction of said bridges in the city of Lansing; and

Whereas, this council heretofore, to-wit, on the 4th day of April, 1921, did submit the question of building said bridges, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$300,000, for the purpose of construction of said bridges, to a vote of the qualified electors of the city of Lansing; and

#### PUBLIC IMPROVEMENT I.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is a public necessity, and it is hereby determined to construct a curb and gutter on Cedar-st. from Saginaw to Franklin-av.

That the city engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the city council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—14.

Nays—None.

#### PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted August 1, 1921, for constructing a curb and gutter in Cedar-st. from Franklin-av. to Saginaw-st. are hereby adopted.

That the portion of the city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Cedar-st. within the south line of Franklin-av. and the north line of Saginaw-st. and extending back from said Cedar-st. a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$5,530.

That the expense of such improvement in public street and alley intersections is \$501.40, which shall be paid by the city out of the general paving fund.

That 80% of the remainder of said estimated expense, to-wit, the sum of

\$4,028.88, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvements, and the remainder of such expense, to-wit, \$1,005.72, shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—14.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 11,370 feet of sewer in North Highland subdivision in the 37th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 6th day of August, A. D. 1917, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described, and set forth in a resolution of said city council, for the construction of said sewer passed upon the 27th day of August, A. D. 1917, excepting from said described district all public streets and alleys.

That the actual expense of such improvement is \$29,157.80, of which one-sixth, or \$4,859.63, shall be paid

from the general sewer fund and the remainder, or \$24,298.17, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—14.

Nays—None.

## ORDINANCES

The following ordinance was introduced by Ald. Dymond and referred to the committee on ordinances:

An ordinance to amend section 8 of an ordinance to regulate traffic and the use of carts, wagons, coaches, omnibuses, bicycles, motorcycles, auto-

mobiles and every description of carriage, motors or vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing, passed August 25, 1920, as amended Oct. 13, 1920.

The city of Lansing ordains:

Section 1. Section 8 of an ordinance, to regulate traffic and the use of carts, wagons, drays, coaches, omnibuses, bicycles, motorcycles, automobiles, and every description of carriage, motors and vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing, passed August 25, 1920, is hereby amended to read as follows, to-wit:

Section 8. Each automobile and motorcycle driven or operated upon any street shall be provided with adequate brakes and with a suitable horn for giving warning or signal of its approach, but no person shall use upon any automobile or other vehicle a whistle or warning signal working on or from exhaust of motor or a warning signal similar to that used by the fire or police departments of this city. Every motor vehicle being driven or operated on any street within the city limits shall be provided during the period of one hour after sunset to one hour before sunrise with at least two lamps on the front, the light of such front lamps to be visible two hundred feet in the direction in which such motor vehicle is passing. There shall also be provided one rear light from which shall be displayed a red light visible from the rear at least two hundred feet, and white light the rays of which shall shine upon the number plate carried on the rear of such vehicle. Every motor vehicle or other vehicle equipped with and using electric forward lights upon the streets of said city shall be provided and equipped with some practical device whereby the forward lights may be dimmed or lessened at the will of the driver or operator to such an extent that such electric lights or the reflection will not interfere with the sight of nor temporarily blind the vision of the driver or operator approaching. Motorcycles and bicycles shall be required to display but one lighted lamp on the front of said motorcycle or bicycle, visible at least one hundred feet in the direction in which it is headed. The said light shall also display the number thereon in such manner that when lighted the number may be read at a distance of fifty feet.

Section 3. For the preservation of peace, health and public safety, this ordinance is hereby given immediate effect.

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted, declare and determine that the Shiawassee-st. bridge across Grand river was unsafe for present-day traffic, and that it recommended that the same be replaced by a permanent concrete structure; and

Whereas, the wooden bridge across the Cedar river on S. Pennsylvania was weak and in a dangerous condition, and recommended that the bridge be also replaced by a permanent concrete structure; and this council being advised by the bridge committee that the city of Lansing will incur an estimated indebtedness of \$300,000 in the construction of said bridges in the city of Lansing; and

Whereas, this council heretofore, to-wit, on the 4th day of April, 1921, did submit the question of building said bridges, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$300,000, for the purpose of construction of said bridges, to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$300,000 for the purpose of constructing said bridges, and that said bonds should be issued as proposed in said resolution.

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Bridge Bonds" in the sum of \$200,000, being a part of the bonds heretofore voted, for the purpose of defraying the expense of construction of said bridges in the city, be issued by said city; that such bonds shall be in denominations of \$100.00, \$500.00 and \$1,000.00, as may be designated by the purchaser, and be dated July 15, 1921, and be due and payable as follows: \$40,000 on July 15th of each year from 1927 to 1931, inclusive. Said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 15th day of January and the 15th day of July in each year beginning January 15, 1922, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust Company of New York city.

Resolved further, that the form of said bonds and interest coupons attached thereto shall be substantially as follows, and

Be it further resolved, that the facsimile of the mayor and city clerk of the city of Lansing shall be used on the interest coupon.

To the Hon. Mayor and city council of the City of Lansing:

Gentlemen—Your petitioner, the Michigan United Railways Company, under and by authority of the city council of the city of Lansing, was permitted, by a resolution adopted the 4th day of June, 1920, to charge and collect a fare of ten cents cash, four tickets for thirty cents. This fare continued in effect until July 1, 1921.

On account of the excessive cost of material and high operating expenses, your petitioner did not take in sufficient money under the former fare to meet the operating expenses, depreciation and a reasonable return on the property used in the service in Lansing. Report as to the operation under the former fare were made to your city at regular intervals as requested at the time of the granting of the increase.

It was the opinion of some members of your honorable body and of many citizens of the city of Lansing that if the fare was reduced, a large number of passengers would ride, and the financial benefit to the company would be as great as by the increased fare. Acting upon this assumption, your honorable body passed a resolution reducing the fares, effective July 1, 1921, and authorized a fare of six cents cash, nine tickets for fifty cents. In response to the reduction in fares, your petitioner advised your honorable body that it would be willing to try out the reduced fare and determine the truth or falsity of the theory that a reduced fare would increase travel. Your petitioner, therefore, complied with the resolution and put in effect as of July 1, 1921, the fare as indicated. This same fare has been continued from that date up to the present time.

Weekly comparisons have been made of the number of passengers carried and revenue received for a like period for the last month of the higher fare (June, 1921), and for a like period of the previous year. A copy of the results of the operation for the first month under this lower rate is hereto attached. From an examination of these results, it will be

seen that the traffic has not materially increased over a corresponding period in June, and has actually decreased as compared with the corresponding period of July, 1920. It will also be noticed that in every instance there has been a tremendous loss in revenue. This loss in Lansing, as compared with the month of June (the last month of the higher fare), amounts to \$8,643.77, which is on the basis of \$103,725.25 for the year. As compared with the month of July, 1920, the loss is \$13,684.84, which is on the basis of \$164,218.08 for the year.

The Company has fairly tried out the reduced fares and this trial has conclusively proven that decreased fares will not increase travel nor revenue.

It is not a question of the Company's standing the loss during the depression in business, as it has not made a fair return in years past. It is simply piling up losses over the former losses to such an extent as to completely crush the Company.

It is plain that your petitioner cannot continue to operate and furnish service at the present rate of fare.

Your petitioner, therefore, asks your honorable body to readjust the schedule of fares so as to enable it to continue to serve.

Dated, Jackson, Michigan, August 15, 1921.

#### REPORTS OF CITY OFFICERS

The report of the city gas inspector for the week ending Aug. 13, 1921 was received and placed on file.  
To the Hon. Mayor and city council of the city of Lansing:

Gentlemen—I submit herewith a preliminary plan for the proposed new Shiawassee street bridge.

This plan provides for carrying the roadway on Shiawassee street over and above the New York Central tracks. The railroad company should therefore pay a portion of the expense.

All property owners that might be affected by the proposed new bridge have been consulted and statements of their positions are on file in the office of the city engineer.

Respectfully submitted,

O. E. ECKERT,

City engineer.

Referred to committee on bridges.

To the Hon. Mayor and city council of the city of Lansing:

Gentlemen—I submit herewith plans and specifications and an estimate of cost for paving and repaving Michigan ave. from the old city limits to the new city limits.

Estimated cost ..... \$79,560.00

To be paid by street railway co., for paving in accordance with their franchise ..... 39,000.00

To be paid by property benefited ..... 13,520.00

To be paid by city at large ..... 27,040.00

Respectfully submitted,

O. E. ECKERT,

City engineer.

Received and placed on file.

To the Hon. Mayor and city council: Gentlemen—As yet no office or desk room has been provided for your electrical inspector.

Chief Delfs has told me that as soon as the building is completed for the fire alarm system, there will be room for an office but same must be furnished with non-inflammable furnishings. All the writer will need for the present is a steel desk and chair.

On July 25th, your honorable body, passed a resolution allowing my department \$2,167.00, striking out item under 20 for Ford roadster. It is necessary that I have a car of some description for my work or a sum provided for gasoline, oil and maintenance of my own car.

Respectfully,  
EDW. F. LINK,  
Electrical Inspector.

Referred to committee on public buildings.

## PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted March 14, 1921, for paving Michigan ave. from old city limits to new city limits are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Michigan ave. within the east line of section 15 and the east line of the city

of Lansing and extending back from said Michigan ave., a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroad, as are herein included.

That the estimated expense of said improvement is \$79,560.00; that the expense of paving between the rails and for a width of 18 inches on each side of the tracks of the Lansing city railway company, its successors and assigns, to-wit, the sum of \$39,000 shall be paid by said railway company, its successors or assigns.

That one-third of the remainder of said estimated expense, to-wit, the sum of \$13,520, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to-wit, \$27,040.00, shall be paid by the city out of the contingent fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—13.

Nays—None.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications heretofore returned by the city engineer in pursuance of a resolution of this council heretofore adopted for the paving of Holmes st. from Michigan ave. to Main st. are hereby again adopted and confirmed and that the work done in the execution of said plans and specifications and the paving of said street as heretofore done by the city engineer's department is also ratified, confirmed and approved.

That the portion of the city deemed to be especially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Holmes st. within the south line of Michigan ave. and the south line of Main st. and extending back from said Holmes st., a distance of one hundred sixty-five feet from each side of said street, excepting from said describing district all public streets, alleys and parcels of land

herein described not adjoining said street, and rights of way of railroads, as herein included. That the actual expense of said improvement was \$33,104.

That the expense of such improvement in public street and alley intersections is \$7,642.18, which shall be paid by the city out of the general paving fund. That 80% of the remainder of said expenses, to-wit, the sum of \$20,369.46, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to-wit, \$5,092.36, shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—13.

Nays—None.

## SIDEWALK RESOLUTION.

By Ald. Klock—

Resolved by the city council of the city of Lansing:

That it is a necessary public improvement and it is hereby determined that a new artificial stone sidewalk six feet wide shall be built in front of west  $\frac{1}{2}$  of lot 9, block 2, South Park addition, on the north side of Mt. Hope ave., owned by Allen Thoms;

Also in front of lot 10, block 2, South Park addition, on the north side of Mt. Hope ave., owned by L. B. Evans;

Also in front of lot 6, block 2, South Park addition, on the north side of Mt. Hope ave., owned by Mark Clifford estate;

Also in front of lots 4 and 5, block 3, South Park addition, on the north side of Mt. Hope ave., owned by Mark Clifford estate;

Also in front of east 44.2 feet of lot 6, block 3, South Park addition, on the north side of Mt. Hope ave., owned by George H. Rosa;

Also in front of lot 6, except east 44.2 feet of lot 8, block 3, South Park addition, on the north side of Mt. Hope ave., owned by Isbell estate;

Also in front of lot 120, Torrance Farm subdivision, on the north side of Mt. Hope ave., owned by Jacob Hart;

And that the owners of said above described lands be and they are hereby required to build the same and in accordance with the specifications on file in the office of the city engineer on or before the 24th day of September, 1921.

That the superintendent of public works is authorized and directed to proceed to construct such artificial stone walk in front of the above described premises after the expiration of said date, upon the failure of the owner or owners of the parcels herein described to construct the same as hereby required; and that the expense of constructing the same shall be paid out of the contingent fund, and the city assessors are hereby directed to assess the expenses of constructing the same against said described lands as provided by section five of ordinance No. 23, of the revised ordinances of the city of Lansing, and chapter 17 of the city charter.

The city clerk is directed to give due notice hereof by publication of a notice of this resolution for three successive days as provided by said ordinance No. 23.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—13.

Nays—None.

## ORDINANCES.

By Ald. Dymond—

That the council resolve itself into a committee of the whole to consider ordinances.

Carried.

The mayor called Ald. Howe to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance amending section 8 of the so-called "Traffic Ordinance" and would recommend that the same be passed.

Council then resumed regular session.

By Ald. Dymond—

That council rule No. 23 be suspended and that the ordinance amending section 8 of the so-called

"Traffic Ordinance" be placed on the order of third reading at this time.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—13.

Nays—None.

The ordinance under consideration was then read a third time as follows:

"An ordinance to amend section 8 of 'An ordinance to regulate traffic and the use of carts, wagons, coaches, omnibuses, bicycles, motorcycles, automobiles and every description of carriage, motors or vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing,' passed August 25, 1920, as amended October 18, 1920."

The city of Lansing ordains:

Section 1. Section 8 of an ordinance to regulate traffic and the use of carts, wagons, drays, coaches, omnibuses, bicycles, motorcycles, automobiles, and every description of carriage, motors and vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing, passed August 25, 1920, is hereby amended to read as follows, to-wit:

Section 8. Each automobile and motorcycle driven or operated upon any street shall be provided with adequate brakes and with a suitable horn for giving warning or signal of its approach, but no person shall use upon any automobile or other vehicle a whistle or warning signal working on or from exhaust of motor or a warning signal similar to that used by the fire or police departments of this city. Every motor vehicle being driven or operated on any street within the city limits shall be provided during the period of one hour after sunset to one hour before sunrise with at least two lamps on the front, the light of such front lamps to be visible two hundred feet in the direction in which such motor vehicle is passing. There shall also be provided one rear light from which shall be displayed a red light visible from the rear at least two hundred feet, and white light the rays of which shall shine upon the number plate carried on the rear of such vehicle. Every motor vehicle or other vehicle equipped with and using electric forward lights upon the streets of said city shall be provided and equipped with some practical device whereby the forward lights may be dimmed or lessened at the will of the driver or operator to such an extent that such electric lights or the reflection will not interfere with the sight of nor temporarily blind the vision of the driver or operator approaching. Motorcycles and bicycles shall be required to display but one lighted lamp on the front of said motorcycle or bicycle, visible at least one hundred feet in the direction in which it is

display the number thereon in such manner that when lighted the number may be read at a distance of fifty feet.

Section 3. For the preservation of peace, health and public safety, this ordinance is hereby given immediate effect.

Absent—Ald. Britten, Burgess, Chapman, Clapman, Heebe, Watley.—6.

By Ald. Dymond—

That a call of the house be made.  
Carried.

After a time there appeared Ald. Avery, Klock, and Templeton.

Besides the president and superintendent of Water and Electric Light Board there were present Coms. Lundberg and Wilkins and their electrical engineer.

President Ziegler of the water and electric light commission stated that

the commissioners were anxious to enlighten the city council all they could about the proposition which would come before the voters at the special election the 30th inst.

Supt. Bulkeley addressed the members of the council, giving figures on their assets, valuation and needs to come. Also approximated their liabilities, giving reasons why the commissioners feel it to be necessary that the bond issue for the \$1,650,000.00 should carry. He spoke of their site and proposed building required.

Questions were put to the superintendent by members.

Com. Lundberg spoke of many things interesting on the subject.

Many points were brought out and discussed.

Council adjourned.

J. A. PARSONS,  
City Clerk.

# CITY COUNCIL

### OFFICIAL

Proceedings, August 24 and 29, 1921

City Council Rooms.

Lansing, Aug. 24, 1921.

The city council met in adjourned regular session and was called to order by Mayor B. A. Kyes.

Roll call.

Present—Ald. Avery, Britten Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley, —15.

Absent—Ald. Burgess.—1.

#### COMMUNICATIONS

Honorable Mayor and City Council, City,

Gentlemen—On a few occasions after a heavy rain, the fire department pumped out the water under the Grand Trunk viaduct at Pennsylvania Ave. We found after doing so that it did considerable damage to our pumping engine, namely grit, weeds and sand as the causes.

After the recent rain, Supt. Arney desired the department to again pump out the water. Honorable Mayor Kyes also made the request. I told him the circumstances and I was informed that the city agreed to keep the water out of the place mentioned. We finally borrowed a gasoline pump from the city engineering department and sent firemen there to pump out the water.

If arrangements can be made so that after each heavy rain, this pump is available and the city must do the work, I will send a few firemen to operate the pump. Possibly you gentlemen may figure out some other means of disposing of this water.

Respectfully yours,

HUGO R. DELFS,  
Chief Fire Department.

Referred to committee on streets.  
To the City Council of the City of Lansing:

I hereby recommend that insurance be placed upon the buildings and personal property at the garbage farm as follows:

House .....	\$ 2,000.00
Barn .....	1,500.00
Granary .....	500.00
Hog House No. 1 .....	500.00
Hog House No. 2 .....	500.00
Farm products, machinery and live stock .....	5,000.00

Total .....\$10,000.00

Respectfully submitted,

GEORGE A. CANFIELD,  
Supt. of Garbage Dept.

Received and placed on file.

Honorable Mayor and City Council, City:

Gentlemen—It has come to my notice that your honorable body granted a permit to Berg and Musselman to operate gasoline pump at curb, 110 E. Franklin ave.

This surely is a mistake; right at this point is a street car switch. With a car at the switch and an automobile taking gasoline at this pump, it would be impossible for the fire department to get by, or for that matter, any other vehicle. It seems to me that matters of this kind should come before a committee of your honorable body for investigation before granting a permit. Danger to life and limb under these conditions would justify your honorable body to rescind the permit.

Respectfully yours,

HUGO R. DELFS,  
Chief Fire Department

By Ald. Templeton—

That action granting of the permit be reconsidered.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Fowler, Heeb, Templeton, Trager, Watley.—9.

Nays—Howe, Klock, Main, McKale, Phillips.—5.

By Ald. Templeton—

That the action granting the permit be rescinded.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Clapham, Dymond, Templeton, Trager, Watley.—8.

Nays—Ald. Fowler, Heeb, Howe, Klock, Main, McKale, Phillips.—7.

The committee on bonds and contracts to whom was referred the request of Tony Orlando to have a portion of the fee paid for huckster's license refunded, as the license was used less than three months, begs leave to report as follows:

We recommend that the request be granted.

S. S. MAIN,

M. A. TEMPLETON,

A. H. PHILLIPS.

Committee on Bonds and Contracts.

By Ald. Main—

That report of the committee be adopted.

Carried.

By Ald. Main—

That the superintendent of the garbage department be and he is authorized to place insurance on the property at the garbage farm in the following amounts:

House .....	\$ 2,000.00
Barn .....	1,500.00
Granary .....	500.00
Hog House No. 1 .....	500.00
Hog House No. 2 .....	500.00
Farm Products, Machinery, Live Stock, etc.....	5,000.00
Total .....	\$10,000

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Howe—

That the superintendent of public works be and he is hereby instructed to purchase one Fordson tractor at the expense of \$925.00, the cost of same to be charged to the contingent fund.

By Ald. Heeb—

That the resolution lie on the table until next meeting.

Lost by the following vote:

Yeas—Ald. Avery, Heeb, Klock, McKale, Phillips, Trager, Watley.—7.

Nays—Ald. Britten, Chapman, Clapham, Dymond, Fowler, Howe, Main, Templeton.—8.

Original resolution being before the council it was:

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, Phillips, Templeton, Trager.—13.

Nays—Ald. McKale, Watley.—2.

At this point the mayor announced that the main object of this adjourned meeting was the matters pertaining to street railway car fare in the city of Lansing.

Ald. Avery moved that J. F. Collins, vice-president and general manager be requested to address the council and citizens assembled.

Carried.

Mr. Collins responded with a plea for immediate relief for his company financially by an increase in fares, stating the necessity of this and asking the City Council to take action that car service might continue in this city. Their receipts and disbursements showing that they were compelled to make this request.

Questions by the aldermen and citizens were asked of Mr. Collins. Many citizens addressed the council. Some in favor of allowing fares to be raised and some opposing the same.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That a committee of three citizens be appointed to audit the books of the Michigan Railway company to determine the income and the operating expenses of said railway company, and report same back to this council as soon as possible, the chairman of said committee to be Alderman E. S. Avery of the city council, the second member to be selected from the Lansing Trades and Labor Council and the third member to be selected from the Chamber of Commerce, and appointed by the mayor.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—14.

Nays—Watley.—1.

To the City Council:

Gentlemen—I hereby appoint as such committee—

Ald. E. S. Avery.

M. R. Carrier, Chamber of Commerce.

George H. Allen, Trades and Labor Council.

B. A. KYES,  
Mayor.

Council adjourned.

J. A. PARSONS,  
City Clerk.

The Lansing Fuel & Gas Co. filed their income statement for the month of July, 1921.

Received and placed on file.

Petition was received to gravel Lathrop st. from Perkins to G. T. tracks.

Referred to committee on streets.

Petition was received for curb and gutter in Eureka st. between S. Holmes and Jerome streets.

Referred to committee on streets.

Essenberg Gnis-Nal Grotto applied for license to conduct a series of dancing parties at Maccabee hall.

Referred to committee on bonds and contracts.

To the Honorable Mayor and Members of the City Council:

Gentlemen—In the erection and completion of the new Isolation hospital it has been found necessary to make some changes, alterations and additions to the original plans, which have all been under the consideration of the board of health. Upon all the major items, of these changes and additions, the board has received estimates or bids and recommends that said changes and additions be made, the total cost of which shall not exceed \$7000.00.

As to the alterations and extensions of the building plans, it is recommended that toilets, baths and lavatories be installed in the four largest wards, two at each end of the first floor, also that drinking fountains be transferred from the corridors to these wards. It is recommended also that a second diet kitchen be installed so as to make it possible to isolate those patients afflicted with the most dangerous and insidious diseases. We recommend a few other minor changes on this floor for the accommodation of nurses.

The original plans called for the laying of floor in the basement to cover about 2400 square feet. The board of health recommends that cement floor be laid for the remainder of the entire basement, an additional amount of about 3500 square feet. The board recommends also, the installation of a janitor's room, a room for sterilization of clothing, mattresses and bedding and a dining room for nurses and employees.

As to estimates and bids, the board has a bid on necessary plumbing and heating of \$1610.00, a bid also on other necessary changes and additions in the building of \$4179.74. These bids are herewith attached.

We further state that it will be necessary in the very near future to furnish and equip a kitchen and laundry, both of which the board has received bids on and the said bids amount to \$5600.00. However, it is the opinion of the board that all the necessary equipment may be purchased for much less than that, and the total amount of the same will not exceed \$3000.00. There will also be needed the sterilization outfits for clothing, utensils and dishes, the cost of which will not exceed \$2000.00.

Also that said board has received bids on the beds, bedding and furniture for the rooms, which bid was \$5500. The said board also thinks that the same can be furnished and properly equipped for much less money and if they are permitted to purchase the same that the amount be less than \$5000.

In consideration of the same, the board of health asks that this honorable body grant them authority to go on and order the changes, alterations and additions to be made as stated, in the plumbing, and also in the building and they be authorized to equip the laundry and kitchen and also to purchase furnishings and equipment necessary for the occupation and use of the building.

Respectfully,

HOMER, COPPOCK,

Chairman Health Board.

W. T. BISHOP.

Chairman Hospital Committee.

#### REPORTS OF CITY OFFICERS.

The report of the city treasurer for the month of July, 1921 was received and referred to the committee on auditing.

The report of the City Gas Inspector for the week ending Aug. 27, 1921, was received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen:—It may not come clearly within my legal duty to call the attention of the council to matters which do not involve a strictly legal interpretation. Nevertheless I am going to venture an opinion and make some recommendations in relation to the assessment of Prospect street, and before doing so I desire to call the attention of this council, as there are some members that are on the council now that were not when these proceedings were commenced, to what has been done in relation to the same.

In December, 1915, a petition was filed to open Prospect street. It appears from the records that the thing was carried on by the proper resolutions until the council finally ordered a roll made. The roll was made and presented to the council in September, 1917. It appears that the council was unable to agree upon this roll, after hearing the grievances of some of the parties who were assessed and that one or two new rolls were presented to the council. The last roll as prepared was presented to the council in August, 1919, since which time the roll was pending before this council until April 5th, 1921. The roll was then finally confirmed by this council and in August of this year the mayor was instructed to sign the roll. I have carefully examined and looked over all the records pertaining to this matter and as I reported to this council on April 5th that the roll was legally before them for their confirmation or rejection, and I still adhere to the statement that the roll was properly and legally before the council and legally passed. At the time of the confirmation of the roll I knew nothing whatever regarding the circumstances and conditions of the matter, and was not called upon for an opinion in the matter except as to the legal steps taken by the council and since the final action of the council the same has been called to my attention and I have carefully examined the roll, and I am forced to the conclusion that the said roll is very questionable, by reason of the fact that there is such an apparent inequality in the assessments of different property thereon. It cannot help but appeal to anyone who

looks over this roll that the assessment is not uniform, and if the same is so inequitable and uniform as appears there could be no question but what it would invalidate the roll, as the same would be in violation of the constitutional rights of the parties.

There is one other matter in regard to the roll to which I desire to call the attention of the council. It appears that at the time this street was opened the property that was assessed to Young Bros. Realty company has since been platted and that the plat is known as Ludwig park. That the said Ludwig Park has set aside a certain portion of this property for street purposes, which plat was accepted by the city. Therefore, as this plat was assessed as a body, without any exceptions made as to these streets, it would be impossible to collect the entire tax upon the property outside of the streets, as the streets are included in the said assessment.

I make this statement now to this council believing it advisable that steps should be taken to correct the mistake which they apparently have made, and I would recommend that a resolution be passed by this council vacating the proceedings had in relation to the confirmation of the roll and recall the same. This act may be taken in accordance with our charter, Section 257 of which reads in part as follows:

"Whenever any special assessment to defray the expense of any improvement shall in the opinion of the city council be invalid the city council may vacate and set the same aside."

This section of our charter has been construed in the case of Townsend vs. City of Manistee, 88 Michigan 408, where the charter was very similar to ours and practically the same proceedings were had and questions raised. Also in the case of Bogart vs. Jackson Circuit Judge, 118 Michigan 457.

Very respectfully,

W. G. F. WARNER.

City Attorney.

Received and placed on file.  
To the Honorable Mayor and Members of the City Council:

Gentlemen—In answer to the matters that were referred to me at the session of the council of August 15th in relation to the exemption or remittance of taxes assessed against certain property, I beg leave to submit the following:

After the taxes are once spread and assessed against the property and the rolls signed the same becomes a lien upon the said property and the city council has no authority whatsoever to undertake to exempt from taxation or to remit said taxes, except by the charter, which we will hereafter consider. The law provided that ex-soldiers and sailors may be exempt from taxation if they go before the assessing officer or board of review and file the proper

statements, showing their exemption. Also the board of review may exempt persons from taxation by reason of poverty, but this must all be done before the tax becomes a lien upon the property.

The real question before the council now is, can this council legally pay the tax of a person after it becomes a lien? As we all know and understand, when the roll is once in the hands of the treasurer she has to make that roll good or return the property. One of the two matters under consideration is that involving the question of the house that burned after the assessment had been made. I am forced to say that this is an unfortunate matter but one which will have to be borne by the person assessed, as there is no law whereby he could be legally reimbursed.

The other question is that of the lady who is unable to pay by reason of poverty. This question is governed by Chapter X of the charter, which provides that the city may pay the taxes of a person who is unable to pay the same, but that the amount so paid by the city with interest and accrued interest and costs shall be a valid lien in favor of the city and against the owner, and which debt shall be due the city one day after said payment. Section 164 of said charter, which reads as follows:

"Whenever any tax is to be paid by the city, on property owned by any person not able to pay the same, the owner thereof or his guardian, or some one legally authorized to make the same, shall make application in writing to the city council, in which shall be stated: First—The amount of taxes to be paid; Second—The description of the property taxes; Third—A statement of the condition of the title and circumstances showing his inability to pay the tax; Fourth—that he fully understands that when the city pays said tax, the same becomes a debt against him, and a lien on his described land, all in favor of the city, and due and payable on day after the date on which the city shall pay the same; Fifth—That if thereafter, for any cause, he fails to pay any subsequent tax or taxes on such property the city shall have the right to pay the same, before such tax or taxes shall be returned as delinquent unpaid taxes; Sixth—That he has read or heard read such application and fully understands the contents thereof. Said application shall be signed by himself, his guardian or by some person legally authorized to make and sign the same, and sworn to before a notary public, or other person authorized to take acknowledgement."

designates what shall be done by the party applying to the city. It will be observed that in this case the application has not been properly made, and if the council in its wisdom desires to pay the tax and

follow the proceedings mapped out, it is necessary for a proper application to be made.

In regard to this proposition, however, I am forced to the conclusion, that the charter in this respect is in derogation of the law, for the law nowhere gives the city authority to loan its credit or to loan money, and this is a clear undertaking to loan money and to receive in lieu thereof security.

Very respectfully,

D. G. F. WARNER,  
City Attorney.

Received and placed on file.  
To the Honorable Mayor and City Council of the City of Lansing:  
Gentlemen—The undersigned have placed their bids for the carpenter work on two buildings, 32x100 ft., to cover our feeding platform on new hog farm:

Whereas, the city council did on the 5th day of April, 1921, confirm the assessment roll made and presented by the city assessors to the city council for a special assessment to defray the expense of opening Prospect st.; and

Whereas, said council did on the 1st day of August, 1921, by resolution, direct the mayor to sign said roll; and

Whereas, said roll is now in the hands of the city treasurer; and

Whereas, upon examination of the said roll it is determined that in the assessment of the property contained in said roll there is gross inequality in the assessments against different pieces of property therein contained, and that the assessment on the property contained in said roll is inequitably apportioned to such an extent as to invalidate said roll;

Therefore, be it resolved, that this council does hereby, for the reasons aforesaid and other reasons that may exist, declare that it is the opinion of this council that said roll is invalid.

Be it further resolved, that the city treasurer be and is hereby directed to return said roll to this council and to not collect nor receive taxes thereon in the future, and that all moneys that have been paid upon said assessment be returned to the parties who paid the same upon demand, but should the same not be demanded then that the city treasurer retain the same and credit said amount upon the re-assessment of said property, and that upon the return of the said roll to this council, this council order, by proper resolution, a new roll to be made and returned to this body.

## PETITIONS AND COMMUNICATIONS

A petition was received asking that Orchard St. from Pennsylvania Ave. to the end of the street be graveled.

Referred to the committee on streets.

A communication was received from the Jury-Rowe Co. agreeing to guarantee payment for same for themselves and other abutting property owners if the city will pave as soon as possible the alley in Block 101.

Received and placed on file.

A communication was received from the Brotherhood of American Yeomen relative to bill for electricity incurred during the Home Coming week held by them two weeks ago. On motion of Ald. Klock the matter was referred to Electric Light and Water Board.

## Hop. Mayor and City Council:

Gentlemen—Replying to Resolution by the Honorable Alderman Watley relative to Curb Pump at 110 E. Franklin Ave., will say that according to the Building Code, the Chief of Fire Department has jurisdiction applying to tanks only.

The firm of Berg and Musselman were told that as far as the Pump was concerned they would have to take their chances with the Members of the Council to get a permit. My reason for wanting the permit rescinded was on account of the Street Car Switch located at this point. With a Curb Pump the space is too narrow and in my opinion not a proper place for a Gas Station.

Many cities have no parking signs Switches.

Respectfully yours,

HUGO R. DELFS,  
Chief Fire Department.

Received and placed on file.

In compliance to a Resolution offered by Ald. Watley that the mayor appoint a committee of three to consider the advisability of the appointment of a purchasing agent for the city, securing a building for warehouse and office for storekeeper and the amount necessary to place in next year's budget for purchasing department, and to report to the council as soon as possible.

I hereby appoint the following committee:

Alds. Watley, Chapman, Britten.

B. A. KYES,  
Mayor.

Referred to committee on streets.

To the Honorable Mayor and City Council:

Gentlemen—It has doubtless been called to your attention that the gates at the city dam, near Logan st., are under repair and that at the present time the Grand river is very low above this point. Taking advantage of this opportunity an investigation has been made by your park commission of the south bank of the river from the city dam to Logan st.

We find that the bank has been considerably undercut by the wash of the river, and that this washing is

undermining a large number of the fine shade trees on this embankment. We also find that where these roots are exposed that they have been soaked and killed by oil or grease which has been dumped into the river from some point above the dam. During the flood times in the spring when trees in the flats at Moores park are partially under water a ring of grease is deposited around the trunks of the trees at the high-water level which certainly would girdle and kill if it is persisted in.

We are therefor asking the council to take every possible measure to eliminate the dumping of oil of any description or grease from the river and assure the council of our support and co-operation in any move that the council may deem advisable to eliminate this danger and nuisance.

## BOARD OF PARK COMMISSIONERS.

Received and placed on file.

## OPENING OF BIDS.

The following bids were received for constructing sewer in alley west of Mifflin st., running south from sewer in Kalamazoo st. to Marcus st.:

Bid of D. E. Nipp, \$374.30.

Bid of W. D. Jenks, \$285.

Bid of John Brag, \$365.

Bid of E. J. Noyce, \$325.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That the bid of W. D. Jenks for the construction of a sewer in the alley west of Mifflin st., running south from the sewer in Kalamazoo st. to Marcus st. for the sum of \$285, being the best and lowest bid, that same be and hereby is accepted.

and be is further resolved that the mayor and city clerk be directed to execute a contract with the said W. D. Jenks in behalf of the city of Lansing, according to said bid presented, and specifications on file.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That all bids for furnishing sewer pipe be laid on the table for one week.

Carried.

----------------------	----------

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the City Council:

Gentlemen—At a regular meeting of the council held August 23, 1920, a motion passed the council authorizing the mayor to appoint a committee of three to work in conjunction with the American Legion that suitable arrangements be made to

commemorate the arrival of the fallen heroes now being sent home, and the mayor appointed the following committee: Aids. Leonard, Doughty and McClellan. As no one of this committee is now a member of the council the mayor appoints the following committee to take their places: Aids. Klock, Phillips and Templeton.

B. A. KYES,  
Mayor.

Received and placed on file.

To the City Council:

Gentlemen—In compliance to a resolution offered by Ald. Heeb that the mayor appoint two additional members on the street car committee the mayor appoints the following members: Frank H. Presley and Arthur A. Nichols.

B. A. KYES,  
Mayor.

Received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen—I am in receipt of a communication from Mr. C. E. Lawrence in regard to the note held against him by the city of Lansing, the same being received by the city from the Moore's estate, which note amounts to \$60,000, upon which the interest is past due, and the note itself is now due. Mr. Lawrence requests an extension of time of one year upon the principal of this note, but he will pay the interest.

I have also a communication from Harry J. Sproat, against whom the city holds a note for \$7,000, upon which there is \$1,000 due, besides the interest. He wishes an extension of time on the \$1,000, but is willing to pay the interest.

I would recommend that if the council should deem it advisable not to act upon the same, that a committee be appointed to investigate and report the same.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Referred to committee on ways and means.

#### REPORTS OF COMMITTEES.

The special committee, consisting of one alderman and four citizens, to whom was referred the street railway fare question begs leave to report as follows:

Your committee has endeavored to make as complete a survey as possible of the railway fare question within the time allotted. We have endeavored to obtain from the company's records at Jackson a comparative statement of the earnings and operating expenses in the city of Lansing for the month of July during the years 1919, 1920 and 1921, a copy of said statement is hereto attached and extra copies have been furnished all aldermen and other interested parties.

In view of the fact that the net income of the Michigan Railway Co. for the month of July, 1921, after operating expenses only had been deducted was only \$1,249.49, and that taxes in the city of Lansing on the railway property are in excess of \$1,000.00 per month, leaving practically nothing for depreciation and a return on actual investment, your committee makes the following recommendation: |

That it is the sense of the committee, that the council should (pending a careful appraisal, audit and investigation of the company's business) in order to give immediate relief, adopt the resolution of Ald. Howe recommending the following temporary rates:

5c cash far for children (5 to 12 years); 4 tickets for 25c; cash fare 10c, with universal transfers.

E. S. AVERY,  
M. R. CARRIER,  
• G. H. ALLEN,  
ARTHUR A. NICHOLS,  
F. H. PRESLEY,

Received and placed on file.

The committee on streets to whom was referred the application of M. D. Selfridge for permit to move a house from 122 W. Jefferson st. to Roosevelt st. beg leaves to report as follows:

We recommend that the permit be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That the report of the committee be adopted.

Carried.

The committee on public buildings to whom was referred the communication from the electrical inspector relative to quarters for an office and provision for a car, begs leave to report as follows:

We recommend that he be furnished gasoline, oil and upkeep of his car, any necessary repairs to be made at the city shop.

W. H. MCKALE,  
A. E. DYMOND,  
J. H. CHAPMAN,

Committee on Public Buildings.

By Ald. McKale—

That the report of the committee be adopted.

Carried.

The committee on streets to whom was referred the petition to gravel Orchard st. from Pennsylvania ave. to the end of the street, begs leave to report as follows:

We recommend that the request be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The committee on streets to whom was referred the petition for curb and gutter on Eureka st. from Holmes st. to Jones st., begs leave to report as follows:

We recommend that the request be granted.

O. C. HOWE,

## PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted March 24, 1921, for graveled Coleman ave., from Barnes ave. to Mt. Hope ave. are hereby adopted.

That the portion of city deemed to be specially benefitted by such improvement is all lots, premises and subdivisions fronting on or adjoining said portion of said Coleman ave. within the south line of Barnes ave. and the north line of Mt. Hope ave. and extending back from said Coleman ave., a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvements is \$496.00.

That the expense of such improvement in public street and alley intersections is \$128.00 which shall be paid by the city out of the sixth ward highway fund.

That all of the remainder of said estimated expense, to wit, the sum of \$368.00 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

By Ald. Klock—

Resolved, By the city council of the city of Lansing: That it is a necessary public improvement and it is hereby determined that the artificial stone sidewalk shall be repaired in front of south two-thirds of lot 2, White's Subdivision, of lots 1 and 4, block 1, and lots 1, 2 and 4, block 11, of Claypool's Subdivision on the west side of Butler st., owned by H. Kositschek, and that the owner of said above described lands be and he is hereby required to build the same and in accordance with the specifications on file in the office of the city engineer on or before the 22d day of October, 1921.

That the superintendent of public works is authorized and directed to proceed to construct such artificial stone walk in front of the above described premises after the expiration of said date, upon the failure of the owner or owners of the parcels herein described to construct the same as hereby required; and that the expense of constructing the same shall be paid out of the contingent fund, and the city assessors are hereby directed to assess the expenses of constructing the same against said described land as provided by section five of Ordinance No. 23, of the Revised Ordinances of the city of Lansing, and chapter 17 of the city charter.

The city clerk is directed to give due notice hereof by publication of a notice of this resolution for three successive days as provided by said ordinance No. 23.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That the bid of Keane, Higbie & Co., 413 Griswold st., Detroit, Mich., of \$192,780.00 for \$200,000 city of Lansing paving and sewer bonds, being the best and highest bid, that the same be awarded to Keane, Higbie & Co., and the mayor and clerk be authorized to execute said contract on behalf of the city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Heeb—

Resolved by the city council of the city of Lansing:

That the bid of the Briggs company on single strength pipe and Consolidated Coal Co., for 15-inch pipe and larger for the remainder of the year, being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the mayor and city clerk be directed to execute a contract with the said companies in behalf of the city of Lansing, according to said bid presented, and specifications on file.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Heeb—

Resolved by the city council of the city of Lansing:

That the bid of H. Nearing for the constructing of a sewer in Hayford ave. from Kalamazoo st. to Elizabeth st. and in Elizabeth st. and across private property to Foster ave. for the sum of \$810.00, being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the mayor and city clerk be directed to execute a contract with the said H. Nearing in behalf of the city of Lansing, according to said bid presented, and specifications on file.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Watley—

Whereas, the hucksters of the city handle a great deal of vegetables and foodstuffs, and at the present time there is no protection to the people who buy the same from disease that might be carried and spread by these different dealers, they not being required to have certificates of health or anything of that nature;

Therefore, be it resolved, that it is the sense of this council that some precautionary measures should be taken along this line and also some means of identity be placed upon the wagons or machines distributing the said food products, that it may be known that the person conducting the same is the person who possesses the proper certificate.

Be it further resolved, that this matter be referred to the committee on the revision of the charter, to be considered by them in their undertakings.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That lot 153 be included in the property to be assessed for the sewer in Hayford ave. and Elizabeth st. and across private property, for which assessing district was named in resolution of Ald. Fowler adopted on September 6, 1921.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

That the city attorney prepare a copy of the amendments made to the city charter since the 1913 publication, which are in effect at the present time, and that the city clerk have 100 copies of these amendments printed and charge the expense thereof to the contingent fund.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Main—

Resolved by the city council of the city of Lansing:

That the committee on garbage be authorized to obtain bids on sufficient paint to cover the buildings at the city hog farm, with authority to purchase same at the best possible price.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That the city attorney be and he is hereby directed to notify the New York Central R. R. company to replace the watchman at the Saginaw st. crossing.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

By Ald. Howe:

Whereas, it is necessary in the operation of the new proposed power plant that side track facilities be provided by the Grand Trunk Railway company; and

Whereas, because of certain conditions existing by reason of the curve of the right of way at a point a few hundred feet east of Logan st. it is necessary that the side track be connected with the main line at a point near Logan st. and extended in an easterly direction paralleling said right of way to the system of track-age to be constructed by the city of Lansing; and

Whereas, said proposed side track will be constructed near the bank of the river but within the line of right of way owned by the said Grand Trunk Railway company, and it being necessary that a fill be made, such fill necessarily encroaching at the base of its slope for a distance of 16-1-2 feet into the river and for a length of approximately 750 feet easterly from Logan st.;

Therefore, be it resolved, that the mayor and city clerk be authorized to execute a contract on behalf of the city of Lansing giving the said Grand Trunk Railway company the right to encroach upon the river and flowage rights therein owned by the city of Lansing for a distance of 16-1-2 feet from their property line, as above described, so that the said railway company may be enabled to give the said city of Lansing proper side track facilities for its new proposed power plant.

Be it further resolved, that said agreement be approved by the city attorney and superintendent of the water and electric light board before its execution on behalf of the city by the mayor and city clerk.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Howe—

Whereas, the paving of Main st. from Cedar st. to Hosmer st. has not yet been completed owing to the difficulty of establishing a grade that will be satisfactory to all parties concerned; and

Whereas, there is some question as to whether the bridge over the Michigan Central railroad at Main st. will

serve the city best since some citizens believe it would be better if this bridge was in St. Joseph st., especially if it was deemed advisable eventually to build a bridge over the Grand river at St. Joseph st.;

Therefore, be it resolved, that the city attorney be and he is hereby instructed to advise this council one week from tonight concerning the history of this matter and whether or not the M. C. R. R. can be required to maintain the bridge in some other street.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Watley—

Resolved by the city council of the city of Lansing:

That the Kramer Co. be granted permission to move a gasoline pump from 808 E. Kalamazoo st. to a point 90 feet west of present location.

Referred to the committee on streets.

By Ald. Clapham—

Whereas, the Consumers' Power company is now maintaining an high tension tower within the confines of Teel ave., just south of Mt. Hope ave., and

Whereas, said condition constitutes a public menace and danger to the public using said street, by reason of the obstruction to the same, and the fact that the same is a tower carrying high voltage wires; and

Whereas, such condition has arisen due to the fact that the street was opened and dedicated by the owners of the plat with the prior existing incumbrance thereon in the nature of an easement held by the said Consumers' Power company; and

Whereas, it is necessary that this condition of affairs be remedied and the said tower be moved;

Therefore, be it resolved, that the matter be referred to the committee on streets and the city attorney, who are hereby directed to take up said matter with the parties interested, viz.: the Consumers' Power company and the owners of the plat, with the view of adjusting and correcting the condition there found, and to report back its findings and recommendations as soon as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

At this point members of the police and fire commissioners appeared before the city council and presented the matter of the purchasing of a site for an engine house in the north-west part of the city, out W. Saginaw st.

On motion of Ald. Chapman the matter was referred to the committee on ways and means.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to wit, on the 28th day of February, 1921, by resolution duly adopted declare and determine that for better, sanitation, public convenience and general drainage purposes, it is a necessary public improvement, to extend the sewerage and repair the present sewerage of the city of Lansing, and this council being advised by the city engineer that the city of Lansing will incur an estimated indebtedness of \$200,000 in the construction of said sewers and the repairing of the present sewerage in the city of Lansing; and

Whereas, this council heretofore, to wit, on the 4th day of April, 1921, did submit the question of said sewers and he repairing of the present sewerage, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$200,000 for the purpose of defraying the expense and construction of said sewers and the repairing of the present sewerage, to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon, at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$200,000 for the purpose of constructing said sewers and repairing the present sewerage, and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated, "City of Lansing Sewerage Bonds" in the sum of \$100,000, being a part of the bonds heretofore voted, for the purpose of defraying the expense of the construction of said sewers and repairing the present sewerage of the city, be issued by said city; that such bonds shall be in denominations of \$100, \$500 and \$1000, as may be designated by the purchaser, and be dated October 1st, 1921, and be due and payable as follows: \$10,000 on October 1st of each year from 1923 to 1932, inclusive. The said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of October and the 1st day of April in each year, beginning the 1st day of April, 1922, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust company of New York city, or at such place as this council may hereafter designate.

Resolved further, that the form of said bonds and the interest coupons attached thereto shall be substantially as follows, and

Be it further resolved, that the fac-simile signatures of the mayor

and city clerk of the city of Lansing shall be used on the interest coupon.

## REPORTS OF CITY OFFICERS

The report of the assistant sealer of weights and measures for the week ending Sept. 24, 1921, was received and placed on file. Also report from Feb. 21, 1921 to Sept. 22, 1921.

The report of the gas inspector for the week ending Sept. 24, 1921, was received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen—I have examined the abstract and deed which has been furnished the city for lot 4, Hohn's sub-division of block 214 and part of block 211 to the said city of Lansing. I find that the title to the same rests in the grantors, and that the deed of the said property has been duly and regularly executed by Henry Hohn and Ella Hohn, husband and wife, and Isaac Nedrow, contract purchaser, said deed and abstract now being in my possession for delivery.

This transaction was carried on through the F. B. McKibbin company, and I therefore recommend that the order of \$2400.00, which the city is to pay for the same, be drawn to the F. B. McKibbin company. This is on account of the fact that there are several parties interested. I further recommend that the city clerk draw an order and charge the same to the contingent fund.

Yours very truly,

D. G. F. WARNER,  
City Attorney.

By Ald. Avery—

That the city clerk comply with the recommendation in drawing the order.

Adopted by the following vote:

Yeas—Ald Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

## REPORT OF COMMITTEE.

The committee on bonds and contracts to whom was referred the application of the Ramblers club for a public dance hall license begs leave to report as follows:

We recommend that the license be granted.

S. S. MAIN,

A. H. PHILLIPS,

Committee on Bonds and Contracts.

By Ald. Main—

That the report of the committee

be adopted.

Carried.

The committee on bonds and contracts to whom was referred the request of Adelbert Mosher to refund fee for unused portion of his license to lend money under the state

law, inasmuch as Act No. 317 of the Public Acts of 1921, requires that the fee be paid to the state, beginning Aug. 18, 1921, begs leave to report as follows:

We recommend that the request be granted.

S. S. MAIN,

A. H. PHILLIPS,

Committee on Bonds and Contracts.

By Ald. Main—

That the report of the committee be adopted.

Carried.

The committee on Ordinances to whom was referred the communication from the Lansing Chamber of Commerce relative to installing of meters upon taxicabs, begs leave to report as follows:

We recommend the adoption of a Taxicab Ordinance, to be known as Ordinance No. 138:

A. E. DYMOND,

W. H. MCKALE,

E. S. AVERY,

Committee.

Received and placed on file.

The committee on ways and means, to whom was referred the matter in relation to the notes held by the city against Charles H. Lawrence and H. J. Sproat, each of whom have asked an extension of time of payment, begs leave to report as follows:

The note of Charles H. Lawrence is dated May 6, 1920, is for \$60,800, due in eighteen months from date, with interest at 6% payable semi-annually. It appears from the records that the interest was paid on said note up to November 6th, 1920, and that the note will be due November 6th, 1921. This note is secured by 3200 shares of Lansing Stamping Tool and 1,000 shares of Michigan Mortgage Investment Company, and as stated Mr. Lawrence has made application for an extension of one year on the payment of said note, which would make the same due November 6th, 1922. Your committee recommends that the extension be made to Mr. Lawrence upon the following conditions: That he pay one years' interest immediately, which would bring the interest up to November 6th, 1921, also on May 6th, 1922, pay the interest that will then be due upon said note, according to its terms, the terms here stated being conditions under which the extension is to be granted.

In relation to the H. J. Sproat note the same bears date of April 23rd, 1919, was given for \$10,000, with \$1,000, due and payable every six months, with interest at the rate of 6%, payable semi-annually, \$3000 has been paid upon the principal of this note, leaving a balance due of \$7000,

with interest paid up to October 23, 1920, there now being \$1000 past due on the principal and on October 23, another payment of \$1000 is due. This note is secured by stock in the Lansing Foundry company. We recommend that the payments be extended to one year from October 23, 1921, with the understanding that the interest be paid forthwith upon said note up to and including October 23, 1921, and that the interest be paid semi-annually as provided in said note.

W. T. BRITTEN,  
W. E. TRAGER,  
E. S. AVERY,

Committee on Ways and Means.

By Ald. Britten—

That the report of the committee be adopted.

Carried.

By Ald. Main—

Resolved by the city council of the city of Lansing:

That the city clerk be and he is hereby directed to draw an order in favor of Albert H. Marvin for the sum of \$4.00 and charge the same to the fund for uncollected taxes, and abatements, to pay an erroneous scavenger tax assessed against lot 338 Leslie Park sub-division, and the city assessors are hereby directed to re-assess said amount of \$4.00 against lot 438 Leslie Park sub-division.

Adopted by the following vote:

Yeas—Ald Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the city clerk be and he is hereby directed to draw an order on the city treasurer in favor of Fred Schalla for the sum of \$4.35 and charge to the fund for uncollected taxes and abatements, to pay an erroneous special tax assessed against S. 5 rods (ex. west 3½ rods) of lot 22 of block 27, subdivision of blocks 26 and 27, and the city assessors are hereby directed to re-assess said sum against same description, lot 23, block 23.

Adopted by the following vote:

Yeas—Ald Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

By Ald. McKale—

Whereas, there have been a great many applications recently to this council for permits to erect and maintain gas pumps upon and along the streets of the city of Lansing; and

Whereas, the same are numerous to the extent that they are at least verging upon the point of becoming a nuisance by virtue of congestion of traffic at the different stations;

Therefore, be it resolved, that no more permits be granted for placing gas pumps or stations on the following streets, to-wit, Washington ave. from Mt. Hope ave. to Franklin ave.; Michigan ave. from Capitol ave. to Regent st.; and Franklin ave. from Washington ave. to Clark st., and that no permits be granted on any streets having asphalt pavement.

By Ald. Fowler—

That the resolution be referred to the committee on streets.

Carried.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That on days when there is no market and after the market closes when there is a market day, what is

known as the city market, shall be available and may be used for parking automobiles up to 6 o'clock p. m.

Resolved further, that the market committee be authorized to arrange for the sweeping of the market each week day night so that it will be clean and ready for use the next day.

By Ald. Howe—

That the resolution be referred to the committee on market.

Carried.

By Ald. Klock—

Resolved by the city council of the city of Lansing:

That the superintendent of public works repair the sidewalk around the city hall and charge the same to contingent fund.

Adopted by the following vote:

Yeas—Ald Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

By Ald. Main—

Whereas, it has become generally and well known that the traffic ordinance of the city of Lansing in relation to speed and fast driving upon the public streets is being openly violated each and every day; and

Whereas, by reason of the reckless driving of automobiles over the streets, accidents have been caused and injuries suffered and life is often put in jeopardy, especially on our most traveled streets;

Therefore, be it resolved, that the police of the city of Lansing be advised that it is the sentiment of this council that the traffic ordinance of the city of Lansing should be rigidly enforced, and especially in relation to the speed limit and reckless driving.

Be it further resolved, that it is the sentiment of this council that when violators of the traffic ordinance are brought before the court, that the court should not let them off with a reprimand and a small fine, but that they should be dealt with severely, to the end that our city may be made safe and sane, both for the pedestrians and those driving.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

By Ald. Burgess—

Resolved by the city council of the city of Lansing:

That the chief of police be and is hereby directed to place a traffic officer at the corner of Shepard st. and Michigan ave. between the hours of 11 a. m. and 1 p. m. and 3 p. m. to 5 p. m.

By Ald. Britten—

That the resolution be referred to the police and fire commissioners and judge of the municipal court, to report at the next meeting.

Carried.

By Ald. Burgess—

Inasmuch as the greater part of the paving on E. Michigan ave. is completed and has been opened to traffic, it is the desire of the members of the East Side Improvement association to properly celebrate this event by holding a meeting on the street where we can express our appreciation for the progress made in this very desirable improvement. The program contemplates plenty of music and a few short addresses by representative citizens. In order that there may be no undue interruption, we respectfully ask that Michigan ave. from Pennsylvania ave. to Jones st. and Bingham st. from Michigan ave. to Eureka st. be closed to all vehicular traffic on Wednesday, September 28, from 6 p. m. to 11 p. m. Also that the above named association be allowed the privilege to erect some stands from which to sell soft drinks, the profits from which to help defray a part of the expenses of said meeting.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Trager, Watley.—15.

Nays—None.

By Ald. Fowler—

That having had an invitation by the East Side Improvement association for the council to attend a celebration Wednesday evening, to be held on Michigan ave on account of the completion of the pavement, we hereby accept.

Carried.

## CONSTRUCTION OF SEWERS AND DRAINS III.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 576 feet of sewer in Woodbury and Hall sts., in the 32d sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 13th day of June, A. D. 1921, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 8th day of July, A. D. 1921, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$882.60, of which one-sixth, or \$147.10, shall be paid from the general sewer fund and the remainder, or \$735.50, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said

district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and

report the same to this council at the next regular meeting, or as soon thereafter as may be.

### ORDINANCES.

Ald. Dymond introduced the following ordinance, which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk.

The city of Lansing ordains:

Section 1. It shall be unlawful for any person, firm, or corporation to keep and maintain a basement stairway or areaway, opening off from any public, street, alley or sidewalk, without providing a substantial railing or adequate safeguard and protection for the same. Provided also that the entrance through such railing to said basement stairway shall be at a right angle to the course of such alley, street, or sidewalk, so that it will be necessary for persons desirous of using such basement stairway to turn at right angles from the course of the street, alley or sidewalk to enter the same.

Section 2. Any person or persons violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine not exceeding fifty dollars, and in default of the payment of such fine such person or persons shall be imprisoned in the city jail until such fine is paid, not exceeding 30 days, way opening is maintained contrary

Each day said stairway or areaway to the provisions of this ordinance shall constitute a separate and distinct offense.

Ald. Britten introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances.

An ordinance to license and regulate taxicab owners and taxicab drivers, to prescribe conditions under which they may do business on the streets of the city of Lansing: to fix the rate of fare charged for the use of such vehicles, to provide for traffic regulations governing such vehicles, to provide for traffic regulations governing same: to require the installing of meters thereon, and to provide penalties for violation thereof.

Be it ordained by the city council of the city of Lansing:

Sec. 1. Unless it appears from the context that a different meaning is intended, the following words shall have the meaning given them by this section.

The word "street" shall mean and include any street, alley, avenue, court, lane or public place in the city of Lansing.

The word "taxicab" shall mean and include any motor vehicle engaged in the business of carrying persons for hire, whether the same is operated from a street stand or from a garage, where no regular specified route is traveled, but passengers are taken to and from such places as they may designate; provided, that automobiles used exclusively as hearse, funeral cars, ambulances, hotel busses, sight-seeing busses, or motor busses shall not be construed to be within the meaning hereof.

The word "person" shall mean and include person, firm or corporation.

Sec. 2. It shall be unlawful for any person, firm, corporation or co-partnership to operate or caused to be operated for hire within the limits of the city of Lansing a taxicab, without first obtaining a license therefor from the city clerk.

Sec. 3. The city clerk, upon the approval by the common council, is hereby authorized to grant a license, for the purpose aforesaid, to any citizen of the United States, a resident of the city of Lansing, of the age of twenty-one (21) years or upwards, and of good moral character, or to any co-partnership or corporation authorized to operate taxicabs in accordance with the laws of the state of Michigan. Such license may be granted by the city clerk, upon the applicant paying into the city treasury the sum of ten dollars (\$10.00) for each taxicab to be kept as aforesaid for public hire, and executing a bond to the city of Lansing in the sum of five thousand dollars (\$5,000.00) with proper and adequate sureties, conditioned that such taxicab or taxicabs will be operated in accordance with the provisions of the laws of the state of Michigan and the charter and ordinances of the city of Lansing, and that no greater rate of fare will be charged to any person hiring such taxicab than the rate of fare permitted by this ordinance; that a taximeter shall be installed upon each taxicab as hereinafter provided and that any property left by any person in such taxicab will be returned to him upon application, and that any judgment rendered in any court against such applicant, arising out of damage or injury to any person or property caused by the negligent operation of such taxicab, or taxicabs will be paid.

Any person, firm or corporation who is damaged by reason of such taxicab or taxicabs being operated in violation of the provisions of such

bond, may, in the name of the people of the city of Lansing, but at their costs and charges, institute an action upon the same to recover damages sustained by him. Such license or licenses of any person, firm or corporation shall be revoked at the will of the common council.

All licenses issued by the city clerk shall expire on the 30th day of April of each year.

When such license shall have been granted, the licensee shall have affixed to the taxicab so licensed, a small plate not exceeding six (6) inches in length, which shall bear the license number of the vehicle, and the design of such license plate shall be changed annually.

Sec. 4. No person, whether owner or employe, shall drive a public taxicab within the city of Lansing without having first obtained a license as a public driver from the city clerk.

Application for a city public driver's license shall be made upon blanks supplied by the office of the city clerk and applicant must state thereon that he is a citizen of the United States, a resident of Lansing, twenty-one (21) years of age and upwards, of good moral character, of sound physique, able to operate a motor vehicle safely, able to read, write and speak the English language, and not addicted to the use of intoxicating liquors, which application shall be subscribed and sworn to before a notary public and filed with the city clerk, upon the approval of said application by the chief of police and the common council, and the payment to the city clerk of one dollar (\$1.00), a city public driver's license shall be granted to such applicant by the city clerk.

The city public driver's license granted hereunder shall be in such form as to contain a true photograph of the licensee, the licensee's signature, and sufficient blank space upon which a record may be kept of any arrest of such driver or serious complaint against him.

Upon the issuance of such city public driver's license there shall be delivered to such licensee, a metal badge, with the license number thereon, such badge must be continually and conspicuously displayed on the outside of the licensee's cap when he is engaged in his employment as a public driver.

A full and complete copy of each application filed and each license issued hereunder, together with record entries, renewals and revocations thereof shall be kept on file in the office of the city clerk of the city of Lansing.

The common council may revoke such license at any time hereafter.

When any entry on such license has been defaced, removed or obliterated, or for the failure of the licensee to wear his badge as herein provided, or for any cause the common council may see fit, and any driver whose license has been so revoked, shall not again be licensed as a city driver in the city of Lansing.

All public drivers' licenses shall expire, unless sooner revoked, on April 30th, of each year.

Sec. 5. It shall be unlawful for any person, firm, corporation or co-partnership to permit any driver, not licensed as hereinbefore provided, to operate any public taxicab in the city of Lansing.

Sec. 6. The chief of police is hereby authorized to locate and designate public stands and he shall fix and specify the number of such public taxicab shall be permitted to stand at any one of the public stands designated by him, provided, however, that no public taxicab shall be permitted to stand within six (6) feet of any cross-walk; Provided further, that an appeal may be made to the common council by any interested party from any order or designation as to taxicab stands made by the chief of police, or any appeal may be made by the chief of police to the common council from any protest made by any abutting property owner, and the council may, after notification of the interested parties, and upon hearing, in its discretion, exercised with a view to the public interest, order the stand established or discontinued.

Sec. 7. Only public taxicabs in such number as the chief of police shall specify may remain at such stand while waiting for employment and they must be parked in single file. No public taxicab shall be permitted to refuse to carry any orderly person who offers to hire such taxicab and agrees to pay the proper rate of fare. As the taxicab leaves the parking line with passengers, those in the rear shall move up, and any public taxicab seeking space on such stand shall not approach the same except from the rear thereof and shall move up as closely as possible to the last car on said parking line.

The common council may, upon complaint and hearing, revoke the license of any public driver who violates the foregoing provision.

Sec. 8. Every public taxicab driven upon the streets of the city of Lansing, seating five passengers or less, shall have affixed thereto a taximeter of a size and design approved by the mayor and chief of police.

(A) No license shall be issued to a taxicab until the taximeter attached thereto shall have been inspected and found to be accurate.

(B) No person shall use or permit to be used upon any taxicab a taximeter which shall be in such a condition as to be over five (5) per cent incorrect to the prejudice of any passenger.

(C) No taximeter affixed to a public taxicab propelled by steam, gasoline or electricity or other motor power shall be operated from any wheel to which the power is applied.

(D) After sundown the face of every taximeter shall be illuminated by a suitable light so arranged as to throw a continuous steady light thereon.

(E) No person shall use or permit to be used, or drive for hire a public taxicab equipped with a taximeter, the case of which is unsealed and not having its cover and gear intact.

(F) No driver of the public taxicab equipped with a taximeter while carrying passengers or under employment, shall display the signal affixed to such taximeter or other similar device in such position as to denote such vehicle is not employed, or in such position as to denote that he is employed at a rate of fare different from that which he is entitled under the provision of this article.

(C) No person shall drive a public taxicab with which is attached a taximeter that has not been duly inspected and approved.

Sec. 9. The driver or owner of any public taxicab licensed as aforesaid, may demand and receive for carrying passengers the following prices and no more, viz: for the first one-third (1-3) of a mile, thirty cents (\$.30), and for each additional one-third (1-3) of a mile, ten cents (\$.10). The above charges shall be for one person, for each additional passenger carried, a charge not exceeding twenty-five cents (\$.25) for the entire trip may be made, provided that no charge shall be made for carrying children under the age of twelve years when accompanied by paying passengers; taxicabs hired by the hour may charge two dollars (\$2.00) for the first hour and one dollar and fifty cents (\$1.50) for each and every hour thereafter; taxicabs held standing at the direction of the customer shall be allowed to charge ten cents (\$.10) for each four (4) minutes; each paying passenger shall be entitled to have carried by such conveyance, without charge, any hand baggage not exceeding fifty (50) pounds in weight, and for each piece of baggage weighing over fifty (50) pounds, twenty-five cents (\$.25) may be charged and collected.

The charges hereinbefore set forth shall be binding upon the owners and drivers of such taxicabs and any collection of fares in excess of said rates shall be punished as provided in this ordinance.

Sec. 10. Every taxicab operated in the city of Lansing shall have posted in it a printed schedule of the rates in effect, the letters and figures of said printed schedule to be not smaller than eleven (11) point type.

Sec. 11. The owner or driver or chauffeur or person in charge or control of a taxicab kept for hire, shall, upon demand, deliver to the person paying for the hire of the same at the time of such payment, a receipt therefore, this receipt shall contain in legible type or writing, the name of the owner, the driver's city license number, all items for which a charge is made, the total amount paid and the date of payment.

Sec. 12. Every driver of a public taxicab, immediately after the termination of any hiring or employment, must carefully search such taxicab for any property lost or left therein, and such property, unless sooner claimed or delivered to the owner, must be taken to the nearest police station and deposited with the officer in charge within twenty-four (24) hours after the finding thereof and which property shall be retained by the police department until same shall be claimed and identified by the owner.

Sec. 13. Every driver of a public taxicab shall have the right to demand the legal fare in advance and may refuse employment unless so prepaid, but no driver of a public taxicab shall otherwise refuse or neglect to convey any orderly person or persons upon request anywhere in the city, unless previously engaged or unable so to do.

Sec. 14. No public taxicab, while awaiting employment by passengers, shall stand on any public street or place other than upon a public taxicab stand, designated or established in accordance with this ordinance; nor shall any driver of such taxicab seek employment by repeatedly and persistently driving to and fro in a short time before any theater, hall, hotel, public resort, railway station or other public gathering in any manner so as to interfere with the proper and orderly access to or egress from said buildings or other places of public gathering, but any taxicab may solicit employment by driving through any public street or place without stopping, other than those due to obstruction of traffic, and at such speed as not to interfere or impede traffic, and may pass and re-pass before any theater, hall, hotel, public resort, railway station or other place of public gathering, provided that after passing such public place he shall not turn and re-pass until he shall have gone a distance of two blocks beyond such place.

Sec. 15. No person shall be permitted to ride on the front seat with the driver, except a student driver, and any driver who shall permit this to be done may be deprived of his license, except that one member of a party of several persons hiring a taxicab shall be permitted to ride with the driver.

Sec. 16. It shall be unlawful for any person to loiter at, within or near any taxicab or automobile kept for hire, except the driver or owner thereof, while said taxicab is standing upon the public streets or taxicab stands.

Sec. 17. Any person, firm, corporation or co-partnership violating any of the provisions of this ordinance shall, upon the conviction thereof, be subject to a fine not exceeding the sum of one hundred dollars (\$100.00) or imprisonment in the county jail for the period of not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

Sec. 18. All ordinances or parts of ordinances affecting the regulating of licenses for public taxicabs and taxicab drivers, and affecting and regulating the rates of fare, terms and conditions under which said public taxicab shall operate within the city of Lansing and regulating the establishment of taxicab stands are hereby repealed, if in conflict herewith.

Sec. 19. This ordinance and the various parts, sections and clauses hereof are hereby declared to be severable, if any part, section or clause is adjudged unconstitutional or invalid, it is intended that the balance of the ordinance shall not be affected thereby.

Sec. 20. This ordinance shall take effect on the first day of November, A. D. 1921.

City Engineer.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—I respectfully beg leave to report as follows on the resolution of Ald. Burgess on September 26.

The matter of placing of a police officer at the corner Shepard and Michigan ave. for school hours for the purpose of guarding the school children has been referred to the committee on extension of street traffic of the police and fire commission, which matter will be given their immediate attention.

Respectfully submitted,

ALFRED SEYMOUR.

Chief of Police.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—I respectfully beg leave to report as follows on the resolution of Ald. Main of September 26:

Fully realizing what the conditions are on E. Michigan ave. as well as several other points in the city, we are unable with the facilities at hand to properly police all these places.

I wish to call the attention of your honorable body that we have each year asked for an increase of men and equipment, which have been denied us, notwithstanding the continued growth of your city. There has been no increase in the department since 1919. I wish to call your attention to the increase in the number of automobiles and also the number of miles of pavement. According to the records of the secretary of state, in the year 1919, 9,237 automobile licenses were issued for Lansing and this vicinity. In the year of 1920 there was 11,885. Up to date of 1921 there is 12,934, making an increase of 3,697 since 1919. In regard to the pavement, in 1919 there was 26 miles; in 1920 there was 32 miles; and up to the present time in 1921 there are 40 miles—an increase of 14 miles, which is proportionately on the main traveled roads and are ideal for speeding. All

this increase has been done without a corresponding increase in the facilities for coping with such conditions.

We therefore recommend that we be allowed an increase of 20 regular patrolmen and 5 patrolmen for motorcycle duty to look after speeders. This will also necessitate the purchasing of five new motorcycles. If this equipment is granted we can safely promise to give a great deal

better service than at present and strictly enforce the traffic ordinance.

Respectfully submitted,

ALFRED SEYMOUR,  
Chief of Police.

Referred to committee on ways and means.

Honorable Mayor and City Council:

Gentlemen—I herewith submit the following assessment rolls estimated cost, constructing curb and gutter on E. Genesee st. from Dorrance place to east 408 ft.; constructing curb and gutter in Dorrance place from Shiawassee st. to Genesee st.

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted, declare and determine that it is necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended, and that a considerable amount of the present paving needs repairing, to-wit: Michigan ave. from the old to the new city limits; Pennsylvania ave. from Sheridan st. to Franklin ave.; Pennsylvania ave. from Kalamazoo to Main st.; Prospect st. from Holmes st. to Clifford st.; Eureka st. from Holmes st. to Clifford st.; Virginia st. from Eureka st. to Prospect st.; Rosamond st. from Eureka st. to Prospect st.; Bancroft court from Butler st. east; Walnut st. from Washtenaw st. to Main st.; Larch st. from Sheridan st. to Franklin ave.; Larch st. from Shiawassee st. to Saginaw st.; Moores River drive from Logan st. to the west city limits; Pine st. from Allegan st. to Saginaw st.; and such other streets as petitions are filed for or may be hereafter filed for, and as the city council may deem necessary, and the council having been heretofore advised by the committee on streets of the city of Lansing that the sum of \$300,000 is needed for said

purposes for said improvement; and

Whereas, this council did heretofore, to-wit, on the 4th day of April, 1921, submit the question of the construction of said pavement and public improvements and the issuance of the bonds of the city of Lansing in the amount of \$300,000, for the purpose of defraying the expense of the construction of said pavement and said public improvement to a vote of the qualified electors of said city; and

Whereas, the qualified electors of said city by a three-fifths vote of those voting thereon, at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$300,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Paving Bonds" in the sum of \$100,000 being a part of the bonds heretofore voted, for the purpose of defraying in part the expense of the construction of said pavement and said improvements herein referred to, be issued by said city. That said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 1st day of April and the 1st day of October in each year, beginning the 1st day of April, 1922, until all of said bonds are fully paid. Said bonds shall be in denominations of \$100, \$500 and \$1,000, as may be designated by the purchaser, and be dated October 1, 1921, and be due and payable as follows: \$10,000 on October 1 of each year from 1923 to 1932, inclusive. Interest and principal on said bonds to be payable at the Guaranty Trust Co. of New York city, or such other place as the council may hereafter designate.

Resolved further, that the form of said bonds and interest coupons attached thereto shall be substantially as follows, and be it further resolved that the fac-simile signature of the mayor and city clerk of the city of Lansing shall be used on the interest coupon.

Resolved, It is the sense of the meeting of the board of directors of the Chamber of Commerce, which was held October 10, 1921, that all possible municipal work that can be started this fall and carried on during the winter should be undertaken at once or as soon as plans and specifications can be prepared and bids received, to the end that as many citizens of Lansing as possible, who are out of employment, be kept at work for as great a length of time this winter as the weather will permit.

LANSING CHAMBER OF COMMERCE,

M. R. CARRIER, President.

C. H. DAVIS, Secretary.

Received and placed on file.

To the Lansing City Council:

Gentlemen—Following a vote of the Lansing Trades and Labor Council, I am bringing the following resolution to your attention:

Central Labor hall, Thursday, October 6, 1921—

Whereas, the Citizens Telephone company has mailed bills to its Lansing subscribers, requesting three months rental in advance;

And whereas, they also notify us that an additional 10% will be charged, provided this rental is not paid within a certain specified time;

And whereas, we believe this collection in advance for three months is unwarranted, unjust and a special hardship upon most subscribers, especially at this time ;

Be it therefore resolved, that the Lansing Trades and Labor Council go on record as protesting against this act and that the secretary be instructed to notify the Citizens Telephone company, the Lansing city council and the public utilities commission of our action;

And be it further resolved, that a committee of three be appointed to appear at any hearing that may be held regarding this matter and work in conjunction with any other committees that may be appointed by any other organization or civic body to oppose this action.

Yours truly,

GEO. H. ALLEN, Secretary,  
Lansing Trades and Labor Council.  
Received and placed on file.

#### CIRCULAR LETTER.

Manager,  
Citizens Telephone Co.,  
Lansing, Mich.

Dear Sir—In regard to collecting quarterly.

In view of the fact that this entire matter will come up for consideration by the Michigan public utilities commission on October 20, it seems desirable to practically continue our old plan of collecting monthly as we have since 1919.

As your books have been written up, and your bills sent out on a quarterly basis, you may give those subscribers who want to pay monthly instead of quarterly a receipt "to apply on account" as they pay each month's rental.

Do not make any effort to collect the penalty covered by the notice in regard to quarterly collections.

Subscribers who desire to pay monthly until the matter is settled must make prompt payments each month as they have in the past.

My opinion is, that if it is shown at that hearing that a majority of our subscribers prefer to pay monthly instead of quarterly, that an order will be issued for us to make all collections in the future on a monthly basis.

Yours truly,

CITIZENS TELEPHONE CO.,

C. E. TARTE,  
General Manager.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Owing to my removing from the city, I hereby tender my resignation from the city council from November 1 next.

At this time I wish to express that I shall cherish the memory of the many pleasant and profitable experiences during my terms of office. I wish also to thank the mayor and my colleagues for the loyal support and co-operation accorded me.

C. H. BURGESS.

By Ald. Avery—

That the resignation be accepted and that a committee be appointed to arrange a night for a good-bye party to him and Mrs. Burgess.  
Carried.

Mayor appointed as such committee Ald. Avery, Britten and Templeton.

To the Honorable Mayor and Members of the City Council:

Gentlemen—Having been appointed as one of the members of a committee to investigate and determine what may or might be done in relation to assisting the Social Center and the Michigan Children's Home society, and the said committee having asked me to submit my ideas to the council, I herewith submit the following. I have also been requested by the chairman of the poor committee to make investigation in relation to the conduct and distribution of the poor fund, and owing to the fact that the two questions are so closely allied I will cover both matters in this communication.

Under the statutes of the state of Michigan in relation to the care of the poor, we have two systems, one of which is known as the county system and the other as the township unit system. Upon investigation I learned that this county is under the township unit system. By that is meant that each township and city shall care for its own poor and the county raises a separate fund by which it cares for what is known as the transient poor, or those who have been in the county a year but have not been in one township or city long enough to establish a residence or what is called a settlement, to entitle them to relief.

Our charter, section 144, provides for the raising of a poor fund, which has been followed by the city, and is now being acted upon. Our charter further provides for the appointment of a director of the poor, section 99 as amended. Ordinance No. 29 of the city outlines the duties of the director of the poor as to the care and relief of indigent persons. I might here state that the ordinance is very full and complete, and among other things provides for all the powers and duties connected with and instant to the relief of poor and indigent persons in the city of Lansing, which shall be vested and exercised by a poor master, who shall be known as a director of the poor.

Section 4 of the ordinance provides that records shall be kept in suitable books, provided for the purpose, arranged alphabetically, requiring the nationality, color, age, sex and condition of each applicant or family, place and length of time of residence in the city, former residence, cause of destitution, trade or occupation and certain other matters shall be kept in that book, which shall be open at all times for inspection to city officers.

Section 6 provides that in no case shall aid or relief be extended to any person to an amount greater than \$50 in one year. Section 12 provides that each month there shall be submitted to the city council a statement and report of the disbursements during the previous month and that at the end of the year there shall be transmitted a full and complete statement of the year's work. In looking over the office of the director of the poor I was unable to find any books in which the requirements as set forth in said section 4 are kept; that is, the history of each case. I also found upon examination many cases that exceed \$50 per year and several that exceed \$50 in one month. In this regard I will say that when the amount runs over \$50 the matter should be reported to the council and the council act upon it, as provided by said section. In visiting the clerk's office I was unable to learn that any report had been made during the fiscal year.

In making these statements I do so in the discharge of my duty, as requested, and feel that it is proper for the council to know the condition of matters. I do not charge any officer in the department of the poor with intentionally neglecting his duty. In fact, the duties of the office are more than any one person can discharge and do so properly.

I will not take up the question as to how we will relieve the poor children who are being cared for by the organizations first mentioned. Our charter, section 99 as amended, among other things provides for the

appointment of certain officers, and also "such other officers as may be necessary to carry into effect the powers granted by this charter." Under and by virtue of the powers granted the mayor and council by this section of the charter, I am of the opinion that the council can create the office of deputy director of the poor or assistant director of the poor, and appoint one or more of the poor, and appoint one or more of the duties in relation thereto.

The Social Center is an organization of this city which is doing and undertaking to do an excellent work, and the undertaking is a laudable one, one which should be encouraged. The Michigan Children's Home society, through its local officers, is likewise doing work that is much needed in this city and which we all know is a work that must be done through some channel and undertaking. Our courts have held that no money shall be directly or indirectly appropriated to any institution or organization that is not one of the allied institutions of the city, or in other words is not one over which the city itself exercises a governmental control. This is so well settled that it cannot be questioned and this city cannot directly or indirectly donate money to either of these institutions, but we must not forget that these institutions are looking after needy children and therefore they are not beyond the vale or our assistance. The assistance rendered, however, must be rendered through the office of the director of the poor and rendered the children or people who are to be assisted as individuals and not as a component part of some organization. This I feel certain can be done and done legally. That is, these children who are under the care and custody temporarily of these organizations referred to are as much entitled to relief from the city as though they were in their homes.

Having shown that it is possible to create deputies or assistants to the work director of the poor, I would recommend that the council, by resolution or otherwise, create such an office or offices and that the mayor appoint some person connected with each of these bodies referred to as such deputies or assistants and that they have the authority to investigate and report to the superintendent of the poor and receive relief, as provided by the ordinance of the city of Lansing, or ordinances that may be passed, and that these deputies work in conjunction with the director of the poor, to the end that the said children may receive the relief to which they are justly entitled from the proper funds of the city of Lansing.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—The following resolution was adopted by the board of health at a meeting held on October 7, 1921:

"By Member Bishop—

"That the board of health recommend to the city council that settlement be made with Market Inn Ass'n for \$400, this money to be accepted by the Market Inn Ass'n as full payment for furniture and equipment now located and held by the city in the Emergency hospital. The total amount of the claim filed by Mr. Izant for Market Inn Ass'n was \$795."

J. A. PARSONS,

City Clerk.

By Ald. Britten—

That the communication be referred to the committee on poor.

Carried.

To the Honorable Mayor and City Council:  
Gentlemen:

I am directed to transmit to you the following resolution which was adopted by the board of cemetery and public park commissioners at a meeting held on October 7, 1921:

"By Com. Woodworth—

Whereas, by the will of the late James Henry Moore a considerable amount of lands and moneys was bequeathed to the city of Lansing, to be used for park purposes; and

Whereas by the will he expressly states that certain parts and portions of the said moneys shall be used for permanent improvements in Moores park, and suggests a small lake or wading pool for children, a fountain, bath house and swimming pool for boys and girls; and

Whereas by the said will it expressly states that all of said funds shall be used, in addition to those specified, for walks and drives and other improvements to the parks named in said will, viz.: Moores and Frances parks, with the exception that \$400.00 per year may be taken

from said fund and used to maintain Moores River drive, west of section 20; and

Whereas, there is a considerable amount of money now in the hands of the city treasurer and under control of the city of Lansing, to be used for said purposes and

Whereas the said will further provides that all of this should be done within five years after the decease of said J. Henry Moores;

Therefore, be it resolved, that it is the sense of this commission that a part of said moneys should be immediately invested along the lines indicated in and by the will of he said J. Henry Moores, and to that end that a swimming pool be built at Moores park and an extension of the rest house at Moores park be made, and that the city council of the city of Lansing be requested to place funds sufficient to carry out the same to the disposal of this commission from this fund.

J. A. PARSONS,

City Clerk.

By Ald. Howe—

That the matter be referred to the committee on ways and means and that they advise this council the amount of cash to be devoted for the purpose in question.

Carried.

To the Honorable Mayor and City Council of the City of Lansing, Gentlemen:

The sewer on Vermont st. north of Whyte st. has continually caused trouble. This sewer was not built by the city nor under city supervision and was improperly constructed. Residents connected to the sewer have sewage backed in their basements several times a year. This condition prevails now.

I respectfully recommend that immediate steps be taken to rebuild the sewer.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

Mayor.

By Ald. Howe—

Whereas, it is apparent to all who have heard the reports from the different charitable organizations in this city in relation to children who are in want and need of relief that children are now being cared for and in many cases homes secured for them by two organizations in the city, viz.: the Michigan Children's Home society and the Social Center, and as matters now stand they are receiving no assistance whatsoever from the city of Lansing;

Therefore, be it resolved, that there be created the offices of two assistant directors of the poor, whose duties shall be to act in conjunction with and assist the director of the poor in the discharge of his duties. That one of the said directors be appointed from among the people who are connected with the Social Center and who is willing and whose duty it shall be to especially look after the children of the city who are in want and need and especially those that are brought to the home of the Social Center and by them looked after and assisted, and that the other person so appointed as said assistant shall be allied or connected with the local branch of the Michigan Children's Home society with the especial undertaking to look after the needy children of the city and more especially those brought within the jurisdiction or the said Michigan Children's Home society and in need of temporary relief. That these assistants when appointed and confirmed by this council shall act in conjunction with the director of the poor and with each other, to the end that there will be no duplication of relief, and these assistants shall report to the director of the poor the persons who in their

opinion are in need of relief and the reason of the same and conditions surrounding them, as required by the ordinance of the city of Lansing when relief is granted to indigent persons, and upon such report the director of the poor is authorized to issue orders as recommended by said assistants, provided the same appeal to him as being reasonable and just, and in case of a difference of opinion in regard to relief either the assistants or the said director of the poor may appeal to the city council of the city of Lansing for an opinion in relation thereto and be governed accordingly. Said assistants when appointed shall serve during the pleasure of the mayor and city council and without pay.  
By Ald. Howe—

That the resolution lie on the table for one week.  
Carried.

By Ald. Watley—

Resolved by the city council of the city of Lansing:

That in accordance with a recommendation made by Mr. Baughman, the Mayor be directed to instruct the committee heretofore appointed by the mayor to arrange for a demonstration on "Armistice Day," to confer with Mr. Bancroft, city forester, and to cause to be planted in Durant park a pine tree in memory of the boys who gave their lives in the late war.

By Ald. Avery—

That the matter be referred to the park board.  
Carried.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the Michigan Railway Co. be and it is hereby directed to place plank between their tracks and 18 inches on the outside of their tracks on each of the railroad crossings on each of the following streets, viz:

Whereas, for sometime past it has been rumored and generally understood by the citizens of the city that an amalgamation of the two telephone companies now operating in the city of Lansing was to be brought about, to the end that we would not have to bear the expense of the duplication that now exists, and

Whereas, there has nothing materialized towards accomplishing the same, as far as the general public knows, but on the contrary there has been a raise in telephone rates and more exacting rules and regulations made in relation to the same as far as the users are concerned, and that recently there was a raise in the rates of the Citizens Telephone company, together with an order made that three months' rental be paid in advance of the users suffer a penalty therefor and

Whereas, the people of the city generally feel that they are called upon, by reason of the existence of the two telephone companies in the city, to pay unnecessary and unreasonable tolls for the maintenance of the same and that one-phone service in the city would be equally as advantageous to the people as two or more systems;

Therefore, be it resolved, that it is the sense of this council that the said telephone companies take steps towards an amalgamation or consolidation of the phone systems in this city, to the end that the citizens of this city may not necessarily be overtaxed and mulched in extra and unnecessary expenses which they are now called upon to bear by reason of the telephone duplication.

Be it further resolved, that should the telephone companies not take steps soon by which to bring about this consolidation that this council, as a representative of the people of the city of Lansing, take the necessary steps to bring about and cause a physical connection between the two telephone companies now operating in the city, in accordance with

the provisions of the statute of this state.

Be it further resolved, that a copy of this resolution be served upon the Michigan public utilities commission of the state of Michigan by the clerk of the city of Lansing.

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted declare and determine that for better sanitation, public convenience and general drainage purposes, it is a necessary public improvement, to extend the sewerage and repair the present sewerage of the city of Lansing, and this council being advised by the city engineer that the city of Lansing will incur an estimated indebtedness of \$200,000 in the construction of said sewer and the repairing of the present sewerage in the city of Lansing; and

Whereas, this council heretofore, to-wit, on the 4th day of April, 1921, did submit the question of said sewers and the repairing of the present sewerage, as aforesaid, and the issuance of the bonds of the city of

Lansing in the amount of \$200,000 for the purpose of defraying the expense and construction of said sewers and the repairing of the present sewerage, to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon, at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$200,000 for the purpose of constructing said sewers and repairing the present sewerage, and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Sewerage Bonds," in the sum of \$100,000, being a part of the bonds heretofore voted, for the purpose of defraying the expense of the construction of said sewers and repairing the present sewerage of the city, be issued by said city; that such bonds shall be in denominations of \$100, \$500 and \$1000, as may be designated by the purchaser, and be dated October 1st, 1921, and be due and payable as follows: \$10,000 on October 1st of each year from 1923 to 1932 inclusive. The said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually on the 1st day of October and the 1st day of April in each year, beginning the 1st day of April, 1922, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust company of New York city, or at such place as this council may hereafter designate.

Resolved further, that the form of said bonds and the interest coupons attached thereto shall be substantially as follows, and

Be it further resolved, that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupon.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 767 feet of sewer in Mahlon st. from Sheridan st. to 128 ft. north of Saginaw st. in the 41st sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said common council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 3rd day of October A. D. 1921, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 3rd day of October, A. D. 1921, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$28.00 of which one-sixth or \$18.00 shall be paid from the general sewer fund and the remainder or \$690.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Temleton, Trager, Watley, —16.

Nays—None.

We have examined the bids of the several bond houses and recommend that the bid of Harris, Small & Lawson, Detroit, Mich., of \$389,196.00, being the best and highest bid, that the firm of Harris, Small & Lawson, Detroit, Mich., be awarded the bonds.

W. T. BRITTON,

E. S. AVERY,

W. E. TRAGER,

Committee.

Received and placed on file.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That the bid of Harris, Small & Lawson, 150 W. Congress st., Detroit, Mich., of \$389,196.00 for \$400,000 city of Lansing paving, sewer and water bonds, being the best and highest bid, that the same be awarded to Harris, Small & Lawson, 150 Congress st., W., Detroit, Mich., and the mayor and clerk be authorized to execute said contract on behalf of the city.

The above resolution was placed on file one week in the office of the city clerk in accordance with section 92 of the city charter.

## REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending October 15, 1921, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Out of the \$3,000 which you authorized transferred from the contingent fund to the credit of poor department, 1F (hospital services), there is a balance on this date of \$534.70.

The attached voucher from the Woman's Hospital association for \$1,153.50 is respectfully referred to you for the reason that the credit balance for hospital services is not sufficient to take care of this voucher. If you authorize payment of the voucher another transfer should be made from contingent fund.

Very truly yours,  
F. H. PRESLEY,

and means.

Referred to committee on ways and means.

City Comptroller.

To the Honorable Mayor and Members of the City Council:

Gentlemen—The resolutions passed by your honorable body recently with reference to the enforcement of the traffic laws of this city and of the state came to the attention of the board of police and fire commissioners on Friday, September 14, at the first regular meeting held since the passage of the resolutions and references of same to this board.

The question of the police department's enforcement of the traffic laws in this city has been frequently before this board. We have frequently discussed with the chief of police, Mr. Alfred Seymour, as to just what could be accomplished with the present force of police officers. The chief of police has at all times been in favor of doing all that is possible to be accomplished with the present force and especially men detailed for duty as traffic officers.

We wish it to be understood by your honorable body that the chief of police was fully authorized to make the statement and report that he did with reference to the necessity of a considerably increased

force so that the laws, not only in reference to any possible traffic violation, but for the prevention of other offenses or crimes that might occur from time to time.

That it is the opinion of the members of this board that the numbers of police officers should be increased at the earliest possible moment to enable the police department of this city to meet the requirements of the people of this city in the enforcement of the laws for the protection of the rights of the public not only as to traffic regulation, but in other particulars as above suggested. We therefore respectfully submit that what was said and reported by the chief of police of this department is strictly in accordance with the judgment of this board and we therefore trust that at the earliest moment possible that your honorable body will provide such additional police officers as may be necessary to meet the requirements of the public in the enforcement of the traffic and other laws to the satisfaction of the people of this city.

SETH H. JONES,  
J. G. REUTTER,  
FRANK L. DODGE,

Ways and Means Committee,  
Board of Police and Fire Com'ers.  
By Ald. Klock—

That the communication be referred to committee on ways and means.

Carried.

#### REPORTS OF COMMITTEES.

The committee on ways and means to whom was referred the communication from the cemetery and public park commission asking that funds derived from the J. H. Moores estate be placed at their disposal for the purpose of constructing a swimming pool and an extension to the rest-house at Moores park, begs leave to report as follows:

As requested by your honorable body we report that there is now in the fund available for use by the city for park purposes from the fund left by Mr. J. H. Moores, the sum of \$14,000.00 in cash and in bonds and stock, \$114,300.00.

We therefore recommend that the cash be turned over to the park commission at this time in accordance with the request of the late J. Henry Moores.

W. T. BRITTEN,  
E. S. AVERY,  
W. E. TRAGER,

Committee on Ways and Means.

By Ald. Britten—

That the report of the committee be adopted.

By Ald. Howe—

That the report lie on the table for one week.

Carried.

The committee on streets to whom was referred the petitions for a curb and gutter on Lyons ave. from Baker st., to Mt. Hope ave., begs leave to report as follows:

We recommend that the petitions be granted.

O. C. HOWE,

M. A. TEMPLETON,

Committee on Streets,

Received and placed on file.

The committee on streets to whom was referred the petition to construct a curb and gutter and gravel Allen st. from Perkins st. to the G. T. R. R. and Perkins st. from Holmes st. to Shepard st., begs leave to report as follows:

We find that the petition has sufficient signatures for gravel but lacks several for curb and gutter.

We recommend that the petition for gravel on Allen st. from Perkins st. to G. T. R. R. be granted.

O. C. HOWE,

M. A. TEMPLETON,

Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The special committee appointed by the mayor Sept. 1, 1921, to whom was referred the matter of establishing a purchasing department for the city; the appointment of a purchasing agent and store keeper and the amount necessary to include in city budget of 1922-23 for the maintenance of said department, begs leave to report as follows:

We have had under consideration various properties owned by the city with a view of selecting a suitable site for a warehouse and offices for purchasing agent and storekeeper. We are of the opinion that the portion of the asphalt plant property, fronting on South st. and lying directly west of the three railroad sidings running through the property, would make a suitable location for warehouse and offices. The frame building lying directly east of the sidings would make a suitable place to store cement, machinery and equipment providing a few repairs were made to the roof.

On the proposed site for the warehouse and offices is a good foundation and a cement basement approximately 45 ft. by 45 ft., on which a one-story building or more if desired, might be erected. The city owns a large quantity of paving brick and other material which might be used in the construction of the building, thereby reducing the cost very materially. There is a pit for platform scales between the sidewalk and the front wall and with little expense the scales could be placed in working order. There is also a place to put a large gas tank underground, and same would be readily accessible to tank cars for unloading, also to city owned cars. Both sewer and water are directly opposite this site.

We would respectfully recommend that the mayor appoint a committee of three with authority to make arrangements immediately to have a suitable building erected on the site described above, the cost of same not to exceed \$3000 and to be paid out of the contingent fund. Said cost to be included in the purchasing department budget for 1922-23 under capital outlay 2D and credited to contingent when available.

Your committee respectfully requests further time in which to make report on the appointment of purchasing agent and store keeper and the amount to include in next year's budget for this department.

S. WATLEY,  
J. H. CHAPMAN,  
W. T. BRITTEN,  
Committee.

By Ald. Watley—

That report of the committee be adopted.  
Carried.

#### BONDS APPROVED.

Resolved by the city council of the city of Lansing:

That the superintendent of public works be and he is hereby instructed to grade and gravel Leslie-st. from Kalamazoo-st. to 22 rods south of Elizabeth st.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the city treasurer be and she is hereby instructed to pay the taxes of Mrs. Rose Manino at 928 Grove st. and charge the same to the uncollected tax and abatement fund. These taxes are as follows: City tax, \$25.14; special tax for curb and gutter, \$26.82, or a total of \$51.96.

By Ald. Britten—

That the matter be referred to the committee on poor.

Carried.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That whenever the director of the poor shall have spent \$50.00 in extending relief for any person, before additional relief shall be granted the request for aid shall be referred to the aldermen from the ward in which the applicant resides and also to the city council for their approval.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Howe—

Whereas, it is apparent to all who have heard the reports from the different charitable organizations in this city in relation to children who are in want and need of relief that relief should be extended to them from the poor fund of the city of Lansing; and

Whereas, a great many of these children are now being cared for and in many cases homes secured for them by two organizations in the city, viz.: the Michigan Children's Home society and the Social Center, and as matters now stand they are receiving no assistance whatsoever from the city of Lansing;

Therefore, be it resolved, that there be created the offices of two assistant directors of the poor, whose duties shall be to act in conjunction with and assist the director of the poor in the discharge of his duties. That one of the said directors be appointed from among the people who are connected with the Social Center and who is willing and whose duty it shall be to especially look after the children of the city who are in want and need and especially those that are brought to the home of the Social Center and by them looked after and assisted, and that the other person so appointed as said assistant shall be allied or connected with the local branch of the Michigan Children's Home society with the especial undertaking to look after the needy children of the city and more especially those brought within the jurisdiction of the said Michigan Children's Home society and in need of temporary relief. That these assistants when appointed and confirmed by this council shall act in conjunction with the director of the poor and with each other, to the end that there will be no duplication of relief, and these assistants shall report to the director of the poor the persons who in their opinion are in need of relief and the reason of the same and conditions surrounding them, as required by the ordinance of the city of Lansing when relief is granted to indigent persons, and upon such report

the director of the poor is authorized to issue orders as recommended by said assistants, provided the same appeal to him as being reasonable and just, and in case of a difference of opinion in regard to relief either the assistants or the said director of the poor may appeal to the city council of the city of Lansing for an opinion in relation thereto and be governed accordingly. Said assistants when appointed shall serve during the pleasure of the mayor and city council and without pay.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That the sum of money to be used for aid of the poor at the Social Center be not more than ten thousand dollars (\$10,000), and that the sum for the aid of the poor at the Michigan Children's Aid society be not more than seven thousand dollars (\$7,000.00).

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

By Ald. Klock—

Resolved by the city council of the city of Lansing:

That the New York Central clean all catch basins on right-of-way north of Franklin ave., and city clerk is hereby directed to notify the company of this resolution.

By Ald. Main—

Whereas, it is generally known and well understood that the present conditions in the city hall are much congested and that there is a great lack of needed room for the officers and employes in connection with the city government in which to do and transact the business properly.

Therefore, be it resolved, that the mayor appoint a special committee of three to investigate and report the advisability of the erection of one or more additional stories to the present city hall, and report back their findings to this council at as early a date as possible.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

Mayor appointed as such committee Aldermen Main, Avery and Britten.

By Ald. Main—

Whereas, at the present time there are a number of people out of employment within the city of Lansing, and from the outlook it appears that conditions will not grow better during the coming winter; and

Whereas, there are those within the city who desire and need the assistance of labor, but do not know where to apply for the same;

Therefore, be it resolved, that there be and is hereby created a labor bureau in the city, and that the mayor be and is hereby authorized to make arrangement for quarters for the same and to make arrangements for a suitable person to take charge of the same, to the end that said bureau will take the names of persons applying for labor and those in need of labor and assist as far as possible in securing positions for those residents of the city of Lansing who are now out of employment and desire the same.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

Whereas, the work of the constables has been greatly increased and they are required to travel in all parts of the city, serving papers placed in their hands for service, and

Whereas, on several occasions recently, said constables have been unable to get service on persons on account of having to walk or travel on the street cars, and street car service not extending to all portions of the city, resulting in loss to the persons issuing such processes for service. The constables' inability to carry on the work of their department as it should be done, results in inefficiency and loss to the general public.

Therefore, be it resolved, by this council that two Ford coupes be purchased for the use of the constables and that the cost of same be charged to the contingent fund.

Lost by the following vote:

Yeas—Ald. Burgess, Heeb, Klock.  
—3.

Nays — Ald. Avery, Britten, Clapham, Fowler, Howe, Main, McKale, Phillips, Templeton, Trager, Watley.  
—12.

By Ald. Phillips—

Resolved by the city council of the city of Lansing:

That each of the constables be allowed \$25.00 per month after Nov. 1st, 1921, for use of automobile, the city to furnish gasoline and upkeep.  
By Ald. Templeton—

That the resolution be referred to committee on ways and means.  
By Ald. Fowler—

That the resolution be laid on the table.

Lost by the following vote:

Yeas—Ald. Avery, Fowler, Main, McKale, Phillips, Trager, Watley.  
—7.

Nays—Ald. Britten, Burgess, Chapman, Clapham, Heeb, Howe, Klock, Templeton.—8.

Ald. Templeton's motion now being before the council it was passed and referred to the committee on ways and means.

#### PUBLIC IMPROVEMENT I.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is a public necessity, and it is hereby determined to construct a curb and gutter on Lyons ave. from Baker st. to Mt. Hope ave.

That the city engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the city council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

#### PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted May 9, 1921, for constructing a curb and gutter on Haag court from Shiawassee st. to Vine st. are hereby adopted.

That the portion of the city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said, Haag court within the south line of Shiawassee st. and the north line of Vine st. and extending back from said Haag court a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$816.00.

That the expense of such improvement in public street and alley intersection is \$12.00, which shall be paid by the city of the general paving fund.

That 80 per cent of the remainder of said estimated expense, to wit, the sum of \$643.20, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of

the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to wit, \$160.80 shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

### PUBLIC IMPROVEMENT III.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the special assessment roll for constructing a curb and gutter on Genesee st. from Dorrance place to East 408 feet, as returned by the city assessors, be received and placed on file, and the city clerk be directed to publish a notice thereof by publication in a local newspaper for at least five days in accordance with section 251 of the city charter.

Resolved further, that the city council will meet at the council rooms on Monday, the 24th day of October, 1921, at 7:30 o'clock p. m., for the purpose of reviewing said assessment roll.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Burgess, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, October 24, 1921

City Council Rooms\*

Lansing, Mich., Oct. 24, 1921.

The city council met in regular session and was called to order by Mayor B. A. Kyes.

Roll call:

Present—Ald. Avery, Britten, Burgess, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Main, McKale, Phillips, Templeton, Trager, Watley.

—15.

Absent—Ald. Klock.—1.

The record of the previous session was approved as printed.

#### PETITIONS AND COMMUNICATIONS

Edward L. Garvey filed a claim for damages caused by falling upon a crosswalk alleged by him to have been defective.

Referred to the city attorney and committee on city affairs.

A communication was received from Charles J. Davis, relative to claim for \$1586.61 for taxes for paving Holmes St. South, paid under protest.

Referred to city attorney.

Plat of Smith subdivision was presented for acceptance by A. N. Bateman.

Referred to committee on streets.

A petition was received for gutters on Marshall ave. from Jeorme st. N. to end of street with necessary facilities for drainage.

Referred to committee on streets.

A petition was received for curb and to finish paving S. Cedar st.

Referred to committee on streets.

To the Honorable Mayor and Members of the City Council:

At a meeting of the executive committee of the Chamber of Commerce held Monday afternoon, October 24, the following resolution was offered and unanimously adopted:

Resolved; that it is the belief of this committee that the time has arrived when a single phone system should be installed and supported by the citizens of Lansing. It has come to our attention that negotiations are now pending between the Bell Telephone Company and the Citizen's Telephone Co. to effect a merger so that but one system will be used in the city of Lansing.

In view of this we believe that sufficient time should elapse for said merger to become effected before any drastic action is taken by any citizens relative to making disconnections of present phones.

In case the merger is not in effect within the next 60 days, we believe a petition should be made to the Public Utilities Commission of Michigan to demand physical connections between the two phones with but a single rate commensurate with the service rendered.

#### LANSING CHAMBER OF COMMERCE,

Charles H. Davis, Sec'y.

Received and placed on file.

#### APPEALS.

This is the time set for hearing appeals on the special assessment roll for curb and gutter in Genesee street, from Dorrance Place to East 408 feet.

No appeals.

GEO. A. CANFIELD,  
Superintendent of Garbage.

Received and placed on file.

In compliance to a resolution offered by Ald. Howe that the mayor appoint two assistant directors of the poor, one to be appointed from among the people who are connected with the Social Center and the other one connected with the local branch of the Michigan Children's Home society, I hereby make the following appointments: Miss Grace E. Cone for the Social Center and Miss Blanch M. Bennett for the Michigan Children's Aid society.

Signed—

B. A. KYES,

Mayor.

By Ald. Burgess—

That the appointments be confirmed.  
Carried unanimously.

## REPORTS OF COMMITTEES.

The committee on sidewalks to whom was referred the communication from L. Gibson relative to damage done to a sidewalk at 417-19 N. Larch st. by horses and heavy wagons being driven over it while the city was constructing pavement on Larch st. begs leave to report as follows:

We have investigated this matter and find that the walk referred to was an old walk and we do not think much damage was done to it by the city.

E. D. KLOCK,

H. S. FOWLER,

Committee on Sidewalks.

By Ald. Fowler—

That the report of the committee be adopted.

Carried.

The committee on sidewalks to whom was referred the resolution of Ald. Trager to rebuild the driveway at 1216 Hickory st. begs leave to report as follows:

Nays—Avery, Fowler, Main, McKale, Watley.—5.

The committee on streets to whom was referred the matter of pumping out the viaduct under the Grand Trunk R. R. at Pennsylvania ave. begs leave to report as follows:

We recommend that the city engineer co-operate with the chief of the fire department in arranging to have this viaduct pumped out whenever necessary so that traffic by the Michigan Railway Co. may not be interrupted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,

Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.  
Carried.

The committee on streets to whom was referred the matter of cutting down the corners on the right of way at P. M. R. R. crossing on Holmes st. begs leave to report as follows:

We desire to report that this is a dangerous crossing and recommend that the corners be cut down as much as possible so that a better view may be had of the track.

We further recommend that the city engineer be instructed to confer with the officials of the P. M. R. R. to ascertain to what extent they are willing to co-operate with the city in making this necessary improvement.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.  
Carried.

The committee on streets to whom was referred the petition for a crossing over the Michigan Central R. R. tracks at Pacific ave. in Hollywood subdivision begs leave to report as follows:

The committee on streets to whom was referred the request of Lee F. Bailey for permission to place a new showcase, 2 ft. 10 in. deep by 2 ft. wide by 7 ft. high, at 11½ N. Washington ave. for purpose of displaying shoes begs leave to report as follows:

We recommend that the request be not granted, since it would be a violation of section 450 of the Lansing city building code.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That the report of the committee be adopted.  
Carried.

The committee on streets to whom was referred the petition to open Birch st. from Hillsdale st. north begs leave to report as follows:

We recommend that the opening of the street be granted, the petition asking that the street be opened half way across the block.

Carried.

The committee on streets and city attorney to whom was referred the matter of the high tension tower of the Consumers' Power Co. within the confines of Teel ave., just south of Mt. Hope ave., begs leave to report as follows:

We find that this proposition is now in the Ingham county circuit court and is likely to be tried on its merits very soon. We recommend that no time be lost in getting this tower removed from the street, since it is a dangerous situation, that may cause loss of life with the chance that the city may be liable.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.  
D. G. F. WARNER,  
City Attorney.

By Ald. Howe—

That the report of the committee be adopted.  
Carried.

The committee on poor to whom was referred the resolution of Ald. Howe to pay the taxes of Rose Manino, amounting to \$51.98, begs leave to report as follows:

We recommend that the resolution be not passed, inasmuch as the action would be contrary to provisions of the city charter. We also find that Mrs. Manino received aid to the extent of \$80 from various sources last month.

W. H. M'KALE,  
H. S. FOWLER,  
Committee on Poor.

By Ald. McKale—

That the report of the committee be adopted.

By Ald. Fowler —

That the report of the committee be adopted.

Carried.

The committee on city market to whom was referred the matter of purchasing platform scales for city market begs leave to report as follows:

We have secured quotations from five manufacturers of platform scales, which are hereto attached and are summarized as follows:

Fairbanks-Morse Co. for 20-ton auto truck scale with dial, \$1,049.00, plus freight from Detroit, plus erection, plus timber for platform.

Standard Scale & Supply Co. for 20-ton auto truck scale, city's old scale and \$845.00, plus freight from Detroit, plus platform complete, plus installation.

The William Pike Co. for 20-ton Howe auto truck scale with dial, city's old scale and \$1,071.00, plus freight from Detroit, plus timber for platform.

Buffalo Scale Co. for 20-ton auto truck scale, without dial, for \$1,009.00, plus timber for platform, plus erection.

Toledo Scale Co. for 30-ton auto truck scale, with dial installed complete, \$3,280.00.

In asking for these quotations your committee asked the representatives of the various scale companies to quote on their scale complete and installed, except for the concrete pit which was to be constructed by the city.

Your committee has spent considerable time investigating the most suitable scales for city use and feels that a scale should be purchased which we would not hesitate to put up as a standard for heavy weighing in the city.

We are satisfied that, everything considered, the Toledo Scale will best suit this purpose and we therefore recommend its purchase.

We further recommend that when the new scales are installed a suitable building for office and toilets

for use at market be built, together with a covering over the scale platform.

Respectfully submitted,

C. H. BURGESS,  
W. E. TRAGER,  
J. H. CHAPMAN,  
Committee on City Market.

By Ald. Burgess—

That the report of the committee be adopted.

Carried.

The following committee report was taken from the table:

The committee on ways and means to whom was referred the communication from the cemetery and public park commission asking that funds derived from the J. H. Moores estate be placed at their disposal for the purpose of constructing a swimming pool and an extension to the rest-house at Moores park, begs leave to report as follows:

As requested by your honorable body, we report that there is now in the fund available for use by the city for park purposes from the fund left by Mr. J. H. Moores, the sum of \$14,000.00 in cash and in bonds and stock, \$114,300.00.

We therefore recommend that the cash be turned over to the park commission at this time in accordance with the request of the late J. Henry Moores.

The committee on streets to whom was referred the resolution introduced by Ald. Trager relative to repaying Dewitt C. Hunter that portion of his tax for paving Holmes st. represented by the frontage of what is now Marcus st. begs leave to report as follows:

We recommend that the resolution be adopted.

O. C. HOWE,

M. A. TEMPLETON,

A. E. DYMOND,

Committee on Streets.

By Ald. Howe—

That the report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.  
—15.

Nays—None.

The committee to whom was referred the claim of Edward L. Garvey, filed for damages caused by a fall upon the crosswalk, begs leave to report as follows:

After investigation of the case, we are of the opinion that the said Edward L. Garvey has no legal claim against the city, and also that said claim was not filed in accordance with the time provided by the charter, and therefore we recommend that the same be not allowed.

E. S. AVERY,  
W. H. M'KALE,  
W. T. BRITTEN,  
D. G. F. WARNER,  
City Attorney.

By Ald. Avery—

That report of the committee be adopted.

Carried.

The committee on streets to whom was referred the petition to grade and gravel St. Joseph st. from Parker st. to Holmes st. begs leave to report as follows:

We commend the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

Received and placed on file.

The committee on streets to whom was referred the petition for curb and gutter on Lenawee st. from Pine st. to Chestnut st. begs leave to report as follows:

We recommend the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

Received and placed on file.

The committee on streets to whom was referred the petition to grade and gravel Crescent place from Wayburn road to Rockford road begs leave to report as follows:

We recommend the petition be granted.

O. C. HOWE,

The committee on streets to whom was referred the petition to grade and gravel Forest ave. from Chittenden plat, 220 feet south, begs leave to report as follows:

One week ago we reported that inasmuch as Forest ave. was not a public street, we recommended that the petition be not granted.

However, we find that we were in error, that Forest ave. is a public street and consequently recommend that the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The special committee to whom was referred the matter of making arrangements for the erection of a suitable building to be used as a warehouse for the city begs to leave to reports as follows:

1st. The adoption of the asphalt plant as a site for the proposed building is good so far as shipping facilities are concerned, yet it is our opinion that the location is too far from the center of the city and for that reason impracticable.

2d. That a one-story building with a 9-foot basement be erected on land owned by the city fronting on Shiawassee st. and just east of the J. C. Schneider Wagon works.

3d. We recommend further that the foundation now built be used which would provide for a building practically 20x100 ft. in dimension.

4th. We recommend further that the new public scales be placed further south and that the office and rest rooms for the weighmaster be placed in the south end of this building.

5th. We further recommend that paving brick, which are not up to grade, be used and that the construction be such that the roof can be raised and another story added to the building if the needs of the city ever warrant it.

O. C. HOWE,  
E. S. AVERY,  
S. S. MAIN.

By Ald. Howe—

That report of the committee be received and placed on file.

Carried.

The ordinance under consideration was then read a third time as follows:

An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk.

The city of Lansing ordains:

Section 1. It shall be unlawful for any person, firm, or corporation to keep and maintain a basement stairway or areaway, opening off from any public street, alley or sidewalk, without providing a substantial railing or adequate safeguard and protection for the same. Provided also that the entrance through such railing to said basement stairway shall be at right angle to the course of such alley, street, or sidewalk, so that it will be necessary for persons desirous of using such basement stairway to turn at right angles from the course of the street, alley or sidewalk to enter the same. Where stairway opens at right angle to sidewalk that a gate be provided to open out toward the street.

Section 2. Any person or persons violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine not exceeding fifty dollars, and in default of the payment of such fine such person or persons shall be imprisoned in the city jail until such fine is paid, not exceeding 30 days.

Each day said stairway or areaway opening is maintained contrary to the provisions of this ordinance shall constitute a separate and distinct offense.

By Ald. Dymond—

That the ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from streets, alleys and sidewalks" be now passed.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

By Ald. Main—

Whereas, there has been and is an undertaking on the part of the citizens of the city of Lansing to bring about a merger of the telephone systems in this city, and

Whereas, it is generally conceded that two telephone systems in a city like ours is unnecessary and inconvenient, and that one system would serve the people better than two; and

Whereas, there appears to be some undertaking on the part of the telephone companies to merge, but their sincerity is a question, to be determined by their undertakings and results obtained; and

Whereas, this matter has been threshed over before without obtaining any satisfaction;

Therefore, be it resolved, that the mayor appoint a committee of three to investigate and determine the extent of the undertakings of the two companies to consolidate, and if they do not consolidate the said committee to determine which of the companies is at fault and the cause of the non-consolidation, and that said committee report to this council on or before December 2, 7 1921.

Be it further resolved, that upon the report of this committee, if it meets the approval of this body, the city adopt for its usage the system of telephones of the company that has shown an honest intention and undertaking to bring about a consolidation of the phones, but failed by reason of one of the companies refusal or unreasonable demands and requests.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

Mayor appointed as such committee Ald. Main, Avery and Templeton.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That this council hereby authorizes and directs the city treasurer to register as to principal and interest, such paving, sewer and water 5 per cent bonds of the city of Lansing, dated November 1, 1921, that may be presented for that purpose, such registration to be designated in writing on the bond in the following form:

Date.	Reg.	Owner	Residence
		Registrar	

And furthermore, be it resolved, that the city treasurer is hereby authorized and directed to detach the coupon sheets from such bonds and mail to the registered owner, New York drafts for the interest as it matures.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit: on the 25th day of July, 1921, by resolution duly adopted, declare and determine that for the protection of the health, safety and needs of the inhabitants of the city of Lansing that a 12-inch main be laid to the Durant Motor plant and that a retaining wall be built west of the reservoir at the Cedar st. station and other improvements and extensions to the water works system of the city of Lansing be made, and that this council being theretofore advised by the board of

water and electric light commissioners that the sum of \$100,000 was needed for said purpose; and

Whereas, this council heretofore, to-wit: on the 30th day of August, 1921, did submit the question of building said water main to the Durant Motor plant and the retaining wall west of the reservoir at Cedar st. station and the making of other improvements and extensions to the water works system of the city of Lansing aforesaid and the issuance of the bonds of the city of Lansing in the sum of \$100,000 for the purpose of defraying the expenses connected therewith to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city by a three-fifths vote of those voting therein at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$100,000 for the purposes above set forth and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council that the bonds of the city of Lansing, to be designated "City Water Works Extension Bonds" in the sum of \$100,000, being the amount of the bonds heretofore voted, for the purpose of defraying the expense of the laying of a 12-inch main to the Durant Motor plant and the building of a retaining wall west of the reservoir at Cedar st. station and for other improvements and extensions to the water works system to the city of Lansing, be issued by said city; that such bonds shall be in denominations of \$100 and \$1,000 as may be designated by the purchaser, and be dated November 1, 1921, and be due and payable as follows: \$20,000 on November 1 of each year from 1937 to 1941, inclusive. The said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually on the first day of November and the first day of May in each year beginning the first day of May, 1922, until all of said bonds are fully paid, both interest and principal payable at the Guaranty Trust company of New York city.

Resolved further, that there shall be printed upon the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

Dated Lansing, Mich.,.....19..

Resolved further, that the form of said bonds and the interest coupons attached thereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupons.

## UNITED STATES OF AMERICA

State of Michigan  
County of Ingham

City of Lansing Water Works Extension Bonds.

Know all men by these presents, that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$..... lawful money of the United States of America, on the 1st day of November, 19... at the Guaranty Trust Company of New York City, with interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of November and the 1st day of May of each and every year beginning with the 1st day of May, 1922, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a held in said city on the 30th day of series of 100, except as to date of maturity, aggregating the sum of \$100,000, issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city of Lansing at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising funds to defray the expenses of laying a 12-inch water main to the Durant Motor plant and building a retaining wall west of the reservoir at Cedar street station and for other improvements and extensions to the water works system of the city of Lansing, as prescribed in a certain resolution of the city council adopted on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing

have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable only to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupon by delivery merely, but the coupons may be surrendered, and thereafter the principal and interest of this bond will be payable only to the registered holder.

CITY OF LANSING,

Ingham County, Michigan.

By B. A. Kyes (fac-simile), Mayor.

By J. A. Parsons (fac-simile), Clerk

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That, whereas, this council did heretofore, to-wit on the 25th day of July, 1921, by resolution duly adopted, declare and determine that it is a necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended, and that a considerable amount of the present paving needs repairing, and the council having

been heretofore advised by the committee on streets of the city of Lansing that the sum of \$400,000 is needed for said purposes for said improvement, and

Whereas, this council did heretofore, to-wit: on the 30th day of August, 1921, submit the question of the construction of said pavement and public improvement and the issuance of the bonds of the city of Lansing in the amount of \$400,000 for the purpose of defraying the expense of the construction of said pavement and said public improvement to a vote of the qualified electors of said city; and

Whereas, the qualified electors of said city by a three-fifths vote of those voting thereon, at a regular election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$400,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Paving Bonds" in the sum of \$200,000 being a part of the bonds heretofore voted, for the purpose of defraying in part the expense of the construction of said pavement and said improvements herein referred to, be issued by said city. That said bonds shall bear interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of May and the 1st day of November in each year, beginning the 1st day of May, 1922, until all of said bonds are fully paid. Said bonds shall be in denominations of \$100 and \$1000 as may be designated by the purchaser, and be dated November 1, 1921, and be due and payable as follows: \$40,000 on November 1st of each year from 1927 to 1931 inclusive. Interest and principal on said bonds to be payable at the Guaranty Trust company of New York city.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

Respectfully submitted,

O. E. ECKERT,

City engineer.

Received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen—In this communication I want to explain to your honorable body the disadvantage the garbage department is working under at the present time.

We have four trucks that we are using every day that are exposed to the weather at all times which makes it impossible to start them some mornings without hitching to them with another car. The grease in the transmission gets so solid from the cold that they can not be started by the starter and even bothers to shift gears. Then there is a danger of freezing the radiator and a possibility of cracking a block. At the present price of repairs will it pay?

Very truly yours,

GEO. A. CANFIELD,

Superintendent of garbage.

By Ald. Britten—

That the communication be referred to the garbage committee and street committee.

Carried.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Fowler.—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 518 feet of sewer in Marion st. from Cedar st. to Ray st. in the Marvin drain sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 31st day of October, A. D. 1921, together with necessary man-holes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further Resolved, That the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 31st day of Oct., A. D. 1921, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$568.80 of which one-sixth or \$94.80, shall be paid from the general sewer fund, and the remainder, or \$474.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an

assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

#### SIDEWALK RESOLUTION.

By Ald. Klock—

Resolved by the city council of the city of Lansing:

That it is a necessary public improvement and it is hereby determined that a new artificial stone sidewalk five feet wide shall be built or repaired in front of south 4 rods of lot 31, Metlin's addition, on the east side of Johnson av. owned by Reed Jackson;

Also in front of north 2 rods of lot 31, Metlin's addition, on the east side of Johnson av., owned by Wm. F. Jones.

Also in front of lot 35, Metlin's addition on the east side of Johnson av., owned by P. H. Pryor;

Also in front of lot 36, Metlin's addition on the east side of Johnson av., owned by Thos. Hill;

Also in front of lot 37, Metlin's addition on the east side of Johnson av., owned by H. E. Hill;

Also in front of lots 38 and 39, Metlin's addition, on the east side of Johnson av., owned by Norman C. Foster;

Also in front of lot 40, Metlin's addition, on the east side of Johnson av., owned by O. H. Bailey;

Also in front of lot 41, Metlin's addition, on the east side of Johnson av., owned by W. R. Bradford;

Also in front of south 371-2 feet of lots 42 and 43, Metlin's addition, on the east side of Johnson av., owned by L. C. Buskirk; and that the owners of said above described lands be and they are hereby required to build the same in accordance with the specifications on file in the office of the city engineer on or before the 24th day of December, 1921.

That the superintendent of public works is authorized and directed to proceed to construct such artificial stone walk in front of the above described premises after the expiration of said date, upon the failure of the owner or owners of the parcels herein described to construct the same as hereby required; and that the expense of constructing the same shall be paid out of the contingent fund, and the city assessors are hereby directed to assess the expenses of constructing the same against said described land as provided by section five of ordinance No. 23, of the revised ordinances of the city of Lansing, and chapter 17 of the city charter.

The city clerk is directed to give due notice hereof by publication of a notice of this resolution for three

successive days as provided by said ordinance No. 23.

Adopted by the following vote:

Yeas—Ald. Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, November 21, 1921

City Council Rooms.

Lansing, Nov. 21, 1921.

The city council met in regular session and was called to order by Mayor B. A. Kyes.

Roll call:

Present — Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—14.

Absent—Watley.—1.

The record of the previous session was approved as printed.

#### PETITIONS AND COMMUNICATIONS

Communication received from N. Y. C. R. R. Co. stating that catch basins on right of way had been cleaned.

Received and placed on file.

A petition was received from the civic committee representing the 14 clubs in the Lansing Federation of Women's Clubs to enforce the law against the sale of cigarettes to minors, also the anti-spitting ordinance.

On motion of Ald. Main, same was referred to the city attorney.

George H. Turrell made application for dance hall license at Central Labor hall, 227½ N. Washington ave.

Referred to committee on bonds and contracts.

Claim presented for \$12.50 from Nelson Dinamore of Portland for damage to his automobile in a so-called trench on Isaac st.

Referred to city attorney and electric light and water board.

Application for dance hall license at M. W. hall for three months.

Referred to committee on bonds and contracts.

Petition received for payment of one-half year amount for an electrician license. Bond on file and accepted.

Referred to committee on bonds and contracts.

A communication was received from the North Side Commercial club asking for a public city market to be free—no rent for anyone—for farmers only.

Referred to committee on city market.

A communication was received from Fred U. Berg, 110 E. Franklin ave., in regard to the installation of a tank and pump.

Referred to committee on streets.

A petition was received for a retaining wall on property facing on W. Elm st. and to construct a sidewalk in front of said property.

Referred to committee on streets.

To the Honorable Mayor and City Council:

Gentlemen—Permit me to call your attention to the change of grade in the sidewalk on the south side of Michigan ave., running west from Washington ave., to the alley just east of the building occupied by the Harry E. Saier Co., florist.

The grade of the sidewalk was originally established by the city engineer, and the improvements on this street made in accordance therewith.

Upon investigation you will observe that the way the sidewalk has been built along the north side of the Prudden building, it leaves a very abrupt and dangerous step up and down at the alley, and as a representative of Clara L. Bradford, owner of the property, occupied by the Harry E. Saler Co., I hereby enter a protest against the change of this grade.

We have laws governing such matters, and I respectfully call your attention to same and suggest that immediate steps be taken to correct this dangerous condition.

I might add further that it has seemed to be a custom of late for the city engineer to change the grade of various streets to suit the convenience of his department, or someone else, without any regard to the wishes of the property owners, or the laws governing such cases. Kindly give these matters your careful attention.

Yours truly,  
F. E. CHURCH.

On motion of Ald. Templeton, it was referred to committee on sidewalks and city attorney.

#### OPENING OF BIDS.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That bids for segment block pipe, reinforced concrete manholes, etc., be laid on the table one week.  
Carried.

#### REPORTS OF CITY OFFICERS.

The report of the gas inspector for the week ending Nov. 12 and 19, 1921, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith report that on Nov. 17 I sold in Detroit 70 hogs, weighing 18,920 pounds, at \$7.15 per hundred, for which I received a check for \$1,278.98 and credited same to garbage disposal.

18,920 @ \$7.15 .....	\$1,352.78
Freight .....	\$42.90
Feed and yardage ....	16.70
Insurance .....	.20
Commission .....	14.00
	<hr/> 73.80
	\$1,278.98

Respectfully,  
GEO. A. CANFIELD,

Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council:

I wish to report that a boiler suitable in every way for use at the city shop can be bought for \$545, and I hereby ask permission from your honorable body to purchase same.

Respectfully,  
A. WINEGAR,  
Supt. Public Works.

By Ald. McKale—

That superintendent of public works be empowered to purchase the boiler.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager.—14.

Nays—None.

To the Honorable Mayor and City Council:

Complying with your instruction of Nov. 14, I submit herewith plans, specifications and an estimate of cost for office and toilets at city markets, viz.:

Scale pit .....	\$950.00
Building without toilets ....	1,800.00
Building with toilets .....	2,500.00
Roof over scales .....	1,000.00

This contemplates the installation of the scales at the corner of Shiawassee st. and Grand ave., convenient to the present gasoline pump, in accordance with instructions received from the market committee.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

By Ald. Britten—

That the communication be referred to committee on city market.  
Carried.

#### REPORTS OF COMMITTEES.

The committee on bonds and contracts to who was referred the petition of A. B. Phillips for license to peddle fish for two months upon payment of the pro rata amount, of the yearly license begs leave to report as follows:

We recommend that the request be granted at regular rate.

S. S. MAIN,

M. A. TEMPLETON,

A. H. PHILLIPS,

Committee on Bonds and Contracts.  
By Ald. Main—

That the report of the committee be adopted.  
Carried.

The committee on sidewalks to whom was referred the resolution of Ald. Klock relative to removal of the curb along the sidewalk on the west side of Oakland building begs leave to report as follows:

We recommend that the resolution be laid on the table and a new sidewalk be ordered next year.

E. D. KLOCK,

H. T. FOWLER,

J. H. CHAPMAN,

Committee on Sidewalks.

By Ald. Klock—

That the report of the committee be adopted.  
Carried.

The special committee appointed by the mayor on Sept. 1, 1921, to whom was referred the matter of establishing a purchasing department for the city, the appointment

of a purchasing agent and store-keeper and the amount necessary to include in city budget of 1922-23 for the maintenance of said department, begs leave to report as follows:

Inasmuch as the special committee appointed by the mayor on Oct. 24, 1921, to make arrangements for the erection of a suitable building for warehouse on the asphalt plant property, thought it would be impracticable on account of the location being too far from the center of the city, your committee feels that on that account and the fact that it would be very dirty there when the asphalt plant was in operation, it would not be advisable to erect a building in that location.

Regarding the recommendation of the committee that a one-story building with a nine-foot basement be erected just east of the J. C. Schneider Wagon works, fronting on Shiawassee st., would say that your committee believes that this location is impracticable for the following reasons:

First. That it would be without trackage facilities.

Second. There is not room enough without taking some of the land occupied by the city market.

Your committee has had under consideration the old asphalt plant location, which lies along the M. C. R. R. right of way between Saginaw and Shiawassee sts., and we believe this would make a very suitable location for a warehouse, city shop, coal sheds and storage place for city equipment.

We therefore submit the following recommendations:

First. That the council rescind the resolution adopted Oct. 24, 1921, authorizing a special committee to make arrangements to have a suitable building erected on the asphalt plant property.

Second. That the special committee appointed by the mayor Oct. 24, 1921, with authority to make arrangements to have a suitable building erected on the asphalt plant property, be discharged from further consideration of the subject.

Third. That the mayor appoint a committee of five to confer with special committee appointed by mayor September 1st., consisting of Aids. Watley, Britten and Chapman, to consider the advisability of erecting a warehouse on the old asphalt plant location, ascertain the approximate cost of same and report to the council next Monday evening, Nov. 28, 1921.

W. T. BRITTEN,  
J. H. CHAPMAN.

By Ald. Howe—

That the committee report be laid on the table.

Lost by the following vote:

Yeas—Ald. Avery, Dymond, Howe, McKale, Templeton.—5.

Nays—Ald. Britten, Chapman, Clapham, Fowler, Heeb, Klock, Phillips, Trager.—8.

Original report being before the council, it was adopted.

#### BONDS APPROVED.

The second-hand dealer bond of The Workmen's Exchange as principal with Ray F. Sadler and Albert A. Elsener as sureties, was approved.

The second-hand dealer bond of Chas. Vores as principal with James O'Connor and Eugene W. Spencer as sureties, was approved.

City of Lansing Water Works Extension Bonds.

Know all men by these presents, that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$..... lawful money of the United States of America, on the 1st day of November, 19.. at the Guaranty Trust company of New York city, with interest at the rate of 5 per cent per annum, payable semi-annually, on the 1st day of November and the 1st day of May of each and every year beginning with the 1st day of May, 1922, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 100, except as to date of maturity, aggregating the sum of \$100,000, issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of

Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city of Lansing at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising funds to defray the expenses of laying a 12-inch water main to the Durant Motor plant and building a retaining wall west of the reservoir at Cedar street station and for other improvements and extensions to the water works system of the city of Lansing, as prescribed in a certain resolution of the city council adopted on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable only to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupon by delivery merely, but the coupons may be surrendered, and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing, this bond bearing date November 1, 1921, by order of said council.

An ordinance to amend section 4 of ordinance No. 63 of the compilation of ordinance for the city of Lansing for the year 1918, entitled "An ordinance to regulate and prescribe the duties of the city physician."

The city of Lansing ordains:

Sec. 1. That section 4 of an ordinance entitled "An ordinance to regulate and prescribe the duties of the city physician," being ordinance No. 63 of the compilation of ordinances for the city of Lansing for the year 1918, is hereby amended to read as follows:

Section 4. The city physician shall furnish, at the city's expense, all medicines which may be necessary in the skillful and proper treatment of such sick or disabled person, as may be a charge upon the city, and such other poor persons as it may be the duty of the city to care for; and also such vaccine points as may be required to carry into effect the provisions of this ordinance. When the city physician deems it necessary to place any patient in any of the hospitals of the city of Lansing or elsewhere for the purpose of operation or better treatment he shall notify the director of the poor in writing, giving the name, the place where found, the financial circumstances of the patient as far as possible, the residence, and such other facts in relation to such patient as may be necessary. The poor director shall then, if in his judgment it is necessary to place said patient in the hospital or elsewhere for the purpose of operation or better treatment at the expense of the city issue an order to the health department or city physician to place said patient in such hospital or place as may be designated.

#### PETITIONS AND COMMUNICATIONS

A communication was received from the Michigan public utilities commission stating that an inspection of the crossing of the N. Y. Central crossing at South st. would be held on Nov. 29th at 10:30 a. m. to consider the petition of the N. Y. Central R. R. to discontinue the flagman and to substitute an alarm bell with wigwag system, and asking that a representative of the city be present.

On motion of Ald. Templeton the communication was referred to the chairman of the street committee.

A petition was received to pave Kalamazoo st. from Logan st. to Huron st. with concrete and asphalt surfaced pavement, to conform to the pavement ordered on Kalamazoo st. east of Logan st.

Referred to committee on streets.

An application for a public driver's license was received from Floyd C. Wills.

Referred to the committee on bonds and contracts.

The Telephone Committee,  
Care City Clerk,  
City Hall,  
Lansing, Michigan.

Gentlemen:

I wish to acknowledge receipt of your letter of the 19th inst. concerning the resolution that was passed on the 7th of November of this year by the city council of the city of Lansing concerning the telephone situation in that city.

You asked me to make a statement to you concerning the proposed merger of the telephone properties in your city.

I have today before me a request from Mr. Handy, chairman of the Michigan public utilities commission, to appear before that body on Monday, November 28, together with Mr. Graham, president of the Citizens Telephone company, to discuss the situation with them.

As soon as this conference is held I shall be glad to advise you as to the result of it and the position we took at said conference.

Yours very truly,

FRANZ C. KUHN,

President.

By Ald. Avery—

That the communication be received and placed on file and printed.

## Disbursement.

If we are not careful in our consideration of this matter we will get the question of disbursement and appropriation confused, and for the purpose that this may be obviated we cite:

Words and Phrases, Vol. 1, page 258.

"The appropriation of public money and its disbursement are two different and separate acts. Webster's definition of appropriation, so far as here pertinent, is: 'The act of setting apart or assigning to a particular use or person in exclusion of all others; application to a special use or purpose, as of money to carry out some object.' Disbursement is, of course, the same as payment. In our systems of government, federal and state, the appropriation and the payment of public moneys are always kept distinct, and appropriations are often coupled with some condition whose performance is to come after the appropriation, but before the actual payment."

## Contingent Fund.

We have in this city a fund known as the "contingent fund." It now becomes necessary for us to arrive at an understanding as to what is meant by the term "contingent fund." The word "contingent" as used in our charter and statutes means a fund to meet contingent expenses which will necessarily arise during a year and cannot be determined in advance, and for which no specific appropriation can be made.

Pope on Legal Definitions, Vol 1, page 273

"The reason for making a levy to provide a 'contingent fund' for a municipal corporation is to provide a small fund out of which items of expense which will necessarily arise during the year, and which cannot appropriately be classified under any of the specific purposes for which other taxes are levied, may be paid."

In other words, the word "contingent" means uncertain and liable to happen, so I feel that it could not be said that moneys in the contingent fund are appropriated, strictly speaking, for the reason that there is no knowledge in the minds of the body voting the same at the time the same is voted as to what the same will be used for.

Our charter provides for a contingent fund (Sec. 144). It also provides as to different matters that shall go to make up this fund. For instance, all fees of every kind and character that come into the city treasury shall go into the contingent fund (Sec. 104). Penalties for the non-payment of taxes are credited

to the contingent fund. (Secs. 146 and 147.) Interest received from depository banks (Sec. 177); also fines and other moneys collected by the provisions of our charter are to be deposited in the contingent fund. In fact, all moneys that come into the city's hands for which there is no provision of the charter or ordinances, shall be credited to the contingent fund. So we find that our contingent fund is not only partially raised by direct taxation, but is an amalgamation of funds received from a great many different sources. Therefore, I am impelled to hold that a fund thus created has not been appropriated, except as the same has been appropriated by the charter or ordinances of the city.

We find that under our charter some expenses that are incurred by the city are directed to be paid from the contingent fund, among which are election expenses (Sec. 39), and in condemnation proceedings where award is made against the city it is to be paid from the contingent fund (Sec. 202). Payments for the construction of sidewalks are also to be paid by the contingent fund (Sec. 260). I construe these as having been appropriated, and in these cases it is simply a question of disbursement by the council of funds that have been appropriated by the charter, and as stated, all moneys that are in the contingent fund that have not been directly appropriated by the charter or by ordinances have not been appropriated in accordance with the meaning and terms as expressed in our charter.

That it may be plainly understood, it is my holding that when moneys are to be paid from the contingent fund for purposes for which no appropriation has been made, it will require a two-thirds vote of the council so to do. Also, in transferring moneys from one fund to another would likewise require a two-thirds vote.

Respectfully submitted,

D. G. F. WARNER,  
City Attorney.

#### PUBLIC IMPROVEMENT I.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is a public necessity, and it is hereby determined to grade and gravel the alley in Englewood subdivision between Princeton and Logan and between Oakland and Daleford.

That the city engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the city council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote.

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

#### ORDINANCES

Ald. Fowler introduced the following ordinance, which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend sections 1, 2, 3, 4, 5, and 6 of ordinance No. 90 of the compilation of ordinances for the city of Lansing for the year 1918, as amended, entitled "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and bowling alleys"; also to amend the title of said ordinance that the same will correspond with the ordinance

as amended, to read as follows: "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and card tables."

The city of Lansing ordains:

That sections 1, 2, 3, 4, 5, and 6 of ordinance No. 90, as amended April 2nd, 1918, entitled "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and bowling alleys" be amended so as to read as follows, and that the title to said ordinance when enacted shall read as follows: "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and card tables."

Section 1. It shall be unlawful for any person or persons to keep for hire any billiard tables, pool tables, bagatelle table, pigeon-hole tables, or card tables within the limits of the city of Lansing without first obtaining a license therefor as hereinafter provided.

Section 2. Before any license under this ordinance shall be granted, application therefore shall be made in writing to the city clerk. Said application shall state the name of person, persons, firm or corporation, the place of location of the premises, the number of tables, or card tables, and the citizenship of the parties. Before any license is issued, said applicant shall pay to the city clerk the sum of \$3.00 for one table, or card table so to be kept, operated or maintained, and where more than one table or card table is kept, operated or maintained, the sum of \$1.00 for each additional table, or card table. No license hereunder shall be issued by the city clerk until the application therefor shall have been approved by the city council.

Section 3. This ordinance shall not apply to pool tables, billiard tables, bagatelle tables, pigeon-hole tables, or card tables, kept in the home, clubhouse or lodge rooms of any legally incorporated association, organization, or society, the use of which is confined or limited to members only of said association, or organization or society.

Section 4. It shall be unlawful for any person or persons to keep or operate for hire any billiard table, pool table, bagatelle table, pigeon-hole table, or card table in the city of Lansing except within the fire or fire-proof limits as now prescribed or as may be hereafter prescribed by ordinance, and no license shall be granted to keep or operate any such table, or card table except within the limits aforesaid.

Section 5. Every person or persons or officers of a corporation who shall make application for and en-

(To be continued tomorrow)  
gage in the business of keeping or maintaining any billiard table, pool table, bagatelle table, pigeon-hole table or card table required to be licensed under the terms of this ordinance shall be citizens of the United States.

Section 6. All rooms or places wherein any billiard tables, pool table, bagatelle tables, pigeon-hole tables, or card tables are kept for hire and all rooms used in connection therewith or opening into the same shall be closed on the first day of the week, commonly called Sunday, and on other days of the week from and after the hour of 12 o'clock p. m. until 7 o'clock a. m. of the succeeding day, excepting that in all cases where a cigar store, news stand or other business is conducted may remain open; provided, that all such pool tables, billiard tables, bagatelle tables, pigeon-hole tables and card tables shall be covered in such manner as to prevent play thereon during the hours and days such play is prohibited under the terms of this ordinance. Provided further, that no card game, dice game or other game of chance shall be played or permitted to be played in such playing rooms or places or in rooms or places used in connection therewith during the hours that billiard, pool and other games are prohibited under the terms of this ordinance.

# REPORTS OF CITY OFFICERS.

The report of the city treasurer for the month of Oct. 1921 was received and referred to the committee on auditing.

The report of the sealer of weights and measures for the two weeks ending Nov. 26, 1921 was received and placed on file.

The report of the city gas inspector for the week ending Nov. 26 1921 was received and placed on file.

Hon. Mayor and City Council:

In regard to resolution of Ald. Templeton, passed by your honorable body Nov. 21st, 1921, I wish to state that there is no city ordinance requiring coal and coke to be kept under cover. Sec. 359, chapter 22, of the city charter, does provide, however that coke must be dry when sold, and any coke kept for sale shall be kept under covered sheds.

Chapter 22 of the city charter places the enforcement of all sections of this chapter in the sealer of weights and measures, who will no doubt enforce it if his attention is called.

The police department will also give this matter attention and see that the above provision is lived up to.

Respectfully submitted,

ALFRED SEYMOUR,

Chief of Police.

Received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen:

The question now before us, which has caused a considerable difference in opinion in the past, is as to the number of votes required to pay certain bills or claims against the city, and in discussing this matter we have to draw a fine distinction between appropriation, distribution and expenditure of funds.

We will first take into consideration the provisions of our charter (Our charter provides Sec. 47, Pg. 15):

"\* \* \*, nor shall any money be appropriated unless by a concurring vote of two-thirds of the aldermen elect."

Section 152, page 63, reads as follows:

"No money shall be drawn from the city treasury, unless it shall have been previously appropriated to the purpose for which it shall have been drawn, except that when such appropriation is made from a fund in which there is not sufficient money, the same may be paid out of any money in the treasury not in use, by a two-thirds vote of the city council elect, and the approval of the mayor. No such money can be charged to any fund other than that for which the same shall be appropriated, and shall stand as an overdraft in said fund; and all ordinances, resolutions and orders directing the payment of money, shall

specify the object and purposes of such payment and the fund from which it shall be paid, which shall be certified by the city clerk and countersigned by the city comptroller, before the same shall be paid by the city treasurer."

## Appropriation.

The first proposition we will discuss is the question of appropriation and what is meant by appropriation of money or funds.

McQuillan on Municipal Corporations, Vol 5, Sec. 2187 reads as follows:

"An appropriation, as the word is used in law of municipal corporations, relating to the appropriation of moneys, is the setting apart of a designated sum for a particular purpose or purposes."

Corpus Juris, Vol. 4, Page 1460.

"An appropriation of funds is an authority from the legislature given at the proper time and in legal form to the proper officers, to apply sums of money, out of that which may be in the treasury in a given year, to specified objects or demands against the state."

The constitution of the United States, being article I, section 9, provides that no money be drawn from the treasury of the United States but in consequence of appropriations made by law. It is held that under this clause of the constitution it is necessary for congress to appropriate money for the support of the federal government and for payment of claims against it. This is done annually by acts of appropriation, some of which are for general purposes of government and others for special and private needs.

Pope on Legal Definitions, Vol. 1, page 98.

"The word appropriation, used in paragraph 7, section 9, article I of the constitution of the United States, relating to drawing money from the public treasury, is used to express the disposition of public moneys from the treasury by law."

It is generally believed, and I might say understood, that the word appropriation means the voting of money, but from the foregoing definition and holdings of the late text writers, we find that the word appropriation means when the same is designed or designated for some particular purpose, even after the Trustees of Rutgers College vs. Morgan, 60 Atlantic Reporter 205; also

Section 6 of the Century Digest

"By appropriation is meant the setting apart of public moneys by a legislative vote or enactment to be applied to specific objects and public expenditures."

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the City Council:

Gentlemen—I wish to call the attention of the council to the fact that there are several railroad crossings in the city of Lansing where public safety is not protected as it should be.

It is my opinion that all railroad crossings in the city limits where there is any great amount of traffic should be protected by gates or some signal service to properly warn the public of approaching danger.

I believe a committee should be appointed, consisting of three aldermen, the city engineer and city attorney, to immediately investigate all dangerous railroad crossings in the city and report back to this council their findings with recommendations what actions the city should take to have the railroad company place all such crossings in a safe condition that the public may cross without danger to property and life.

It is to be regretted that accidents happen like the one recently at the Grand Trunk crossing on S. Logan st., and it was only a year ago a life was taken at the same crossing.

I feel it my duty as mayor of the city to recommend to the council that some action be taken that a recurrence of these terrible accidents may not happen again.

B. A. KYES, Mayor.

Mayor appointed as such a committee: Aldermen McKale, Heeb and Dymond with the city engineer and city attorney.

#### MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Watley—

Whereas, there is some difference of opinion among legal authorities as to the legality of the appropriation made by a resolution of this council of November 28, 1921, to take \$300 from the contingent fund, through the poor fund, for the purpose of providing Christmas gifts for the indigent poor children of the city; and

Whereas, the object of such resolution is a highly laudable one, and one should be carried out if possible; and

Whereas, such object may be obtained in a manner free from any legal technicality or question by private contribution to the amount provided for and to the end that no annoyance or hindrance shall be placed in the way of the expenditure of such fund by any objecting taxpayer;

Therefore, be it resolved, that the mayor and each alderman each give to such purpose an amount equivalent to the salary received by him from the city for the period of one month and that such amounts be paid to the chairman of the committee heretofore appointed by the mayor to supervise the expenditure of such fund, on or before the 20th day of December, 1921.

Be it further resolved, that should there remain any amount in such donated fund over and above the sum deemed to be needed by said committee, that such excess be paid over to the ladies' auxiliary of the Maurice Harvey Dixon post of the American Legion, to be used by them for the Christmas of all disabled, infirm or sick ex-soldiers now in any hospital, sanitarium or home; and

Be it further resolved, that the resolution of November 28, 1921, providing as aforesaid for the drawing of money from the contingent fund is hereby rescinded.

By Ald. Fowler—

That the resolution be laid on the table.

Carried.

By Ald. Howe—

By Ald. Howe—

Whereas on January 29th, 1912, the city council of the city of Lansing adopted a resolution in words and figures as follows:

"Whereas it has been made to appear to the council that in the widening of Holmes st. from the south line of Michigan av. to the north line of the right of way of the Pere Marquette railway to a width of 33 feet on each side of the 1-4 line running north and south through the center of section 22 T. 2 N. R. 2 W. for which private property on the east side of said line was condemned and taken against the owner's consent which has resulted in leaving a strip of land 81-4 feet wide, more or less, lying west of a line 33 feet west of said quarter line which had before been dedicated to said city for street purposes which has become of no further use for the same.

"Therefore, it is hereby resolved that the mayor and city clerk shall execute and deliver a quit-claim deed to each of the owners of the property on the west side and adjacent to said street between the south line of Michigan ave. and the north line of the Pere Marquette railway such land as may lie between the east line of their premises and the line running north and south 33 feet west of the 1-4 line running north and south through the center of section 22 upon condition that such owners draw up and deliver to said mayor and city clerk such quit-claim deeds satisfactory to the city attorney as to form and description, and shall have at the time of the delivery of said deeds all special taxes due said city that may have been assessed against said property lying immediately west and adjacent to land conveyed in said quit-claim deed."

And whereas it was the intent and purpose of such resolution to vacate the said 81-4 ft. strip and to allow the title to the same to revert to the abutting property owners; and

Whereas, because of the uncertainty of the effect of the same because of certain charter restrictions on the conveying of interests in real property by the city council;

Therefore, be it resolved, that the following described property, to wit: A strip of land 81-4 ft. wide, more or less, lying west of a line 33 ft. west of the line running north and south through the center of section 22 T. 4 N. R. 2 W., and lying between the south line of Michigan ave. and the north line of the Pere Marquette railway" is hereby vacated and abandoned, and it is hereby declared to be of no further use for street purposes, as above set forth in the resolution of January 29th, 1912.

Referred to committee on city affairs.

Whereas it appears that the sidewalk at No. 308 on South Pennsylvania Ave. (north 40 feet of south 80 feet of lot 1 block 15 Green Oak addition) is in a dangerous condition and needs immediate repair. That the same has recently been called to the attention of the sidewalk committee and is of such a dangerous nature and character that it needs immediate attention and the abutting owner has failed to keep said sidewalk in good repair, and to give further or longer notice of the

same is liable to cause injuries to pedestrians and possibly involve the city in a suit for damages;

Therefore, be it resolved, that the superintendent of public works be and is hereby directed to forthwith repair said sidewalk and place it in a proper condition, and that the cost of the same be assessed against the abutting property;

Also the sidewalk at No. 319 on South Pennsylvania Ave. (south 20 feet of lot 6 and north 22 feet of lot 8 block 14, Green Oak addition);

Also the sidewalk at No. 329 on South Pennsylvania Ave. (commencing at northwest corner lot 10, south 2 rods, east 98 feet, northwesterly 19½ feet, east 1½ feet, north 13½ feet, west 6 rods of lot 10 block 14, Green Oak addition);

Also the sidewalk at No. 139 on Regent St. (lot 8 block 1, Hudson's addition);

Also the sidewalk at No. 120 on Regent St. (north 33½ feet of lot 4 block 2, Hudson's addition);

Also the sidewalk at No. 122 or 124 on Regent St. (south 16½ feet of lot 4 and west 17 feet of lot 5, block 2, Hudson's addition);

Also the sidewalk at No. 126 on Regent street (south 33 feet of lot 5 block 2, Hudson's addition);

Also the sidewalk at No. 206 on Regent St. (lot 10 block 2, Hudson's addition);

Also the sidewalk at No. 131 on Regent St. (lot 2 block 1, Hudson's addition);

Also the sidewalk at No. 109 on Clifford St. (north 68 feet of lot 1, Harrah's addition).

## ORDINANCES

Ald. Watley introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances.

An ordinance to amend sections 453, 454, 460 and 461 of article XXVII of an ordinance known and cited as the building code adopted April 27th, 1921, and to repeal ordinance 98 of the revised ordinances of

the city of Lansing as compiled January, 1918, entitled "An ordinance to license and regulate the moving of buildings upon the streets and other public places in the city of Lansing."

The city of Lansing ordains:

Section 1. Sections 453, 454, 460 and 461 of article XXVII of an ordinance known and cited as the building code as adopted April 27th, 1921, are hereby amended to read as follows:

Section 453. Removal of buildings. It shall be unlawful for any person or persons, firm, company or corporation to move or cause to be moved, or assist in moving any wooden or frame building, house, barn or other structure, from any location to another within the fire or fire-proof limits of this city; or to remove any building or buildings, house, barn or other structure, from one location to another whether on the same or different lots, unless the same shall be altered to conform to the class or type governing the construction of such building or structure at the time of moving the same, and in its new location; provided, however, that buildings erected prior to the enactment of this ordinance, when in sound structural condition, and fully safe and proper in the opinion of the building commissioner for use in the proposed new location and for the class of occupancy intended, may by special permission of the building commissioner be so moved, when this article is fully complied with in all other respects.

It shall be unlawful for any person, firm or corporation to engage in the business or occupation of moving buildings into and upon the public streets or other public places in the city of Lansing without first obtaining a license therefor.

The city clerk is hereby authorized to grant and issue a license to any person, firm or corporation, for such purpose upon the payment of a license fee of \$25 and the execution of a bond in the penal sum of \$1,000 with such surety or sureties as shall be approved by the city council, conditioned for the faithful observance of this ordinance and all rules and regulations imposed by said city relating to such business and conditioned further to hold the city of Lansing harmless from all loss, injury or damages, resulting from the moving of any building through the public streets or public places of said city, and to compensate the city of Lansing for any and all damage done directly or indirectly to the trees, pavements, streets, sidewalks, crosswalks and approaches; and any person, firm or corporation, for any damage to person or property by reason of any of the provisions of this ordinance.

Frontage consent, application. Permit. Section 454. It shall be unlawful to move any building to any lot fronting on any street in any location in the city in which more than  $\frac{1}{2}$  of the buildings on both sides of the street for a distance of 300 ft. in each direction along such street are occupied exclusively for residence purposes without a frontage consent as described in article XLIV for 150 feet in each direction along such street from the proposed new location.

No person, firm or corporation shall move any building into, upon or across any street or other public place in the city of Lansing unless licensed as above provided. In addition to being licensed, it shall be unlawful for any person, persons, firm, company or corporation to move or cause to be moved any building, or buildings, house, barn the building commissioner, and no person moving such building shall permit the same to stand on any street, alley or public ground for a longer period than two days.

Application for permit must be accompanied when required by the frontage consent as described above, and in all cases by the following written information:

1. Extreme length, width and height when mounted, of the structure to be moved.

2. Present location.

3. Proposed location.

4. Route of proposed moving.

5. Complete information, and plat

if required, showing location of building at the proposed site with reference to lot lines and to surrounding buildings within 30 ft. of the proposed building.

6. Date when such moving is to commence, and the probate time required for its completion.

Protection for public. Section 460. It shall be the duty of the person, firm or corporation so licensed and permitted, to move such building with all possible dispatch, and in such a manner least calculated to obstruct public travel on streets so occupied.

No building while being moved shall be left standing over any street crossing or street intersection at any time; and if it shall be necessary for such building to stand over night in any street or public place, the person having charge thereof shall place good and sufficient light, shining a bright red light upon the same as a warning to persons passing over such street of the situation thereof, and such light or lights shall be kept burning during the night.

Violation. Section 461. Every person, firm or corporation violating, neglecting or refusing to comply with any of the provisions of this article shall, upon conviction thereof, be punished by a minimum fine of \$100 and a maximum fine of \$500, or by imprisonment in the city penitentiary not exceeding 90 days or by both such fine and imprisonment in the discretion of the court.

Section 2. Ordinance number 98 of the revised ordinances of the city of Lansing, as compiled January, 1918, entitled "An ordinance to license and regulate the moving of buildings upon the streets and other public places in the city of Lansing" is hereby repealed.

Referred to committee on bonds and contracts.

A communication was received from Edward D. Rich in which he expressed the hope that the garbage department would be permitted and instructed to oversee and cause to be removed ashes from residences.

Received and placed on file.

To the city council:

Gentlemen—I have been reading with a great deal of interest articles published in the public press, relative to the municipal Christmas party given at the Prudden auditorium, Monday, December 26th, for the children of Lansing.

The unsettled condition of the country since the war has effected the homes as well as all industrial institutions. And parents have been compelled because of financial conditions to give up the Christmas program, heretofore carried out in the home, and at this season of the year when the children are looking forward to that little Christmas gift that brings happiness to their little lives, they should not be disappointed.

I notice by the articles published that the citizens of Lansing are heartily in accord with the Christmas party, and stand ready to do their bit to bring Christmas cheer to the lives of the little children of the city.

The Michigan United Railway company believing the Christmas party to be a most worthy proposition wishes to unite with the city in making this party a success.

It is our desire on Christmas day between the hours of one o'clock and six o'clock in the afternoon to turn over to the committee in charge our entire street car service to carry mothers and children to and from this Christmas party free of charge.

Very respectfully,  
Michigan United Railway Co.  
By ROYCE R. ARNEY,  
Superintendent.

Received and placed on file.

Resolution, by commissioner H. B. Lundberg:

Resolved by the board of water and electric light commissioners, That accordance with the approval of a bond issue at a special election held August 30, 1921, in the amount of \$1,650,000.00 for the building of a new power and light plant, together with necessary distribution system in the city of Lansing, that the city council be and are hereby requested to take the necessary steps for the issuance and sale of said bonds.

The report of the gas inspector for the month of Nov. and for the week ending Dec. 10, 1921, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—In anticipation of the needs of next season I am asking your honorable body to take steps towards the purchase of a new truck in place of the sprinkler truck which was used to replace the worn-out clinder truck; four steel tanks to replace the wooden tanks of the sprinkling wagons; also the trading of the two old street sweepers now owned by the city toward a new up-to-date sweeper. The cost of these could be allowed for in the budget of next year.

Respectfully,

A. WINEGAR,

Superintendent of public works.  
Referred to committee on city affairs.

To the Honorable Mayor and City Council:

Gentlemen—I herewith report that on December 8, I sold in Detroit 70 hogs weighing 19,160 lbs. at \$7.10 per hundred for which I have received a check for \$1,284.04 and credited same to garbage disposal.

19,160 lbs. at \$7.10 .....	\$1360.36

## REPORTS OF CITY OFFICERS

The report of the gas inspector for the week ending Dec. 17, 1921, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—The superintendent of public works to whom was referred the resolution of Alderman Clapham regarding the sprinkling tax on the following description, commencing on south line Mt. Hope ave. 907½ feet east of north ¼ post of section 28, south 619.72 feet, east 405 1-3 feet, north 619.72 feet, west 405 1-3 feet, to beginning, begs leave to report as follows:

This tax was correctly reported from my office and the excessive amount on the tax rolls is due to an error made when spread on the assessor's books.

Respectfully submitted,

E. WINEGAR,

Superintendent of public works  
Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—In accordance with your order of November 21 a rail was constructed in front of lot 10, Jones, Smith & Chapman's subdivision of lot 1, block 240 and I herewith report the cost of same to be \$8.15.

Labor .....	2.25
Nails, bolts, nuts .....	1.00

Also draining and filling lot 346 Leslie park subdivision, ordered July 25, I report the cost as \$34.90 for labor.

Respectfully submitted,

A. WINEGAR,

Superintendent of public works.  
Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to an order from your honorable body I hereby submit special assessment rolls, estimated cost, for the following:

Curb and gutter in Hillsdale st. from Cherry st. to River st.

Curb and gutter in Lenawee st. from Pine st. to Chestnut st.

Graveling Clear st. from Elm st. to Hazel st.

## REPORTS OF COMMITTEES:

The committee on bonds and contracts to whom was referred the application of the Ben Hur lodge for license to conduct a public dance hall, begs leave to report as follows:

We recommend that the license be granted.

S. S. MAIN,

M. A. TEMPLETON,

A. H. PHILLIPS,

Committee on bonds and contracts.

By Ald. Main—

That the report of the committee of be adopted.

Carried.

The committee on streets to whom was referred the petition to construct curb and gutter and widen pavement in Cedar st. from Hazel st. to Mt. Hope ave., begs leave to report as follows:

We recommend the petition be granted.

O. C. HOWE,

M. A. TEMPLETON,

A. E. DYMOND,

Received and placed on file.

The special committee appointed to visit the Maurice Harvey Dixon post and the sanitarium to ascertain if they were in need of any assistance, begs leave to report as follows:

Your committee has visited the Tuberculosis sanitarium and interviewed the soldiers and find they are receiving good care and sufficient food of good quality and are being

taken care of from a financial standpoint by the United States government. These ex-soldiers would hardly welcome public charity to give them Christmas cheer but we recommend that special attention be given through all charitable organizations as well as by the city to all ex-soldiers, wives and children which we are confident will be done when they are found to be needy.

W. T. BRITTEN,  
M. A. TEMPLETON,  
E. D. KLOCK,

Committee.

By Ald. Britten—

That report of the committee be adopted.  
Carried.

The special committee appointed to investigate various railroad crossings in the city, begs leave to report as follows:

We have had one meeting and report progress and ask for more time to complete investigation.

W. H. MCKALE,  
E. L. HEEB,  
D. G. WARNER,

Committee.

By Ald. McKale—

That the committee be granted further time in which to report.  
Carried.

The committee to whom was referred the matter of the consolidation of telephone companies in the city, to the end that we would have but one system, and in default of anything being done by the telephone companies to take some steps towards the elimination of one of the phone systems, begs leave to report as follows:

That they have had this matter under consideration for some time and have spent considerable time and undertaking to determine, if possible the status of the telephone companies in the city, and report that they have learned that some two or three years ago an undertaking was made whereby one system was to purchase the interest of the other in different cities and divide territory in the state of Michigan. We have learned upon investigation that this has fallen through. That the attention of the utilities commission was called to the matter and that the said commission invited the representatives of each company to meet with them, to the end that something might be accomplished along the line of division of territory or consolidation. That nothing definite was accomplished and the matter was adjourned before the utilities commission until January 3rd, at which time it is expected the representatives of the company will lay their matters before the board or agree upon a plan if possible.

In short, so far nothing has been accomplished by the companies or either of them to bring about the

desired condition in this city, and your committee cannot now hold out any flattering prospects that such may be accomplished, but hopes the same may be.

In conclusion, your committee recommends that this council take some definite stand, after a reasonable time has elapsed and after it has ascertained that nothing will be done by the companies, as to which company it shall support, and in so doing take into consideration the equities of the matter and the interests of the citizens of the city generally, hoping thereby to bring about a move that will relieve the citizens of the burden now upon them.

S. S. MAIN,  
M. A. TEMPLETON,  
E. S. AVERY,

By Ald. Main—

That report of committee be adopted.  
Carried.

Your city plan commission to whom was referred the matter of preparing a zoning ordinance, (council proceedings, June 13, 1921) begs leave to report as follows:

We submit herewith a tentative draft of a zoning ordinance and respectfully ask that January 5 and 6, 1922 at 7:30 p. m. be set as the time for public hearings before the city plan commission on the proposed ordinance.

On account of the importance of the proposed ordinance we respectfully recommend that it be ordered printed in the council proceedings of this date.

Respectfully submitted,  
City Plan Commission,  
O. E. ECKERT,

Secretary.

By Ald. Britten—

That the report be adopted and ordinance printed in the three papers of the city providing the price of printing is the same as the contract price.

Adopted by the following vote:  
Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.

Nays—None.

The committee on ways and means to whom was referred the communication from the board of water and electric light commissioners, relative to taking necessary steps for the issuance and sale of electric light and power plant bonds authorized at special election held August 30, 1921, begs leave to report as follows:

We have taken the matter up with the board of water and electric light commissioners and learn that out of the total issue authorized of \$1,650,000, all that will be needed for the next six months is this approximately \$500,000. We have also had a

conference with the committees on street, sewers and bridges as to the advisability of offering for sale the balance of the bridge bonds \$100,000 authorized at spring election held April 4, 1921 and the balance of the paving bonds \$200,000 and sewerage bonds—\$100,000 authorized at special election held August 30, 1921.

We have made a study of the municipal bond market and find that municipals with maturities ranging from years 1935 to 1950 with interest rate of 4% per cent per annum are selling at a premium, while municipals with maturities ranging from 1923 to 1932 with interest rate at 5 per cent are selling very close to par. We are of the opinion that there will be a slight improvement in the market by January 3, 1922, for the reason that interest and maturity periods on a large per cent of securities fall due on or about the first of the year, thereby creating large sums for re-investment. After a careful consideration of the subject we beg leave to make the following recommendations:

First, That all paving, sewerage and bridge bonds, and \$500,000 of the electric light and power plant bonds as listed in the following schedule of maturities under years 1930 to 1936, inclusive, be sold at this time.

Second, That the bonds shall be designated as follows:

"City of Lansing Paving Bond."  
"City of Lansing Sewerage Bond."  
"City of Lansing Bridge Bond."  
"City of Lansing Electric Light and Power Plant Bond."

Third, That the interest rate on the bonds to be sold at this time shall be as follows:

5 per cent on the paving, sewerage and bridge bonds, payable semi-annually.

4% per cent on the electric light and power plant bonds, payable semi-annually.

Fourth, That all bonds sold at this time be dated January 3, 1922.

Nays—None.

### ORDINANCES

By Ald. Watley—

That the council resolves itself into a committee of the whole to consider ordinances.

Carried.

The mayor called Ald. Dymond to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An Ordinance to amend Section 4 of ordinance No. 63 of the compilation of ordinance for the city of Lansing for the year 1918, entitled "An Ordinance to regulate and prescribe the duties of the city physician," and would recommend that said ordinance be passed.

Council then resumed regular session.

By Ald. Watley—

That council rule No. 23 be suspended and the ordinance under consideration be now read a third time.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.  
—15.

Nays—None.

The ordinance was then read a third time as follows

An ordinance to amend section 4 of ordinance No. 63 of the compilation of ordinance for the city of Lansing for the year 1918, entitled "An ordinance to regulate and prescribe the duties of the city physician."

The city of Lansing ordains:

Sec. 1. That section 4 of an ordinance entitled "An ordinance to regulate and prescribe the duties of the city physician," being ordinance No. 63 of the compilation of ordinances for the city of Lansing for

the year 1918, is hereby amended to read as follows:

Section 4. The city physician shall furnish, at the city's expense, all medicines which may be necessary in the skillful and proper treatment of such sick or disabled person, as may be a charge upon the city, and such other poor persons as it may be the duty of the city to care for; and a so such vaccine points as may be required to carry into effect the provisions of this ordinance. When the city physician deems it necessary to place any patient in any of the hospitals of the city of Lansing or elsewhere for the purpose of operation or better treatment he shall notify the director of the poor in writing, giving the name, the place where found, the financial circumstances of the patient as far as possible, the residence, and such other facts in relation to such patient as may be necessary. The poor director shall then, if in his judgment it is necessary to place said patient in the hospital or elsewhere for the purpose of operation or better treatment at the expense of the city issue an order to the health department or city physician to place said patient in such hospital or place as may be designated.

By Ald. Watley—

That the ordinance entitled "An ordinance to amend Sec. 4 of ordinance No. 64 of the compilation of ordinances for the city of Lansing for the year 1918, entitled "An ordinance to regulate and prescribe the duties of the city physician," be now passed.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.  
—15.

Nays—None.

### LANSING, MICHIGAN

#### PROPOSED

#### ZONE ORDINANCE

An ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected or altered, to regulate and limit the percentage of lot occupancy, and to regulate and determine the area of yards, courts and other open spaces surrounding buildings, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes to divide the city into districts and prescribe penalties for the violation of its provisions.

The city of Lansing ordains:

# Section 1.—Definitions.

For the purpose of this ordinance, certain terms and words are hereby defined, as follows:

Words used in the present tense include the future; words in the singular include the plural number, and words in the plural number include the singular number; the word "building" includes the word "structure"; the word "shall" is mandatory and not directory. (Any word not herein defined shall be construed as defined in the the Housing Code of Michigan, Act 167, Public Acts of 1917, and amendments thereto)

**Accessory Building:** A subordinate building or portion of main building, located in and occupying not more than 30 percent of the rear yard of the main building, whose use is incidental to that of the main building, and which does not exceed twelve (12) feet in height.

**Alley:** A public thoroughfare not over twenty-four (24) feet wide

**Apartment House:** See "Multiple Dwelling."

**Apartment Hotel:** An apartment hotel is a multiple-dwelling in which are provided dining room accommodations for the joint use of the apartment house tenants only.

**Apartment:** A household unit in a multiple dwelling, tenement or apartment house, suitable for occupancy for one or more persons.

**Area:** See "Building Area."

**Basement:** A story partly underground, but having at least one-half of its height above the highest level of the adjoining ground. A basement, if not occupied for living purposes by other than the janitor or his family, shall not be included as a story for purpose of height measurement.

**Boarding House:** A boarding house is a building or place wherein table board is provided to five or more individuals pursuant to previous arrangement and not to any who may apply.

**Building:** A structure having a roof supported by columns or walls for the shelter, support or enclosure of persons, animals or chattels; and when separated by division walls from the ground up, and without openings, each portion of such building shall be deemed a separate building except as provided in section 15.

**Building Area:** The maximum horizontal projected area of a building and its accessory buildings, excluding open steps, terraces, and cornices projecting not more than thirty (30) inches.

**Cellar:** A cellar is a story having more than one-half of its height below the highest level of the adjoining ground and not occupied for living

purposes. A cellar shall not be counted as a story for the purpose of height measurement.

**Community Garages:** A series of private garages located jointly on a common lot and having no public shop or service in connection therewith, with total capacity for not more than five automobiles. Community garages may exceed a five automobile capacity provided the lot whereon such community garages are located shall contain 1,000 square feet for each automobile stored.

**Curb Level:** The curb level is the level of the established curb in front of the building measured at the center of such front. Where no curb has been established the city engineer shall establish such curb or its equivalent for the purpose of these regulations.

**Depth of Rear Yard:** The mean horizontal distance between the rear line of the building and the center line of the alley, where an alley exists; otherwise the rear lot line.

**Depth of Lot:** The mean horizontal distance between the front and rear lot lines.

**Dwelling:** Is any house or building, or portion thereof, which is occupied in whole or in part as the home or residence of one or more human beings.

**District:** A section of the city of Lansing for which the regulations governing the height, the area or the use of buildings and premises are the same.

**Group House:** A group of not more than four (4) one-family dwellings, erected simultaneously as one building, under the same roof.

**Height of Building:** The vertical distance measured from the curb level opposite the middle of the front of the building to the highest point of the roof for flat roofs; to the deck line for mansard roofs; and to the mean height level (between eaves and ridge) for gable and hip roofs. Where a building is located upon a terrace the height may be measured from the average ground level of the terrace at the building wall.

**Height of Yard:** The vertical distance from the lowest level of such yard to the highest point of any bounding wall.

**Hotel:** A hotel is a building in which lodging is provided with or without meals (for more than fifty (50) persons) and offered to the public for compensation. As such it is opened to transient guests in contradistinction to a boarding house, a lodging house, an apartment house or an apartment hotel which are herein specifically defined.

**Lodging House:** A lodging house is a building or place providing lodgings to individuals pursuant to previous arrangement and not to any one who may apply.

**Lot.** Lands occupied or to be occupied by a building and accessory buildings and including such open spaces as are required under this ordinance and having its principal frontage upon a public street or officially approved place.

**Lot, corner.** Lot, triangular: A lot fronting on two or more streets at their junction, said streets forming with each other an angle of 45 degrees or more, is a corner lot. When the angle formed by the intersecting street is less than 45 degrees, such a lot shall be known as a triangular lot. For the purpose of determining the percentage of lot occupancy, corner and triangular lots shall be assumed to have an area not greater than 5,000 square feet and a frontage not greater than 100 feet on either of the intersecting streets.

**Lot, interior:** A lot other than a corner lot or triangular lot, having frontage on two streets, call.

**Lot, lines:** The lines bounding a lot as defined herein.

**Multiple dwelling:** Is a dwelling which is occupied more or less permanently for residence purposes by several families and in which the rooms are occupied in apartments, suites or groups, includes tenement houses, flats, apartment houses, apartment hotels, and all other dwellings similarly occupied, whether specifically enumerated herein or not.

**Not conforming use:** A building or premises occupied by a use that does not conform with the regulations of the use district in which it is situated.

**One family dwelling:** Is a building occupied as a dwelling by not more than one family.

**Percentage of lot occupancy:** That portion of the area of a lot, as hereinafter defined, which is occupied or which may be occupied under this ordinance as building area.

**Place:** An open unoccupied space dedicated to purposes of access for abutting property.

**Private garage:** A garage with a capacity for not more than three steam or motor-driven vehicles.

**Public garage:** Any premises used for housing or care of more than three steam or motor-driven vehicles, or where any such vehicles are equipped for operation, repaired, or kept for remuneration, hire or sale, not including exhibition or show rooms for motor cars.

**Private stable:** A stable with a capacity for not more than four horses, all but one of which shall be the property of one owner.

**Public stable:** A stable with a capacity for more than four horses.

**Rear yard:** An open unoccupied space on the same lot with a building between the rear line of the building (excluding accessory buildings) and the rear line of the lot, for the full width of the lot.

**Setback:** The minimum horizontal distance between the front line of the building (excluding steps and porches) and the front line of the lot.

**Side yard:** An open unoccupied space on the same lot with a building between the building and the side line of the lot extending through from the front building line to the rear yard.

**Street:** A public thoroughfare more than twenty-four (24) feet wide.

**Story:** That portion of a building included between the surface of any floor next above it, or if there be no floor above it then the space between such floor and the ceiling next above it.

**Half story:** That portion of a building in the 35-foot height district between the eaves and ridge lines of a pitched roof, which may or may not be used for tenant purposes.

**Structural alterations:** Any change in the supporting members of a building, such as bearing walls or partitions, columns, beams, or girders, excepting such alterations as may be required for the safety of the building.

**Tenement house:** See Multiple Dwelling.

67. And in general those uses which have been declared a nuisance in any court of record, or which may be noxious, or offensive by reason of the emission of odor, dust, smoke or noise.

#### Section 7.—"E" Unrestricted District.

In the "E" unrestricted district building and premises may be used for any purpose whatsoever, provided the provisions of the present or hereafter adopted ordinance of the city of Lansing, regulating the location or maintenance of nuisances, are complied with.

#### Section 8.—Non-Conforming Uses.

The lawful use of a premises existing at the time of adoption of this ordinance, although such use does not conform to the provisions hereof, may be continued, but if such non-conforming use is discontinued, any future use of said premises shall be in conformity with the provisions of this ordinance.

The lawful use of a building existing at the time of the adoption of this ordinance may be continued, although such does not conform with the provisions hereof, and such use may be extended throughout the building provided no structural alterations, except those required by law or ordinance are made therein. If no structural alterations are made, a non-conforming use of a building may be changed to a use of the same or higher classification according to the provisions of this ordinance, and provided further that whenever a Use District shall be hereafter changed, any then existing non-conforming use in such changed district may be continued or changed to a use of a similar or higher classification, provided all other regulations governing the new use are complied with. Whenever a non-conforming use of a building has been changed to a higher classification or to a conforming use, such use shall not thereafter be changed to a use of a lower classification.

A building located in a district restricted against its use when damaged by fire or other causes to the extent of more than fifty (50) per cent of its assessed value shall not be repaired or altered for any use not in conformity with the provisions of this ordinance for the district in which it is located.

### Section 9.—Height and Area District Regulations.

In order to regulate and limit the height and bulk of buildings hereafter erected or altered; to regulate and limit the percentage of lot occupancy; to regulate and determine the area of yards, courts and other open spaces, and to limit and restrict the maximum number of families which may be housed in dwelling hereafter erected or altered, the city of Lansing is hereby divided into districts of which there shall be five, known as:

- "A" Height and Area District.
- "B" Height and Area District.
- "C" Height and Area District.
- "D" Height and Area District.
- "E" Height and Area District.

The city of Lansing is hereby divided into the five (5) districts aforesaid and the boundaries of such districts are shown upon the map attached hereto and made a part of this ordinance, being designated as the "Height and Area District Map," and said map and all the notations, references and other things shown thereon shall be as much a part of this ordinance as if the matters and things set forth by said map were all fully described herein.

Except as hereinafter provided no building shall be erected or altered to exceed in height and limit herein established for the district in which such building is located. Provided further that no new building shall be erected, nor shall an existing building be altered, enlarged or rebuilt, nor shall any open spaces surrounding any building be encroached upon or reduced in any manner, except in conformity with the regulations hereby established for the district in which such building is located.

### Section 10.—"A" Height and Area District.

In the "A" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter shall exceed thirty-five (35) feet or two and one-half (2½) stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth of sixteen (16) feet for a one story building, eighteen (18) feet for a two or two and one-half story building, and twenty (20) feet for a three story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than that required for an interior lot.

On corner lots abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

**Side Yard:** There shall be a side yard on each side of the lot of not less than three (3) feet in width, provided, however, that buildings used for commercial purposes and located in a "C" commercial district may waive this side yard requirement.

**Setback:** There shall be a setback of not less than twenty (20) feet. Where a new building is erected adjoining existing buildings which have setbacks greater than twenty (20) feet, the new building shall set back a distance equal to the average setback of the building within one hundred (100) feet on either side.

**Lot Occupancy:** No building with its accessory buildings shall occupy in excess of 40% of an interior lot, nor in excess of 50% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than ten (10) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any plot of ground shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by ten (10).

### Section 11.—"B" Height and Area District.

In the "B" Height and Area District and height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed forty-five (45) feet or three stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth of sixteen (16) feet for a one story building, eighteen (18) feet for a two story building, and twenty (20) feet for a three story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than required for an interior lot.

On corner lots abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

**Side Yard:** There shall be a side yard on each side of the lot of not less than three (3) feet in width, provided, however, that a side yard shall in no case be less than one (1) inch in width for each foot of building length, and provided further that buildings used for commercial purposes and located in a "C" commercial district may waive this side yard requirement.

**Setback:** There shall be a setback of not less than twenty (20) feet. Where a new building is erected adjoining existing buildings which have setbacks greater than twenty (20) feet, the new building shall set back a distance equal to the average setback of the buildings within one hundred (100) feet on either side.

**Lot Occupancy:** No buildings with its accessory buildings shall occupy in excess of 50% of an interior lot, not in excess of 60% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than eighteen (18) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any plot of ground shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by eighteen (18).

#### Section 12.—"C" Height and Area District.

In the "C" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed seventy-five (75) feet or six (6) stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth as follows: Sixteen (16) feet for a one (1) story building, eighteen (18) feet for a two (2) story building, twenty (20) feet for a three (3) story building, twenty-four (24) feet for a four (4) story building, and twenty-eight (28) feet for a five (5) story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than required for an interior lot.

On corner lot abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

**Side Yard:** There shall be a side yard on each side of the lot having a width of not less than three (3) feet. In no case shall the width of the side yard be less than one (1) inch for each foot of building length.

**Setback:** There shall be a setback of not less than twenty (20) feet. Where a new building is erected adjoining existing buildings which have setbacks greater than twenty (20) feet, the new building shall set back a distance equal to the average set back of the buildings within one hundred (100) feet on either side.

**Lot Occupancy:** No building with its accessory buildings shall occupy in excess of 60% of an interior lot, nor in excess of 70% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than seventy-five (75) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any plot of ground shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by seventy-five (75).

#### Section 13.—"D" Height and Area District.

In the "D" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed seventy-five (75) feet or six (6) stories.

**Rear Yard:** There shall be a rear yard of not less than fifteen (15) feet.

**Side Yard:** A side yard, if provided, shall be not less than three (3) feet wide, nor less than three-fourths ( $\frac{3}{4}$ ) of an inch in width for each foot of building length.

**Lot Occupancy:** No building with its accessory buildings shall occupy in excess of eighty (80) per cent of an interior lot, nor in excess of ninety (90) per cent of a corner lot. Buildings used for residential purposes shall comply with the regulations of the "C" Height and Area District.

#### Section 14.—"E" Height and Area District.

In the, "E" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed one hundred (100) feet or eight (8) stories.

**Rear Yard:** There shall be a rear yard of not less than ten (10) feet.

**Side Yard:** A side yard, if provided, shall be not less than three (3) feet; nor less than three-fourths of an inch wide for each foot of building length.

**Lot Occupancy:** A building with its accessory buildings may occupy the entire lot on the first floor, provided the required provision for a rear yard is complied with. Above the first floor a building shall not occupy in excess of ninety (90) per cent of a corner lot, nor in excess of eighty (80) per cent of an interior lot. Buildings used for residential purposes shall comply with the regulations of the "C" Height and Area District.

#### Section 15.—Height and Area District Exceptions.

The foregoing requirements in the height and area district shall be subject to the following exceptions and regulations:

##### Height—

**First:** That in the "A" and "B" Height and Area Districts, public or semi-public buildings, hospitals, sanitariums or schools may be erected to a height not exceeding sixty (60) feet, when set back from all lot lines, not less than one foot for each foot such building exceed thirty-five (35) and forty-five (45) feet respectively in height.

**Second:** Private and two-family dwelling in the "A" Height and Area District may be increased in height by not more than ten (10) feet when two (2) side yards of not less than fifteen (15) feet each are provided. Such dwellings, however, shall not exceed three (3) stories in height.

**Third:** Churches, cathedrals and temples, which have side yards on all sides and comply with the area restrictions of the "A" Height and Area District may be erected as to the height and regulations in accordance with existing or hereafter adopted ordinances of the city of Lansing.

**Fourth:** Chimneys, cooling towers, elevator bulkheads, fire towers, gas tanks, grain elevators, light-houses,

pent houses, stacks, stage towers or scenery lofts, sugar refineries, tanks, water towers, ornamental towers and spires, wireless towers or necessary mechanical appurtenances may be erected as to their height in accordance with existing or hereafter adopted ordinances of the city of Lansing. A tower may be erected on a building having a minimum frontage of one hundred (100) feet on a street, provided such tower occupies not more than 50% of the frontage of the street, is removed twenty-five feet from any adjoining property line and shall have a maximum horizontal area not to exceed thirty-six hundred (3600) square feet. A tower may be erected on a building having a frontage on three or more streets, but such tower shall have a maximum horizontal dimension of not more than 50% of the average frontage of the building on all streets, shall be removed at least twenty-five (25) feet from any adjoining property line, and shall have a maximum horizontal area not to exceed thirty-six hundred (3600) square feet.

**Fifth:** On "through" lots one hundred (100) feet or less in depth the height of a building may be measured from the curb level on either street. On through lots more than one hundred (100) feet in depth the height regulations and basis of height measurement for the street permitting the greater height shall apply to a depth of not more than one hundred (100) feet from that street.

##### Area—

**First:** For purposes of the area regulations a semi-detached dwelling in the "A" Residence District, or group house or row house in the "B" Residence District may be considered as one building and occupying one lot.

**Second:** Buildings on through lots and running through from street to street may waive the requirements for a rear yard when complying with the percentage of lot occupancy by furnishing other open spaces in lieu of such required rear yard.

**Third:** In computing the depth of a rear yard or the width of a side yard for any building where such yard opens onto an alley or street, one-half of such alley or street may be assumed to be a portion of the yard.

**Fourth:** In computing the percentage of lot occupancy in the "D" and "E" Height and Area Districts where a lot abuts on an alley, one-half the width of the abutting alley may be assumed to be a portion of the lot.

**Fifth:** Every part of a required yard shall be open from its lowest point to the sky unobstructed, except for the ordinary projections of skylight above the bottom of such yard, and except for the projection of sills, belt courses, cornices and ornamental features not to exceed four (4) inches.

**Sixth:** No cornice shall project over the street line more than five (5) per cent of the width of such street, and shall in no case project more than five (5) feet.

**Seventh:** Open or lattice enclosed fire escapes, fireproof outside stairways and solid floored balconies opening upon fire towers, projecting into a yard not more than five (5) feet, and the ordinary projections of chimneys and flues, may be permitted by the Building Commissioner where same are so placed as not to obstruct the light and ventilation.

#### Section 16.—Board of Appeals.

**Creation of Membership:** A Board of Appeals is hereby established. The word "Board" when used in this section shall be construed to mean the Board of Appeals. The Board shall consist of five members, of whom not less than two (2) shall be members of the City Planning Commission, appointed by the mayor for terms of one (1) for one year, two (2) for two years, and two (2) for three years, respectively, in the first instance, and thereafter appointments shall be for three (3) years each. The chairman of the Board shall be annually elected by the members of the Board. All members of the Board shall serve without compensation.

**Meetings:** Meetings of the Board shall be held at least once a month and at such other times as the Board may determine. There shall be a fixed place of meeting and all meetings shall be open to the public. The Board shall adopt its own rules of procedure and keep a record of its proceedings, showing the action of the Board and the vote of each member upon each question considered. The presence of four members shall be necessary to constitute a quorum.

**Appeal:** Appeal from the ruling of the Building Inspector concerning the enforcement of the provisions of this ordinance may be made to the Board of Appeals within such time as shall be prescribed by the Board by general rule. The appellant shall file with the Building Inspector and with the Board of Appeals a notice of appeal, specifying the grounds thereof. The Building Inspector shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed for was taken.

**Stay:** An appeal stays all proceedings in furtherance of the action appealed from unless the Building Inspector, from whom the appeal is taken, certifies to the Board of Appeals, after the notice of appeal shall have been filed with him, that by reason of facts stated in the certificate, a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by the Circuit Court, on application, on notice to the Building Inspector, from whom the appeal is taken and on due cause shown.

**Jurisdiction:** The Board of Appeal may, in specific cases, after public notice and hearing, and subject to appropriate conditions and safeguards, determine and vary the application of the use, height and area district regulations herein established in harmony with their general purposes and intent as follows:

(1) Grant a permit in a residence district for a temporary building for commerce or industry incidental to the residential development, such permit to be issued for a period of not more than one (1) year.

(2) Grant a permit for the reconstruction within twelve (12) months of a building destroyed by fire or other causes to the extent of not more than one-half of its assessed value when such building is located in a district restricted against its use.

(3) Grant a permit for the extension of a use or height and area district for a distance of not more than twenty-five (25) feet where the boundary line of a district divides a lot in a single ownership at the time of the adoption of this ordinance.

(4) Grant a permit for the enlargement of existing building or buildings, or erection on the same lot or plot of ground of additional buildings for a trade, business or industry located in a district restricted against its use, where such enlargement or expansion of such trade, business or industry will not be detrimental to or tend to alter the character of the neighborhood.

(5) Grant a permit for the erection and use of a building or the use of a premises in any location to a public service corporation or for public utility purpose which the Board admits reasonably necessary for the public convenience or welfare.

(6) Interpret the provisions of this ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the maps fixing the several districts accompanying and made a part of this ordinance.

where the street layout actually on the ground varies from the street layout as shown on the maps aforesaid.

(7) Adopt from time to time such rules and regulations as may be deemed necessary to carry into effect the provisions of this ordinance.

#### Section 17.—Occupancy Permits.

No land shall be occupied or used in any building hereafter erected or altered shall be occupied or used in whole or in part for any purpose whatsoever until a certificate shall have been issued by the building inspector, stating that the building complies with all the building and health laws and ordinances and with the provisions of these regulations.

No change of use shall be made in any building or part thereof now or hereafter erected or altered that is not consistent with the provisions of these regulations. Nothing in this section shall prevent the continuance of the present occupancy or use of any existing building, except as may be necessary for safety of life and property.

Certificates for occupancy and compliance shall be applied for coincident with the application for a building permit and shall be issued within ten 10 days after the erection or alteration of such buildings shall have been completed. A record of all certificates shall be kept on file in the office of the building commissioner and copies shall be furnished, on request, to any person having a proprietary or tenancy interest in the building affected. A fee of fifty cents shall be charged for each original certificate and 25 cents for each copy thereof.

No permit for excavation for or the erection of any building shall be issued before application has been made for certificate of occupancy and compliance. No building or premises may be occupied until such certificate shall have been issued.

#### Section 18.—Plats.

All applications for building permits shall be accompanied by a plat in duplicate drawn to scale showing the actual dimensions of the lot to be built upon, the size of the building to be erected, and such other information as may be necessary to provide for the enforcement of these regulations. A careful record of such applications and plats shall be kept in the office of the building commissioner. No yard, court or other open space provided about any building for the purpose of complying with the provisions of these regulations shall again be used as a yard, court or other open space for another building.

#### Section 19.—Use Permit.

No change shall be made in the use of a building with out a permit having first been issued by the building commissioner, and no permit shall be issued to make such a change unless it is in accordance with the provisions of this ordinance or amendments thereto hereafter duly enacted.

#### Section 20.—Interpretation, Purpose and Conflict.

In interpreting and applying the provisions of this ordinance, they shall be held to be the minimum requirements for the promotion of the public safety, health, convenience, comfort, prosperity and general welfare. It is not intended by this ordinance to interfere with or abrogate or annul any ordinance, rules, regulations or permits previously adopted or issued, and not in conflict with any of the provisions of this ordinance or which shall be adopted or issued, pursuant to law relating to the use of buildings or premises, nor is it intended by this ordinance to interfere with or abrogate or annul any easements, covenants, or other agreements between parties, provided, however, that where this ordinance imposes a greater restriction upon the use of building or premises or upon height of building or requires larger open spaces than are imposed or required by such ordinances, rules, regulations or permits, or by easements, covenants, or agreements, the provisions of this ordinance shall control.

#### Section 21.—Violation; Penalty.

Any person, firm or corporation who violates, disobeys, omits, neglects or refuses to comply with or who resists the enforcement of any of the provisions of this ordinance shall be fined not less than twenty-five (25) dollars or more than two hundred (200) dollars for each offense. Each day that a violation is permitted to exist shall constitute a separate offense.

#### Section 22.—Boundaries of Districts.

Where uncertainty exists with respect to the boundaries of the various districts as shown on the maps accompanying and made a part of this ordinance the following rules shall apply:

(a) The district boundaries are either streets or alleys unless otherwise shown and where the designation on the maps accompanying and made a part of this ordinance indicating the various districts are approximately bounded by streets or alley lines, said street or alley shall be construed to be the boundary of such district.

(b) Where the district boundaries are not otherwise indicated and where the property has been or may hereafter be divided into blocks and lots, the district boundaries shall be construed to be lot lines, and where the designations on the maps accompanying and made a part of this ordinance indicating the various districts are approximately bounded by lot lines, said lot lines shall be construed to be the boundary of such district, unless said boundaries are otherwise indicated on the maps.

(c) In subdivided property, the district boundary lines on the maps accompanying and made a part of this ordinance shall be determined by use of the scale contained on such maps.

#### Section 23.—Validity.

Should any section, clause or provision of this ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

#### Section 24.—Changes and Amendments.

The city planning commission may, of its own motion or upon petition signed by the owners of a majority of the property according to frontage in any district or portion thereof, prepare an ordinance amending, supplementing, or changing the district boundaries or the regulations herein established. The city planning commission shall cause to be prepared a notice indicating the proposed change in the regulations or in the district boundary lines and describing the boundaries of the territory to be affected, which notice shall set a date for a public hearing for consideration of such proposed amendment, supplement or change. After due publication and posting and public hearing of such proposed amendment, supplement or change, as required by law, the city planning commission may cause such ordinance to be introduced in the city council of the city of Lansing. Whenever a written protest against such proposed amendment, supplement, or change, signed by the owners of twenty (20) per cent of the frontage proposed to be altered, or by the owners of twenty (20) per cent of the frontage immediately adjoining or across an alley therefrom, or by the owners of twenty (20) per cent of the frontage directly opposite the frontage proposed to be altered, shall have been filed with the city planning commission, the ordinance providing for such proposed amendment, supplement or change shall not be passed except by the favorable vote of three-fourths of the members of the city council.

If any area is hereafter transferred to another district by a change in district boundaries by an amendment, as above provided, the provisions of this ordinance in regard to buildings or premises existing at the time of the passage of this ordinance shall apply to buildings or premises existing at the time of the passage of such amendment in such transferred areas.

#### Section 25.—Conflicting Provisions Repealed.

All ordinances or parts of ordinances in conflict with any of the provisions of this ordinance are hereby repealed.

#### Section 26.—When Effective.

This ordinance shall be in effect from and after its passage, publication and recording, according to law, thirty days after publication.

#### ORDINANCES.

Ald. Main. introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances.

An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license and regulate public dance halls and public dances as adopted February 24th, 1919.

The city of Lansing ordains:

Sec. 1. From and after the date when this ordinance takes effect it shall be unlawful for any person, co-partnership or corporation owning or controlling any room, hall or premises in the city of Lansing to use or permit such room, hall or premises to be used or occupied as a place for conducting or holding a public dance or roller skating rink, unless such room, hall or premises shall be provided and supplied with individual water closets of durable, non-absorbent material, properly connected with the sewer, and with ample flush of water to thoroughly cleanse the bowl; to be located inside of the building containing such room or dance hall; in two separate compartments, one for the use of females and one for the use of males, completely separated from each other; and each of such compartments shall be thoroughly ventilated, and shall at all times be kept in a clean and sanitary condition, and unless such person, co-partnership or corporation shall first obtain a license subject to the provisions of this ordinance, authorizing such person, co-partnership or corporation to rent, lease, use or permit such premises to be used for the purpose of conducting a public dance or roller skating rink.

Sec. 2. The clerk of the city of Lansing may grant, upon recommendation of the city council, under his hand and the official seal of said city a license to any suitable person, co-partnership or corporation to rent, lease, use or permit the use of such premises for a public dance hall or roller skating rink, subject to the provisions of this ordinance, for a period of one year or less, but in no event shall such license extend beyond the first Monday of May first succeeding the issuance thereof. Such license shall designate the particular place in said city where such dance hall or roller skating rink may be operated. Any person, co-partnership or corporation making application to the city clerk for any such license shall state under oath the particular place or premises which is to be rented, leased, or used as a

public dance hall or roller skating rink, and if in a district where more than 50 per cent of the frontage within a radius of 300 feet from such premises is used for residential purposes that at least 65 per cent or more of the owners of property within the said radius of 300 feet of such dance hall or roller skating rink have consented thereto and that the building in which such dance hall or roller skating rink is located has the toilet equipments specified in section one of this ordinance; and shall pay to said clerk a license fee of \$50.00, provided such license is proposed to be carried on for one year, and where the time for such business is proposed to be carried on is less than one year then the license fee to be paid shall be \$10.00 per month or fraction thereof.

Sec. 3. Any person, co-partnership or corporation applying for a license to carry on the business of conducting a public dance hall or roller skating rink shall accept and such license shall be granted upon the express condition that it may be revoked at the will of the city council, after reasonable notice and an opportunity for the holder of such license to be heard; whenever it shall be determined by a majority vote of the aldermen elect that such public dance hall or roller skating rink has been or is being conducted by such person, co-partnership or corporation or the lessee or assignee of such person, co-partnership or corporation in a manner detrimental to the public welfare, and any person, co-partnership or corporation holding a license so revoked by the city council shall not again be licensed to lease, rent, use or permit the use of such premises for such business without the consent of the city council first obtained. Any person, co-partnership or corporation obtaining such license, or any person, co-partnership or corporation leasing, renting or using such premises for the purpose of a public dance hall or roller skating rink shall conduct the same in accordance with and subject to any and all rules and regulations as may be promulgated from time to time by the police department of the city of Lansing regulating the manner in which dances or roller skating rinks may be conducted, and any violation of such rules shall be deemed a violation of this ordinance.

Sec. 4. A public dance hall within the meaning and intent of this ordinance is hereby defined to be any room, place or space in which a public dance or public ball shall be held, or hall or academy in which classes in dancing are held and instruction in dancing is given for hire, or where admission can be had by payment of a fee, or by purchase, possession or presentation of a ticket or token or in which a charge is made for care of clothing or other property, or where the public generally may gain

admission with or without payment of a fee. Provided, however, that this ordinance shall not apply to fraternal organizations, clubs, or associations using their premises for dances to which the members only and their friends are invited, or to the leasing, renting or permitting their premises to be used for private dances conducted by other persons, clubs or organizations where no admission fee is charged.

Sec. 5. A roller skating rink, within the meaning and intent of this ordinance, is hereby defined to be any room, place, floor, or space in which roller skating is conducted or allowed, and where admission can be had by the payment of a fee or by purchase, possession or presentation of a token or ticket, or in which a charge is made for the care of clothing or other property, or for the rental of roller skates, or where the public generally may gain admission with or without the payment of a fee.

Sec. 6. It shall be unlawful for any person, co-partnership or corporation to keep open, or allow the same to be kept open, any dance hall or roller skating rink on the first day of the week, commonly called Sunday.

Sec. 7. Any person violating the provisions of this ordinance shall upon conviction thereof before any court of competent jurisdiction be punished by a fine of not exceeding one hundred dollars and cost of prosecution or by imprisonment in the county jail for a period not exceeding ninety days, or by both such fine and imprisonment in the discretion of the court trying the offender.

Sec. 8. The ordinance entitled "An ordinance to license and regulate public dance halls, public dances," as adopted February 24th, 1919, is hereby repealed.

By Ald. Britten—

That the bills of the special police, 8 of them at \$10.00 each, be taken from the general order.

Adopted by the following vote:

Yeas—Ald. Britten, Clapham, Dymon, Heeb, Howe, McComb, Templeton, Trager, Watley.—9.

Nays—Ald. Fowler, Klock, Main, McKale, Phillips.—5.

Ry Ald. Fowler—

That the vote be taken on allowing the payment of 8 special police at \$10.00 each.

Lost by the following vote:

Yeas—Ald. Fowler, Klock, Main, Phillips.—4.

#### REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending Jan. 7, 1922, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen — I herewith present you with plans and estimate of cost for constructing a curb and gutter on Lenawee st. from Chestnut st. to Pine st.:

Estimated cost .....	\$696.00
General paving fund .....	168.00

To be assessed ..... \$528.00

Respectfully submitted,

O. E. ECKERT,  
City Engineer.

To the Honorable Mayor and City Council:

Gentlemen—I herewith present you with plans and estimate of cost for a sewer in Tisdale ave. from Cedar st. to 20 feet east of Garfield st.:

Estimated cost .....	\$666.00
City's one-sixth .....	111.00

To be assessed ..... \$555.00

There is no adequate outlet for this sewer at present. The drain into which the sewer would empty is constructed of tile, is partly filled with sand and dirt, and on Jan. 4, 1922, was flowing under pressure, so that water rose several feet in a hole over the sewer. Should further trouble develop after the proposed sewer is connected, expensive repairs might be necessary. On the other hand, sewer facilities would be provided to six homes.

Provision should be made to provide an adequate sewer system for

this and neighboring territory from the next bond issue.

Respectfully submitted,

O. E. ECKERT,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:

Pursuant to an order from your honorable body, I present herewith special assessment rolls, estimated cost, for the following:

Constructing a sewer in Marion st. from Cedar st. to Ray st.

Constructing a curb and gutter in Island ave. from Washington ave. to Grand river.

Constructing a curb and gutter in Lyons ave. from Baker st. to Mt. Hope ave.

Respectfully submitted,

HAROLD H. CAMPBELL,  
Assessor.

Received and placed on file.

#### REPORTS OF COMMITTEES.

The committee on streets to whom was referred the petition to pave Pine st. from Allegan st. to Saginaw st. begs leave to report as follows:

We recommend the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

Received and placed on file.

The Committee on sewers to whom was referred the communication from Reo Motor Car Co. relative to inadequate sewer in Washington ave., and asking that immediate steps be taken to afford them relief from this condition, begs leave to report as follows:

We recommend that the engineer be and he hereby is instructed to prepare plans for same.

H. S. FOWLER,  
E. L. HEEB,  
ELMER CLAPHAM,  
Committee on Sewers.

By Ald. Fowler—

That report of the committee be adopted.

Carried.

The committee on bonds and contracts to whom was referred the petition for dance hall license of M. Grafr at Winter garden begs leave to report as follows:

That the license be granted.

S. S. MAIN,  
M. A. TEMPLETON,  
A. H. PHILLIPS,

Committee on Bonds and Contracts.

By Ald. Main—

That report of the committee be adopted.

Carried.

The committee on ordinances to whom was referred the ordinance entitled "An ordinance to license and regulate public dance halls, public roller skating rinks, and to repeal an ordinance to license and regulate public dance halls and public dances as adopted Feb. 24, 1919," begs leave to report as follows:

We recommend the same be passed.

A. E. DYMOND,

E. S. AVERY,

W. H. MCKALE,

Committee on Ordinances.

Received and placed on file.

The special committee to whom was referred the communications from the mayor regarding safety at railway crossings begs leave to report as follows:

We have examined every location in the city where streets cross railroad tracks. Any crossing at grade is dangerous. If the city continues to grow as it has in the last twenty years the time for separating grades at the more important crossings is near at hand. This should be borne in mind when permanent improvements are made near any of the railroads. The best protection that can be provided until grades are separated are gates.

Additional protection should be provided now at places listed below as follows:

Install gates on the Grand Trunk R. R. at Logan st.

Install gates on the Pere Marquette at Turner st., Larch st., Pennsylvania ave. and Holmes st.

Install wig-wag at Shepard st.

Install gates on the Michigan Central at Mt. Hope ave. and at Baker st.

Put up railroad crossing signs at all street crossings on the belt line.

Install gates on the New York Central at Saginaw st., Shiawassee st., Kalamazoo st., Spring st., South st., Baker st., Isbell st., Mt. Hope ave. and Logan st. and co-operate with the Pere Marquette for gates at Turner st.

The same kind of protection should be provided at any particular crossing whenever an engine or train passes.

Pre-warning signs should be erected at all approaches to railroad crossings.

It should be made the duty of some city official or council committee to see that railroad crossings are maintained in a smooth condition for traffic and that proper protection is continuously provided. The past practice of assigning this duty for particular cases to different committees and different officials is not conducive to good results.

Drivers of automobiles and trucks are often careless in approaching and crossing railroad tracks. An educational campaign to impress on drivers the necessity for care in crossing railroad tracks and possibly

an ordinance to govern the rate of speed over crossings would be beneficial.

On E. Michigan ave. the M. C. R. R. should remove its gate controlling tower from the street.

At the Michigan Central and Mt. Hope ave., at Holmes st. and the P. M. R. R. and at Shepard st. and the P. M. R. R. the crossing could be made safer by removing some of the high bank of earth adjacent to the crossings.

We recommend that the council adopt this report and pass a resolution requesting the Michigan public utilities commission to issue the necessary orders to the various railroads to carry out the recommendations herein contained.

W. H. MCKALE,

A. E. DYMOND,

E. L. HEEB,

Absent—Ald. Heeb, McComb.—2.

The record of the previous session was approved as printed.

#### PETITIONS AND COMMUNICATIONS

Cooper-Ehinger Construction Co. applied for permission to make the necessary openings in pavements at 711 E. Franklin ave. to make sewer connections there.

Referred to the committee on sewers.

The Citizens Telephone Co. asked permission to tunnel under the street at 1139 Michigan ave. for the purpose of taking out an old fire alarm cable that was left in an underground conduit in order to install a new 600 pair cable.

On motion of Ald. Howe, request was granted under the supervision of the city engineer.

W. R. Cummings applied for license to conduct a public dance hall at Central Labor hall, N. Washington ave. for two months.

Referred to committee on bonds and contracts.

Lyle Rogers applied for license to conduct a public dance hall at 117½ E. Franklin ave. for three months.

Referred to committee on bonds and contracts.

Chas. A. Ferguson called attention to the tax assessed for graveling Forest ave. across Heller's subdivision, stating that the work had not yet been done and protesting against having to pay the tax before the work was done.

Received and placed on file.

east of Logan st. from Oakland ave. to Daleford ave.

No appeals.

This is the time set for hearing appeals on the special assessment roll for curb and gutter in Washtenaw st. from Butler st. to Logan st. No appeals.

#### REPORTS OF OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending Jan. 14, 1922, was received and placed on file.

Honorable Mayor and City Council:

Gentlemen—Agreeable to your order, I herewith submit the following special assessment rolls, estimated cost:

Curb and gutter, Eureka st. Jones to Holmes sts.

Curb and gutter, Hickory st., Jones to Holmes st.

Graveling Helen st. from Beech st. to East st.

Graveling Bement st. from Jones to Holmes sts.

Graveling Elizabeth st. from La-throp to Clifford sts.

Respectfully submitted,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I desire to call your attention to a financial condition confronting the city by reason of the unusual amount of unpaid July, 1921, taxes, at this time.

The assessors spread on the December rolls the following unpaid July taxes:

General city	...	\$77,755.23	
Ward	.....	4,697.03	
Special assessments	.....	8,959.81	
Sewer connections	.....	473.00	\$91,885.07
Up to Jan. 15, 1922, the city treasurer has received for unpaid July taxes — general city	.....	\$3,915.49	
For unpaid highway taxes	.....	234.16	
Special assessment	.....	14.55	
Partial payments on July taxes, estimated	.....	5,000.00	
Received from auditor general and county treasurer, for uncollected taxes of previous years—12 months, Jan. 1, 1921, to Jan. 1, 1922.....		25,483.72	\$34,647.92
Deficit	.....		\$57,237.15

Placing a high estimate for collections on July, 1920, taxes from Jan. 16 to

April 15, 1922, of..... 17,000.00

Leaves a temporary deficit on May 1, 1922, of....\$40,237.15

There seems to be one of two courses for us to follow in a contingency of this kind. One is for the council to urge every department in the city to follow a policy of retrenchment and turn back to current surplus as large a sum as possible out of their respective budgets for the year ending April 30, 1922. The other is to place no restraint on the departments and plan on borrowing upward of \$50,000 from the banks for current purposes, and then include the amount borrowed in the budget on 1922-23 as a debt of 1921-22.

I would respectfully recommend that the former course be followed, and if any department holds up contemplated improvements in order to turn back a portion of the funds in their budget, that this fact be taken into consideration in allowing their budget for the ensuing year.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I respectfully call your attention to the condition of the ward funds as of Jan. 16, 1922, and the poor department fund as of Jan. 1, 1922, and recommend that transfers as listed below be made from contingent fund to the credit of the several funds, same to be included in budget of 1922-23 and credited to contingent when available:

	Amt.		
Wards. Bal.	Over-	Rec. for	
	draft.	Transfer.	Bal.
1st .....	\$663.34	\$1,000	\$336.66
2d .....	378.98	750	371.02
3d .....	2,074.94	2,500	425.06
4th .....	1,912.15	2,500	587.85
5th .....	1,674.83	2,000	325.17
6th .....	1,547.59	2,000	452.41
7th \$179.52	.....	500	679.52
8th 55.27	.....	500	555.27

To the Honorable Mayor and City Council:

Gentlemen—Complying with instructions, council proceedings Jan. 9, I respectfully report that we have two unmarried men in the employ of the engineering department.

One of these men is supporting two of his children and the other is contributing toward the support of an invalid sister. Both of these men are valuable employees, having to do with the operation of the asphalt plant when the same is running and being able to do machine repair work at other times. I respectfully recommend that they be retained in the employ of the city so long as we have work for them to do.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Mayor and City Council:

Gentlemen—There are two unmarried men in our employ at the present time.

One man is foreman of our forestry work and three years with the department.

One man handling truck and digging graves at Mt. Hope cemetery.

Respectfully submitted,

LEE BANCROFT,

City Forester.

The committee on poor to whom was referred the investigation of the case of Mrs. Marie Cady, begs leave to report as follows:

Mrs. Marie Cady, 824 N. Pine st., has lived in Lansing all her life. She has two children and no income. She is ill with tuberculosis and needs the best of care.

Her husband was convicted of an offense and sent to the reformatory for a term of years and she has divorce proceedings pending.

Mrs. Cady has rooms in the home of Mr. and Mrs. Carl Warm who are both "in the seventies" and work out but Mrs. Warm is out of work now, while not legally responsible in any way, Mr. and Mrs. Warm provide a home without charge for rent for the Cady family.

Mrs. Cady's mother died when she was quite young, and Mr. and Mrs. Warm would have adopted her had her father been willing to sign the legal papers required. However, Mrs. Cady lived with them until her marriage to Mr. Cady, as a foster daughter.

Mrs. Cady has a father and brother named Tomarell living in the city who are not in a financial position to provide for her and her children.

MOTIONS, RESOLUTIONS AND  
NOTICES

By Ald. Trager—

Whereas, Messrs. H. O. Moores and H. M. Weed, who, together with the city of Lansing, are the residuary legatees of the estate of J. H. Moores, propose to turn over to the city of Lansing securities having a value of \$18,562.50 as a final settlement of the claim of this city, in the above estate excepting such claims as the city may have on the death of Mrs. J. H. Moores;

Whereas, Messrs. H. O. Moores and H. M. Weed agree to accept the assets, other than the securities, specifically mentioned, valued at \$18,562.50 as their share of assets, not heretofore distributed;

Therefore, be it resolved by the city council of the city of Lansing that this proposition be accepted and the city attorney be and he is hereby directed to prepare agreements to be signed by the respective parties, the same to be turned over when the above mentioned securities are delivered to the city treasurer.

By Ald. Britten—

Whereas, the communication from the city comptroller of this date relative to unpaid July 1921 taxes,

would indicate that the city would face a temporary deficit on May 1, 1922 of approximately \$40,000, providing the department in the city used all the funds provided in their respective budgets; and

Whereas, it is the opinion of this council that it would be unwise to borrow money to meet current expenses and include the sum borrowed in the budget for 1922-23, thereby greatly increasing the sum to be spread on the July 1922 tax rolls; and

Whereas, it would seem expedient to urge all departments at this time to follow a policy of retrenchment in the matter of expenditures, to the end that as large a sum as possible may be turned back to the general funds of the city; therefore be it

Resolved, that all city officials be and they are hereby directed to keep the expenses of their respective departments as low as possible for the remainder of the fiscal year ending April 30, 1922; and be it further

Resolved, that the city clerk be and he is hereby directed to deliver a copy of this resolution to each city official.

Whereas, the amounts recommended by the comptroller to be transferred from contingent fund to the credit of the ward funds seem to be ample to meet the expenses of the wards for the remainder of the fiscal year; and

Whereas, the poor department fund is overdrawn and a transfer from contingent is necessary; therefore be it

Resolved, that the city comptroller be and he is hereby directed to make the following transfers from contingent fund to the credit of the ward and poor department funds as follows:

First ward .....	\$1,000.00
Second ward .....	750.00
Third ward .....	2,500.00
Fourth ward .....	2,500.00
Fifth ward .....	2,000.00
Sixth ward .....	2,000.00
Seventh ward .....	500.00
Eighth ward .....	500.00
Poor department .....	15,000.00

Total ..... \$26,750.00

Resolved further, that the city comptroller be and he is hereby directed to credit contingent and debit the wards and poor department with the sums listed above, when the 1922-23 budget is available.

I hereby certify that the sum of \$26,750.00 is available for transfer.

#### CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Fowler—

It is the opinion of the city council of the city of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in East st. from Hillsdale st. to Helen st. as petitioned for, is desirable; therefore be it

Resolved, that the city engineer be and hereby is instructed to prepare plans for a sewer in said street above mentioned in the 28th sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said

district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—0.

#### ORDINANCES.

Ald. Dymond introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921.

The city of Lansing ordains:

Sec. 1. Section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921, is hereby amended to read as follows:

Sec. 1. It shall be unlawful for any person, firm or corporation to keep or maintain a basement stairway or areaway opening off from any public street, alley or sidewalk without providing a substantial railing or adequate safeguard and protection for the same. Provided also that the entrance through such railing to such basement stairway shall be parallel to the course of such

alley, street, or sidewalk, so that it will be necessary for persons desirous of using such basement stairway to turn at right angles from the course of the street, alley or sidewalk to enter the same. Provided further that where the opening to such basement stairway is at right angles and not parallel to the course of said sidewalk, street and alley, a suitable gate shall be provided opening outward, which gate shall also be equipped with a spring or other suitable contrivance to keep said gate closed at all times. Provided further that any persons, firm or corporation maintaining said basement stairway shall keep such gate closed at all times, except when temporarily opened by persons desirous of using said stairway.

On motion of Ald. Main, the council resolved itself into a committee on the whole to consider ordinances.

The mayor called Ald. Main to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license public dance halls and public dances as adopted Feb. 24, 1919," and had made certain amendments thereto and recommend that the ordinance be passed as amended.

Council then resumed regular session.

By Ald. Main—

That council rule No. 23 be suspended and that the ordinance under consideration be now read a third time.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

The ordinance under consideration was then read a third time as follows:

An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license and regulate public dance halls and public dances as adopted February 24th, 1919.

The city of Lansing ordains:

Sec. 1. From and after the date when this ordinance takes effect it shall be unlawful for any person, co-partnership or corporation owning or controlling any room, hall or premises in the city of Lansing to use or permit such room, hall or premises to be used or occupied as a place for conducting or holding a public dance or roller skating rink, unless such room, hall or premises

shall be provided and supplied with individual water closets of durable, non-absorbent material, properly connected with the sewer; and with ample flush of water to thoroughly cleanse the bowl; to be located inside of the building containing such room or dance hall; in two separate compartments, one for the use of females and one for the use of males, completely separated from each other; and each of such compartments shall be thoroughly ventilated, and shall at all times be kept in a clean and sanitary condition, and unless such person, co-partnership or corporation shall first obtain a license subject to the provisions of this ordinance, authorizing such person, co-partnership or corporation to rent, lease, use or permit such premises to be used for the purpose of conducting a public dance or roller skating rink.

Sec. 2. The clerk of the city of Lansing may grant, upon recommendation of the city council, under his hand and the official seal of said city a license to any suitable person, co-partnership or corporation to rent, lease, use or permit the use of such premises for a public dance hall or roller skating rink; subject to the provisions of this ordinance, for a period of one year or less, but in no event shall such license extend beyond the first Monday of May first succeeding the issuance thereof. Such license shall designate the particular place in said city where such dance hall or roller skating rink may be operated. Any person, co-partnership or corporation making application to the city clerk for any such license shall state under oath the particular place or premises which is to be rented, leased, or used as a public dance hall or roller skating rink, and if in a district where more than 50 per cent of the frontage within a radius of 300 feet from such premises is used for residential purposes that at least 65 per cent or more of the owners of property within the said radius of 300 feet of such dance hall or roller skating rink have consented thereto and that the building in which such dance hall or roller skating rink is located has the toilet equipments specified in section one of this ordinance; and shall pay to said clerk a license fee of \$50.00, providing that where the time remaining until the next succeeding May 1st is less than six months, then such license fee shall be \$25.00.

Sec. 3. Any person, co-partnership or corporation applying for a license to carry on the business of conducting a public dance hall or roller skating rink shall accept and such license shall be granted upon the express condition that it may be revoked at the will of the city council, after reasonable notice and an opportunity for the holder of such license to be heard; whenever it shall be determined by a majority vote of

the aldermen elect that such public dance hall or roller skating rink has been or is being conducted by such person, co-partnership or corporation, or the lessee or assignee of such person, co-partnership or corporation in a manner detrimental to the public welfare, and any person, co-partnership or corporation holding a license so revoked by the city council shall not again be licensed to lease, rent, use or permit the use or such premises for such business without the consent of the city council first obtained. Any person, co-partnership or corporation obtaining such license, or any person, co-partnership or corporation leasing, renting or using such premises for the purpose of a public dance hall or roller skating rink shall conduct the same in accordance with and subject to any and all rules and regulations as may be promulgated from time to time by the police department of the city of Lansing regulating the manner in which dances or roller skating rinks may be conducted, and any violation of such rules shall be deemed a violation of this ordinance.

Sec. 4. A public dance hall within the meaning and intent of this ordinance is hereby defined to be any room, place or space in which a public dance or public ball shall be held, or hall or academy in which classes in dancing are held and instruction in dancing is given, for hire, or where admission can be had by payment of a fee, or by purchase, possession or presentation of a ticket or token or in which a charge is made for care of clothing or other property, or where the public generally may gain admission with or without payment of a fee. Provided, however, that this ordinance shall not apply to fraternal organizations, clubs, or associations using their premises for dances to which the members only and their friends are invited, or to the leasing, renting or permitting their premises to be used for private dances conducted by other persons, clubs or organizations where no admission fee is charged.

Sec. 5. A roller skating rink, within the meaning and intent of this ordinance, is hereby defined to be any room, place, floor, or space in which roller skating is conducted or allowed, and where admission can be had by the payment of a fee or by purchase, possession or presentation of a token or ticket, or in which a charge is made for the care of clothing or other property, or for the rental of roller skates, or where the public generally may gain admission with or without the payment of a fee.

Sec. 6. It shall be unlawful for any person, co-partnership or corporation to keep open, or allow the same to be kept open, any dance hall or roller skating rink on the first day of the week, commonly called Sunday.

Sec. 7. Any person violating the provisions of this ordinance shall upon conviction thereof before any court of competent jurisdiction be punished by a fine of not exceeding one hundred dollars and cost of prosecution or by imprisonment in the county jail for a period not exceeding ninety days, or by both such fine and imprisonment in the discretion of the court trying the offender.

Sec. 8. The ordinance entitled "An ordinance to license and regulate public dance halls, public dances," as adopted February 24th, 1919, is hereby repealed. This ordinance shall not be construed to affect public dance halls operating under unexpired licenses heretofore issued until the same have expired.

By Ald. Main—

That the ordinance entitled "An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license and regulate public dances and public dance halls as adopted Feb. 24, 1919," be now passed as amended.

Adopted by the following vote:  
Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

#### REPORTS OF OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending Jan. 14, 1922, was received and placed on file.

Honorable Mayor and City Council:

Gentlemen—Agreeable to your order, I herewith submit the following special assessment rolls, estimated cost:

Curb and gutter, Eureka st. Jones to Holmes sts.

Curb and gutter, Hickory st., Jones to Holmes st.

Graveling Helen st. from Beech st. to East st.

Graveling Bement st. from Jones to Holmes sts.

Graveling Elizabeth st. from La-throp to Clifford sts.

Respectfully submitted,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I desire to call your attention to a financial condition confronting the city by reason of the unusual amount of unpaid July, 1921, taxes, at this time.

The assessors spread on the December rolls the following unpaid July taxes:

General city	....\$77,755.23	
Ward	..... 4,697.03	
Special assessments	..... 8,959.81	
Sewer connections	..... 473.00	\$91,885.07
Up to Jan. 15, 1922, the city treasurer has received for unpaid July taxes — general city	.....\$3,915.49	
For unpaid highway taxes	..... 234.16	
Special assessment	..... 14.55	
Partial payments on July taxes, estimated	..... 5,000.00	
Received from auditor general and county treasurer for uncollected taxes of previous years—12 months, Jan. 1, 1921, to Jan. 1, 1922.	..... 25,483.72	\$34,647.92
Deficit	.....	\$57,237.15

Placing a high estimate for collections on July, 1920, taxes from Jan. 16 to April 15, 1922, of..... 17,000.00

Leaves a temporary deficit on May 1, 1922, of....\$40,237.15

There seems to be one of two courses for us to follow in a contingency of this kind. One is for the council to urge every department in the city to follow a policy of retrenchment and turn back to current surplus as large a sum as possible out of their respective budgets for the year ending April 30, 1922. The other is to place no restraint on the departments and plan on borrowing upward of \$50,000 from the banks for current purposes, and then include the amount borrowed in the budget on 1922-23 as a debt of 1921-22.

I would respectfully recommend that the former course be followed, and if any department holds up contemplated improvements in order to turn back a portion of the funds in their budget, that this fact be taken into consideration in allowing their budget for the ensuing year.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I respectfully call your attention to the condition of the ward funds as of Jan. 16, 1922, and the poor department fund as of Jan. 1, 1922, and recommend that transfers as listed below be made from contingent fund to the credit of the several funds, same to be included in budget of 1922-23 and credited to contingent when available:

	Over-	Amt.	
Wards. Bal.	draft.	Transfer.	Bal.
1st	\$663.34	\$1,000	\$336.66
2d	378.98	750	371.02
3d	2,074.94	2,500	425.06
4th	1,912.15	2,500	587.85
5th	1,674.83	2,000	325.17
6th	1,547.59	2,000	452.41
7th	\$179.52	500	679.52
8th	55.27	500	555.27
	\$234.79	\$8,261.83	\$11,750 \$3,732.96

Poor Dept. \$9,289.67 \$15,000 \$5,710.33

Total amt. of trans. \$26,750

Jan. 1, balance contingent fund .....\$34,028.97

Jan. 16, balance contingent less transfer .....\$7,278.67

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith report that on Jan. 12, I sold in Detroit 68 hogs, weighing 19,210 pounds, at 8c per pound, and received a check for \$1,470.29 and credited same to garbage disposal.

\$19,210 lbs. @ 8c .....	\$1,536.80
Freight .....	\$37.40
Feed and yardage ....	14.91
Insurance .....	.20
Commission .....	14.00
	<u>66.51</u>

\$1,470.29

Respectfully,

GEO. A. CANFIELD,

Superintendent of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I present herewith plans, specifications and an estimate of cost for constructing a sewer in Isaac st. from Middle st. to Birch st. and in Birch st. from Isaac st. to William st.

Estimated cost .....	\$3,474.00
City's one-sixth .....	<u>579.00</u>

To be assessed to property benefited .....

\$2,395.00

If this work is to be done now I estimate the additional cost (council proceedings Jan. 3) occasioned by winter work to be \$455, which is to be charged to contingent fund.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Complying with instructions, council proceedings Jan. 9, I respectfully report that we have two unmarried men in the employ of the engineering department.

One of these men is supporting two of his children and the other is contributing toward the support of an invalid sister. Both of these men are valuable employes having to do with the operation of the asphalt plant when the same is running and being able to do machine repair work at other times. I respectfully recommend that they be retained in the employ of the city so long as we have work for them to do.

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

To the Mayor and City Council:

Gentlemen—There are two unmarried men in our employ at the present time.

One man is foreman of our forestry work and three years with the department.

One man handling truck and digging graves at Mt. Hope cemetery.

Respectfully submitted,

LEE BANCROFT,

City Forester.

The committee on poor to whom was referred the investigation of the case of Mrs. Marie Cady, begs leave to report as follows:

Mrs. Marie Cady, 324 N. Pine st., has lived in Lansing all her life. She has two children and no income. She is ill with tuberculosis and needs the best of care.

Her husband was convicted of an offense and sent to the reformatory for a term of years and she has divorce proceedings pending.

Mrs. Cady has rooms in the home of Mr. and Mrs. Carl Warm who are both "in the seventies" and work out but Mrs. Warm is out of work now. While not legally responsible in any way, Mr. and Mrs. Warm provide a home without charge for rent for the Cady family.

Mrs. Cady's mother died when she was quite young, and Mr. and Mrs. Warm would have adopted her had her father been willing to sign the legal papers required. However, Mrs. Cady lived with them until her marriage to Mr. Cady, as a foster daughter.

Mrs. Cady has a father and brother named Tomarell living in the city who are not in a financial position to provide for her and her children.

MOTIONS, RESOLUTIONS AND  
NOTICES

By Ald. Trager—

Whereas, Messrs. H. O. Moores and H. M. Weed, who, together with the city of Lansing, are the residuary legatees of the estate of J. H. Moores, propose to turn over to the city of Lansing securities having a value of \$18,562.50 as a final settlement of the claim of this city, in the above estate excepting such claims as the city may have on the death of Mrs. J. H. Moores;

Whereas, Messrs. H. O. Moores and H. M. Weed agree to accept the assets, other than the securities, specifically mentioned, valued at \$18,562.50 as their share of assets, not heretofore distributed;

Therefore, be it resolved by the city council of the city of Lansing that this proposition be accepted and the city attorney be and he is hereby directed to prepare agreements to be signed by the respective parties, the same to be turned over when the above mentioned securities are delivered to the city treasurer.

By Ald. Britten—

Whereas, the communication from the city comptroller of this date relative to unpaid July 1921 taxes,

would indicate that the city would face a temporary deficit on May 1, 1922 of approximately \$40,000, providing the department in the city used all the funds provided in their respective budgets; and

Whereas, it is the opinion of this council that it would be unwise to borrow money to meet current expenses and include the sum borrowed in the budget for 1922-23, thereby greatly increasing the sum to be spread on the July 1922 tax rolls; and

Whereas, it would seem expedient to urge all departments at this time to follow a policy of retrenchment in the matter of expenditures, to the end that as large a sum as possible may be turned back to the general funds of the city; therefore be it

Resolved, that all city officials be and they are hereby directed to keep the expenses of their respective departments as low as possible for the remainder of the fiscal year ending April 30, 1922; and be it further

Resolved, that the city clerk be and he is hereby directed to deliver a copy of this resolution to each city official.

Whereas, the amounts recommended by the comptroller to be transferred from contingent fund to the credit of the ward funds seem to be ample to meet the expenses of the wards for the remainder of the fiscal year; and

Whereas, the poor department fund is overdrawn and a transfer from contingent is necessary; therefore be it

Resolved, that the city comptroller be and he is hereby directed to make the following transfers from contingent fund to the credit of the ward and poor department funds as follows:

First ward .....	\$1,000.00
Second ward .....	750.00
Third ward .....	2,500.00
Fourth ward .....	2,500.00
Fifth ward .....	2,000.00
Sixth ward .....	2,000.00
Seventh ward .....	500.00
Eighth ward .....	500.00
Poor department .....	15,000.00

Total ..... \$26,750.00

Resolved further, that the city comptroller be and he is hereby directed to credit contingent and debit the wards and poor department with the sums listed above, when the 1922-23 budget is available.

I hereby certify that the sum of \$26,750.00 is available for transfer.

#### ORDINANCES.

Ald. Dymond introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921.

The city of Lansing ordains:

Sec. 1. Section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921, is hereby amended to read as follows:

Sec. 1. It shall be unlawful for any person, firm or corporation to keep or maintain a basement stairway or areaway opening off from any public street, alley or sidewalk without providing a substantial railing or adequate safeguard and protection for the same. Provided also that the entrance through such railing to such basement stairway shall be parallel to the course of such

alley, street, or sidewalk, so that it will be necessary for persons desirous of using such basement stairway to turn at right angles from the course of the street, alley or sidewalk to enter the same. Provided further that where the opening to such basement stairway is at right angles and not parallel to the course of said sidewalk, street and alley, a suitable gate shall be provided opening outward, which gate shall also be equipped with a spring or other suitable contrivance to keep said gate closed at all times. Provided further that any persons, firm or corporation maintaining said basement stairway shall keep such gate closed at all times, except when temporarily opened by persons desirous of using said stairway.

On motion of Ald. Main, the council resolved itself into a committee on the whole to consider ordinances.

The mayor called Ald. Main to the chair to preside over the committee of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license public dance halls and public dances as adopted Feb. 24, 1919," and had made certain amendments thereto and recommend that the ordinance be passed as amended.

Council then resumed regular session.

By Ald. Main—

That council rule No. 23 be suspended and that the ordinance under consideration be now read a third time.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

The ordinance under consideration was then read a third time as follows:

An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license and regulate public dance halls and public dances as adopted February 24th, 1919.

The city of Lansing ordains:

Sec. 1. From and after the date when this ordinance takes effect it shall be unlawful for any person, co-partnership or corporation owning or controlling any room, hall or premises in the city of Lansing to use or permit such room, hall or premises to be used or occupied as a place for conducting or holding a public dance or roller skating rink, unless such room, hall or premises

shall be provided and supplied with individual water closets of durable, non-absorbent material, properly connected with the sewer, and with ample flush of water to thoroughly cleanse the bowl; to be located inside of the building containing such room or dance hall; in two separate compartments, one for the use of females and one for the use of males, completely separated from each other; and each of such compartments shall be thoroughly ventilated, and shall at all times be kept in a clean and sanitary condition, and unless such person, co-partnership or corporation shall first obtain a license subject to the provisions of this ordinance, authorizing such person, co-partnership or corporation to rent, lease, use or permit such premises to be used for the purpose of conducting a public dance or roller skating rink.

Sec. 2. The clerk of the city of Lansing may grant, upon recommendation of the city council, under his hand and the official seal of said city a license to any suitable person, co-partnership or corporation to rent, lease, use or permit the use of such premises for a public dance hall or roller skating rink, subject to the provisions of this ordinance, for a period of one year or less, but in no event shall such license extend beyond the first Monday of May first succeeding the issuance thereof. Such license shall designate the particular place in said city where such dance hall or roller skating rink may be operated. Any person, co-partnership or corporation making application to the city clerk for any such license shall state under oath the particular place or premises which is to be rented, leased, or used as a public dance hall or roller skating rink, and if in a district where more than 50 per cent of the frontage within a radius of 300 feet from such premises is used for residential purposes that at least 65 per cent or more of the owners of property within the said radius of 300 feet of such dance hall or roller skating rink have consented thereto and that the building in which such dance hall or roller skating rink is located has the toilet equipments specified in section one of this ordinance; and shall pay to said clerk a license fee of \$50.00, providing that where the time remaining until the next succeeding May 1st is less than six months, then such license fee shall be \$25.00.

Sec. 3. Any person, co-partnership or corporation applying for a license to carry on the business of conducting a public dance hall or roller skating rink shall accept and such license shall be granted upon the express condition that it may be revoked at the will of the city council, after reasonable notice and an opportunity for the holder of such license to be heard; whenever it shall be determined by a majority vote of

the aldermen elect that such public dance hall or roller skating rink has been or is being conducted by such person, co-partnership or corporation or the lessee or assignee of such person, co-partnership or corporation in a manner detrimental to the public welfare, and any person, co-partnership or corporation holding a license so revoked by the city council shall not again be licensed to lease, rent, use or permit the use of such premises for such business without the consent of the city council first obtained. Any person, co-partnership or corporation obtaining such license, or any person, co-partnership or corporation leasing, renting or using such premises for the purpose of a public dance hall or roller skating rink shall conduct the same in accordance with and subject to any and all rules and regulations as may be promulgated from time to time by the police department of the city of Lansing regulating the manner in which dances or roller skating rinks may be conducted, and any violation of such rules shall be deemed a violation of this ordinance.

Sec. 4. A public dance hall within the meaning and intent of this ordinance is hereby defined to be any room, place or space in which a public dance or public ball shall be held, or hall or academy in which classes in dancing are held and instruction in dancing is given, for hire, or where admission can be had by payment of a fee, or by purchase, possession or presentation of a ticket or token or in which a charge is made for care of clothing or other property, or where the public generally may gain admission with or without payment of a fee. Provided, however, that this ordinance shall not apply to fraternal organizations, clubs, or associations using their premises for dances to which the members only and their friends are invited, or to the leasing, renting or permitting their premises to be used for private dances conducted by other persons, clubs or organizations where no admission fee is charged.

Sec. 5. A roller skating rink, within the meaning and intent of this ordinance, is hereby defined to be any room, place, floor, or space in which roller skating is conducted or allowed, and where admission can be had by the payment of a fee or by purchase, possession or presentation of a token or ticket, or in which a charge is made for the care of clothing or other property, or for the rental of roller skates, or where the public generally may gain admission with or without the payment of a fee.

Sec. 6. It shall be unlawful for any person, co-partnership or corporation to keep open, or allow the same to be kept open, any dance hall or roller skating rink on the first day of the week, commonly called Sunday.

Sec. 7. Any person violating the provisions of this ordinance shall upon conviction thereof before any court of competent jurisdiction be punished by a fine of not exceeding one hundred dollars and cost of prosecution or by imprisonment in the county jail for a period not exceeding ninety days, or by both such fine and imprisonment in the discretion of the court trying the offender.

Sec. 8. The ordinance entitled "An ordinance to license and regulate public dance halls, public dances," as adopted February 24th, 1919, is hereby repealed. This ordinance shall not be construed to affect public dance halls operating under unexpired licenses heretofore issued until the same have expired.

By Ald. Main—

That the ordinance entitled "An ordinance to license and regulate public dance halls, public dances and public roller skating rinks, and to repeal an ordinance to license and regulate public dances and public dance halls as adopted Feb. 24, 1919," be now passed as amended.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

The committee on bonds and contracts to whom was referred the application for a dance hall license at L. O. O. F. hall, No. 45, 109-113½ E. Ottawa begs leave to report as follows:

We recommend that the license be granted for one month.

S. S. MAIN,

M. A. TEMPLETON,

A. H. PHILLIPS.

By Ald. Main—

That report of the committee be adopted.

Carried.

The committee appointed to investigate the petition of Fred Rounsaville in relation to that part of the South side of Lenawee street between River street and the Grand river begs leave to report as follows:

We have investigated the same and taken the matter up with the city attorney and from what we can learn

we are of the opinion that Mr. Rounsaville has gained title by adverse possession to that part of the street, being a strip of land about 28 feet in width on the south side of said street. That he and his predecessors have been in possession of the same for a period of forty years or more. We further learned from Mr. Rounsaville that he desires to erect a building upon the said premises which would be an improvement to the city and a credit to that vicinity, but that he did not want to erect the same until all question was removed in regard to the title.

We, therefore, recommend that the council vacate the south part of Lenawee st., lying between River st. and the Grand river to the extent that the same has been occupied by Mr. Rounsaville and his predecessors, being a strip of land twenty-eight feet in width.

O. C. HOWE,

M. A. TEMPLETON.

Received and placed on file.

The committee on ordinances to whom was referred the ordinance entitled "An ordinance to amend an ordinance entitled 'An ordinance to provide for adequate safeguards and protection for basement stairways and areaways opening off from any public street, alley or sidewalk' as passed Oct. 31, 1921., begs leave to report as follows:

We recommend that the ordinance be passed.

W. H. MCKALE,

E. S. AVERY,

Committee on Ordinances.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

Whereas, it is deemed by this council to be a necessary public improvement to open a street starting from the north line of Espanore plat, running thence southerly along the west line of Espanore plat containing and extending to Michigan ave. That said street be laid out eighty feet wide, forty feet on either side of the said line of Espanore plat, as aforesaid, which street was named and designated by this council as Ver Linden ave.; and

Whereas, said street has been laid out and adopted by the city and it is necessary to raise by special taxation the money to defray the expenses thereof;

Therefore, be it resolved, that the expenses incident to the opening of said street, including the compensation paid to property owners, be defrayed by special assessment on the lands and premises specially benefited by the improvement, in proportion to the special benefits accruing to each parcel respectively. That the following lands and premises are hereby determined to be especially benefited by said improvement, and are hereby constituted the special assessment district over which the cost of such improvement shall be spread to-wit: The entire plat known as Espanore subdivision, excepting the west nine lots thereof.

Be it further resolved, that the city clerk be and is hereby instructed to cause notice of said assessment and assessment district herein defined and the pendency of this resolution to be given to all persons interested therein, by publishing a true copy of this resolution in the Lansing Capital News, a newspaper published and circulated in the city of Lansing, as required by the city charter, and the city council will meet on Monday, Jan. 30, 1922, at 7:30 o'clock in the evening of said day, at the council chambers in the city hall of said city for the purpose of hearing any suggestions and objections, if any, relative to said improvement, and for the purpose of making any objection to the said tax roll or the said tax district so designated.

## ORDINANCES.

By Ald. McKale—

That the council resolve itself into a committee of the whole to consider ordinances.

Carried.

The mayor called Ald. Howe to the chair to preside over the committee

of the whole. After some time spent in the committee of the whole, the committee arose and through its chairman reported that it had considered an ordinance entitled "An ordinance to amend section 1 of an ordinance entitled 'An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk,' as passed Oct. 31, 1921," and would recommend that the ordinance be passed.

Council then resumed regular session.

By Ald. McKale—

That council rule No. 23 be suspended and that the ordinance under consideration be now read a third time.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Trager, Watley.—13.

Nays—None.

The ordinance under consideration was then read a third time as follows:

An ordinance to amend section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921.

The city of Lansing ordains.

Sec. 1. Section 1 of an ordinance entitled "An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any public street, alley or sidewalk," as passed Oct. 31, 1921, is hereby amended to read as follows:

Sec. 1. —It shall be unlawful for any person, firm or corporation to keep or maintain a basement stairway or areaway opening off from any public street, alley or sidewalk without providing a substantial railing or adequate safeguard and protection for the same. Provided also that the entrance through such railing to such basement stairway shall be parallel to the course of such alley, street, or sidewalk, so that it will be necessary for persons desirous of using such basement stairway to turn at right angles from the course of the street, alley or sidewalk to enter the same. Provided further that where the opening to such basement stairway is at right angles and not parallel to the course of said sidewalk, street and alley, a suitable gate shall be provided opening outward, which gate shall also be equipped with a spring or other suitable contrivance to keep said gates closed at all times. Provided further that any persons, firm or corporation maintaining said basement stairway shall keep such gate

closed at all times, except when temporarily opened by persons desirous of using said stairway.

By Ald. McKale—

That the ordinance entitled "An ordinance to amend section 1 of an ordinance entitled 'An ordinance to provide for adequate safeguards and protection to basement stairways and areaways opening off from any street, alley or sidewalk,' as passed Oct. 31, 1921," be now passed.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Trager, Watley.—13.

Nays—None.

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, January 30, 1922

City Council Rooms.

Lansing, Jan. 30, 1922.

The city council met in regular session and was called to order by Mayor B. A. Kyes.

Roll call:

Present—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Absent—None.

The record of the previous session was approved as printed.

#### PETITIONS AND COMMUNICATIONS

A communication was received from J. F. Collins, vice president and general manager of the Michigan United Railways Co., relative to suburban and interurban jitney buses, and suggesting that the present jitney ordinance be amended so that the operating of these buses within the city limits shall be regulated, and offering to hold a conference with the officials of the city to consider the situation.

Referred to committee on jitneys and city attorney.

A communication was received from George H. Shaw, clerk of Delhi township, asking that before regulations are passed relative to interurban jitneys, the citizens of Holt and Mason be allowed a hearing on the subject.

Referred to committee on jitneys and city attorney.

A communication was received from Thomas E. White relative to the publication of Lansing building code by Sands & Atkins, and the sale of the pamphlet by the city.

Referred to committee on bonds and contracts.

A communication was received from North Lansing Commercial club in matter of inspecting of the Old State building, hoping for a speedy settlement.

By Ald. Phillips—

That the communication be referred to committee on city affairs.

Ald. Avery moved as a substitute that it be referred to the committee on streets.

Carried.

A communication was received from Lorenz Bros. in regard to the M. U. Ry. Co. and the bus line that they were running between Mason and Lansing.

Referred to committee on jitneys and city attorney.

A communication was received from heating contractors petitioning an amendment to sections in the building code.

Referred to committee on ordinances.

#### APPEAL

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed opening of Ver Linden ave.

Attorney Ballard made objection for himself and a number of tax-

payers; that they should not alone be compelled to bear all of the expense of the opening of Ver Linden ave., stating that the residents in that district are willing to share in the payment with the city at large.

By Ald. Templeton—

That the motion heretofore passed by the city council creating an assessment district for defraying the expenses of opening Ver Linden ave. be reconsidered and referred to the committee on streets.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

Respectfully,

GEO. A. CANFIELD,  
Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and Members of the City Council:

Gentlemen—You are hereby notified that one Isabelle Fillingham has this day commenced suit against the city of Lansing for damages she received while riding in an automobile on Washington ave. by reason of said automobile going into a man-hole on account of the faulty condition of the cover of said manhole she was injured and alleges damages of \$10,000.

Respectfully yours,

D. G. F. WARNER,  
City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—In accordance with your order of Jan. 23, I stationed a man at each of the following railroad crossings on Jan. 28 to check up the number of vehicles passing said points and herewith submit their report of same:

#### REPORTS OF COMMITTEES.

The committee on streets to whom was referred the petition to open Person's court to Camp st. begs leave to report as follows:

We recommend that the request be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Carried.

The committee to whom was referred the matter of inspecting the building on the corner of Allegan st. and Washington ave., known as the "Old State Building," begs leave to report as follows:

On Saturday, Jan. 28, your committee presented themselves at the entrance of said building and were duly admitted and permitted to make a full and thorough inspection.

Upon entering the building we first visited the basement, which we

found in a very delapidated condition owing to natural decay and want of repair, and especially found that the joists of the first floor were extremely long, the ends of which had dry rotted and by reason of the same would hardly support themselves were they not shored up or braced as they are, but on account of the props and braces that have been put in they still remain under the floor, but not in their original places as they have settled to a considerable extent in spite of the support under them.

We then visited the first floor and found that the same is settled all over and very irregular. That in some parts of the building the floor is several inches below where it originally was. As a matter of fact, the floor has given away from the sides of the building in most places and the stairway leading to the second floor is pulled away from the wall and the outside of the stairway is much lower than the inside and slants considerably to the east.

The floors on the other stories are very much in the same condition as the first floor, very much settled and irregular on the surface, which indicates that the joist supporting the floor has decayed at the ends and permitted the floor to settle and is supported principally by the partitions. Each and every of these floors are settled so that in many parts of the same they are several inches out of level.

The electric wiring is not modern in any way. That which is inclosed is inclosed mostly by wooden strips and considerable of the wire is exposed and open and by reason of the same and the other conditions that exist in and around the said building the same is a menace to public safety on account of the liability of fire and other dangers incident to the conditions of the electric wiring. This matter especially should be called to the attention of the state officers who have charge of the inspection of wiring of state buildings.

The plumbing is prehistoric or more so, very unsanitary and a menace to health. We were surprised to find one of the state institutions in such a condition, especially as to plumbing, sanitation and electric wiring and feel that it is a matter that should be given immediate attention, and especially that the state sanitary inspector should have his attention called to the same.

The exterior of the building in some parts is comparatively sound, but the west wall is cracked and bulged, the center of which has settled several inches and that by reason of the same and the decaying condition of the joist we feel that this building is unsafe for human habitation or occupancy. The cornice on the building is all wood of ancient style and type, and while it has a tendency to preserve the memory

of ancient skilled workmen, we feel that at the present time, on account of this and other conditions that exist that the building is a firetrap and menace to the public and other property. In fact the general condition of the building is such that it appears to us that it is almost if not entirely beyond repair, or if repaired it would necessitate practically a rebuilding of the same to make it safe.

In conclusion, we wish to say that if this building was the property of the city of Lansing the same would not be permitted to remain in the condition in which it is, nor would it be occupied for one moment and that if the city officers were derelict in their duty the state officers would unquestionably become interested to the extent of condemning the same.

CHAS. O. HILDRETH,  
B. K. SMITH,  
O. J. SCHUON,  
Committee.

Received and placed on file.

#### BONDS APPROVED.

The dray bond of Abram Foster as principal with Frank Preuss and Jas. Murray as sureties, was approved.

By Ald. Trager—

Whereas, J. Henry Moores, in his lifetime, together with his wife, S. Frances Moores, did execute and deliver a warranty deed to the city of Lansing on or about the 23d day of October, 1916, for the following described premises, to-wit: Commencing at the southwest corner of block two of plat No. one of the Manufacturers' addition to said city, extending thence south 645.8 feet, more or less, to the north side of Hazel st.; thence west 66 feet, thence north to the southeast corner of block three of said plat No. one, thence east to beginning, being an extension of Hosmer st. south from said plat No. one to Hazel st.; subject, however, to the rights of that portion of the right of way of the Lansing Connecting railroad, lying in and along the west side of said street, extending east 10 feet from the center line of the R. R. track as now laid and used over and along the west side of said parcel. Said property is hereby deeded to said city for the use of the public as a street; and

Whereas, said above described premises were deeded to be used as a part of Hosmer st. south; and

Whereas, through inadvertence the city has never acknowledged or accepted the above named deed formally;

Therefore, be it resolved, that the said above described parcel of land be formally accepted on the part of the city of Lansing, and the city clerk is hereby directed to cause said deed to be recorded in the office of the register of deeds for Ingham county.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb,

McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

By Ald. Howe—

Whereas, it is necessary to construct a sewer in Chestnut st. from Kalamazoo st. to Washtenaw st. before Kalamazoo st. is paved this season; therefore be it

Resolved, that the city engineer be directed to construct said sewer, charging the estimated cost of \$1,320 to the W. Kalamazoo st. pavement fund and the excess cost, due to work being done in frozen ground, estimated at \$190, to the contingent fund.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

By Ald. McKale—

Resolved by the city council of the city of Lansing:

That the electric light and water board be requested to place an arc light at corner of Max ave. and Isaac st.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

By Ald. Clapham—

Resolved by the city council of the city of Lansing:

That the city clerk draw an order on the uncollected tax and abatement fund for \$13.48 in favor of the city treasurer to apply on lot 5, Woodrow Park addition. This place was erroneously copied \$4,800 and should have been \$3,800.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

#### PUBLIC IMPROVEMENT IV.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the special assessment roll for paving Michigan ave. from the old east city limits to the new east city limits as returned by the city assessor (as amended by the city council upon review) be and the same is hereby ratified and confirmed; and

Whereas, it is deemed for the best interest of said city and for the taxpayers within the assessing district heretofore created for such improve-

ment that the aforesaid assessment shall be extended and paid in five equal annual payments; therefore

Resolved further, that such special assessment be divided into five annual installments to be paid one-fifth on or before March 31, 1922; one-fifth on or before March 31, 1923; one-fifth on or before March 31, 1924; one-fifth on or before March 31, 1925, and the remaining one-fifth on or before March 31, 1926, together with interest thereon at the rate of six per cent per annum after the 31st day of March, 1922.

It is further resolved that the mayor be and he is hereby directed to affix within ten days his warrant directing the city treasurer to collect said tax in accordance with this resolution and the charter of said city.

Adopted by the following vote:

On motion of Ald. Britten the communication was referred to the Mayor with power to act.

A communication was received from Edwin O. Izant, agent, stating that the committee of board of trustees of the Lansing Young Women's Christian Association would like to have a committee appointed

by the city council investigate the structural safety of the roof and the structure supporting the same over their gymnasium located at S. Capitol ave.

On motion of Ald. Avery the communication was referred to the building inspectors.

A request was received from F. J. Blanding Co., to use 50 feet of street in front of their building 313-315 E. Mich. ave., for demonstrations on Feb. 9th. On motion of Ald. Howe permission was granted.

Lansing, Mich. Construction Co., petitioned for the use of Baker st., in front of where they are building two stores for a period of six weeks

Referred to committee on streets, supt. of public works and chief of police.

A communication was received from Isbell-Brown Company in regard to a claimed over-assessment of their property and petitioning that the same be set aside.

By Ald. Britten—that the petition be referred to the city assessors and city attorney. Ald. Avery moved as a substitute that the petition be received and placed on file. Carried.

A petition was received to retain that portion of E. Lenawee st., between River st., and Grand river for the parking of passenger automobiles and be made ready as soon as possible.

On motion of Ald. Avery the petition was laid on the table until a resolution which is to be presented

at this session in regard to this piece of property be disposed of.

To the honorable mayor and city council, gentlemen:

The city board of health have recommended that \$20,000 insurance be placed on the new detention hospital.

On account of the construction of the hospital, I believe this amount is ample and if the same meets with your approval, I desire to place this with the following local companies: \$10,000 with the Mill Mutuals Agency.

\$10,000 with the Holden Insurance agency.

This insurance be placed with the Patron's Mutual Fire Insurance Co., and the Michigan Millers Ins. Co., both of which are local insurance companies and neither of them have had any of the city's business up to the present time.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

By Ald. Heeb—

Whereas, the present city market appears to be and is quite an expense to the city of Lansing; and

Whereas, by reason of its location it is inaccessible to the majority of people who wish to patronize the same; and

Whereas, by reason of the same it is not a practical proposition as now maintained and is not of practical benefit to the public at large in this city; therefore be it

Resolved, that the question of discontinuing the city market in its present location be submitted to the voters of the city of Lansing at the next regular election to be held April 3, 1922.

Be it further resolved, that there be submitted to the legal voters of

the city of Lansing at said April 3d election, 1922, the question of authorizing the city to use the ground and premises now occupied as a market for other municipal purposes.

Be it further resolved, that the city clerk be and is hereby directed to cause to be prepared the proper ballots to submit the aforesaid questions to the legal voters of the city of Lansing at said April 3d election, 1922.

Be it further resolved, that the form of the ballot shall be as follows:

#### Official Ballot.

"Shall the municipal market be discontinued and the property now used therefor be used for other municipal purposes as the city council may direct."

Yes ( )      No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "yes" or "no," as he or she may desire to vote.

Resolved further, that the votes cast upon said proposed question shall be counted, returned and canvassed in like manner as prescribed for counting, returning and canvassing ballots for a general election as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

Resolved further, that the city clerk be and is hereby directed to give notice of the submission of said question as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

By Ald. McKale—

That the resolution be referred to the committee on market.

Carried.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

It is hereby determined to be a public necessity and a necessary public improvement for the protection of the health, safety and the needs of the inhabitants of the city of Lansing that the water main system of the city of Lansing be extended and that certain portions of said system be reinforced and enlarged, this council having been heretofore advised by the board of water and electric light commissioners that the sum of \$100,000 is needed for said purpose.

Resolved further, that the said water works improvements be made under the direction and supervision of the board of water and electric light commissioners of the city of Lansing, and that the question of borrowing the sum of \$100,000 upon the faith and credit of the city of Lansing, and the issuance of the bonds of said city for the purpose of defraying the necessary expense of said water works improvements

be submitted to a vote of the qualified electors of the city of Lansing, at the election to be held in the city of Lansing on the 3d day of April, 1922.

Resolved further, that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing shall be designated, "City of Lansing Water Work Extension Bonds," and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for public utilities; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council and to become due and payable not exceeding thirty years from the date of issue, at such time or times as the city council shall by resolution, prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council by resolution may prescribe, both principal and interest may be made payable at the office of the city treasurer of city of Lansing, or at such other place or places as the council, may, by resolution prescribe.

Resolved further, that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### Official Ballot.

Shall bonds of the city of Lansing in the sum of \$100,000 for the purpose of extending the present water main system of the city of Lansing and for the purpose of enlarging and reinforcing certain portions thereof as prescribed in a certain resolution of the city council dated the 20th day of February, 1922, be issued?

Yes ( )

No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan, and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the

city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the State of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Avery—

Whereas, the properties and franchises of the Michigan Power company and its assigns were purchased by the city of Lansing in 1919 after authorization had been granted the city council by a three-fifths vote of the qualified electors of said city voting at a special election held July 26, 1919; and

Whereas, the terms and conditions of said purchase in part were substantially as follows:

1. That the purchase price should be the nominal sum of \$1 and the assumption of the bonded indebtedness, which was to equal the value of the property, as fixed by the court, not taking into consideration the additions made by the receiver during receivership.

2. That the bonds were to be designated as Class "A" and Class "B" bonds. Class "A" bonds for approximately \$200,000 to bear interest at the rate of 6% and to mature in five years, one-fifth each year and to cover the expenditures of the receiver during receivership for additions, betterments, etc.

Class "B" for \$943,100, to bear interest at the rate of 5% and to mature not later than 1935, one-tenth each year from years 1925 to 1934, inclusive, and to cover the value of the properties as fixed by the court.

3. That the city of Lansing may at any time, at its option, substitute for the Class "B" bonds, the general and direct bonds of the city of Lansing, carrying the direct obligation of the said city of Lansing, both as to principal and interest, and to bear interest at the rate of 4% per annum.

Whereas, the city, since the time of taking over these properties, has made many substantial improvements and additions and the city's net equity on Feb. 1, 1922, according to auditor's report amounts to \$526,854.17.

Whereas, the properties are now in a healthy financial condition, with earnings in excess of operating expenses and fixed charges.

Whereas, it is deemed by said council to be for the best interests of the city, that Class "B" bonds above referred to, in amount of \$943,100, bearing 6% interest, be retired, and the general and direct bonds of the city of Lansing bearing 4% interest, payable semi-annually, be issued to exchange therefor, thereby saving the city during the life of said bonds the sum of \$70,732.50 in interest and \$12,000 trustees' fees, making a total of \$82,732.50; therefore be it

Resolved, by the city council of the city of Lansing that the matter of the issuance of the bonds of the city of Lansing for the aforesaid sum and purposes shall be submitted to a vote of the qualified electors of the city of Lansing at the regular spring election to be held in said city on Monday, the 3d day of April, 1922.

Resolved further, that said bonds, if authorized by a three-fifths vote of the qualified electors of the city of Lansing voting thereon as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "City of Lansing Heat and Power Bonds" and shall be issued by the city of Lansing in accordance with the city charter and the trust agreement between the Michigan Heat and Power company and the First Trust and Savings company and Edmund C. Shields (trustees); said bonds to be issued in such denominations, dated at such time or times as shall be prescribed by the city council, and to become due and payable not exceeding fifteen years from the date of issue, and at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at the rate of 4 per cent per annum, payable annually or semi-annually as the city council may prescribe, both principal and interest may be payable at the office of the city treasurer or at such other place or places as the city council may prescribe.

Resolved further, that the city clerk be and he is hereby directed to prepare printed ballots in manner and form as follows:

#### Official Ballot.

Shall bonds of the city of Lansing in the sum of \$943,100, for the purpose of retiring Class "B" first mortgage bonds against the properties formerly owned by the Michigan Power company as prescribed in a certain resolution of the city council, dated Feb. 20, 1922, be issued?

Yes ( )      No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she may desire to vote.

Resolved further, that the votes cast upon said proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing ballots of a general election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, that the city clerk be and he is hereby directed to give notice of such general spring election at which said proposed bond issue is to be submitted to the elec-

tors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan for the holding of spring elections in the city of Lansing.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

#### ORDINANCES.

Ald. Dymond introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend section 327-A of an ordinance entitled "An ordinance regulating all matters con-

cerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Michigan; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department, repealing all former ordinances conflicting therewith," as adopted April 27th, 1921, and generally known as the "Building Code."

The city of Lansing ordains:

Sec. 1. Section 327-A of an ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Michigan; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department, repealing all former ordinances conflicting therewith," is hereby amended to read as follows:

Formed steel joists. Sec. 327-A "Formed steel joists" may be used in the floor construction of the following named buildings, required under the provisions of this ordinance to be of fireproof construction, in accordance with the following provisions; apartment hotels, apartment houses, flat buildings, dormitories, hotels, lodging houses, tenements, club houses, fraternity houses, sorority houses, boarding houses, dwelling houses, schools, convent buildings, garages, sheds and for all other buildings of the "dwelling house class" where wood joists are permitted under this ordinance. Provided further, that "formed steel joists" may be used in any class of building where wood joists are now permitted. "Formed steel joists" shall be defined to mean, steel joists that are made up of two symmetrical channel sections formed from strip or sheet steel and placed back to back and securely spotwelded together. The strip or sheet steel used in producing "formed steel joists" shall in no case be less than .072 of an inch in thickness. No "formed steel joists" shall under its calculated load have a deflection exceeding 1-360 of the span. The flange width of "formed steel joists" shall not exceed one-half of their depth excepting joists five (5) inches or less in depth when flange width may be three-fourths (¾) of joist depth. The allowable unit stresses shall not exceed those given in this ordinance. Splicing of steel joists shall not be allowed. In no case shall "formed steel joists" floor construction be considered as resisting wind pressures. No "formed

steel joists" shall be spaced to exceed twenty-four (24) inches on centers. Except that joists made from strip or sheet steel .076 of an inch or more in thickness may be spaced not to exceed five times the depth of the joist. Stress in the joists shall be limited to that called for by the manufacturers' standard specifications, and in no case shall exceed 16,000 lbs. per square inch." All "formed steel joists" shall be bridged with tension bridging every six (6) feet measured along the length of the joists and shall be securely fastened in a taut condition both at the top and bottom of each and every joist. The material used for such bridging shall be at least equal in strength to No. 20 gauge black steel one (1) inch in width. The bearing for "formed steel joists" when supported on concrete or masonry walls shall not be less in any case than four (4) inches, nor in any case less than one-half ( $\frac{1}{2}$ ) the depth of the joist. The bearing of "formed steel joists" when supported on rolled beams, riveted girders or other steel members shall not be less than two and one-half ( $2\frac{1}{2}$ ) inches. The above dimensions for bearing shall be measured along the length of the joists and for the full width of the flange of the joists. No such steel joists shall be connected by rivets or bolts to supporting structural sections. All strip or sheet steel shall be dipped in oil before being formed into "formed steel joists" and shall be painted with one coat of paint at the factory prior to shipment. Wherever "formed steel joists" are permitted to be used under the provisions of this section of this ordinance, metal lath shall be firmly secured to the top and bottom of all such joists and shall weigh not less than three and four tenths (3.4) pounds per square yard. This lath shall have sufficient cross sectional area to serve as reinforcement for the concrete slab, as provided in sections 306 and 307 of this ordinance. The top layer of floor lath to be covered with Portland cement concrete at least two (2) inches in thickness over the entire floor area. All such concrete shall be of such quality that its maximum crushing strength at the age of thirty (30) days shall not be less than two thousand (2,000) pounds per square inch. The bottom layer or ceiling lath shall be covered with at least two (2) coats of cement plastering at least three fourths ( $\frac{3}{4}$ ) of an inch in thickness of a mix of one (1) part Portland cement and not to exceed two (2) parts of sand, to which may be added ten (10) pounds of lime putty to each sack of Portland cement for the scratch coat only. In non-fireproof building, a two (2) inch wood nailing strip may be nailed over the lath directly to the "formed steel joists" and the two (2) inches of concrete above provided for shall be filled between said nailing strips with a wood floor over said concrete fastened directly to said nailing strips. Said nailing strips not to ex-

ceed two (2) inches in width. Provided, however, that where "formed steel joists" are used in place of wood in single dwellings, no fireproofing shall be required other than that required for wood joists.

#### REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending Feb'y 25, 1922 was received and placed on file.

Honorable Mayor and City Council Gentlemen:

Referring to the petition that was referred to this department, for the granting of permission to place show cases on the south side of the James O'Connor store at the northeast corner of Ottawa and Washington ave. and Merritt & Bailey at 111½ N.

Washington ave., I beg to report that the request be not granted.

Very respectfully,  
**ALFRED SEYMOUR,**  
 Chief of Police.

By Ald. Phillips—  
 That the report be laid on the table for one week.  
 Carried.

Hon. Mayor and City Council,  
 Gentlemen:

In pursuant to amended section No. 286 of the city charter you are hereby notified that in the judgment of the Lansing City Board of Health \$45,895.00 will be needed for the activities of said board and health department for the ensuing year.

This amount covers the activities of the health department proper and clinics together with the building commissioner, electrical inspector, also plumbing inspector.

Respectfully submitted,  
 Lansing City Board of Health,  
 Per S. R. HILL, M. D.,  
 Health Officer.

Referred to committee on ways and means.

To the Honorable Mayor and City Council of the City of Lansing,  
 Gentlemen:

 To be assessed ..... 8,680.00

Respectfully submitted,  
 O. E. ECKERT,  
 City Engineer.

Referred to committee on sewers.

To the Honorable Mayor and City Council of the City of Lansing,  
 Gentlemen:

For the purpose of making it a matter of record I submit herewith a letter from the general manager of the New York Central railroad company relative to the construction of a bridge and the separation of grades at Shiawassee st.

Respectfully submitted  
 O. E. ECKERT,  
 City Engineer.

Mr. O. E. Eckert,  
 City Engineer,  
 Lansing, Mich.  
 Dear Sir:—

Referring to our conference December 7th, with reference to proposed new bridge over the river and separation of grades at Shiawassee st.

This company will contribute, as requested at that conference, the fixed sum of \$50,000, being about one-half the estimated excess cost of putting the bridge over Shiawassee st.

the city to assume all other expense, including land damages and future maintenance of the bridge and approaches. It is understood that the railroad company will not be called upon to make any payment until the end of the year.

Yours very truly,  
 A. S. INGALLS,  
 General Manager.

By Ald. Clapham—

That the communication be received—placed on file and printed.  
 Carried.

#### REPORT OF COMMITTEE.

The committee on bonds and contracts to whom was referred the applications for licenses to maintain public dance halls, begs leave to report as follows:

We recommend that licenses be granted to the following applicants:  
 Building and Trades club, 214½ N. Wash. ave.  
 M. Graft, 424½ N. Wash ave.  
 Protection Lodge No. 321, I. O. O. F.

S. S. MAIN,  
 M. A. TEMPLETON,  
 A. H. PHILLIPS.

Committee on Bonds and Contracts.

By Ald. Main—

That the report of the committee be adopted.  
 Carried.

The committee on bridges respectfully recommends that the question of issuing ninety thousand dollars of bonds for constructing a bridge over the Grand river at Seymour ave. be submitted to the electors at the coming April election.

Your committee also recommends that the question of constructing a bridge at Shiawassee st. over the Grand river and over the New York Central tracks be submitted to the voters in the manner called for by a resolution following.

Respectfully submitted,  
 ELMER CLAPHAM,  
 E. D. KLOCK,  
 W. E. TRAGER,  
 Committee on Bridges.

Received and placed on file.

The committee on sewers has had under consideration the various petitions for sewers throughout the city and recommend that the matter of issuing bonds to an amount of three hundred thousand dollars for constructing sewers be submitted to the voters at the coming April election.

A considerable number of sewers have been petitioned for which cannot be built until adequate outlets have been constructed. The state and county are ready to proceed with pavements on certain streets in which trunk line sewers will have to be built. These sewers should be

built before any paving is done on the streets.

Respectfully submitted,

H. T. FOWLER,  
E. L. HEEB,  
ELMER CLAPHAM,

Committee on Sewers.

Received and placed on file.

The committee on streets recommends that it be and is the sense of the city council that the bonds in the amount of \$200,000 to be voted upon April 3, 1922, be for the purpose of paving the following streets, viz.:

Kalamazoo st. from Logan st. to Huron st.

Allen st. from Michigan ave. to Marcus st.

Prospect st. from Clifford st. to Lathrop st.

St. Joseph st. from Pine st. to Grand ave.

Cedar st. from Saginaw st. to Franklin ave.

Main st. from Logan st. to west city limits.

Cedar st. from Hazel st. to south city limits.

Seymour ave. from Saginaw st. to Grand river.

May st. from Pennsylvania ave. to Johnson ave.

Ferguson st. from Michigan ave. to Jerome st.

Elm st. from Washington ave. to Grand river.

Pennsylvania ave. from Main st. to Red Cedar river.

Woodlawn ave. from Washington ave. to Sparrow ave.

O. C. HOWE,

M. A. TEMPLETON,

A. E. DYMOND,

Committee.

Received and placed on file.

#### BONDS APPROVED.

The bond of Edward Conricote, contractor, as principal with Fidelity & Deposit Co. of Maryland as surety, was approved.

The drayman bond of John H. Rowe as principal with B. T. Fiske and Fred Higsbee as sureties, was approved.

Whereas, the properties and franchises of the Michigan Power company and its assigns were purchased by the city of Lansing in 1919 after authorization had been granted the city council by a three-fifths vote of the qualified electors of said city voting at a special election held July 26, 1919; and

Whereas, the terms and conditions of said purchase in part were substantially as follows:

1. That the purchase price should be the nominal sum of \$1 and the assumption of the bonded indebtedness, which was to equal the value of the property, as fixed by the court, not taking into consideration the additions made by the receiver during receivership.

2. That the bonds were to be designated as Class "A" and Class "B" bonds. Class "A" bonds for approximately \$200,000 to bear interest at the rate of 6% and to mature in five years, one-fifth each year and to

cover the expenditures of the receiver during receivership for additions, betterments, etc.

Class "B" for \$943,100, to bear interest at the rate of 5% and to mature not later than 1935, one-tenth each year from years 1925 to 1934, inclusive, and to cover the value of the properties as fixed by the court.

3. That the city of Lansing may at any time, at its option, substitute for the Class "B" bonds, the general and direct bonds of the city of Lansing, carrying the direct obligation of the said city of Lansing, both as to principal and interest, and to bear interest at the rate of 4% per annum.

Whereas, the city, since the time of taking over these properties, has made many substantial improvements and additions and the city's net equity on Feb. 1, 1922, according to auditor's report amounts to \$526,-854.17.

Whereas, the properties are now in a healthy financial condition, with earnings in excess of operating expenses and fixed charges.

Whereas, it is deemed by said council to be for the best interests of the city, that Class "B" bonds above referred to, in amount of \$943,100, bearing 5% interest, be retired, and the general and direct bonds of the city of Lansing bearing 4% interest, payable semi-annually, be issued to exchange therefor, thereby saving the city during the life of said bonds the sum of \$70,-732.50 in interest and \$12,000 trustees' fees, making a total of \$82,-732.50; therefore be it

Resolved, that the matter of the issuance of the bonds of the city of Lansing for the aforesaid sum and purposes shall be submitted to a vote of the qualified electors of the city of Lansing at the regular spring election to be held in said city on Monday, the 3d day of April, 1922.

Resolved further, that said bonds, if authorized by a three-fifths vote of the qualified electors of the city of Lansing voting thereon as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "City of Lansing Heat and Power Bonds" and shall be issued by the city of Lansing in accordance with the city charter and the trust agreement between the Michigan Heat and Power company and the First Trust and Savings company and Edmund C. Shields (trustees); said bonds to be issued in such denominations, dated at such time or times as shall be prescribed by the city council, and to become due and payable not exceeding fifteen years from the date of issue, and at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at the rate of 4 per cent per annum, payable annually or semi-annually as the city council may prescribe, both principal and interest may be payable at the office of the city treasurer or at such other place

or places as the city council may prescribe.

Resolved further, that the city clerk be and he is hereby directed to prepare printed ballots in manner and form as follows:

#### Official Ballot.

Shall bonds of the city of Lansing in the sum of \$943,100, for the purpose of retiring Class "B" first mortgage bonds against the properties formerly owned by the Michigan Power company as prescribed in a certain resolution of the city council, dated Feb. 20, 1922, be issued?

Yes ( ) No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she may desire to vote.

Resolved further, that the votes cast upon said proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing ballots of a general election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, that the city clerk be and he is hereby directed to give notice of such general spring election at which said proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan for the holding of spring elections in the city of Lansing.

By Ald. Avery—

Resolved by the City Council of the City of Lansing:

That the resolution relative to the proposition of retiring the Michigan Heat and Power Co. mortgage bonds be amended so as to read as follows:

Whereas, the properties and franchises of the Michigan Power company and its assigns were purchased by the city of Lansing in 1919 after authorization had been granted the city council by a three-fifths vote of the qualified electors of said city voting at a special election held July 26, 1919; and

Whereas, the committee on bridges has heretofore reported to this council that the Seymour st. bridge across Grand River was unsafe for present day traffic and that it recommended that the same be replaced by a permanent concrete structure:

Therefore, be it resolved by the city council of the city of Lansing, that it is hereby determined to be a public necessity and a necessary public improvement for the safety and needs of the inhabitants of the city of Lansing that a new bridge be constructed across the Grand river on Seymour st. within said city; and this council being advised by the bridge committee that the sum of \$90,000 is needed to build said bridge: this council therefore determines that the sum of \$90,000 is needed to build said bridge.

Resolved further, that the building of said bridge be made under the direction and supervision of the city council of the city of Lansing by and through its proper officers; and that the question of borrowing the sum of \$90,000 upon the faith and credit of the city of Lansing and the issuance of the bonds of said city for the pur-

pose of defraying the cost of building said bridge be submitted to a vote of the qualified electors of the city of Lansing at the election to be held in the city of Lansing on the 3rd day of April, 1922.

Resolved further, that said bonds, if authorized by a three-fifths vote of the qualified electors of said city of voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "city of Lansing bridge bonds" and shall be issued and sold by the city of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable not exceeding thirty years from the date of issue, at such time or times as the city council shall, by resolution, prescribe; said bonds to bear interest at rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the city of Lansing or at such other places as the council, by resolution, may prescribe.

Resolved further, that the city clerk be and is hereby directed to prepare printed ballots substantially in a manner and form as follows:

## Official Ballot

Whereas, bonds were voted to build a bridge across and over Cedar river at Pennsylvania ave. and

Whereas, said bridge is near completion and it is evident that the money or bonds so voted will not all be used in the construction thereof, and

Whereas, heretofore the city voted bonds to build a bridge across Grand river at Shiawassee st., and

Whereas, it is thought desirable on the part of many that at the time of the construction of the bridge over Grand river at Shiawassee st., that the same be continued and constructed across and over the New York Central tracks at said Shiawassee st., and

Whereas, it is thought advisable that the surplus of the money voted for the Pennsylvania ave. bridge and the Shiawassee st. bridge be used to continue said bridge across and over the New York Central tracks at Shiawassee st. Therefore be it

Resolved that the question as to whether or not the bonds previously voted to construct a bridge on Pennsylvania ave. across Cedar river and at Shiawassee st. across Grand river, that the same be used for said purposes and in connection therewith to construct the bridge on the Shiawassee st. and to continue the same over the New York Central tracks on said Shiawassee st.

Be it further resolved that said question as to whether said moneys shall be used as aforesaid be submitted to the legal voters of the city of Lansing at the regular election to be held on April 3d, 1922.

Be it further resolved that the city clerk be and is hereby directed to prepare printed ballots substantially in manner and form as follows:

#### Official Ballot

#### CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Fowler—

It is the opinion of the city council of the city of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in Island ave. from Grand river to Washington ave. and in Washington ave. from Island ave. to Moores River drive is desirable; therefore be it

Resolved, that the city engineer be and hereby is instructed to prepare plans for said sewers and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the pro-

posed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager.—14.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That it is the intention of said council to construct 1,180 feet of sewer in Island ave. from Grand river to Washington ave. and in Washington ave. from Island ave. to Moores River drive in the fifth sewer and drain district, and that the plat and diagram thereof made and returned by the city engineer be received and placed on file in the office of the city engineer where the same may be found for examination.

Further, that the city council meet at the city council rooms on Monday, the sixth day of March, 1922, at 7:30 p. m., to consider any suggestions and objections that may be made by parties interested with respect to said sewer, and that the city clerk publish a notice thereof in accordance with section 275 of chapter 18 of the charter.

The premises deemed to be especially benefited by this improvement are:

By Ald. Howe—

That the petition be granted.

Carried.

Melvin C. Long applied for public driver's license.

Referred to committee on bonds and contracts.

John Bohnet & Co. gave notice that they would no longer need the premises rented by them at the asphalt plant and are now ready to discontinue the lease.

By Ald. McKale—

That the matter be referred to the city engineer.

Carried.

W. M. Sleaford asked permission to run an air pipe over the sidewalk in front of 132½ E. Allegan st.

By Ald. McKale—

That the matter be referred to superintendent of public works.

Carried.

A communication was received from Oscar E. Bulkeley, superintendent of the water and electric light works, relative to oil in Grand river in sufficient quantity to damage boilers at the Ottawa st. station and asking that action be taken to prevent the practice of dumping oil in the river.

By Ald. Main—

That the communication be referred to the committee on ordinances.

Carried.

A communication was received from Thomas E. White relative to previous communication to the council and also regarding his inability to obtain information desired by him from officials having the enforcement of the building code.

On motion of Ald. Templeton, same referred to the committee on city affairs to report at the next meeting.

#### APPEAL.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Island ave. from Grand river to Washington ave. and in Washington ave. from Island ave. to Moores River drive.

No objections being filed the same was considered satisfactory to parties interested.

## REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending March 4, 1922, was received and placed on file.

The report of the city gas inspector for the month of February, 1922, was received and placed on file.

The Honorable Mayor and City Council:

Gentlemen—At the request of several members of your honorable body, I am handing you herein an opinion as to the right of your honorable body to grant permission to James O'Connor to construct an outside showcase attached to the side of his building for the purpose of the display of merchandise. It is my understanding that the above mentioned showcase is not to project over two feet from the face of the building, and would therefore use up hardly an appreciable portion of the sidewalk space adjacent thereto.

Except for the provisions of section 450 of the building code, permission could be granted by the council without question for the council could hold with a great deal of force that a showcase constructed in this manner would amount to no practical obstruction of the sidewalk whatever, and therefore permission granted to an abutting property owner would be legal.

However, this body by a formal ordinance, namely, the section of the building code above referred to, has provided that "no sidewalk is to be encumbered or obstructed with any temporary or permanent construction of any kind for the display of goods, advertising or carrying on of business, whether open air or otherwise." This body having seen fit to prohibit any obstruction for this particular purpose could not by their own act authorize a violation of such ordinance.

The only way possible would be by amendment to the section of the building code in question, and if it is desired the prohibition of the section could be amended so as to extend only to encumbrances extending more than, for example, three feet from the property line of the abutting owner.

It is true that the showcase in question is of no practical obstruction to the sidewalk, but for the reason that it is an express violation of the section it would be a dangerous precedent to establish to grant permission in this case without amending the section of the ordinance as above indicated.

Very truly yours,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

## REPORTS OF COMMITTEES.

The committee on streets to whom was referred the petition to grade Prospect st. from Clemens ave. to Fairview ave. begs leave to report as follows:

We recommend the petition be granted.

A. E. DYMOND,  
Committee.

Received and placed on file.

The following report was taken from the table:

Honorable Mayor and City Council: Gentlemen—Referring to the petition that was referred to this department for the granting of permission to place showcases on the south side of the James O'Connor store at the northeast corner of Otawa and Washington ave. and Merritt & Bailey at 111½ N. Washington ave., I beg to report that the request be not granted.

Very respectfully,  
ALFRED SEYMOUR,  
Chief of Police.

Received and placed on file.

The committee on streets to whom was referred the petition to pave Elm st. from Washington ave. to Cedar river begs leave to report as follows:

We recommend the petition be granted.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee.

Received and placed on file.

## MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the city clerk be and he is hereby directed to draw an order for \$17.79 in favor of Frieda A. Schneider, city treasurer, to pay for an erroneous tax on personal property assessed against Dr. F. M. Waggoner and charge same to uncollected tax and abatement fund.

By Ald. Phillips—

That the resolution be referred to the city assessors.

Carried.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That the city engineer be instructed to build a sewer in the following streets:

Island ave. from Grand river to Washington ave.; Washington ave. from Island ave. to Moores River drive, and that he report the actual cost of this improvement for assessment.

Adopted by the following vote:  
Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.  
Nays—None.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That the city comptroller be and he is hereby directed to place \$20,000 insurance on the new Detention hospital; one-half of the amount to be placed in the Mill Mutuals of this city and one-half to be placed in the Central Manufacturers' Mutual Insurance Co. of Van Wert, Ohio.

By Ald. McKale—

That the resolution be laid on the table.

Carried.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That the mayor and city clerk be and they are hereby authorized to sign an agreement with the New York Central Railroad company for the construction of a sewer under their right of way near Atlas Drop Forge property as approved by the city attorney.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That all resolutions offered and passed by this council on February 27, A. D. 1922, for bonding be reconsidered, except the resolution for the issue of bonds in the sum of one hundred thousand dollars (\$100,000.00) for extending the present water main system of the city of Lansing and for the purpose of enlarging and reinforcing certain portions thereof as prescribed in a certain resolution dated the 20th day of February, 1922.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.  
Nays—None.

By Ald. Avery—

Moved that all resolutions for bonding offered on February 27, 1922, be laid upon the table, except the bond issue for extending the present water main system.

Carried.

By Ald. Avery—

Whereas, this council on January 9, 1922, did award the sale of \$900,000 city of Lansing paving, sewerage, bridge and electric light and power plant bonds to Keane, Higbie company of Detroit, Mich., for a bid of \$919,323; and

Whereas, said bid was made subject to the approval of their attorneys as to the legality of said issues; and

Whereas, their attorneys, Messrs. Storey, Thorndyke, Palmer & Dodge of Boston, Mass., did at first disapprove the legality of said issues because of the irregularity in the calling of the special election at which the major portion of said bonds were voted, said irregularity being the providing for only one voting place in each ward when, as a matter of fact, the charter provides for a polling place in every precinct; and

Whereas, because of such disapproval, the said bond houses and the other bond houses syndicated with them, canceled their sales of said bonds to their various clients; and

Whereas, because of additional decisions furnished to said attorneys by the city attorney, the said firm of Storey, Thorndyke, Palmer & Dodge are now willing to reconsider their opinion and undoubtedly will approve said issue upon the city's providing a sinking fund for the various issues; and

Whereas, because of the necessity for the said bonding houses to resell all of said bonds they are not now willing to take said issue at the price bid unless the city will agree to stand the expenses they have been to in the original advertising and sale of the issue; and

Whereas, they will take said issue at the price bid contingent upon the city paying to them the sum of \$5,600, the same being the amount lost by said company by virtue of the necessity of reselling said bonds; and

Whereas, it is not deemed a good business policy to enter into litigation with eastern bond houses and to advertise the fact of the questioned legality of the city bond issue when the New England market is the best market obtainable for city of Lansing bonds; and

Whereas, the expense and delay attendant upon readvertising and reselling these bonds would be more than the said amount; and

Whereas, the board of electric light will shortly be in need of large sums of money to pay upon the construction of the new electric light and power plant; therefore be it

Resolved, that the city clerk be and he is hereby directed to draw an order payable to Keane, Higbie company for the sum of \$5,600 and charge same to the contingent fund, said order, however, not to be delivered to said company until the sum of \$910,323 has been paid to the said city and the above mentioned bonds delivered to said bonding company.

By Ald. Templeton—

That the resolution be laid on the table for one week.

Lost by the following vote:

Yeas—Ald. Heeb, Main, McComb, Templeton, Watley.—5.

Nays—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Howe, Klock, McKale, Phillips, Trager.—11.

Original resolution now being before the council it was adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

#### PUBLIC IMPROVEMENT I.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is a public necessity, and it is hereby determined to grade Prospect st. from Clemens ave. to Fairview ave.

That the city engineer be and hereby is directed to estimate the kind and quantity of material to be used therefor, and to estimate in detail the probable cost and expense of such work and of the materials to be used therein, and make a record thereof in his office, and cause to be prepared so far as necessary, plans and specifications for such work, and to prepare a profile of such portion of said street and report his determination, estimate and plans to the city council at its next regular meeting, or as soon thereafter as possible, as required by the charter of said city.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—The committee representing all interests desiring the successful conduct of our City Market after a careful investigation would respectfully report findings that we believe are endorsed by over 90% of the surrounding farmers and city voters.

1st—A properly conducted city market is an economic necessity for any manufacturing town, as it should reduce the spread between the producer and consumer, encourages increased production, creates a spirit of co-operation between the farmer and city people, helps labor reduce the cost of living and supply a real public demand.

2nd—A central market is preferable to two or more.

3rd—Our present market is an ideal location and could not be abandoned without serious damage to the best interests of our city.

4th—Present location is better and equipment far better than in Grand Rapids where a wonderful market has been built up by practical constructive methods that Lansing can easily and safely follow.

5th—We recommend that present market be continued and made to properly function by efficient management.

That a rest room with women and men's toilet be provided at once.

7th—That a competent man be procured on his record without any petition or political influence as Market Master for market days who must have sufficient meat and grocery experience to inspect and pass on all foods offered for sale with executive ability to enforce proper rules, to safeguard both seller and buyer and prevent any questionable or unwholesome food being offered. Market Master should be invested with full police power.

8th—That weights and measures be carefully watched and scales installed for purchasers to check out on.

9th—That a weighmaster and market caretaker be retained to be on duty all the time, and only make it necessary for market master to be on duty during market hours on market days, which should not take over 24 hours per week and make it possible to procure a high grade man who could not devote his entire time to market.

10th—That a wholesale market be held early every other morning and would suggest 5 A. M. Tuesday, Thursday and Saturday to which any grower could bring his produce or any wholesale dealer fruit and produce not locally grown, and on which any dealer or consumer could purchase in wholesale quantities, and this market should be over at 9 A. M.

11th—A retail market should be held on same day beginning as near noon as practical and running as long as seller and buyer do business, but it should not be encouraged past 6 P. M. except on Saturday evening.

The retail market must be restricted to bona fide growers and all hucksters and resale dealers prohibited from it, as they have been the principal cause of our present demoralized market situation.

12th—A retail bulletin should be no longer posted, but instead there should be a bulletin posted each noon with that day's wholesale price marked up, which in our judgment would automatically result in a market price of about half way between wholesale and retail, as growers will not come unless they get more than wholesale prices, and consumers will not patronize unless they buy at less than retail prices.

While prices will be largely regulated by supply and demand and high-grade goods bring best prices a market cannot grow and properly serve unless the benefit is mutual and a wholesale price bulletin will tend to establish this condition in Lansing as it has elsewhere.

Respectfully submitted,

MRS. DORA H. STOCKMAN,  
Representing Michigan Farmers.

TO the Mayor and City Council:

Ingham County Pomona Grange, held in Dansville March 4, 1922, drafted the following resolutions to present to your honorable body:

Whereas, there has been some mention made of discontinuing the Lansing city market; and

Whereas, we believe this market to be a necessity to the welfare of the people of Ingham county and adjoining territory; and

Whereas, we find the middleman and huckster to be a menace to the city patrons and producers; and

Whereas, a rest room is believed to be a necessity for convenience of women at the market; therefore be it

Resolved, that your honorable body take these resolutions under advisement and act upon them with due consideration of all persons involved.

LEON E. WEBB,  
ALLIE RAYMOND,  
WILLIAM WEST.

By Ald. Avery—

That the communications be received, placed on file and printed.

#### MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. Howe—

Whereas, two parcels of land platted in 1920, which were to be known as Saginaw Park No. 1 and Saginaw Park No. 2 have not been

accepted and adopted by this council; and

Whereas, the parties who purchased homes in these proposed plats are very desirous of obtaining certain very necessary public improvements; therefore be it

Resolved by the city council of the city of Lansing, that the committee on city affairs and committee on streets, together with the city attorney, be and they are hereby directed to make an examination of all matters in connection with the sale of these houses and lots to the present owners and especially to ascertain if the buyers have any recourse for damages or non-performance of the terms of the contract against the original owners of the plats.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Tempton, Trager, Watley—15.

Nays—None.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the city clerk be and he is hereby directed to draw an order in favor of Robert Hyslop for \$8.58 and charge this amount to the same account to which the penalty was credited.

By Ald. Templeton—

That the resolution be referred to the city attorney.

Carried.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That the superintendent of public works be and he is hereby instructed to repair brick pavement on Allegan st., near corner of Walnut st., and charge same to paving repair.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Tempton, Trager, Watley—15.

Nays—None.

Ald. Avery moved that the resolution directing the city clerk of the city of Lansing to draw an order to Keane, Higbie company for the sum of five thousand six hundred (\$5,600.00) dollars, charging the same to the contingent fund, be reconsidered.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Tempton, Trager, Watley—15.

Nays—None.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That the resolution passed one week ago relative to the \$900,000 bond issue be laid on the table.

Carried.

By Ald. Britten—

That when we adjourn, it be to tomorrow evening at 8 o'clock.

Carried.

By Ald. Avery—

That the resolution relative to the \$900,000 bond issue be taken from the table.

Carried.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

Whereas, this council on January 9, 1922, did award the sale of \$900,000 city of Lansing paving, sewerage, bridge and electric light and power plant bonds to Keane, Higbie company of Detroit, Mich., for a bid of \$910,323; and

Whereas, said bid was made subject to the approval of their attorneys as to the legality of said issues; and

Whereas, their attorneys, Messrs. Storey, Thorndyke, Palmer & Dodge of Boston, Mass., did at first disapprove the legality of said issues because of the irregularity in the calling of the special election at which the major portion of said bonds were voted, said irregularity being the providing for only one voting place in each ward when, as a matter of fact, the charter provides for a polling place in every precinct; and

Whereas, because of such disapproval, the said bond houses and the other bond houses syndicated with them, canceled their sales of said bonds to their various clients; and

Whereas, because of additional decisions furnished to said attorneys by the city attorney, the said firm of Storey, Thorndyke, Palmer & Dodge are now willing to reconsider their opinion and undoubtedly will approve said issue upon the city's providing a sinking fund for the various issues; and

Whereas, because of the necessity for the said bonding houses to resell all of said bonds they are not now willing to take said issue at the price bid unless the city will agree to stand the expenses they have been to in the original advertising and sale of the issue; and

Whereas, they will take said issue at the price bid contingent upon the city paying to them the sum of \$5,600, the same being the amount lost by said company by virtue of the necessity of reselling said bonds; and

Whereas, it is not deemed a good business policy to enter into litigation with eastern bond houses and to advertise the fact of the questioned legality of the city bond issue when the New England market is the best market obtainable for city of Lansing bonds; and

Whereas, the expense and delay attendant upon readvertising and reselling these bonds would be more than the said amount; and

Whereas, the board of electric light will shortly be in need of large sums of money to pay upon the construction of the new electric light and power plant; therefore be it

Resolved, that the city clerk be and he is hereby directed to draw an order payable to Keane, Higbie company for the sum of \$5,600 and charge same to the contingent fund, said order, however, not to be delivered to said company until the sum of \$910,323 has been paid to the said city and the above mentioned bonds delivered to said bonding company.

Lost by the following vote:

Nays—Ald. Avery, Britten, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Plimpton, Trager, Watley—15.

Yeas—None.

Mr. F. H. Presley,  
City Comptroller,  
Lansing, Mich.  
Dear Sir—

Re: \$900,000 Lansing, Mich., Bonds.  
We have been requested by the Old Colony Trust company to return the deposit they made with you on the above bonds, on which our attorneys refused a legal opinion.

The writer has discussed the possibility of arranging another deal with the city of Lansing, but before going into details on this arrangement, we would like to have the old account settled. We would ask, therefore, that you kindly return the check deposited with you, so that we may proceed on a new basis should Mr. Warner desire us to do so.

Very truly yours,  
KEANE, HIGBIE & CO.

By Ald. Avery—

Whereas, Keane, Higbie & Co. of Detroit, Mich., have rejected the bonds of the city of Lansing in the sum of \$900,000 on their bid of Jan. 3, 1922, of \$910,323 per their letter of Feb. 21, 1922; therefore be it

Resolved, that the second highest bid for these bonds, namely, the bid of Harris, Small & Lawson, in the sum of \$907,200, be and the same is hereby accepted and the mayor and clerk be authorized to execute said contract on behalf of the city.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Britten—

That we reconsider the motion to adjourn, to meet tomorrow evening.  
Carried.

By Ald. Howe—

That the motion be laid on the table.

Carried.

By Ald. Britten—

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore to-wit on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant, together with the necessary distribution systems, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the Board of Water & Electric Light Commissioners that the city of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore to-wit on the 30th day of August, 1921, did submit the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000, for the purpose of constructing said new electric light and power plant together with the necessary distribution system and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved, by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$500,000, being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$100 and \$1,000, as may be designated by the purchaser, and be dated January 3d, 1922 and be due and payable as follows: \$75,000.00 on the 3d day of January of each year from 1930 to 1935, inclusive and \$50,000.00 on the 3d day of January 1936. That said bonds shall bear interest at the rate of 4% per annum, payable semi-annually on the 3d day of January and the 3d day of July in each year, beginning the 3d day of July, 1922, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following revisions for registration as to principal and interest:

In accordance with a provision of this bond and coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treas-

urer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgement of the receipt thereof.)

Resolved further, that the form of said bonds and the interest coupons attached hereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupons.

#### UNITED STATES OF AMERICA

State of Michigan

County of Ingham

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000.00, lawful money of the United States of America, on the 3d day of January, 19...., at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4% per annum, payable semi-annually, on the 3d day of January and the 3d day of July, of each and every year, beginning with the 3d day of July, 1922, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 500 of like tenor except as to the date of maturity aggregating the sum of \$500,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribu-

tion system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date January 3d, 1922, by order of said council.

Resolved by the city council of the city of Lansing.

That, whereas, this council did heretofore, to-wit: on the 28th day of

February, 1921, by resolution duly adopted, declare and determine that the Shiawassee st. bridge across Grand river is unsafe for present-day traffic and that it be recommended that the same be replaced by a permanent concrete structure; and

Whereas, the wooden bridge across the Cedar river on S. Pennsylvania ave., was weak and in a dangerous condition, and recommended that the bridge be also replaced by a permanent concrete structure; and this council being advised by the bridge committee that the city of Lansing will incur an estimated indebtedness of \$300,000 in the construction of said bridges in the city of Lansing; and

Whereas this council heretofore, to-wit, on the 4th day of April, 1921, did submit the question of building said bridges, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$300,000 for the purpose of construction of said bridges to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$300,000 for the purpose of constructing said bridges, and that said bonds should be issued as proposed in said resolution.

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Bridge Bonds" in the sum of \$100,000, being the balance of the bonds heretofore voted, for the purpose of defraying the expenses of construction of said bridges in the city, be issued by said city; that such bonds shall be in denominations of \$100.00, \$500.00 and \$1,000.00, as may be designated by the purchaser, and be dated January, 3, 1922, and be due and payable as follows: \$20,000.00 on January 3, of each year from 1923 to 1932, inclusive. Said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 3d day of January and the 3d day of July in each year, beginning July 3, 1922, until all of said bonds are fully paid, both interest and principal payable at Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treasurer. The semi-annual interest of the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

#### City of Lansing Bridge Bond

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer or if registered to the registered holder thereof the sum of \$1,000.00 lawful money of the United States of America, on the 3d day of January, 19.... at the Guaranty Trust Co., New York, N. Y., with interest at the rate of 5% per annum, payable semi-annually on the 3d day of January and the 3d day of July of each and every year beginning the 3d day of July, 1922, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith of the city of Lansing is hereby irrevocably pledged.

This bond is one of a series of 100 of like tenor, except as to date of maturity, aggregating the sum of \$100,000 issued under and in pursuance of the provisions of the charter of the city of Lansing and by authority of the laws of the state of Michigan and duly authorized by a three-fifths vote of the qualified electors of said city of Lansing, at an election held in said city on the 4th day of April, 1921. This issue of bonds is for the purpose of raising funds to defray the expense of constructing a bridge across Grand river at Shiawassee st., also a bridge across the Cedar river on S. Pennsylvania ave., as described in a certain resolution of the city council adopted on the 28th day of February, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance

of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable only to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupon by delivery merely, but the coupons may be surrendered, and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of said city of Lansing, Ingham County, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date January, 3, 1922, by order of said council.

#### ORDINANCES.

Ald. Phillips introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances.

An ordinance to establish and regulate the weight of bread sold or offered for sale, delivered or offered for delivery in the city of Lansing, and to provide a punishment for the violation of the same.

The city of Lansing ordains:

Section I. All bread sold or offered for sale, delivered or offered for delivery shall contain either sixteen ounces or thirty-two ounces avoirdupois weight to each loaf, and it shall be unlawful for any person to sell or attempt to sell or deliver, or attempt to deliver a loaf of bread unless it contains the amount of bread herein required.

Section II. Section I of this ordinance shall not be construed to prohibit manufacturing, selling and offering for sale, delivering or offering for delivery bread of other weights, providing each and every loaf of bread sold or offered for sale, delivered or offered for delivery that is not of the weight of sixteen ounces or thirty-two ounces avoirdupois weight shall have the exact weight of said bread stamped upon the loaf or upon the wrapper of the said loaf so that the same may be plainly seen and the weight known, which stamp upon the said loaf or upon said wrapper shall be and remain upon the same until the same is sold to the consumer.

Section III. Any deficiency in the weight of such bread shall be ascertained by the sealer of weights and measures by weighing or causing the same to be weighed in his presence within eight hours after the same shall have been baked, sold or offered for sale, and when any allowance in weight shall be claimed on account of any bread having been baked, sold, or offered for sale more than eight hours as aforesaid, the burden of proof in respect to time when the same shall have been baked, sold or offered for sale shall devolve upon the baker of such bread.

Section IV. Any person or persons who shall violate any of the provisions or requirements of this ordinance shall upon conviction thereof be deemed guilty of a misdemeanor and shall be punished by a fine of not less than ten dollars nor more than one hundred dollars, or by imprisonment of not less than twenty days nor more than ninety days, or by both such fine and imprisonment in the discretion of the court.

Ald. Heeb introduced the following ordinance which was read a first and

second time by its title and referred to the committee on ordinances:

An ordinance to amend section 450 of an ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Mich.; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department. Repealing all former ordinances conflicting therewith."

The city of Lansing ordains:

Section I. That section 450 of an ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Mich.; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department. Repealing all former ordinances conflicting therewith," said ordinance being known as the Lansing City Building Code, adopted by the city council, April 27, 1921, be and is hereby amended to read as follows:

Section 450. No sidewalk is to be encumbered or obstructed with any temporary or permanent construction of any kind for the display of goods, advertising, or carrying on of business, whether open air or otherwise; from and after the passage of this ordinance the building commissioner may order the removal of any such construction whether new or already existing, and in the event of refusal or neglect of owner, occupant or person or persons, firm or corporation having the use or control of such construction to remove the same within a reasonable time, to be specified in such order, the building commissioner may by consent of the board of health, order the police department to remove such construction, in addition to proceeding by law to enforce the penalties for violation of this code, providing, however, that this section shall not be construed to prohibit merchants and other business persons from using and occupying that portion of the sidewalk next to their place of business for a distance of three feet for the purpose of displaying or moving their goods or wares or moving across the sidewalk any fuel for the use of families and others; providing further that nothing herein con-

tained shall be deemed to permit the display of goods or wares in front of any stairway consisting of six or more steps.

Detroit

Detroit, March 17, 1922.

Mr. Judson A. Parsons,  
City Clerk,

Lansing Mich.

Dear Sir—We are in receipt of your letter of prior date, in which you returned our certified check for \$9,000, tendered you as an evidence of good faith in bidding on \$900,000 City of Lansing, Mich., Bonds, issued for various purposes; which bonds were awarded us on Jan. 3.

Our attorneys, Messrs. Storey, Thorndike, Palmer & Dodge, wrote us under date of February 27 that they were unable to furnish us with a satisfactory opinion, due to the fact that certain legal requirements were not shown in the transcript. We were therefore obliged to cancel all sales and advised you that we were unable to complete the transaction.

Since that time, however, the required papers were forwarded to Storey, Thorndike, Palmer & Dodge and we advised you that we were willing to complete our contract and asked you for a readjustment to cover our original selling expenses, which your council agreed to. You now advise us that this action has been rescinded and that you contemplate awarding the bonds to the next highest bidder.

Although you have seen fit to rescind your action wherein you allowed us \$5,623.00, in view of the fact that the transcript is now complete and satisfactory, we wish delivery of the bonds as originally awarded us. The bonds are printed and should reach you early next week for signature and when they are properly signed and sealed, and ready for delivery, we would thank you to deliver them, either in person

or at the offices of Keane, Higbie & Co., Detroit, Mich.

Very truly yours,

Old Colony Trust Co., Boston, Mass.,  
Edmunds Brothers, Boston, Mass.,  
Keane, Higbie & Co., Detroit, Mich.,

By J. Keane.

By Ald. Avery—

That the communication be received and placed on file.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

## REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending March 18, 1922, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Acts 287 and 297 of the Public Acts of 1921 have imposed additional duties on supervisors and assessing officers and these duties if properly attended to, will necessarily require a large amount of field work for our assessors during the next two months.

In addition to this work, careful consideration should be given to the assessments on personal property and revisions made where necessary in order that unjust assessments shall not be made on the July, 1922, rolls.

There is only \$7.95 left out of the assessors' appropriation for clerical help and I would respectfully recommend that the sum of \$180 be transferred from contingent fund to the credit of assessor's department 1B9, to be divided equally between the three assessors for the purpose of hiring clerks to copy rolls, etc., in the office, thereby giving them an opportunity to do their necessary field work.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I submit herewith estimate of cost of sewer in Osband st. from Smith ave., 250 feet north:

Cost of sewer .....	\$487.20
City's share .....	81.20

To be assessed..... \$406.00

Respectfully submitted,

O. E. ECKERT,

City Engineer.

Received and placed on file.

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore to-wit on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant, together with the necessary distribution systems, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the Board of Water & Electric Light Commissioners that the city of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore to-wit on the 30th day of August, 1921, did submit the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000, for the purpose of constructing said new electric light and power plant together with the necessary distribution system and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved, by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$500,000, being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$100 and \$1,000, as may be designated by the purchaser, and be dated January 3d, 1922 and be due and payable as follows: \$75,000.00 on the 3d day of January of each year from 1930 to 1935, inclusive and \$50,000.00 on the 3d day of January 1936. That said bonds shall bear interest at the rate of 4% per annum, payable semi-annually on the 3d day of January and the 3d day of July in each year, beginning the 3d day of July, 1922, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following revisions for registration as to principal and interest:

In accordance with a provision of this bond and coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgement of the receipt thereof.

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000.00, lawful money of the United States of America, on the 3d day of January, 19...., a Guaranty Trust Co., New York, N. Y. with interest at the rate of 4% per annum, payable semi-annually, on the 3d day of January and the 3d day of July, of each and every year, beginning with the 3d day of July, 1922, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 500 of like tenor except as to the date of maturity aggregating the sum of \$500,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly

authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date January 3d, 1922, by order of said council.

Resolved by the city council of the city of Lansing.

That, whereas, this council did heretofore, to-wit, on the 28th day of February, 1921, by resolution duly adopted, declare and determine that the Shiawassee st. bridge across Grand river is unsafe for present-day traffic and that it be recommended that the same be replaced by a permanent concrete structure; and

Whereas, the wooden bridge across the Cedar river on S. Pennsylvania ave., was weak and in a dangerous condition, and recommended that the bridge be also replaced by a permanent concrete structure; and this council being advised by the bridge committee that the city of Lansing will incur an estimated indebtedness of \$300,000 in the construction of said bridges in the city of Lansing; and

Whereas this council heretofore, to-wit, on the 4th day of April, 1921, did submit the question of building said bridges, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$300,000 for the purpose of construction of said bridges to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a regular election held in said city on the 4th day of April, 1921, determined and approved the issuance of the bonds of said city in the sum of \$300,000 for the purpose of constructing said bridges, and that said bonds should be issued as proposed in said resolution.

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Bridge Bonds" in the sum of \$100,000, being the balance of the bonds heretofore voted, for the purpose of defraying the expenses of construction of said bridges in the city, be issued by said city; that such bonds shall be in denominations of \$100.00, \$500.00 and \$1,000.00, as may be designated by the purchaser, and be dated January, 3, 1922, and be due and payable as follows: \$20,000.00 on January 3, of each year from 1922 to 1932, inclusive. Said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 3d day of January and the 3d day of July in each year, beginning July 3, 1922, until all of said bonds are fully paid, both interest and principal payable at Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treasurer. The semi-annual interest of the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

This issue of bonds is for the purpose of raising funds to defray the expense of constructing a

bridge across Grand river at Shiawassee st., also a bridge across the Cedar river on S. Pennsylvania ave., as described in a certain resolution of the city council adopted on the 28th day of February, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable only to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupon by delivery merely, but the coupons may be surrendered, and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of said city of Lansing, Ingham County, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date January, 3, 1922, by order of said council.

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted, declare and determine that it is a necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended, and that a considerable amount of the present paving needs repairing, and the council having been heretofore advised by the committee on streets of the city of Lansing that the sum of \$400,000 is needed for said purpose for said improvement; and

Whereas, this council did heretofore, to-wit, on the 30th day of August, 1921, submit the question of the construction of said pavement and public improvement and the issuance of the bonds of the city of Lansing in the amount of \$400,000 for the purpose of defraying the expense of the construction of said pavement and said public improvement to a vote of the qualified electors of said city; and

Whereas, the qualified electors of said city by a three-fifths vote of those voting thereon, at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$400,000 for the purpose of the construction of said pavement and said public improvements, and that said bonds should be issued as proposed in said resolution.

Now, therefore, be it resolved by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Paving Bonds" in the sum of \$200,000, being the balance of the bonds heretofore voted, for the purpose of defraying in part the expense of the construction of said pavement and said improvements herein referred to, be issued by said city. That said bonds shall bear interest at the rate of 5% per annum, payable semi-annually, on the 3d day of January and the 3d day of July in each year, beginning the 3d day of July, 1922, until all of said bonds are fully paid. Said bonds shall be in denominations of \$100 and \$1,000, as may be designated by the purchaser, and be dated January 3, 1922, and be due and payable as follows: \$40,000 on January 3 of each year from 1923 to 1927, inclusive. Interest and principal on said bonds to be payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid

to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

### ORDINANCES.

Ald. Howe introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances.

LANSING, MICHIGAN

### PROPOSED

### ZONE ORDINANCE

An ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected or altered, to regulate and limit the percentage of lot occupancy, and to regulate and determine the area of yards, courts and other open spaces surrounding buildings, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes to divide the city into districts and prescribe penalties for the violation of its provisions.

The city of Lansing ordains:

#### Section 1.—Definitions.

For the purpose of this ordinance, certain terms and words are hereby defined, as follows:

Words used in the present tense include the future; words in the singular include the plural number, and words in the plural number include the singular number; the word "building" includes the word "structure"; the word "shall" is mandatory and not directory. (Any word not herein defined shall be construed as defined in the Housing Code of Michigan, Act 167, Public Acts of 1917, and amendments thereto.)

Alley: A public thoroughfare not over twenty-four (24) feet wide

Apartment House: See "Multiple Dwelling."

Apartment Hotel: An apartment hotel is a multiple-dwelling in which are provided dining room accommodations for the joint use of the apartment house tenants only.

Apartment: A household unit in a multiple dwelling, tenement or apartment house, suitable for occupancy for one or more persons.

Area: See "Building Area."

Basement: A story partly underground, but having at least one-half of its height above the highest level of the adjoining ground. A basement, if not occupied for living purposes by other than the janitor or his family, shall not be included as a story for purpose of height measurement.

Boarding House: A boarding house is a building or place wherein table

board is provided to five or more individuals pursuant to previous arrangement and not to any who may apply.

Building: A structure having a roof supported by columns or walls for the shelter, support or enclosure of persons, animals or chattels; and when separated by division walls from the ground up, and without openings, each portion of such building shall be deemed a separate building except as provided in section 15.

Building Area: The maximum horizontal projected area of a building and its accessory buildings, excluding open steps, terraces, and cornices projecting not more than thirty (30) inches.

Cellar: A cellar is a story having more than one-half of its height below the highest level of the adjoining ground and not occupied for living purposes. A cellar shall not be counted as a story for the purpose of height measurement.

Curb Level: The curb level is the level of the established curb in front of the building measured at the center of such front. Where no curb has been established the city engineer shall establish such curb or its equivalent for the purpose of these regulations.

Depth of Rear Yard: The mean horizontal distance between the rear line of the building and the center line of the alley, where an alley exists; otherwise the rear lot line.

Depth of Lot: The mean horizontal distance between the front and rear lot lines.

Dwelling: Is any house or building, or portion thereof, which is occupied in whole or in part as the home or residence of one or more human beings.

District: A section of the city of Lansing for which the regulations governing the height, the area or the use of buildings and premises are the same.

Group House: A group of not more than four (4) one-family dwellings, erected simultaneously as one building, under the same roof.

Height of Building: The vertical distance measured from the curb level opposite the middle of the front of the building to the highest point of the roof for flat roofs; to the deck line for mansard roofs, and to the mean height level (between eaves and ridge) for gable and hip roofs. Where a building is located upon a terrace the height may be measured from the average ground level of the terrace at the building wall.

Height of Yard: The vertical distance from the lowest level of such yard to the highest point of any bounding wall.

Hotel: A hotel is a building in which lodging is provided with or without meals (for more than fifty (50) persons) and offered to the public for compensation. As such it is opened to transient guests in contradistinction to a boarding house, a

lodging house, an apartment house or an apartment hotel which are herein specifically defined.

**Lodging House:** A lodging house is a building or place providing lodgings to individuals pursuant to previous arrangement and not to any one who may apply.

**Lot:** Land occupied or to be occupied by a building and accessory buildings and including such open spaces as are required under this ordinance, and having its principal frontage upon a public street or officially approved place.

**Lot, corner:** Lot, triangular: A lot fronting on two or more streets at their junction, said streets forming with each other an angle of 45 degrees or more, is a corner lot. When the angle formed by the intersecting street is less than 45 degrees, such a lot shall be known as a triangular lot. For the purpose of determining the percentage of lot occupancy, corner and triangular lots shall be assumed to have an area not greater than 5,000 square feet and a frontage not greater than 100 feet on either of the intersecting streets.

**Lot, interior:** A lot other than a corner lot or triangular lot.

**Lot, through:** An interior lot having frontage on two streets.

**Lot lines:** The lines bounding a lot as defined herein.

**Multiple dwelling:** Is a dwelling which is occupied more or less permanently for residence purposes by several families and in which the rooms are occupied in apartments, suites or groups, includes tenement houses, flats, apartment houses, apartment hotels, and all other dwellings similarly occupied, whether specifically enumerated herein or not.

**Non-conforming use:** A building or premises occupied by a use that does not conform with the regulations of the use district in which it is situated.

**One family dwelling:** Is a building occupied as a dwelling by not more than one family.

**Percentage of lot occupancy:** That portion of the area of a lot, as herein defined, which is occupied or which may be occupied under this ordinance as building area.

**Place:** An open unoccupied space dedicated to purposes of access for abutting property.

**Private garages:** A garage with a capacity for not more than three steam or motor-driven vehicles.

**Public garage:** Any premises used for housing or care of more than three steam or motor-driven vehicles, or where any such vehicles are equipped for operation, repaired, or kept for remuneration, hire or sale, not including exhibition or show rooms for model cars.

**Private stable:** A stable with a capacity for not more than four horses, all but one of which shall be the property of one owner.

**Public stable:** A stable with a capacity for more than four horses.

**Rear yard:** An open unoccupied space (excluding accessory buildings, see Sec. 15) on the same lot with a building between the rear line of the building and the rear line of the lot, for the full width of the lot.

**Setback:** The minimum horizontal distance between the front line of the building (excluding steps and unenclosed porches) and the front line of the lot.

**Side yard:** An open unoccupied space on the same lot with a building between the building and the side line of the lot extending through from the front building line to the rear yard.

**Street:** A public thoroughfare more than twenty-four (24) feet wide.

**Story:** That portion of a building included between the surface of any floor next above it, or if there be no floor above it then the space between such floor and the ceiling next above it.

**Half story:** That portion of a building in the 35-foot height district, between the eaves and ridge lines of a pitched roof, which may or may not be used for tenant purposes.

**Structural alterations:** Any change in the supporting members of a building, such as bearing walls or partitions, columns, beams or girders, excepting such alterations as may be required for the safety of the building.

**Tenement house:** See "Multiple-Dwelling."

**Terrace:** A natural or artificial earthen embankment between a building and its street front. The "height of terrace" shall be the difference in elevation between the average curb level, and the average elevation of the terrace at the building wall.

**Tower:** A subordinate enclosed structure projecting above the roof line of a main building and having a roof line of a main building and having a roof supported by columns or walls. Such tower may or may not be used for tenant purposes.

**Two-family dwelling:** Is a building occupied as a dwelling by not more than two families.

**Section 2.—Use District Regulations.** In order to regulate and restrict the location of trades and industries and the location of buildings erected or altered for specific uses, the city of Lansing is hereby divided into "use districts," of which there shall be five, known as:

"A" Residence District.

"B" Residence District.

"C" Commercial District.

"D" Industrial District.

"E" Unrestricted District.

The city of Lansing is hereby divided into five (5) districts aforesaid, and the boundaries of such districts are shown upon the map attached hereto and made a part of this ordinance, being designated as the "use district map," and said map and all the notations, references and other

things shown thereon shall be as much a part of this ordinance as if the matters and things set forth by said map were all fully described herein.

Except as hereinafter provided, no building shall be erected or altered, nor shall any building or premises be used for any purpose other than is permitted in the "use district" in which such building or premises is located.

#### Section 3.—"A" Residence District.

In the "A" Residence District no building or premises shall be used and no building shall be hereafter erected or altered, unless otherwise provided in this ordinance, except for one or more of the following uses:

1. One and two-family dwellings.
2. Group houses.
3. Churches and temples.
4. Schools and colleges.
5. Libraries.
6. Farming and truck gardening.
7. Accessory buildings incidental to the above uses and located on the same lot (not involving the conduct of a retail business) including one private garage, private stable, when located not less than fifty (50) feet from the front lot line or in a fire-proof compartment as a part of the main building, providing that any barn, stable, chicken coop or other building or enclosure used for the purpose of securing or keeping animals or poultry is not nearer than thirty feet to any street line or to any dwelling and including also home occupations engaged in by the occupants of a dwelling not involving the conduct of a retail business on the premises, and including the office of the occupant for a trade, profession or occupation when situated in the same dwelling or apartment used by such occupant as his or her private dwelling.

#### Section 4.—"B" Residence District.

In the "B" Residence District no building or premises shall be used and no building shall be hereafter erected or altered unless otherwise provided in this ordinance, except for one or more of the following uses:

1. Any use permitted in the "A" Residence District.
2. Multiple-Dwellings.
3. Hotels.
4. Private Clubs and Fraternity Houses.
5. Boarding and Lodging Houses.
6. Institutions of an educational, philanthropic or eleemosynary nature.
7. Accessory buildings incidental to the above uses and located on the same lot, not involving the conduct of a retail business.
8. A garage for storage purposes only and for the exclusive use of occupants of the premises when located not less than fifty (50) feet from all street lines.

#### Section 5.—"C" Commercial District.

In the "C" Commercial District all buildings and premises except as otherwise provided in this ordinance, may be used for any use permitted in the "B" Residence District or for any other use except the following:

1. Bakery (employing more than five (5) persons).
  2. Blacksmith or horse shoeing shop.
  3. Bottling works.
  4. Building material storage yard.
  5. Carting, express, hauling or storage yard.
  6. Contractor's plant or storage yard.
  7. Coal, coke or wood yard.
  8. Cooperage works.
  9. Dyeing and cleaning works (employing more than five (5) persons).
  10. Ice plant or storage house in excess of five (5) tons capacity.
  11. Laundry (employing more than five (5) persons).
  12. Livery stable.
  13. Lumber yard.
  14. Machine shops.
  15. Milk distributing station.
  16. Stone yard or monumental works.
  17. Stove polish manufacture.
  18. All uses excluded from the "D" industrial district.
  19. Any kind of manufacture or treatment other than the manufacture or treatment of products clearly incidental to the conduct of a retail business conducted on the premises.
- A public garage may be established or erected in a commercial district if, when the permit is issued, there are on file with the building commissioner the written consents of the owners of 75 per cent of all property within two hundred (200) feet of any part of the lot to be used for garage purposes.

#### Section 6.—"D" Industrial District.

In the "D" Industrial District all buildings and premises except as otherwise provided in this ordinance may be used for any use permitted in the "C" Commercial District or for any other use except the following:

1. Abattoirs.
2. Acetylene gas manufacture.
3. Acid manufacture.
4. Ammonia, bleaching powder or chlorine manufacture.
5. Arsenal.
6. Asphalt manufacture or refining.
7. Blast furnace.
8. Boiler works.
9. Brick, tile or Terra Cotta manufacture.
10. Candle manufacture.
11. Celluloid manufacture.
12. Coke ovens.
13. Crematory.
14. Creosote treatment or manufacture.
15. Disinfectants manufacture.
16. Distillation of bones, coal or wood.

17. Dyestuffs manufacture.
18. Exterminator and insect poison manufacture.
19. Emery cloth and sand paper manufacture.
20. Fat rendering.
21. Fertilizer.
22. Fish smoking and curing.
23. Flour Mill.
24. Forge plant.
25. Gas (illuminating or heating) manufacture.
26. Glue, size or gelatine manufacture.
27. Gunpowder manufacture or storage.
28. Fireworks or explosive manufacture or storage.
29. Incineration or reduction of garbage, dead animals, offal or refuse.
30. Iron, steel, brass or copper works or foundry.
31. Lamp black manufacture.
32. Oil cloth or linoleum manufacture.
33. Oiled, rubber or leather goods manufacture.
34. Ore reduction.
35. Paint, oil, shellac, turpentine or varnish manufacture.
36. Paper and pulp manufacture.
37. Petroleum refining or storage.
38. Planing mill.
39. Plating works.
40. Potash works.
41. Printing ink manufacture.
42. Pyroxin manufacture.
43. Round house.
44. Rock crusher.
45. Rolling mill.
46. Rubber or Gutta Percha manufacture or treatment.
47. Salt works.
48. Sauer kraut manufacture.
49. Sausage manufacture.
50. Paper and pulp manufacture.
51. Ship yard.
52. Shoe blacking manufacture.
53. Smelters.
54. Soap manufacture.
55. Soda and compound manufacture.
56. Stock yards.
57. Stone mill or quarry.
58. Storage or baling of scrap paper, iron, bottles, rags, or junk.
59. Sulphuric, nitrate or hydrochloric acid manufacture.
60. Tallow, grease or lard manufacture or refining.
61. Tanning, curing or storage of leather, rawhides, or skins.
62. Tar distillation or manufacture.
63. Tar roofing or water proofing manufacture.
64. Tobacco (chewing) manufacture or treatment.
65. Vinegar manufacture.
66. Wool pulling or scouring.
67. Yeast plant.
68. And in general those uses which have been declared a nuisance in any court of record, or which may be noxious, or offensive by reason of the emission of odor, dust, smoke or noise.

#### Section 7,—“E” Unrestricted District.

In the “E” unrestricted district building and premises may be used for any purpose whatsoever, provided the provisions of the present or hereafter adopted ordinance of the city of Lansing, regulating the location or maintenance of nuisances, are complied with.

#### Section 8.—Non-Conforming Uses.

The lawful use of a premises existing at the time of adoption of this ordinance, although such use does not conform to the provisions hereof, may be continued, but if such non-forming use is discontinued, any future use of said premises shall be in conformity with the provisions of this ordinance.

The lawful use of a building existing at the time of the adoption of this ordinance may be continued, although such does not conform with the provisions hereof, and such use may be extended throughout the building provided no structural alterations, except those required by law or ordinance are made therein. If no structural alterations are made, a non-conforming use of a building may be changed to a use of the same or higher classification according to the provisions of this ordinance, and provided further that whenever a Use District shall be hereafter changed, any then existing non-conforming use in such changed district may be continued or changed to a use of a similar or higher classification, provided all other regulations governing the new use are complied with. Whenever a non-conforming use of a building has been changed to a higher classification or to a conforming use, such use shall not thereafter be changed to a use of a lower classification.

#### Section 9.—Height and Area District Regulations.

In order to regulate and limit the height and bulk of buildings hereafter erected or altered; to regulate and limit the percentage of lot occupancy; to regulate and determine the area of yards, courts and other open spaces, and to limit and restrict the maximum number of families which may be housed in dwelling hereafter erected or altered, the city of Lansing is hereby divided into districts of which there shall be five, known as:

- “A” Height and Area District.
- “B” Height and Area District.
- “C” Height and Area District.
- “D” Height and Area District.
- “E” Height and Area District.

The city of Lansing is hereby divided into the five (5) districts aforesaid, and the boundaries of such districts are shown upon the map attached hereto and made a part of this ordinance, being designated as

the "Height and Area District Map," and said map and all the notations, references and other things shown thereon shall be as much a part of this ordinance as if the matters and things set forth by said map were all fully described herein.

Except as hereinafter provided no building shall be erected or altered to exceed in height and limit herein established for the district in which such building is located. Provided further that no new building shall be erected, nor shall an existing building be altered, enlarged or rebuilt, nor shall any open spaces surrounding any building be encroached upon or reduced in any manner, except in conformity with the regulations hereby established for the district in which such building is located.

#### Section 10.—"A" Height and Area District.

In the "A" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter shall exceed thirty-five (35) feet or two and one-half ( $2\frac{1}{2}$ ) stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth of sixteen (16) feet for a one story building, eighteen (18) feet for a two or two and one-half story building, and twenty (20) feet for a three story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than that required for an interior lot.

On corner lots abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

The above requirements for a rear yard may be decreased by one-half provided there is no room of the dwelling which receives its legal light as required by the state housing code from such rear yard.

**Side Yard:** There shall be a side yard on each side of the lot of not less than three (3) feet in width, provided, however, that buildings used for commercial purposes and located in a "C" commercial district may waive this side yard requirement, except on the side adjacent to "A" residence property.

**Setback:** There shall be a setback of not less than twenty (20) feet; provided that where all but one of the buildings on one side of a street between two intersecting streets have observed a uniform setback line of more or less than twenty (20) feet all new buildings shall conform to such setback line; and provided that this regulation shall not reduce the buildable width of a corner lot facing an intersecting street to less than twenty-four (24) feet where such

corner lot was held under a distance and separate ownership from adjacent lots and of record at the time of the passage of this ordinance.

**Building Area and Number of Families per Acre:** No building with its accessory buildings shall occupy in excess of 40% of an interior lot, nor in excess of 50% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than ten (10) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any lot shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by ten (10).

#### Section 11.—"B" Height and Area District.

In the "B" Height and Area District and height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed forty-five (45) feet or three stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth of sixteen (16) feet for a one story building, eighteen (18) feet for a two story building, and twenty (20) feet for a three story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than required for an interior lot.

On corner lots abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

The above requirements for a rear yard may be decreased by one-half provided there is no room of the dwelling which receives its legal light as required by the state housing code from such rear yard.

**Side Yard:** There shall be a side yard on each side of the lot of not less than three (3) feet in width, provided, however, that a side yard shall in no case be less than one (1) inch in width for each foot of building length, and provided further that buildings used for commercial purposes and located in a "C" commercial district may waive this side yard requirement, except on the side adjacent to "B" or "A" residence property.

**Setback:** There shall be a setback of not less than twenty (20) feet; provided that where all but one of the buildings on one side of a street between two intersecting streets thirty-six hundred (3600) square feet, have observed a uniform setback line of more or less than twenty (20) feet

all new buildings shall conform to such set back line; and provided that this regulation shall not reduce the buildable width of a corner lot facing an intersecting street to less than twenty-four (24) feet where such corner lot was held under a distinct and separate ownership from adjacent lots and of record at the time of the passage of this ordinance.

**Building Area and Number of Families Per Acre:** No building with its accessory buildings shall occupy in excess of 50% of an interior lot, not in excess of 60% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than eighteen (18) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any lot shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by eighteen (18).

#### Section 12.—"C" Height and Area District.

In the "C" Height and Area District the height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre shall be as follows:

**Height:** No building hereafter erected shall exceed seventy-five (75) feet or six (6) stories.

**Rear Yard:** On interior lots there shall be a rear yard having a minimum depth as follows: Sixteen (16) feet for a one (1) story building, eighteen (18) feet for a two (2) story building, twenty (20) feet for a three (3) story building, twenty-four (24) feet for a four (4) story building, twenty-eight (28) feet for a five (5) story building and thirty-two (32) feet for a six (6) story building.

On a corner lot abutting on two streets the depth of the rear yard may be six (6) feet less than required for an interior lot.

On corner lot abutting on three streets the rear yard need not extend across the full width of the lot, only to its median line.

The above requirements for a rear yard may be decreased by one-half, provided there is no room of the dwelling which receives its legal light as required by the state housing code from such rear yard.

**Side Yard:** There shall be a side yard on each side of the lot having a width of not less than three (3) feet. In no case shall the width of the side yard be less than one (1) inch for each foot of building length.

**Set back:** There shall be a setback of not less than twenty (20) feet; provided that where all but one of

the buildings on one side of a street between two intersecting streets have observed a uniform setback line of more or less than twenty (20) feet all new buildings shall conform to such setback line; and provided that this regulation shall not reduce the buildable width of a corner lot facing an intersecting street to less than twenty-four (24) feet where such corner lot was held under a distinct and separate ownership from adjacent lots and of record at the time of passage of this ordinance.

**Building Area and Number of Families per Acre:** No building with its accessory buildings shall occupy in excess of 60% of an interior lot, nor in excess of 70% of a corner lot. No dwelling shall hereafter be erected or altered to accommodate nor make provision for more than seventy-five (75) families on any acre of land, nor make provision for more than a proportional number of families on any fractional part of an acre of land. The maximum number of families which may hereafter be housed on any plot of ground shall not exceed the integral number obtained by multiplying the acreage of such plot, exclusive of the area within street lines by seventy-five (75).

#### Section 13.—"D" Height and Area District.

In the "D" Height and Area District buildings used for residential purposes shall comply with the regulations of the "C" Height and Area District. The height of the buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre, for all other buildings shall be as follows:

**Height:** No building hereafter erected shall exceed seventy-five (75) feet or six (6) stories.

**Rear Yard:** There shall be a rear yard of not less than fifteen (15) feet.

**Side Yard:** A side yard, if provided, shall be not less than three (3) feet wide, nor less than three-fourths ( $\frac{3}{4}$ ) of an inch in width for each foot of building length.

**Building Area and Number of Families per Acre:** No building with its accessory buildings shall occupy in excess of eighty (80) per cent of an interior lot, nor in excess of ninety (90) per cent of a corner lot.

#### Section 14.—"E" Height and Area District.

In the "E" Height and Area District buildings used for residential purposes shall comply with the regulations of the "C" Height and Area District. The height of buildings, the minimum dimensions of yards and courts, the maximum percentage of lot occupancy and the maximum number of families per acre for all other buildings shall be as follows:

**Height:** No building hereafter erected shall exceed one hundred (100) feet or eight (8) stories.

**Rear Yard:** There shall be a rear yard of not less than ten (10) feet.

**Side Yard:** A side yard, if provided, shall be not less than three (3) feet; nor less than three-fourths of an inch wide for each foot of building length.

**Building Area:** A building with its accessory buildings may occupy the entire lot on the first floor; provided the required provision for a rear yard is complied with. Above the first floor a building shall not occupy in excess of ninety (90) per cent of a corner lot, nor in excess of eighty (80) per cent of an interior lot.

#### Section 15.—Height and Area District Exceptions.

The foregoing requirements in the height and area district shall be subject to the following exceptions and regulations:

##### Height—

**First:** That in the "A" and "B" Height and Area Districts, public or semi-public buildings, hospitals, sanitariums or schools may be erected to a height not exceeding sixty (60) feet, when set back from all lot lines not less than one foot for each foot such building exceed thirty-five (35) and forty-five (45) feet respectively in height.

**Second:** A one family dwelling in the "A" Height and Area District may be increased in height by not more than ten (10) feet when two (2) side yards of not less than fifteen (15) feet each are provided. Such dwellings, however, shall not exceed three (3) stories in height.

**Third:** Churches, cathedrals and temples, which have side yards on all sides and comply with the area restrictions of the "A" Height and Area District may be erected as to the height and regulations in accordance with existing or hereafter adopted ordinances of the city of Lansing.

**Fourth:** Chimneys, cooling towers, elevator bulkheads, fire towers, gas tanks, grain elevators, light-houses, pent houses, stacks, stage towers or scenery lofts, sugar refineries, tanks, water towers, ornamental towers and spires, wireless towers or necessary mechanical appurtenances may be erected as to their height in accordance with existing or hereafter adopted ordinances of the city of Lansing. A tower may be erected on a building having a minimum frontage of one hundred (100) feet on a street, provided such tower occupies not more than 50% of the frontage of the street, is removed twenty-five feet from any adjoining property line and shall have a maximum horizontal area not to exceed

A tower may be erected on a building having a frontage on three or more streets, but such tower shall have a maximum horizontal dimension of not more than 50% of the average frontage of the building on all streets, shall be removed at least twenty-five (25) feet from any adjoining property line, and shall have a maximum horizontal area not to exceed thirty-six hundred (3600) square feet.

**Fifth:** On "through" lots one hundred (100) feet or less in depth the height of a building may be measured from the curb level on either street. On through lots more than one hundred (100) feet in depth the height regulations and basis of height measurement for the street permitting the greater height shall apply to a depth of not more than one hundred (100) feet from that street.

##### Area—

**First:** For purposes of the area regulations a semi-detached dwelling in the "A" Residence District, or group house in the "B" Residence District may be considered as one building occupying one lot.

**Second:** Buildings on through lots and running through from street to street may waive the requirements for a rear yard when complying with the percentage of lot occupancy by furnishing other open spaces in lieu of such required rear yard.

**Third:** In computing the depth of a rear yard or the width of a side yard for any building where such yard opens onto an alley or street, one-half of such alley or street may be assumed to be a portion of the yard.

**Fourth:** In computing the percentage of lot occupancy in the "D" and "E" Height and Area Districts where a lot abuts on an alley, one-half the width of the abutting alley may be assumed to be a portion of the lot.

**Fifth:** Every part of a required yard shall be open from its lowest point to the sky unobstructed, except for the ordinary projections of skylight above the bottom of such yard, and except for the projection of sills, belt courses, cornices and ornamental features not to exceed four (4) inches.

**Sixth:** No cornice shall project over the street line more than five (5) per cent of the width of such street, and shall in no case project more than five (5) feet.

**Seventh:** Open or lattice enclosed fire escapes, fireproof outside stairways and solid floored balconies opening upon fire towers, projecting into a yard not more than five (5) feet, and the ordinary projections of chimneys and flues, may be permitted by the Building Commissioner where same are so placed as not to obstruct the light and ventilation.

Eighth: One or more accessory buildings may be erected within a required rear yard when built to a height not exceeding twelve (12) feet and which occupy an area of not more than thirty (30) per cent of the area of such required rear yard.

#### Section 16.—Board of Appeals.

**Creation of Membership:** A Board of Appeals is hereby established. The word "Board" when used in this section shall be construed to mean the Board of Appeals. The Board shall consist of five members, of whom not less than two (2) shall be members of the City Planning Commission, appointed by the mayor for terms of one (1) for one year, two (2) for two years, and two (2) for three years, respectively, in the first instance, and thereafter appointments shall be for three (3) years each. The chairman of the Board shall be annually elected by the members of the Board. All members of the Board shall serve without compensation.

**Meetings:** Meetings of the Board shall be held at least once a month and, at such other times as the Board may determine. There shall be a fixed place of meeting and all meetings shall be open to the public. The Board shall adopt its own rules of procedure and keep a record of its proceedings, showing the action of the Board and the vote of each member upon each question considered. The presence of four members shall be necessary to constitute a quorum.

**Appeal:** Appeal from the ruling of the Building Commissioner concerning the enforcement of the provisions of this ordinance may be made to the Board of Appeals within such time as shall be prescribed by the Board by general rule. The appellant shall file with the Building Commissioner and with the Board of Appeals a notice of appeal, specifying the grounds thereof. The Building Commissioner shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed for was taken.

**Stay:** An appeal stays all proceedings in furtherance of the action appealed from unless the Building Commissioner, from whom the appeal is taken, certifies to the Board of Appeals, after the notice of appeal shall have been filed with him, that by reason of facts stated in the certificate, a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by the Circuit Court, on application, on notice to the Building Commissioner from whom the appeal is taken and on due cause shown.

**Jurisdiction:** The Board of Appeal may, in specific cases, after public notice and hearing, and subject to

appropriate conditions and safeguards, determine and vary the application of the use, height and area district regulations herein established in harmony with their general purposes and intent as follows:

(1) Grant a permit in a residence district for a temporary building for commerce or industry incidental to the residential development, such permit to be issued for a period of not more than one (1) year.

(2) Grant a permit for the reconstruction within twelve (12) months of a building destroyed by fire or other causes to the extent of not more than one-half of its assessed value when such building is located in a district restricted against its use.

(3) Grant a permit for the extension of a use or height and area district for a distance of not more than twenty-five (25) feet where the boundary line of a district divides a lot in a single ownership at the time of the adoption of this ordinance.

(4) Grant a permit for the enlargement of existing building or buildings, or erection on the same lot or plot of ground of additional buildings for a trade, business or industry located in a district restricted against its use, where such enlargement or expansion of such trade, business or industry will not be detrimental to or tend to alter the character of the neighborhood.

(5) Grant a permit for the erection and use of a building or the use of a premises in any location to a public service corporation or for public utility purpose which the Board admits reasonably necessary for the public convenience or welfare.

(6) Interpret the provisions of this ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the maps fixing the several districts accompanying and made a part of this ordinance where the street layout actually on the ground varies from the street layout as shown on the maps aforesaid.

(7) Adopt from time to time such rules and regulations as may be deemed necessary to carry into effect the provisions of this ordinance.

(8) "Grant permit for the erection of a one-family dwelling on a lot held under a separate and distinct ownership from the adjacent lots and of record at the time of the passage of this ordinance which has less area than the lot area per family requirements of this ordinance for the district in which such lot is located."

#### Section 17.—Certificate of Occupancy and Compliance.

No premises shall be occupied or used and no building shall hereafter be erected or altered, nor any building existing at the passage of this ordinance be altered or changed in its use, until certificates called a "Certificate of Occupancy and Compliance,"

shall have been issued by the Building Commissioner, stating that the building or proposed use of building or premises complies with all building and health laws and ordinances of the city and with the provisions of this Zoning Ordinance.

This Certificate of Occupancy and Compliance shall be applied for at the same time as the application for a building permit and shall be issued at any time, not exceeding ten (10) days, after the erection or alteration of such building shall have been completed in conformity with the provisions of these regulations. A record of all certificates shall be kept on file in the office of the Building Commissioner and copies shall be furnished, on request, to any person having a proprietary or tenancy interest in the building affected. No fee shall be charged for the original Certificate of Occupancy and Compliance when applied for at the same time as the application for a building permit, for all other certificates or copies of any original certificate there shall be a charge of one dollar each. No building permit shall be issued before application has been made for Certificate of Occupancy and Compliance.

#### Section 18:—Plats.

All applications for building permits shall be accompanied by a plat in duplicate drawn to scale showing the actual dimensions of the lot to be built upon, the size of the building to be erected, and such other information as may be necessary to provide for the enforcement of these regulations. A careful record of such applications and plats shall be kept in the office of the building commissioner. No yard, court or other open space provided about any building for the purpose of complying with the provisions of these regulations shall again be used as a yard, court or other open space for another building.

#### Section 19:—Use Permit.

No change shall be made in the use of a building without a permit having first been issued by the building commissioner, and no permit shall be issued to make such a change unless it is in accordance with the provisions of this ordinance or amendment thereto hereafter duly enacted.

#### Section 20:—Interpretation, Purpose and Conflict.

In interpreting and applying the provisions of this ordinance, they shall be held to be the minimum requirements for the promotion of the public safety, health, convenience, comfort, prosperity and general welfare. It is not intended by this ordinance to interfere with or abrogate or annul any ordinance, rules, regulations or permits previously adopted or issued, and not in conflict with

any of the provisions of this ordinance or which shall be adopted or issued, pursuant to law relating to the use of buildings or premises, nor is it intended by this ordinance to interfere with or abrogate or annul any easements, covenants, or other agreements between parties, provided, however, that where this ordinance imposes a greater restriction upon the use of building or premises or upon height of building or requires larger open spaces than are imposed or required by such ordinances, rules, regulations or permits, or by easements, covenants, or agreements, the provisions of this ordinance shall control.

#### Section 21.—Violation; Penalty.

Every person, firm or corporation violating, neglecting or refusing to comply with any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of not less than twenty-five (\$25) dollars, nor more than two hundred (\$200) dollars.

#### Section 22.—Boundaries of Districts.

Where uncertainty exists with respect to the boundaries of the various districts as shown on the maps accompanying and made a part of this ordinance the following rules shall apply:

(a) The district boundaries are either streets or alleys unless otherwise shown and where the designation on the maps accompanying and made a part of this ordinance indicating the various districts are approximately bounded by streets or alley lines, said street or alley shall be construed to be the boundary of such district.

(b) Where the district boundaries are not otherwise indicated and where the property has been or may hereafter be divided into blocks and lots, the district boundaries shall be construed to be lot lines, and where the designations on the maps accompanying and made a part of this ordinance indicating the various districts are approximately bounded by lot lines, said lot lines shall be construed to be the boundary of such district, unless said boundaries are otherwise indicated on the maps.

#### Section 23.—Validity and Administration.

Should any section, clause or provision of this ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

It is hereby made the duty of the Building Commissioner to administer this ordinance.

## Section 24:—Changes and Amendments.

The city planning commission may, of its own motion or upon petition signed by the owners of a majority of the property according to frontage in any district or portion thereof, prepare an ordinance amending, supplementing, or changing the district boundaries or the regulations herein established. The city planning commission shall cause to be prepared a notice indicating the proposed change in the regulations or in the district boundary lines and describing the boundaries of the territory to be affected, which notice shall set a date for a public hearing for consideration of such proposed amendment, supplement or change. After due publication and posting and public hearing of such proposed amendment, supplement or change, as required by law, the city planning commission may cause such ordinance to be introduced in the city council of the city of Lansing. Whenever a written protest against such proposed amendment, supplement, or change, signed by the owners of twenty (20) per cent of the frontage proposed to be altered, or by the owners of twenty (20) per cent of the frontage immediately adjoining or across an alley therefrom, or by the owners of twenty (20) per cent of the frontage directly opposite the frontage proposed to be altered, shall have been filed with the city planning commission, the ordinance providing for such proposed amendment, supplement or change shall not be passed except by the favorable vote of three-fourths of the members of the city council. If any area is hereafter transferred to another district by a change in district boundaries by an amendment, as above provided, the provisions of this ordinance in regard to buildings or premises existing at the time of the passage of this ordinance shall apply to buildings or premises existing at the time of the passage of such amendment in such transferred areas.

## Section 25:—Conflicting Provisions Repealed.

All ordinances or parts of ordinances in conflict with any of the provisions of this ordinance are hereby repealed.

## Section 26:—When Effective.

This ordinance shall be in effect from and after its passage, publication and recording, according to law, thirty days after publication.

#### ALDERMAN—SIXTH WARD.

To the Honorable City Council, Sitting as a Board of Canvassers of the City of Lansing, Michigan:

I, Frank B. Hall, the petitioner herein, being a duly qualified elector of the said city of Lansing, and a candidate for the office of alderman of the Sixth ward at the last election held in the city of Lansing on April 3, 1922, do hereby petition your honorable body to have made a recount of the ballots cast for alderman of the Sixth ward at the said election held on the 3d day of April, 1922, for the following reasons:

That errors were made in the counting of certain ballots;

And for the further reason, that ballots were erroneously counted, which were not legal ballots and should have been thrown out;

And for the further reason that certain ballots were thrown out and

not counted which should have been counted and not thrown out because they were legal ballots.

FRANK B. HALL.

Subscribed and sworn to before me this 6th day of April, 1922.

LOUISE KADOLPH,

Notary Public,

Ingham County, Michigan.

My commission expires April 30, 1925.

#### ALDERMAN—SEVENTH WARD.

The whole number of votes given for the office of alderman from the Seventh ward was 656, all of which were given for William L. McComb.

William L. McComb having received all of the votes given, on motion of Ald. Templeton, he was declared duly elected to the office of alderman from the Seventh ward by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Fowler, Heeb, Howe, Klock, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

#### WATERWORKS BONDS.

To the City Council of the City of Lansing, Michigan, Acting as a Board of City Canvassers for the Said City of Lansing at the Election Held on April 3, 1922:

Your petitioner, Oscar E. Bulkeley, represents to your honorable body that he is a qualified elector of the city of Lansing and voted at the last election here held; that he is also superintendent of the board of electric light and water commissioners of the city of Lansing. That at the last election held the question was submitted to the voters of the city of Lansing asking for an authorization of the issuing of bonds in the amount of one hundred thousand (\$100,000) dollars, such money to be used for the extension of water mains and the repairing thereof. That the question was legally and regularly submitted to said voters, and, as appears from the return now on file in the office of the clerk of the city of Lansing, Michigan, the

said question failed to carry by a three-fifths majority as provided by the laws of the state of Michigan, by twenty-three (23) votes.

Your petitioner further represents that at a meeting of the said board of electric light and water commissioners held at the office of said board on the evening of April 4, 1922, said board unanimously voted to ask for a recount of the ballots so cast upon said question at said election. That your petitioner, in making this petition, makes the same for and in behalf of the said board of electric light and water commissioners as well as individually.

Your petitioner further represents that he is informed and believes that the canvass of the votes upon said question by the precinct and ward election boards is wrong and erroneous and that many errors were made in the several precincts in the several wards of the said city in the canvassing of said vote. That in truth and fact, as this deponent is informed and believes, the question was actually carried and that a recanvassing of the same by your honorable body will prove the same to be true.

Therefore your petitioner, as an individual and as representative of the said board of electric light and water commissioners, for and in their behalf makes this petition and asks for a recount of the said vote in each and every of the wards and precincts of the said city in accordance with the statute of the state of Michigan and the charter of the city of Lansing, to the end that the errors committed in the canvassing of the said votes by the precinct boards may be corrected.

OSCAR E. BULKELEY.

State of Michigan,) ss.  
County of Ingham)

On this 6th day of April, 1922, before me, a notary public in and for Ingham county, Michigan, personally appeared Oscar E. Bulkeley, who being by me duly sworn, says that he has read the foregoing petition by him signed, and knows the contents thereof, and that the same is true of his own knowledge except as to those matters stated to be upon his information and belief, and as to those matters he believes the same to be true.

JUDSON A. PARSONS,

Notary Public,

Ingham County, Michigan.

My commission expires Oct. 30, 1924.

#### BRIDGE BONDS.

The whole number of votes given on the proposition of using the bonds previously voted to construct a bridge across Cedar river at Pennsylvania ave. and across Grand river at Shiawassee st., to construct a bridge across Cedar river at Penn-

sylvania ave. and over Grand river and the New York Central tracks at Shiawassee st. was 8,958, of which 5,808 votes were given in favor of said proposition, and 3,145 votes were given against said proposition.

The proposition having received in its favor the necessary majority of the votes cast, it was declared duly carried by the following vote:

Yeas—Ald. Avery, Britten, Clapham, Dymond, Fowler, Heeb, Howe, Klock, McComb, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

#### DAYLIGHT SAVING PROPOSITION.

The total number of votes given on the proposition of adopting eastern standard time and setting the clocks of the city ahead one hour was 9,454, of which 4,807 votes were given in favor of the proposition, and 4,647 were given against the proposition.

A majority of the votes cast were in favor of adopting eastern stand-

ard time and setting the clocks of the city ahead one hour from April 15th to Oct. 1st.

Ald. Avery moved that we continue this meeting and meet tomorrow morning at 7 o'clock to canvass the vote on the waterworks bond issue and alderman of the Sixth ward, as prayed for in the petitions on file.

Ald. Howe moved as a substitute that the meeting be at 7 o'clock tomorrow evening.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, Dymond, Fowler, Heeb, Howe, McComb, Trager, Watley.—9.

Nays—Ald. Britten, Klock, McKale, Phillips, Templeton.—5.

A continuation of the meeting of the board of canvassers was thereupon taken until tomorrow evening at 7 o'clock.

J. A. PARSONS,

City Clerk.

Lansing, Mich., April 6, 1922.

#### BOARD OF CANVASSERS.

APRIL 7, 1922.

The city council met as a board of canvassers in continued session, for the purpose of recounting the votes cast on the waterworks bonds and on alderman from the Sixth ward.

#### ROLL CALL.

Present—Ald. Avery, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—14.

Absent—Ald. Britten, Chapman.—2.

#### CANVASSERS' RETURNS.

By Ald. McKale—

That the board proceed to recount the ballots cast in the Sixth ward for alderman.

Carried.

The ballots cast for alderman in the Sixth ward were canvassed with the following results:

The whole number of votes given for the office of alderman from the Sixth ward was 1,432, of which A. E. Dymond received 732 votes, and Frank B. Hall received 700 votes.

A. E. Dymond having received the larger number of votes cast, on motion of Ald. Avery, he was declared duly elected to the office of alderman from the Sixth ward by the following vote:

Yeas—Ald. Avery, Clapham, Fowler, Heeb, Howe, Klock, Main, Mc-

Comb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

By Ald. Avery—

That the board proceed to recount the ballots cast on the proposition of issuing waterworks bonds in the sum of \$100,000.

Carried.

The ballots cast on the proposition of issuing waterworks bonds in the sum of \$100,000 were then recounted with the following results:

The whole number of votes given on the proposition of issuing waterworks bonds in the sum of \$100,000 was 9,444, of which 5,656 votes were given in favor of the bond issue, and 3,788 votes were given against the bond issue.

The proposition of issuing waterworks bonds in the sum of \$100,000 having failed to receive three-fifths of all the votes cast, on motion of Ald. Avery, it was declared duly defeated by the following vote:

Yeas—Ald. Avery, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

The city council acting as a board of canvassers adjourned.

J. A. PARSONS,

City Clerk.

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted declare and determine that

for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city and that this council being advised by the board of water and electric light commissioners, that the city of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore, to-wit, on the 30th day of August, 1921, did submit the question of said construction of a new electric light and power plant, together with the necessary distribution system, and aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved, by this council, that the bonds of the city of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$740,000, being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated June 1, 1922, and be due and payable as follows: \$75,000 on the first day of June of each year from 1937 to 1945, inclusive, and \$65,000 on the first day of June, 1946. That said bonds shall bear interest at the rate of  $4\frac{1}{2}$  per annum, payable semi-annually on the 1st day of June and the 1st day of December in each year, beginning the 1st day of December, 1922, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond and coupon sheet issued herewith has been surrendered by the holder of this bond; and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the

registration blank below or order upon the proper acknowledgment of the receipt thereof.

Resolved further, that the form of said bonds and the interest coupons attached hereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupons.

#### UNITED STATES OF AMERICA

State of Michigan

County of Ingham

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000.00 lawful money of the United States of America on the 1st day of June, 19... at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½% per annum, payable semi-annually on the 1st day of June and the 1st day of December of each and every year, beginning with the 1st day of December, 1922, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 740 of like tenor except as to date of maturity aggregating the sum of \$740,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary

distribution system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of holder upon books to be kept by the city-treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date June 1, 1922, by order of said council.

## PUBLIC IMPROVEMENT II.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted Sept. 16, 1922, for graveling Lyons ave. from Mt. Hope ave. to south city limits are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Lyons ave. within the south line of Mt. Hope ave. and the south line of south city limits and extending back from said Lyons ave., a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$906.50.

That the expense of such improvement in public street and alley intersections is \$135.97, which shall be paid by the city out of the sixth ward highway fund.

That all of the remainder of said estimated expense, to-wit, the sum of \$770.53, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager Watley.—16.

Nays—None.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the board of water and electric light commissioners that the city of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore, to-wit, on the 30th day of August, 1921, did submit the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution;

Now, therefore, be it resolved, by this council, that the bonds of the city of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$740,000, being a portion of the bonds heretofore

voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated June 1, 1922, and be due and payable as follows: \$75,000 on the first day of June of each year from 1937 to 1945, inclusive, and \$65,000 on the first day of June, 1946. That said bonds shall bear interest at the rate of 4½% per annum, payable semi-annually on the 1st day of June and the 1st day of December in each year, beginning the 1st day of December, 1922, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond, the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

Resolved further, that the form of said bonds and the interest coupons attached hereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupons.

UNITED STATES OF AMERICA

State of Michigan

County of Ingham

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer,

or if registered to the registered holder hereof, the sum of \$1,000.00 lawful money of the United States of America on the 1st day of June, 19.., at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½% per annum, payable semi-annually on the 1st day of June and the 1st day of December of each and every year, beginning with the 1st day of December, 1922, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 740 of like tenor except as to date of maturity aggregating the sum of \$740,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for

and on behalf of the city of Lansing; this bond bearing date June 1, 1922, by order of said council.

### REPORTS OF OFFICERS.

The report of the gas inspector for the week ending April 22, 1922, was received and placed on file.

Honorable Mayor and City Council:

Gentlemen—In reference to the claim of William Glingrich vs. City of Lansing, I will say that judgment was obtained in the said cause in the amount of \$500 for damages against the city for maintaining a nuisance; namely, the city piggery, and the costs have been taxed at \$77.50.

I know of no reason why this should not be paid, and therefore recommend that the same be paid accordingly.

Very truly yours,  
D. G. F. WARNER,  
City Attorney.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—Some time ago a roll was made to assess the cost of paving Holmes st., but as this body was informed the court declared the roll illegal by reason of certain irregularities, which we since undertook to correct.

This case was tried in April, 1921, at which time I informed the city treasurer not to collect any more taxes in relation to the said pavement until a new roll was produced, but through some misunderstanding it appears the treasurer notified parties of their assessment and Mr. Charles J. Davis paid the entire balance of his tax under protest, October 24, 1921, which amount, as appears, was \$1,586.61.

The matter was later brought before the council at which time Mr. Davis asked that the money be returned. The matter was referred to me, and I recommended that it be not paid as I then was of the opinion that a new roll had been placed in the hands of the treasurer. Mr. Davis since commenced suit against the city for this amount, and upon investigation I find the conditions as stated, and I therefore recommend that this matter be referred to a committee to ascertain and deter-

mine the amount of the claim and that the same be refunded, for it would be a worthless expense of both time and money to undertake to contest the matter under the old roll, in validity of which had been fully settled by the court.

Very respectfully,  
D. G. F. WARNER,  
City Attorney.

Referred to committee on streets.

To the Honorable Mayor and City Council:

Gentlemen—I herewith report that on April 20, I sold in Detroit 65 hogs, weighing 16,040 pounds, at 10½c per pound, for which I have received a check for \$1,658.80 and credited same to garbage disposal.
